UPDATE ON BELMONT INNOVATION CAMPUS. The Planning Commission has approved the rezoning.

DISCUSSION OF DOMINION ENERGY CREEK CROSSING. At our last meeting we heard from representatives about the location. We raised concerns about the vegetation along the creek banks: what might be destroyed, what would replace it, how high it would be allowed to grow. Although it is short notice, I can ask for a Dominion representative to go deeper into this.

Review and approval of minutes from last meetings.

General Remarks from the Chairman.

Open discussion as necessary.
