MEETING OF THE COMMONWEALTH TRANSPORTATION BOARD

We are concerned about your health, and we are committed to do all we can to reduce the risk and spread of novel coronavirus. Governor Ralph Northam declared a state of emergency in Virginia on Thursday, March 12, 2020 in response to COVID-19. In light of this action, we have decided to conduct the May 19, 2021 Commonwealth Transportation Board (CTB) meeting using electronic communications in accord with Item 4-0.01.g. of Chapter 552 (2021 Acts of Assembly), as the COVID-19 emergency makes it impracticable or unsafe to assemble in a single location. The purpose of the meeting is to discuss or transact the business statutorily required or necessary to continue operation of the CTB and the discharge of its lawful purposes, duties, and responsibilities.

All board members will be participating remotely. The public may view the meeting via live stream by clicking the "View video" button at the following link: http://www.ctb.virginia.gov/public_meetings/live_stream/default.asp. There will be opportunity for public comment during this meeting. Public comment can be submitted by calling the following telephone number 1-402-295-5276 followed by PIN 888 254 844# when it is announced that public comment will begin. A caller may be placed on hold until others who have called in earlier have had opportunity to speak.

In the event there is an interruption in the broadcast of the meeting, please call (804) 729-6495.

Should you wish to offer comment regarding how meetings using electronic communications technology compare to traditional meetings when the CTB is physically present, you may complete the FOIA Council's Electronic Meetings Public Comment form appearing at the end of this agenda and submit it to the FOIA Council as described on the Form.

CTB Decision Brief

Highway Naming: “Richard E. “Dickie” Abbott Memorial Highway”

Issue: Approval of the Commonwealth Transportation Board (CTB) is sought for the commemorative naming of Route 603, Cody Road, from the intersection of Route 647, Leda Grove Road, to Joel’s Lane in Halifax County as the “Richard E. “Dickie” Abbott Memorial Highway”, as requested by Halifax County.

Facts: The Halifax County Board of Supervisors enacted a resolution on January 4, 2021 memorializing the life, service and contributions of Mr. Richard E. “Dickie” Abbott. Based on that resolution, Mr. Abbott served 41 years on the Halifax County Board of Supervisors from January 1, 1968 until his death on July 14, 2008.

He was a faithful and active member of Republican Grove United Methodist Church and Woodmen of the Worlds. In addition, he was an avid baseball player and fan and was the first person inducted into the Halifax County Sports Hall of Fame. He was employed by Burlington Industries and was a retired tobacco farmer.

Recommendations: The Virginia Department of Transportation (VDOT) recommends this request be approved.

Action Required by CTB: The *Code of Virginia*, § 33.2-213, requires a majority of the CTB members to approve a resolution naming a highway or bridge, as appropriate. A resolution will be provided for the CTB’s consideration.

Result if Approved: Route 603, Cody Road, from the intersection of Route 647, Leda Grove Road, to Joel’s Lane in Halifax County will be known as the “Richard E. “Dickie” Abbott Memorial Highway”, as requested by Halifax County. In accordance with § 33.2-213 of the *Code of Virginia*, Halifax County agrees, by resolution dated January 4, 2021, to pay the costs of producing, placing, and maintaining the signs calling attention to this naming.

Options: Approve, Deny, or Defer.

Public Comments/Reactions: VDOT is not aware of any opposition to this proposal.

HIGHWAY NAMING OF ROUTE 603, CODY ROAD, FROM ROUTE 647
ACROSS LEDA GROVE ROAD NORTH TO JOEL’S LANE AND CODY ROAD,
IN HALIFAX COUNTY AS THE RICHARD E. “DICKIE” ABBOTT MEMORIAL HIGHWAY

The Board of Supervisors of Halifax County, Virginia (the “Board”), at its regular meeting on the 4th day of January, 2021 adopts the following resolution:

WHEREAS, Dickie Abbott faithfully served for 41 years on the Board of Supervisors, Halifax County representing District 1 from January 1, 1968 until his death of July 14, 2008.

WHEREAS, Dickie Abbott was a faithful active member of Republican Grove United Methodist Church and Woodmen of the World.

WHEREAS, Dickie Abbott was an avid baseball player and fan. He was the first person inducted into the Halifax County Sports Hall of Fame.

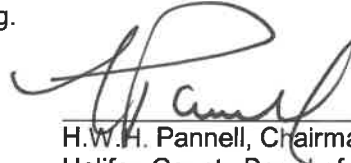

WHEREAS, Dickie Abbott was former employee of Burlington Industries and a retired tobacco farmer for many years.

WHEREAS, Section 33.2-213 of the *Code of Virginia* authorizes the Commonwealth Transportation Board (CTB) to give suitable names to state highways, bridges, interchanges, and other transportation facilities and change the names of any highways, bridges, interchanges, or other transportation facilities forming a part of the systems of state highways; and

WHEREAS, Section 33.2-213 provides that the Virginia Department of Transportation shall place and maintain appropriate signs indicating the names of highways, bridges, interchanges, and other transportation facilities named by the CTB and requires that the costs of producing, placing, and maintaining such signs shall be paid by the localities in which they are located.

NOW, THEREFORE, BE IT RESOLVED, that Halifax County, in accordance with Section 33.2-213 of the *Code of Virginia*, does hereby request that the CTB name the highway on Route 603, Cody Road, from Route 647 across Leda Grove Road (sign placed on north lane) north little beyond Joel’s Lane (sign placed on south lane) in Halifax County as the Richard E. “Dickie” Abbott Memorial Highway.

BE IT FURTHER RESOLVED that Halifax County agrees to pay the costs of producing, placing, and maintaining the signs calling attention to this naming.

Title: Addition of Projects to the Six-Year Improvement Program for Fiscal Years 2021-2026

WHEREAS, Section 33.2-214(B) of the *Code of Virginia* requires the Commonwealth Transportation Board (Board) to adopt by July 1st of each year a Six-Year Improvement Program (Program) of anticipated projects and programs and that the Program shall be based on the most recent official revenue forecasts and a debt management policy; and

WHEREAS, after due consideration the Board adopted a Final Fiscal Years 2021-2026 Program on December 9, 2020; and

WHEREAS, the Board is required by §§ 33.2-214(B) and 33.2-221(C) of the *Code of Virginia* to administer and allocate funds in the Commonwealth Transportation Fund and the Transportation Trust Fund, respectively; and

WHEREAS, § 33.2-214(B) of the *Code of Virginia* provides that the Board is to coordinate the planning for financing of transportation needs, including needs for highways, railways, seaports, airports, and public transportation and is to allocate funds for these needs pursuant to §§ 33.2-358 and Chapter 15 of Title 33.2 (33.2-1500 et seq.) of the *Code of Virginia*, by adopting a Program; and

WHEREAS, §§ 33.2-1526 and 33.2-1526.1 authorize allocations to local governing bodies, transportation district commissions, or public service corporations for, among other

things, capital project costs for public transportation and ridesharing equipment, facilities, and associated costs; and

WHEREAS, the projects shown in Appendix A were not included in the FY 2021-2026 Program adopted by the Board on December 9, 2020; and

WHEREAS, the Board recognizes that the projects are appropriate for the efficient movement of people and freight and, therefore, for the common good of the Commonwealth.

NOW THEREFORE, BE IT RESOLVED, by the Commonwealth Transportation Board, that the projects shown in Appendix A are added to the Six-Year Improvement Program of projects and programs for Fiscal Years 2021 through 2026 and are approved.

CTB Decision Brief

Addition of Projects to the Six-Year Improvement Program for Fiscal Years 2021 - 2026

Issue: Each year the Commonwealth Transportation Board (CTB) must adopt a Six-Year Improvement Program (Program) and allocations in accordance with the statutory formula.

Facts: The CTB must adopt a Program of anticipated projects and programs by July 1st of each year in accordance with § 33.2-214(B) of the *Code of Virginia*. On December 9, 2021, after due consideration, the CTB adopted a Final FY 2021-2026 Program.

Recommendations: The Virginia Department of Transportation (VDOT) recommends the addition of the projects in Appendix A to the Program for FY 2021–2026.

Action Required by CTB: The CTB will be presented with a resolution for a formal vote to add the projects listed in Appendix A to the Program for FY 2021–2026 to meet the CTB’s statutory requirements.

Result, if Approved: If the resolution is approved, the projects listed in Appendix A will be added to the Program for FY 2021-2026.

Options: Approve, Deny, or Defer.

WHEREAS, the Board is being presented a list of the transfers exceeding the established thresholds attached to this resolution and agrees that the transfers are appropriate.

NOW THEREFORE, BE IT RESOLVED, by the Commonwealth Transportation Board, that the attached list of transfer requests exceeding the established thresholds is approved and the specified funds shall be transferred to the recipient project(s) as set forth in the attached list to meet the Board's statutory requirements and policy goals.

#####

CTB Decision Brief

FY2021-2026 Six-Year Improvement Program Transfers For March 20, 2021 through April 19, 2021

Issue: Each year the Commonwealth Transportation Board (CTB) must adopt a Six-Year Improvement Program (Program) in accordance with statutes and federal regulations. Throughout the year, it may become necessary to transfer funds between projects to have allocations available to continue and/or initiate projects and programs adopted in the Program.

Facts: On December 9, 2020, the CTB granted authority to the Commissioner of Highways (Commissioner), or his designee, to make transfers of allocations programmed to projects in the approved Six-Year Improvement Program of projects and programs for Fiscal Years 2021 through 2026 to release funds no longer needed for the delivery of the projects and to provide additional allocations to support the delivery of eligible projects in the approved Six-Year Improvement Program of projects and programs for Fiscal Years 2021 through 2026 consistent with Commonwealth Transportation Board priorities for programming funds, federal/state eligibility requirements, and according to the following thresholds based on the recipient project:

Total Cost Estimate	Threshold
<\$5 million	up to a 20% increase in total allocations
\$5 million to \$10 million	up to a \$1 million increase in total allocations
>\$10 million	up to a 10% increase in total allocations up to a maximum of \$5 million increase in total allocations

In addition, the CTB resolved that the Commissioner should bring requests for transfers of allocations exceeding the established thresholds to the CTB on a monthly basis for its approval prior to taking any action to record or award such action.

The CTB will be presented with a resolution for formal vote to approve the transfer of funds exceeding the established thresholds. The list of transfers from March 20, 2021 through April 19, 2021 is attached.

Recommendations: VDOT recommends the approval of the transfers exceeding the established thresholds from donor projects to projects that meet the CTB's statutory requirements and policy goals.

Action Required by CTB: The CTB will be presented with a resolution for a formal vote to adopt changes to the Program for Fiscal Years 2021– 2026 that include transfers of allocated funds exceeding the established thresholds from donor projects to projects that meet the CTB's statutory requirements and policy goals.

Result, if Approved: If approved, the funds will be transferred from the donor projects to projects that meet the CTB's statutory requirements and policy goals.

Options: Approve, Deny, or Defer.

AUTHORIZING THE ISSUANCE AND SALE OF COMMONWEALTH OF VIRGINIA I-81 PROGRAM REVENUE BONDS, SERIES 2021 TO BE ISSUED AS THE INTIAL SERIES OF BONDS UNDER A MASTER INDENTURE OF TRUST HEREIN AUTHORIZED, AND AUTHORIZING CERTAIN OTHER DOCUMENTS AND UNDERTAKINGS IN CONNECTION WITH SUCH ISSUANCE AND SALE

WHEREAS, pursuant to the Transportation Development and Revenue Bond Act (the “State Transportation Revenue Bond Act”), Sections 33.2-1700 et seq. of the Code of Virginia of 1950, as amended (the “Virginia Code”), the Commonwealth Transportation Board (the “Board”) has the power to issue its revenue bonds to finance the costs of transportation projects authorized by the General Assembly of Virginia (the “General Assembly”), including any financing costs or other financing expenses related to such bonds;

WHEREAS, pursuant to the Commonwealth Transportation Interstate 81 Corridor Bond Act of 2020, enactment item 15 of Chapter 1230 of the Acts of the General Assembly of the Commonwealth of Virginia, 2020 Reconvened Session (the “ I-81 Bond Act”), the Board is authorized, by and with the consent of the Governor, to issue, pursuant to the provisions of the State Transportation Revenue Bond Act, revenue obligations of the Commonwealth of Virginia (the “Commonwealth”) to be designated “Commonwealth of Virginia Interstate 81 Corridor Program Revenue Bonds, Series” (the “Bonds”) at one or more times in an aggregate principal amount not to exceed \$1 billion, after all costs, excluding refunding bonds and excluding pre-project completion interest convertible to principal associated with certain federal programs of the U.S. Department of Transportation;

WHEREAS, the Board is required pursuant to the I-81 Bond Act to use proceeds of any Bonds, including any premium received on the sale thereof, for the exclusive purpose of paying costs incurred or to be incurred in relation to the Interstate 81 Corridor Improvement Plan and the Interstate 81 Corridor Improvement Program, as such terms are defined in Section 33.2-3600 of the Virginia Code, which costs include financing and issuance expenses;

WHEREAS, Section 33.2-3601 of the Virginia Code creates the Interstate 81 Corridor Improvement Fund (the "I-81 Fund") in the state treasury as a special non-reverting fund which shall be established on the books of the Comptroller of the Commonwealth and provides that all revenues dedicated to the I-81 Fund pursuant to Sections 33.2-372 and 58.1-2299.20 of the Virginia Code, any other funds that may be appropriated by the General Assembly, and any funds that may otherwise be received for credit to the I-81 Fund from any other sources shall be paid into the state treasury and credited to the I-81 Fund;

WHEREAS, Section 11 of the I-81 Bond Act requires the Board to establish a fund either in the state treasury with the cooperation of the State Treasurer or with a trustee in accordance with the provisions of Section 33.2-1716 of the State Transportation Revenue Bond Act to secure and be used for the payment of the Bonds to the credit of which there shall be deposited such amounts, subject to appropriation by the General Assembly, necessary to pay principal, purchase price, redemption premium, if any, and interest on the Bonds, as and when such costs become due and payable; provided that such costs shall be paid from the revenues deposited into the I-81 Fund pursuant to Section 58.1-2299.20 of the Virginia Code from the receipt of regional fuels tax levied pursuant to Section 58.1-2295 of the Virginia Code;

WHEREAS, Section 12 of the I-81 Bond Act permits the Board, in connection with the issuance or planned issuance of any Bonds, to pay any necessary and appropriate support costs, including debt service or deposits to reserve funds from the revenues deposited into the I-81 Fund pursuant to Section 58.1-2299.20 of the Virginia Code from the receipt of regional fuels tax levied pursuant to Section 58.1-2295 of the Virginia Code;

WHEREAS, Section 10 of the I-81 Bond Act permits the Board to receive other funds that may be made available to pay project costs and, subject to appropriation by the General Assembly, to make such funds available for the payment of the principal, purchase price, redemption premium, if any, and interest on Bonds authorized under the I-81 Bond Act;

WHEREAS, the Board has determined that it is in the best interests of the Commonwealth and the Board for the Board to issue Bonds for the purposes authorized under and in accordance with the provisions of the I-81 Bond Act, and in furtherance of such issuance the Virginia Department of Transportation (the "Department") has prepared, at the direction of the Board, a Master Indenture ("Master Indenture") between the Board and a trustee to be selected (the "Trustee") to provide for issuance of Bonds from time to time in one or more series pursuant to one or more supplemental indentures of trust containing the specific terms and details relating to the particular series of Bonds to be issued;

WHEREAS, the I-81 Bond Act authorizes the Board to enter into agreements with any department or agency of the Commonwealth to make appropriated funds available to pay debt service and other funding requirements for the Bonds, and the Board has determined that it is in the best interests of the Commonwealth of Virginia and the Board to enter into a Payment Agreement between the Board, the Secretary of Finance of the Commonwealth and the Treasury Board of the Commonwealth (the "Payment Agreement"), to establish a process for the seeking of appropriations from the General Assembly and the payment of appropriated funds to provide for payment of funding requirements under the Master Indenture, including payment of the debt service on the Bonds and other obligations issued from time to time under the Master Indenture, which Payment Agreement has been prepared by the Department at the direction of the Board;

WHEREAS, substantially final forms of the Master Indenture and Payment Agreement have been presented at this meeting and shall be filed with the records of the Board;

WHEREAS, the Board wishes to authorize the initial issuance of one or more series of Bonds under the Master Indenture to be known as the "Commonwealth of Virginia Interstate 81 Corridor Program Revenue Bonds," with one or more series designations, as appropriate (the "2021 Bonds"); and

WHEREAS, in addition to the Master Indenture and the Payment Agreement, the following documents that provide for the issuance of the 2021 Bonds, which shall be filed with the records of the Board, have been prepared by Bond Counsel and the staff of the Department at the direction of the Board and have been presented at this meeting in substantially final form:

- (1) a First Supplemental Indenture of Trust (the "First Supplement," together with the Master Indenture, the "Indenture"), between the Board and the Trustee, providing for the terms and structure of the 2021 Bonds;
- (2) a Preliminary Official Statement of the Board relating to the offering for sale of the 2021 Bonds (the "Preliminary Official Statement"); and
- (3) a Continuing Disclosure Agreement of the Board relating to the obligations of the Board to disclose certain information on an ongoing basis in connection with the 2021 Bonds (the "Continuing Disclosure Agreement").

NOW, THEREFORE, BE IT RESOLVED BY THE COMMONWEALTH TRANSPORTATION BOARD:

1. Authorization of the Master Indenture and Payment Agreement. The Board hereby determines that it is in the best interests of the Commonwealth and the Board for the Board to enter into the Master Indenture to provide for the issuance of Bonds and other obligations from time to time thereunder and to enter into the Payment Agreement to establish the process for seeking appropriations and providing for payment of the Bonds and other obligations to be issued from time to time under the Master Indenture. The Board approves the Master Indenture and Payment Agreement in the substantially final forms presented at this meeting. The Board

authorizes and directs the Chairperson of the Board (the "Chairperson") to prepare, execute, and deliver the final form of the Master Indenture and the final form of the Payment Agreement with such completions, omissions, insertions, and changes as are necessary or desirable to provide for the issuance and sale of the Bonds from time to time. Such documents shall be dated the first day of the month in which the initial series of Bonds are issued under the Master Indenture or such other date as the Chairperson may approve. Execution and delivery of the Master Indenture and Payment Agreement shall constitute conclusive evidence of the approval of such documents by the Chairperson on behalf of the Board.

2. Authorization of the 2021 Bonds. The Board hereby determines that it is in the best interests of the Commonwealth and the Board for the Board (i) to enter into the First Supplement to provide for the issuance of the 2021 Bonds, (ii) to issue the 2021 Bonds for the purposes authorized under and in accordance with the provisions of the I-81 Bond Act and the Indenture and (iii) to sell the 2021 Bonds. The aggregate principal amount of the 2021 Bonds shall not exceed \$110,000,000, the final maturity date of the 2021 Bonds shall not exceed 36 years from their date of issuance, and the aggregate true interest cost of the 2021 Bonds shall not exceed the maximum aggregate true interest cost approved by the Treasury Board, which is empowered pursuant to Section 2.2-2416(7) of the Virginia Code to approve the terms and structure of all proposed bond issues by state agencies, boards or authorities where debt service payments are expected by such agency, board or authority to be made, in whole or in part, directly or indirectly, from appropriations of the General Assembly. The Board expects the debt service payments to be made from appropriations by the General Assembly of funds comprised of the revenues derived from the aforementioned regional fuels tax.

3. Limited Obligations. The 2021 Bonds shall be limited obligations of the Board and the Commonwealth, payable from and secured by a pledge of the revenues pledged under the Indenture ("Revenues") and amounts in certain funds established pursuant to the Indenture. Nothing in this Resolution or the 2021 Bonds shall be deemed to create or constitute a debt or a pledge of the faith and credit of the Commonwealth or any political subdivision thereof.

4. Determination of Details of the 2021 Bonds. The Board authorizes the Chairperson of the Board (the "Chairperson"), subject to the criteria set forth in paragraph 2 of this Resolution, to determine the details of the 2021 Bonds, including, without limitation, the aggregate principal amount, the maturity schedule, the interest rates, the redemption provisions, the sale date, the sale price and the reoffering prices.

5. Sale of the 2021 Bonds. The Board has determined, in consultation with the Department and the Board's financial advisor (the "Financial Advisor"), that because the 2021 Bonds will be the initial series of Bonds issued under the Indenture it is in the best interests of the Commonwealth to issue and sell the bonds through a negotiated arrangement with one or more underwriters. The Board authorizes the Chairperson to solicit and consider proposals for a negotiated sale of the 2021 Bonds and to negotiate the terms of such sale. The Chairperson is authorized to execute and deliver a purchase contract or an agreement reflecting such proposal, provided that no such purchase contract or agreement may be executed prior to approval of the terms and structure of the 2021 Bonds by resolution of the Treasury Board. Alternatively, if

determined, in consultation with the Department and the Financial Advisor, that it is in the best interests of the Commonwealth to issue and sell the 2021 Bonds pursuant to a competitive sale, the Chairperson is authorized to sell the 2021 Bonds in such manner and to prepare, publish and distribute a Notice of Sale in connection therewith (the "Notice of Sale"), provided that the Notice of Sale may not be published or distributed prior to the approval of the 2021 Bonds by resolution of the Treasury Board. In addition to the authorization provided to the Chairperson, the Board authorizes the Chief Financial Officer of the Department and the Director, Budget and Funds Management Division (either of whom may act) to execute a purchase contract for the 2021 Bonds (if the 2021 Bonds are sold by negotiated sale) and to effect the Chairperson's award of the 2021 Bonds (if the 2021 Bonds are sold by competitive bid).

6. Preliminary Official Statement. The Board approves the Preliminary Official Statement in the substantially final form presented at this meeting. The Board authorizes and directs the Chairperson, in collaboration with the staff of the Department and the Financial Advisor and Bond Counsel, to prepare the final form of the Preliminary Official Statement with such completions, omissions, insertions, and changes as are necessary or desirable to effect the issuance and sale of the 2021 Bonds, as the Chairperson may approve. The Chairperson is further authorized, in connection with the preparation of the final form of the Preliminary Official Statement, to determine, in collaboration with the staff of the Department, the Financial Advisor and Bond Counsel, and in consultation with other offices and departments of the Commonwealth, including the Department of the Treasury and the Secretary of Finance, whether the inclusion of audited financial statements of the Commonwealth as an appendix to the Preliminary Official Statement is necessary or appropriate for the issuance and sale of the 2021 Bonds. The Board authorizes the Chairperson to deem the Preliminary Official Statement to be final for purposes of Securities and Exchange Commission Rule 15c2-12 (the "Rule") and to approve the distribution thereof, provided that the Preliminary Official Statement may not be distributed prior to approval of the terms and structure of the 2021 Bonds by resolution of the Treasury Board.

7. Official Statement. The Board authorizes and directs the Chairperson, in collaboration with Bond Counsel, Department staff and Financial Advisor, to complete the Preliminary Official Statement as an official statement in final form (the "Official Statement") in order to reflect the provisions of the winning bid or the executed purchase contract, as appropriate, for the purchase and sale of the 2021 Bonds. The Board authorizes and directs the Chairperson to execute the Official Statement, which execution shall constitute conclusive evidence of the approval of the Official Statement by the Chairperson on behalf of the Board and that it has been deemed final within the meaning of the Rule. The Board authorizes and directs Department staff to arrange for delivery to the winning bidders or underwriters, as appropriate, within seven business days after the date thereof, a sufficient number of copies of the Official Statement for the underwriters or winning bidders to distribute to each potential investor requesting a copy and to each person to whom the underwriters or winning bidders initially sell the 2021 Bonds. The Board authorizes and approves the distribution by the underwriters or winning bidders of the Official Statement as executed by the Chairperson.

8. First Supplement. The Board approves the First Supplement in its substantially final form presented at this meeting. The Board authorizes and directs the Chairperson to prepare, execute, and deliver the final form of the First Supplement with such completions, omissions, insertions, and changes as are necessary or desirable to effect the issuance and sale of the 2021 Bonds, including without limitation changes to the dated dates thereof, as the Chairperson may approve. Execution and delivery of the First Supplement shall constitute conclusive evidence of the approval of such documents by the Chairperson on behalf of the Board.

9. Execution and Delivery of the 2021 Bonds. The Board authorizes and directs the Chairperson and the Secretary of the Board (the "Secretary") to have the 2021 Bonds prepared and to execute the 2021 Bonds in accordance with the Indenture, to deliver the 2021 Bonds to the Trustee for authentication, and to cause the 2021 Bonds so executed and authenticated to be delivered to or for the account of the winning bidders or underwriters upon payment of the purchase price of the 2021 Bonds, all in accordance with the Notice of Sale or executed purchase contract, as appropriate. Execution and delivery by the Chairperson and the Secretary of the 2021 Bonds shall constitute conclusive evidence of the approval of the 2021 Bonds by the Chairperson and the Secretary on behalf of the Board.

10. Continuing Disclosure. The Board approves the Continuing Disclosure Agreement in the substantially final form presented at this meeting. The Board covenants to undertake ongoing disclosure and to provide "annual financial information" and "event notices" for the benefit of holders of the 2021 Bonds and to assist the winning bidders or the underwriters, as appropriate, in complying with the Rule, all in accordance with the Continuing Disclosure Agreement. The Board authorizes and directs the Chairperson to prepare, execute, and deliver the final form of the Continuing Disclosure Agreement, with such completions, omissions, insertions, and changes as are necessary or desirable to effect the issuance and sale of the 2021 Bonds, as the Chairperson may approve. The Chief Financial Officer of the Department is designated as the Dissemination Agent under the Continuing Disclosure Agreement. Execution and delivery by the Chairperson of the Continuing Disclosure Agreement shall constitute conclusive evidence of the approval of the Continuing Disclosure Agreement by the Chairperson on behalf of the Board.

11. Authorization of Further Action. The Board authorizes Department staff (i) to request the Treasury Board to approve the terms and structure of the 2021 Bonds in accordance with Section 2.2-2416(7) of the Virginia Code and the Act, (ii) to request the Governor of the Commonwealth to approve the issuance of the 2021 Bonds in accordance with the Act, (iii) if determined by Department staff to be cost beneficial, to procure and negotiate a contract with a credit facility provider to issue a credit facility with respect to some or all of the 2021 Bonds and to execute such contract, together with any other documents related to such credit facility, (iv) to collaborate with the staff of the Department of the Treasury of the Commonwealth or the State Treasurer to procure and to negotiate investments and investment contracts for any of the proceeds of the 2021 Bonds and (v) to solicit bids for and select a qualified entity to serve as Trustee under the Master Indenture and any and all supplemental indentures, and to execute and deliver all documents and agreements required in connection with such solicitation and selection. The Board further authorizes the Chairperson to execute and deliver all documents and certificates and to take

all such further action as he may consider necessary or desirable in connection with the issuance and sale of the 2021 Bonds, including, without limitation, execution and delivery of a document (i) setting forth the expected application and investment of the proceeds of the 2021 Bonds and the expected use of the property financed or refinanced thereby to show that such expected application, investment and use will not violate the provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended (the "Tax Code"), and the Treasury Regulations promulgated thereunder including the provisions applicable to "arbitrage bonds" (as defined in the Tax Code) and (ii) providing for the rebate of any "arbitrage rebate amounts" (as defined in the Tax Code) earned on the investment of the proceeds of the 2021 Bonds to the United States. The Chairperson is further authorized to make on behalf of the Board such elections under the Tax Code and the applicable Treasury Regulations with respect to the 2021 Bonds as the Chairperson may deem to be in the best interests of the Commonwealth and the Board, in consultation with Bond Counsel and the Financial Advisor. The Board authorizes the Department and staff to make application to the U.S. Department of Transportation and other federal agencies to seek and apply for additional funding sources for the Interstate 81 Corridor Improvement Program in furtherance of the Interstate 81 Corridor Improvement Plan; provided, however no such funding may be obtained without the approval of the Board by subsequent resolution, and the authorization provided by this sentence shall survive the termination of this Resolution.

12. Official Intent; Reimbursement. The Board declares its intent and reasonable expectation to reimburse all or a portion of the expenditures paid by the Department related to the Interstate 81 Corridor Improvement Plan and the Interstate 81 Corridor Improvement Program with proceeds of the 2021 Bonds. This Resolution constitutes a declaration of "official intent" under Treasury Regulations Section 1.150-2, promulgated under the Tax Code.

13. Authorizations and Directions to Certain Officers. Any authorization or direction to the Chairperson or to the Secretary under this Resolution shall also be deemed to be an authorization or a direction to the Vice-Chairperson or to an Assistant Secretary, respectively, the Commissioner of Highways, and any officer or employee of the Board or the Department designated for such purpose by the Chairperson or the Secretary.

14. Effective Date. This Resolution shall be effective immediately and shall remain in force for a period of one year after adoption.

This Official Statement has been prepared by the Commonwealth Transportation Board of the Commonwealth of Virginia (the "Transportation Board") to provide information on the above-referenced Series 2021 Bonds (the "Series 2021 Bonds"). Selected information is presented on this cover page for the convenience of the user. To make an informed decision regarding the Series 2021 Bonds, a prospective investor should read this Official Statement in its entirety.

Security

The Series 2021 Bonds are limited obligations of the Commonwealth of Virginia and the Transportation Board, secured by and payable solely from the revenues appropriated for such purpose by the General Assembly of the Commonwealth of Virginia and pledged by the Transportation Board for such purpose under the Master Indenture (defined herein). The Series 2021 Bonds do not create or constitute a debt or a pledge of the full faith and credit of the Commonwealth or any of its political subdivisions. The pledged revenues consist of amounts credited by the Commonwealth of Virginia (the "Commonwealth") to the I-81 Fund (herein defined) from receipts derived from the I-81 Regional Fuels Tax (herein defined). The I-81 Fund is a non-reverting fund held by the State Treasurer and recorded on the books of the Comptroller of Virginia. The I-81 Regional Fuels Tax consists of revenues generated by an additional wholesale motor vehicle fuels sales tax on transactions occurring in the I-81 Regional Fuels Tax Localities (herein defined) at a rate of 7.6 cents per gallon on gasoline and gasohol (and 7.7 cents per gallon on diesel), subject to an annual adjustment in accordance with the consumer price index beginning July 1, 2021 ("I-81 Regional Fuels Tax Revenues"). The availability of I-81 Regional Fuels Tax Revenues to pay the principal of and interest on the Series 2021 Bonds is subject to appropriation by the General Assembly of the Commonwealth. The General Assembly is under no obligation to make any such appropriation. The General Assembly may eliminate or change the I-81 Regional Fuels Tax at any time. Except for I-81 Regional Fuels Tax Revenues and funds and accounts established under the Master Indenture, no other revenues are expected to be available to pay the Series 2021 Bonds. The Series 2021 Bonds are the initial series of bonds issued under the Master Indenture. Additional bonds and other obligations secured on parity with the Series 2021 Bonds by the pledge of I-81 Regional Fuels Tax Revenues may be issued on the terms and conditions set forth in the Master Indenture. **See "INTRODUCTION," and "SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS"** herein.

Issued Pursuant to

The Series 2021 Bonds will be issued pursuant to a Master Indenture of Trust dated as of _____1, 2021, and a First Supplemental Indenture of Trust dated as of _____1, 2021.

Purpose

The Series 2021 Bond proceeds are being used to pay (i) certain costs of certain eligible transportation projects contained in the I-81 Improvement Program (herein defined) in furtherance of the I-81 Improvement Plan (herein defined) and (ii) certain costs related to the issuance of the Series 2021 Bonds. CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS IN THIS OFFICIAL STATEMENT

Certain statements contained in this Official Statement, including the Appendices hereto, reflect not historical facts but forecasts, projections and “forward-looking statements.” No assurance can be given that the future results discussed in certain sections of this Official Statement will be achieved and actual results may differ materially from the forecasts and projections contained herein. In this respect, words such as “plan,” “expect,” “estimate,” “project,” “anticipate,” “intend,” “believe,” “budget” or words of similar import are intended to identify forward-looking statements. A number of factors could cause actual results to differ materially from those stated in the forward-looking statements. All projections, forecasts, assumptions and other forward-looking statements are expressly qualified in their entirety by the cautionary statements set forth in this Official Statement. Such forward-looking statements include, among others, certain of the information under the captions **“APPLICATION OF PROCEEDS OF THE SERIES 2021 BONDS,” “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS,” “INTERSTATE 81 CORRIDOR IMPROVEMENT PLAN AND PROGRAM,” “POTENTIAL IMPACT OF COVID-19 ON I-81 REGIONAL FUELS TAX REVENUES,”** and **“INVESTMENT CONSIDERATIONS.”** All statements in this Official Statement, including forward-looking statements, speak only as of the date they are made, and the Transportation Board and the Underwriters disclaim any obligation to update any of the forward-looking statements contained herein to reflect future events or developments.

The achievement of certain results or other expectations contained in or implied by such forward-looking statements involves known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. The Transportation Board does not plan to issue updates or revisions to those forward-looking statements if or when its expectations change or events, conditions or circumstances on which such statements are based occur or fail to occur.

Any references to website addresses presented herein are for informational purposes only and may be in the form of a hyperlink solely for the reader’s convenience. Unless specified otherwise, such websites and the information or links contained therein are not incorporated into, and are not part of, this offering document for purposes of, and as that term is defined in, Securities and Exchange Commission Rule 15c2-12, as amended.

The Underwriters have provided the following sentence for inclusion in this Official Statement. The Underwriters have reviewed the information in this Official Statement in accordance with, and as part of, their responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of such information.

Third parties may engage in transactions that stabilize, maintain or otherwise affect the price of the Series 2021 Bonds, including transactions to (i) overallocate in arranging the sales of the Series 2021 Bonds, and (ii) make purchases and sales of Series 2021 Bonds, for long or short account, on a when-issued basis or otherwise, at such prices, in such amounts and in such manner beyond the control of the Transportation Board. This Official Statement contains statements which, to the extent they are not recitations of historical fact, constitute “forward-looking statements.” In this respect, the words “plan,” “expect,” “estimate,” “project,” “anticipate,” “intend,” “believe,” “budget,” and similar expressions are intended to identify forward-looking statements. A number of important factors affecting the Transportation Board and its financial results could cause actual results to differ materially from those stated in the forward-looking statements.

INTRODUCTION

This Official Statement is provided by the Commonwealth Transportation Board (the “Transportation Board”), a board created and existing pursuant to the laws of the Commonwealth of Virginia (the “Commonwealth”), to furnish information with respect to the offering of \$ _____* aggregate principal amount of the Commonwealth of Virginia Interstate 81 Corridor Program Revenue Bonds (Senior Lien), Series 2021 (the “Series 2021 Bonds”).

This information speaks as of its date and is not intended to indicate future or continuing trends related to the Commonwealth or the Transportation Board affecting I-81 Regional Fuels Tax Revenues (herein defined) to be credited to the I-81 Corridor Improvement Fund and applied to the payment of debt service on the Series 2021 Bonds, subject to appropriation by the Virginia General Assembly (the “General Assembly”), as described herein. The following material is qualified in its entirety by the detailed information and financial statements appearing elsewhere in this Official Statement, including the Appendices hereto, reference to which is hereby made for all purposes.

Unless otherwise defined in this Official Statement, all capitalized terms shall have the meanings as set forth in **Appendix A – “DEFINITIONS AND SUMMARIES OF THE MASTER AND THE FIRST SUPPLEMENTAL INDENTURES.”**

This Introduction contains certain information for summary purposes only. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision. The information contained in this Official Statement is given as of the date stated on the front cover.

Forward Looking Statements

Certain statements included or incorporated by reference in this Official Statement, including the Appendices hereto, constitute “forward-looking statements.” Such statements are generally identifiable by the terminology used such as “plan,” “expect,” “estimate,” “project,” “anticipate,” “intend,” “believe,” “budget” or other similar words. The achievement of certain results or other expectations contained in such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that actual results will meet the Transportation Board’s forecasts in any way, regardless of any level of optimism communicated in this Official Statement, including the Appendices hereto. The Transportation Board will not issue any updates or revisions to forward-looking statements if or when its expectations, or events, conditions or circumstances on which such statements are based, change.

Investment Considerations

The Series 2021 Bonds are the initial series of bonds issued under the Master Indenture for a new financing program established by the Transportation Board to fund improvements along Interstate 81. Payment of the Series 2021 Bonds and other obligations issued under the Master Indenture will be limited solely to I-81 Regional Fuels Tax Revenues (herein defined) collected within a limited number of localities in the Commonwealth. Such revenues are collected from a regional fuels tax imposed by the Commonwealth beginning in Fiscal Year 2020. Payment of the I-81 Regional Fuels Tax Revenues to pay debt service on the 2021 Bonds is subject to appropriation by the General Assembly of the Commonwealth for such purpose. Accordingly, investors are encouraged to review the information under the heading “**INVESTMENT CONSIDERATIONS**” herein which sets forth certain risks associated with the purchase of the Series 2021 Bonds.

* Preliminary, subject to change

Commonwealth Transportation Board

The Transportation Board was created by the enactment of Chapter 2, Title 33.2 of the Code of Virginia of 1950, as amended (the “Virginia Code”), and is responsible for general policies for the construction and use of Virginia's highway system and for the efficient and economic development of transportation. The powers and duties of the Transportation Board include, among others, allocating funds from various sources to fund transportation needs, and developing a plan and providing for the acquisition, construction and equipping of improvements for Interstate highway 81 within the Commonwealth. See “**COMMONWEALTH TRANSPORTATION BOARD, VIRGINIA DEPARTMENT OF TRANSPORTATION, AND VIRGINIA DEPARTMENT OF RAIL AND PUBLIC TRANSPORTATION**” herein.

The I-81 Corridor Improvement Fund and the I-81 Corridor Regional Fuels Tax

The I-81 Corridor Improvement Fund (the “I-81 Fund”) is a special non-reverting fund held in the Virginia state treasury and established on the books of the Comptroller of the Commonwealth. Moneys in the I-81 Fund shall be used only for capital, operating, and other improvement costs identified in the I-81 Corridor Improvement Plan (the “I-81 Plan”). Funding for the I-81 Fund is derived from two sources: Interstate Operations and Enhancement Program Revenues pursuant to Virginia Code Section 33.2-372 and an additional fuels tax imposed by Virginia Code Section 58.1-2299.20(D) on certain localities in the Commonwealth along the Interstate 81 corridor (the “I-81 Regional Fuels Tax”). See “**INTERSTATE 81 CORRIDOR IMPROVEMENT FUND**” herein. *Revenues derived from the I-81 Regional Fuels Tax are expected to be the sole source of revenue for payment of the Series 2021 Bonds and any additional I-81 Program Revenue Bonds.*

While the I-81 Bond Act (herein defined) provides authorization for other funds to be made available for payment of the Series 2021 Bonds to the extent appropriated by the General Assembly for such purpose, revenues derived from the I-81 Regional Fuels Tax are the only source of funds specifically designated in the I-81 Bond Act for the payment of debt service and other funding requirements related to I-81 Program Revenue Bonds, including the Series 2021 Bonds. Accordingly, other than I-81 Regional Fuels Tax Revenues and the funds and accounts established under the Master Indenture, the Transportation Board has no present expectation that other funds will be made available and appropriated by the General Assembly for payment of the Series 2021 Bonds.

The Series 2021 Bonds

The issuance of the Series 2021 Bonds is authorized by the provisions of (i) the Commonwealth Transportation Interstate 81 Corridor Bond Act of 2020, enactment clause 15 of Chapter 1230 of the Acts of the General Assembly of the Commonwealth of Virginia, 2020 Reconvened Session (the “I-81 Bond Act”); (ii) the Transportation Development and Revenue Bond Act, § 33.2-1700 *et seq.* of the Virginia Code (the “State Revenue Bond Act”); and (iii) a resolution adopted by the Transportation Board on May _____ 2021 (the “Resolution”). The Series 2021 Bonds are being issued pursuant to a Master Indenture of Trust dated as of ____ 1, 2021 (the “Master Indenture”), as supplemented by the First Supplemental Indenture of Trust dated as of ____ 1, 2021 (the “First Supplemental Indenture” and collectively, with the Master Indenture, the “Indenture”), each between the Transportation Board and U.S. Bank, National Association, as trustee (the “Trustee”).

The Series 2021 Bonds are the first series of bonds issued by the Transportation Board under the I-81 Bond Act and the Master Indenture. The Series 2021 Bonds and any additional bonds issued in the future under the Master Indenture are referred to collectively as the “I-81 Program Revenue Bonds”. See “**INTERSTATE 81 PROGRAM REVENUE BONDS**” herein.

Purpose of the Series 2021 Bonds

The Transportation Board is required pursuant to the I-81 Bond Act to use proceeds of the Series 2021 Bonds, including any premium received on the sale thereof, for the exclusive purpose of costs incurred or to be incurred in relation to the I-81 Improvement Plan and the I-81 Improvement Program (the “Projects”) and certain support costs related to the issuance of the Series 2021 Bonds, including the funding of reserves, if any, and the payment of issuance costs. Pursuant to the First Supplemental Indenture, the Transportation Board will deposit a portion of the proceeds of the Series 2021 Bonds into the Project Fund (herein defined) established pursuant to the Master Indenture. From time to time, the Transportation Board will requisition funds from the Project Fund pursuant to the

terms of the Indenture to pay the costs of the Projects. See “**INTERSTATE 81 PROGRAM REVENUE BONDS**” and “**APPLICATION OF PROCEEDS OF THE SERIES 2021 BONDS**” *herein*.

Limited Obligations

The Series 2021 Bonds are limited obligations of the Commonwealth and the Transportation Board, secured by and payable solely from the revenues appropriated for such purpose by the General Assembly, and do not create or constitute a debt or a pledge of the full faith and credit of the Commonwealth or of any of its political subdivisions. **The General Assembly is not obligated to make any such appropriations.**

Specifically, the Series 2021 Bonds are secured by and payable from I-81 Regional Fuels Tax Revenues credited to the I-81 Fund (defined herein) after payment of any direct costs of administration incurred by the Virginia Department of Transportation (“VDOT”) and appropriated by the General Assembly for such purpose (the “Revenues”). In addition, the Series 2021 Bonds are payable from and secured by moneys held in certain funds established under the Indenture. See “**SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS**” AND “**I-81 CORRIDOR IMPROVEMENT FUND**” *herein*. While the I-81 Bond Act provides authorization for other funds to be made available to the Transportation Board for the payment of the Series 2021 Bonds to the extent appropriated by the General Assembly, the Transportation Board has no expectation that other funds will be made available for such purpose.

The Series 2021 Bonds are not secured by any mortgage or lien on any transportation facilities of the Commonwealth or the Transportation Board. In the event of a failure to make any payment on the Series 2021 Bonds when due, the Trustee and the owners of the Series 2021 Bonds shall have no right to take possession of any transportation facilities or to exclude the Commonwealth or the Transportation Board from possession of any transportation facilities. Additionally, in the event of non-payment, the Trustee and the owners of the Series 2021 Bonds will have no right to accelerate payment on the Series 2021 Bonds.

Approval of Issuance of Series 2021 Bonds and Terms and Structure of Series 2021 Bonds

Under the I-81 Bond Act, the consent of the Governor of the Commonwealth of Virginia (the “Governor”) and the Treasury Board of the Commonwealth (the “Treasury Board”) must be obtained prior to the issuance of I-81 Program Revenue Bonds, including the Series 2021 Bonds. In addition, § 2.2-2416(7) of the Virginia Code requires Treasury Board approval as to the terms and structure of all proposed bond issues by state agencies, boards or authorities where debt service payments are expected by the issuing agency, board or authority to be made, in whole or in part, from appropriations of the Commonwealth. On _____, 2021, the Treasury Board adopted a resolution approving the terms and structure of the Series 2021 Bonds within certain parameters and delegated to the State Treasurer of the Commonwealth (the “State Treasurer”) including the power to approve the final terms and structure of the Series 2021 Bonds within such parameters. The Transportation Board must obtain the consent of the Governor and the approval of the State Treasurer prior to the issuance of the Series 2021 Bonds. The Transportation Board expects to receive both in a timely manner.

INTERSTATE 81 PROGRAM REVENUE BONDS

The I-81 Bond Act authorizes the Transportation Board to issue I-81 Program Revenue Bonds at one or more times in an aggregate principal amount not to exceed \$1 billion. For purposes of determining compliance with the limit (i) the principal amount of I-81 Program Revenue Bonds issued to pay issuance or financing expenses or costs (including any original issue discount) is disregarded; (ii) the principal amount of I-81 Program Revenue Bonds issued to refund any outstanding I-81 Program Revenue Bonds, including bond anticipation notes, is disregarded; and (iii) the amount of any pre-project completion interest converted to principal as permitted by certain federal programs of the U.S. Department of Transportation is disregarded. Additionally, pursuant to Section 2.2-5002.1 of the Virginia Code for tax-supported debt of the Commonwealth and any of its agencies, net original issue premium in excess of two percent (2%) of the principal amount of an obligation is required to be counted towards the principal amount of the obligation. Virginia Code Section 2.2-4903 defines tax-supported debt as debt for which the debt service payments are expected to be made, in whole or in part, from appropriations of the Commonwealth. As the I-81 Program Revenue Bonds are expected to be paid from I-81 Regional Fuels Tax Revenues appropriated by

the General Assembly of the Commonwealth, any net original issue premium on such bonds in excess of two percent will count against the \$1 billion limit.

The I-81 Bond Act provides that the Transportation Board shall use the proceeds of any I-81 Program Revenue Bonds, including any premium received on their sale for the exclusive purpose of paying costs incurred or to be incurred in relation to the I-81 Improvement Plan and the I-81 Improvement Program. Such costs may include, but are not limited to, environmental and engineering studies, acquisition of rights of way, improvements to any existing mode of transportation, acquisition of real and personal property, construction of new modes of transportation and improvements thereto, contributions to reserve funds, any financing expenses, interest on I-81 Program Revenue Bonds during and after the construction of transportation improvements, and for any purpose the Transportation Board deems necessary to implement the I-81 Improvement Plan and the I-81 Improvement Program.

For a summary of the Projects to be funded in whole or in part with I-81 Program Revenue Bonds, including the Series 2021 Bonds, see “**APPLICATION OF PROCEEDS OF THE SERIES 2021 BONDS – I-81 Corridor Projects**” herein and [Appendix ____ “**I-81 IMPROVEMENT PLAN EXECUTIVE SUMMARY AND I-81 IMPROVEMENT PLAN**”].

THE SERIES 2021 BONDS

Description of the Series 2021 Bonds

The Series 2021 Bonds will be issued as fully registered bonds in book-entry form. The Series 2021 Bonds will be dated their date of delivery, will be issued in denominations of \$5,000 or integral multiples of \$5,000, and will bear interest from the dated date thereof, payable semiannually on each ____ and _____, beginning _____, 2021, at the rates and will mature on the dates and in the amounts set forth on the inside front cover of this Official Statement. Principal of, premium, if any, and interest on the Series 2021 Bonds will be paid by the Trustee to The Depository Trust Company (“DTC”) for distribution as described in the subsection “*Book-Entry Only System*” below. Interest on the Series 2021 Bonds is computed on the basis of a year of 360 days and twelve 30-day months. The record date for payments on _____ is the preceding ____ and the record date for payments on _____ is the preceding _____.

Optional Redemption

The Series 2021 Bonds maturing on or before _____ 202__, will not be subject to optional redemption. The Series 2021 Bonds maturing on and after _____ 203__, will be subject to optional redemption, at the sole discretion of the Transportation Board, on and after _____ 203__, in whole or in part (in increments of \$5,000), at any time, at par plus interest accrued on the principal amount to be redeemed to the date fixed for redemption.

[Mandatory Sinking Fund Redemption]

Selection of Series 2021 Bonds for Redemption

If less than all of the Series 2021 Bonds are called for optional redemption, the maturities of the Series 2021 Bonds to be redeemed will be called in such order as the Transportation Board may determine. If less than all of the Series 2021 Bonds of any maturity are called for optional or mandatory redemption, the Series 2021 Bonds to be redeemed will be selected by DTC or any successor securities depository pursuant to its rules and procedures or, if the book-entry system is discontinued, will be selected by the Trustee by lot in such manner as the Trustee in its discretion may determine. In either event, each portion of \$5,000 principal amount of Series 2021 Bond shall be counted as one Bond for such purpose.

Notice of Redemption

Notice of redemption will be given by the Trustee by registered or certified mail not less than 30 nor more than 60 days before the redemption date to DTC, or, if DTC is no longer serving as securities depository for the Series 2021 Bonds, to the substitute securities depository, or if none, to the registered owners of the Series 2021 Bonds to

be redeemed at their addresses shown on the registration books maintained by the Trustee. Such notice of redemption also will be given to certain securities depositories and certain national information services which disseminate such redemption notices. Such notice may state that the redemption of the Series 2021 Bonds to be redeemed is conditioned upon the occurrence of certain future events, including, without limitation, the deposit of moneys, in an amount sufficient to effect the redemption, with the Trustee on or before the date fixed for redemption. All Series 2021 Bonds called for redemption will cease to bear interest on the specified redemption date, provided funds sufficient for the redemption of such Series 2021 Bonds in accordance with the Master Indenture are on deposit with the Trustee. If such moneys are not available on the redemption date, such Series 2021 Bonds or portions thereof will continue to bear interest until paid at the same rate they would have borne had they not been called for redemption. On presentation and surrender of the Series 2021 Bonds called for redemption at the place or places of payment, such Series 2021 Bonds will be paid and redeemed provided sufficient funds are on deposit with the Trustee. During the period that DTC or its nominee is the registered owner of the Series 2021 Bonds, the Trustee will not be responsible for mailing notices of redemption to the actual beneficial owners of the Series 2021 Bonds (the “Beneficial Owners”).

Book-Entry Only System

The description that follows of the procedures and record keeping with respect to beneficial ownership interests in the Series 2021 Bonds, payments of principal, premium, if any, and interest on the Series 2021 Bonds to DTC, its nominee, Direct Participants, as hereinafter defined, Indirect Participants, as hereinafter defined, or Beneficial Owners, confirmation and transfer of beneficial ownership interest in the Series 2021 Bonds and other Bond-related transactions by and between DTC, Direct Participants, Indirect Participants and Beneficial Owners is based solely on information furnished by DTC and is not, and should not be construed as, a representation by the Transportation Board as to its accuracy, completeness or otherwise.

DTC will act as securities depository for the Series 2021 Bonds. The Series 2021 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Series 2021 Bonds and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2021 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021 Bonds on DTC's records. The Beneficial Owner of each Bond is in turn to be recorded on the Direct Participants and the Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021 Bonds are to be accomplished by entries made on the books of the Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive

certificates representing their ownership interests in the Series 2021 Bonds, except in the event that use of the book-entry system for the Series 2021 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2021 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2021 Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2021 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant of such Series 2021 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2021 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an omnibus proxy (an "Omnibus Proxy") to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2021 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

BECAUSE DTC IS TREATED AS THE OWNER OF THE SERIES 2021 BONDS FOR SUBSTANTIALLY ALL PURPOSES UNDER THE INDENTURE, BENEFICIAL OWNERS MAY HAVE A RESTRICTED ABILITY TO INFLUENCE IN A TIMELY FASHION REMEDIAL ACTION OR THE GIVING OR WITHHOLDING OF REQUESTED CONSENTS OR OTHER DIRECTIONS. IN ADDITION, BECAUSE THE IDENTITY OF BENEFICIAL OWNERS IS UNKNOWN TO THE TRANSPORTATION BOARD, THE COMMONWEALTH OR DTC, IT MAY BE DIFFICULT TO TRANSMIT INFORMATION OF POTENTIAL INTEREST TO BENEFICIAL OWNERS IN AN EFFECTIVE AND TIMELY MANNER. BENEFICIAL OWNERS SHOULD MAKE APPROPRIATE ARRANGEMENTS WITH THEIR BROKER OR DEALER REGARDING DISTRIBUTION OF INFORMATION REGARDING THE SERIES 2021 BONDS THAT MAY BE TRANSMITTED BY OR THROUGH DTC.

Principal, redemption premium, if any, and interest payments on the Series 2021 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Transportation Board or Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct Participant or Indirect Participant and not of DTC, the Trustee or the Transportation Board, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Transportation Board or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants. THE TRANSPORTATION BOARD AND THE COMMONWEALTH CAN GIVE NO ASSURANCES THAT DIRECT PARTICIPANTS AND INDIRECT PARTICIPANTS WILL PROMPTLY TRANSFER PAYMENT TO BENEFICIAL OWNERS.

So long as Cede & Co. is the registered owner of the Series 2021 Bonds, as nominee of DTC, references herein to the Bond owners or registered owners of the Series 2021 Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Series 2021 Bonds.

DTC may discontinue providing its services as depository with respect to the Series 2021 Bonds at any time by giving reasonable notice to the Transportation Board or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Transportation Board may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The foregoing information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Transportation Board, the Commonwealth nor the Trustee makes any representation or warranty regarding the accuracy or completeness thereof.

So long as Cede & Co., as nominee for DTC, is the sole holder of the Series 2021 Bonds, the Transportation Board and the Trustee shall treat Cede & Co. as the only holder of the Series 2021 Bonds for all purposes under the Indenture, including receipt of all principal of, premium, and interest on the Series 2021 Bonds, receipt of notices, voting and requesting or directing the Transportation Board and the Trustee to take or not to take, or consenting to, certain actions under the Indenture.

The Transportation Board and the Trustee have no responsibility or obligation to the Direct Participants or Indirect Participants or the Beneficial Owners with respect to (i) the accuracy or the maintenance of any records maintained by DTC or any Direct Participant or Indirect Participant; (ii) the payment by any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner with respect to the principal of, premium, and interest on the Series 2021 Bonds or the sending of any transaction statements; (iii) the delivery or timeliness of delivery by DTC or any Direct or Indirect Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Indenture to be given to holders of the Series 2021 Bonds; (iv) the selection of the Beneficial Owners to receive payments upon any partial redemption of the Series 2021 Bonds or (v) other action taken by DTC or Cede & Co. as Bondholder of the Series 2021 Bonds, including the effectiveness of any action taken pursuant to an Omnibus Proxy.

The Transportation Board or the Trustee may enter into amendments to the agreement with DTC or successor agreements with a successor securities depository, relating to the book-entry system to be maintained with respect to the Series 2021 Bonds without the consent of Beneficial Owners or Bondholders of the Series 2021 Bonds.

APPLICATION OF PROCEEDS OF THE SERIES 2021 BONDS

The proceeds of the sale of the Series 2021 Bonds in the estimated amounts shown below will be applied on the date of delivery of the Series 2021 Bonds as follows:

Interstate 81 Improvement Program Projects” herein for a summary of the I-81 Projects, and see Appendix ____ for a copy of the I-81 Improvement Plan, excluding appendices, containing a more detailed description of the I-81 Projects.

SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS

Limited Obligations

The Series 2021 Bonds are limited obligations of the Commonwealth of Virginia and the Transportation Board payable as Senior Bonds (as defined in the Master Indenture) solely from I-81 Regional Fuels Tax Revenues appropriated for such purpose by the General Assembly. The Master Indenture pledges appropriated I-81 Regional Fuels Tax Revenues and the other funds and accounts established under the Master Indenture to the payment of the Series 2021 Bonds. The pledged I-81 Regional Fuels Tax Revenues include (i) the amounts credited by the Comptroller of Virginia to the I-81 Fund from the I-81 Regional Fuels Tax and appropriated by the General Assembly to be transferred to the Trustee for deposit under the Master Indenture, (ii) all earnings from the investment of moneys held in any Fund or Account under and as defined in the Master Indenture, and (iii) any other revenues available under the I-81 Bond Act which may be hereafter be made available and appropriated for such purpose by the General Assembly.

While the I-81 Bond Act provides for the availability of other funding for payment of the Series 2021 Bonds if appropriated by the General Assembly, the Transportation Board does not anticipate support for the payment of debt service on the Series 2021 Bonds from revenues other than I-81 Regional Fuels Tax Revenues. I-81 Regional Fuels Tax Revenues for deposit under the Master Indenture are subject to appropriation by the General Assembly. The General Assembly is not obligated to make any such appropriations. Additionally, the General Assembly may eliminate or change the I-81 Regional Fuels Tax at any time.

The Series 2021 Bonds are not a debt of the Commonwealth or the Transportation Board, and the Series 2021 Bonds do not constitute indebtedness within the meaning of any debt limitation or restriction. Neither the faith and credit nor the taxing power of the Commonwealth or any of its political subdivisions are pledged to the payment of the Series 2021 Bonds.

Pledges Under the Master Indenture

Senior Lien Obligations. The Series 2021 Bonds are being issued by the Transportation Board as the initial series of Bonds under the Master Indenture and will be designated as the first series of Senior Bonds. Principal and interest payments on the Series 2021 Bonds are secured by a pledge of I-81 Regional Fuels Tax Revenues, which pledge secures on parity the payment of principal and interest on any additional Senior Bonds issued under the Master Indenture. The pledge of I-81 Regional Fuels Tax Revenues to Senior Bonds is senior to any pledge of such revenues to any Intermediate Lien Obligations and Subordinate Obligations that may be issued under the Master Indenture.

Indenture Accounts. With respect to the Series 2021 Bonds, the First Supplemental Indenture establishes solely for the benefit of the Owners of the Series 2021 Bonds, the Series 2021 Interest Account, the Series 2021 Principal Account, the Series 2021 Costs of Issuance Account and the Series 2021 Project Account, which are pledged exclusively to secure the obligations of the Owners of the Series 2021 Bonds.

No Mortgage, Lien or Acceleration. The Series 2021 Bonds are not secured by any mortgage or lien on any transportation facilities of the Transportation Board, VDOT or the Commonwealth (herein defined) or by a pledge of the revenues derived from any such facility. In the event of a failure to make any payment on the Series 2021 Bonds when due, neither the Trustee nor the owners of the Series 2021 Bonds shall have any right to take possession of any transportation facilities or to exclude the Transportation Board, VDOT or the Commonwealth from possession of them, nor shall there be any right to accelerate payment of the Series 2021 Bonds.

Remedies Upon Non-Payment. [The realization of amounts to be derived upon the non-payment of the Series 2021 Bonds will depend upon the exercise and effectiveness of the remedies specified in the Master Indenture. These and other remedies may, in many respects, require judicial action of a nature that is often subject to discretion

and delay. Under existing laws, the remedies specified in the Master Indenture may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2021 Bonds will be qualified as to the enforceability of various legal instruments by limitations imposed by state and federal laws, rulings and decisions affecting remedies and by bankruptcy, fraudulent conveyance, reorganization and other laws affecting the enforcement of creditors' rights generally. See **"INVESTMENT CONSIDERATIONS—Enforceability of Right and Remedies, including Bankruptcy Ramifications"** herein, and **"THE MASTER INDENTURE—Events of Default and Remedies Upon Default"** in Appendix A.

Parity and other Obligations

The Series 2021 Bonds will be the initial series of Senior Lien Bonds issued under the Master Indenture. Additional I-81 Program Revenue Bonds secured on parity with the Series 2021 Bonds may be issued under the Master Indenture under the terms and conditions set forth therein and summarized below. Under the I-81 Bond Act, the Transportation Board is currently authorized to issue up to \$1 billion in obligations which are expected to be paid from I-81 Regional Fuels Tax Revenues, subject to appropriation by the General Assembly.

The Transportation Board's debt issuance plan is divided into phases, as the I-81 Improvement Plan and I-81 Improvement Program contemplate undertaking projects over the next [__ to __] years. Through VDOT's administration, the Transportation Board plans to issue additional I-81 Program Revenue Bonds as parity obligations and apply for multiple loans either as parity obligations or subordinate obligations from the U.S. Department of Transportation under the Transportation Infrastructure Finance and Innovation Act ("TIFIA"). The timing and size of parity and subordinate TIFIA loans will be a function of negotiations with the Build America Bureau – U.S. Department of Transportation, future market conditions, and the overall pace of the construction program. See **"Expected TIFIA Parity and Subordinate Financings"** herein.

The General Assembly has enacted from time to time legislation providing for the issuance of revenue bonds for transportation facilities which are payable from various sources. Currently, no other transportation revenue bonds or transportation facilities are paid from I-81 Regional Fuels Tax Revenues. **The Transportation Board makes no representation that the General Assembly will not make I-81 Regional Fuels Tax Revenues available as a source of payment for other transportation programs or that the General Assembly will not repeal or materially modify the I-81 Regional Fuels Tax.**

Additional Bonds

Authority to Issue Additional Bonds. Under the Master Indenture, the Transportation Board may issue additional I-81 Program Revenue Bonds, including (i) Senior Bonds that are on parity as to the pledge of I-81 Regional Fuels Tax Revenues with the Series 2021 Bonds, (ii) Intermediate Lien Obligations that are subordinate as to the pledge of I-81 Regional Fuels Tax Revenues to the Series 2021 Bonds and subordinate in payment and security to all Senior Bonds, and (iii) Subordinate Obligations that are subordinate in payment and security to all Intermediate Lien Obligations and all Senior Bonds. The Series 2021 Bonds and all other Senior Bonds will be equally and ratably secured under the Master Indenture without preference, priority or distinction on account of the time of their authentication, delivery or maturity. However, different Series of Senior Bonds may bear interest at different rates, have different maturity dates and payment dates, may be subject to different mandatory or optional redemption or tender terms, and may have the benefit of credit facilities that do not support other series of Senior Bonds. See **"THE MASTER INDENTURE— Issuance of Series 2021 Bonds—Parity of Series 2021 Bonds"** in Appendix A.

Conditions to Issuance of Senior Bonds. The Master Indenture requires as a condition to the issuance of any additional Senior Bonds for non-refunding purposes the filing with the Trustee of an Officer's Certificate to the effect that, during any twelve consecutive months of the eighteen months preceding the issuance of the additional Senior Bonds, the I-81 Regional Fuels Tax Revenues were not less than [2.00] times the maximum annual Principal and Interest Requirements during the current or any future Fiscal Year (defined in the Master Indenture as the twelve-month period commencing on July 1 of one year and ending on June 30 of the following year) on all Senior Bonds Outstanding plus the Series of Senior Bonds to be issued. See **"THE MASTER INDENTURE—Issuance of Bonds—Conditions to the Issuance of Additional Series of Bonds"** in Appendix A.

Conditions to Issuance of Intermediate Lien Obligations. The Transportation Board is permitted to issue Intermediate Lien Obligations secured by the I-81 Regional Fuels Tax Revenues, the payment of and security for each of which shall be subordinate to all Senior Bonds and to the Senior Debt Service Fund deposits required to be made under the Master Indenture.

Conditions to Issuance of Subordinate Obligations. Transportation Board is permitted to issue Subordinate Obligations secured by the I-81 Regional Fuels Tax Revenues, the payment and security of each which shall be subordinate to all Senior Series 2021 Bonds and Intermediate Lien Obligations and to the Senior Debt Service Fund and Intermediate Debt Service Fund deposits required to be made under the Master Indenture.]

Expected TIFIA Parity and Subordinate Financings.

To fund portions of the I-81 Program, the Transportation Board expects to issue additional parity bonds and will be pursuing various TIFIA loans from the Build America Bureau – U.S. Department of Transportation (“USDOT”). The size and timing of these future anticipated borrowings will be a function of the pace of negotiation with the Bureau, future market conditions, and the overall pace of construction. TIFIA loans, if any, may be entered into as a Senior Bond under the Master Indenture secured on parity with the Series 2021 Bonds and any additional I-81 Program Revenue Bonds by pledge of the I-81 Regional Fuels Tax Revenues. Alternatively, TIFIA loans may be entered into as Intermediate Obligation or a Subordinate Obligation under the Master Indenture payable from a pledge I-81 Regional Fuels Tax Revenues which is subordinate to the pledge of I-81 Regional Fuels Tax Revenues securing Senior Bonds, including the Series 2021 Bonds, and any additional Senior Bonds that may be issued in the future. [NOTE: REFERENCE TO STATUS OF LETTER OF INTEREST SUBMISSIONS FOR TIFIA LOANS AND RELATED INFORMATION TO BE PROVIDED AS DETAILS ARE FINALIZED].

In connection with the TIFIA loans, the Transportation Board may be required to make certain amendments to the Master Indenture without Owner consent to satisfy lending requirements of the USDOT. No such amendment would grant to the TIFIA loans a lien status superior to the lien status of the Series 2021 Bonds or any other Senior Bonds issued under the Maser Indenture.

No Debt Service Reserve

While the Master Indenture permits the establishment of a debt service reserve on a series-by-series basis for Senior Bonds and other obligations issued under the Master Indenture, no such debt service reserve fund will be established or maintained for the Series 2021 Bonds.

Flow of Funds

The following summary of the Master Indenture’s flow of funds provisions does not purport to be comprehensive or definitive and is qualified by reference to the entire Master Indenture, as supplemented by the First Supplemental Indenture. The Transportation Board will deposit monthly with the Trustee all General Assembly-appropriated I-81 Regional Fuels Tax Revenues under the Master Indenture to be applied as follows:

FIRST: To each Senior Debt Service Fund, ratably, [(i) one-twelfth (1/12) of the Principal Requirement on the Related Series of Senior Bonds due on the next Principal Payment Date and (ii) one-six (1/6) of the Interest Requirement on the Related Series of Senior Bonds due on the next Interest Payment Date; provided that Transportation Board shall receive a credit against such transfer for the amount, if any, held in a Senior Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon;]

SECOND: To each Senior Debt Service Reserve Fund, ratably, the amount, if any, required so that the balance in each such Fund shall be equal to the respective Senior Debt Service Reserve Requirement;

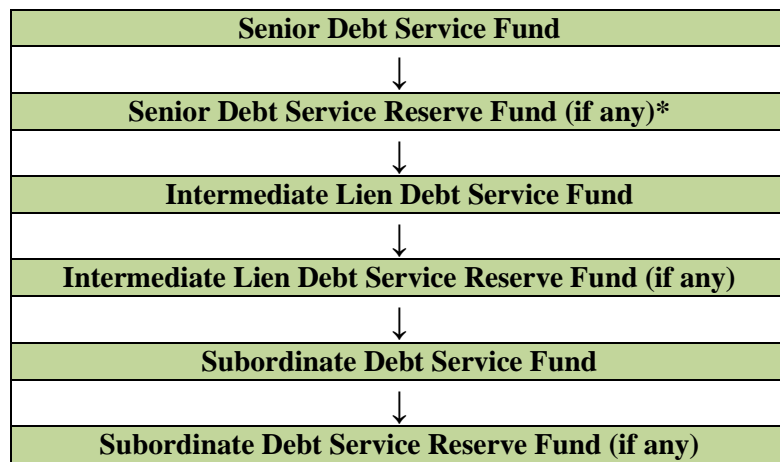

THIRD: To each Intermediate Lien Debt Service Fund, ratably, the amount required, if any, so that the balance in each such Fund shall equal the amount of principal, if any, and interest due on the Related Intermediate Lien Obligations on the next ensuing payment date; provided that Transportation Board shall receive a credit against such transfer for the amount, if any, held in an Intermediate Lien Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon;

FOURTH: To each Intermediate Lien Debt Service Reserve Fund, ratably, the amount, if any, required so that the balance in such Fund shall be equal to the respective Intermediate Lien Debt Service Reserve Requirement;

FIFTH: To each Subordinate Debt Service Fund, ratably, the amount required, if any, so that the balance in each such Fund shall equal the amount of principal, if any, and interest due on the Related Subordinate Obligations on the next ensuing payment date; provided that Transportation Board shall receive a credit against such transfer for the amount, if any, held in a Subordinate Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon; and

SIXTH: To each Subordinate Debt Service Reserve Fund, ratably, the amount, if any, so that the balance in such Fund shall be equal to the respective Subordinate Debt Service Reserve Requirement.

Payment Agreement.

The Transportation Board entered into a Payment Agreement dated as of _____ 1, 2021, with the Treasury Board and the Secretary of Finance (the “Payment Agreement”). The Payment Agreement provides, among other things, the procedures for requesting appropriations of I-81 Regional Fuels Tax Revenues sufficient to satisfy all funding requirements under the Master Indenture, including payment of debt service on the Series 2021 Bonds and any additional I-81 Program Revenue Bonds or other obligations issued in the future under the Master Indenture. The parties to the Payment Agreement are required to use their best efforts to have (i) the Governor include a sum sufficient appropriation request in each biennial or any supplemental budget of the Commonwealth and (ii) the General Assembly appropriate the amount requested by the Governor. The Payment Agreement will remain in effect for as long as any I-81 Program Revenue Bonds or other obligations are Outstanding under the Master Indenture. See “**SUMMARY OF THE PAYMENT AGREEMENT**” herein.

Information Pertaining to the Commonwealth

No funds of the Commonwealth other than I-81 Regional Fuels Tax Revenues credited to the I-81 Fund are expected to be available, subject to appropriation by the General Assembly of the Commonwealth, to pay debt service on the Series 2021 Bonds and any other obligations issued under the Master Indenture. Accordingly, general financial information and operating data of the Commonwealth is not included in this Official Statement. Audited financial statements of the Commonwealth for the Fiscal Year ended June 30, 2020 are attached as Appendix _____. Such audited financial statements do not set out and report separately on revenues credited to the I-81 Fund, including I-81 Regional Fuels Tax Revenues. The inclusion of the Commonwealth’s audited financial statements is not intended to imply,

suggest or forecast that funds of the Commonwealth other than appropriated I-81 Regional Fuels Tax Revenues will be made available to pay debt service on the Series 2021 Bonds.

Current Budget Appropriation Status

The Commonwealth's current biennial budget (enrolled as Chapter 552 of the Virginia Acts of Assembly of the 2021 Reconvened Special Session 1, amending Chapter 56 of the 2020 Special Session 1 Virginia Acts of Assembly, the "Budget Bill") provides appropriations to the Transportation Board in the amount of \$6,597,000 from I-81 Regional Fuels Tax Revenues for the fiscal year ending June 30, 2022 which amount is sufficient to pay anticipated debt service on the Series 2021 Bonds plus debt service on any estimated TIFIA Loans for such fiscal year. See "**RECENT DEVELOPMENTS - COVID-19 Pandemic**" for a discussion of the effects of COVID-19 on the Commonwealth's budget.

Under the Constitution of the Commonwealth, no appropriation is valid for more than two years and six months after the adjournment of the session of the General Assembly at which the appropriation was made. The General Assembly is not obligated to make any future appropriations, and the Transportation Board makes no representation that the General Assembly will make appropriations of I-81 Regional Fuels Tax Revenues to the I-81 Fund in any future fiscal year of the Commonwealth in an amount sufficient to pay debt service on the Series 2021 Bonds and any other Senior Bonds issued under the Master Indenture.

Sunset Provision

Authorization for the I-81 Regional Fuels Tax is included in omnibus legislation affecting transportation initiatives and funding in the Commonwealth enacted by Chapter 1230 of the Acts of the General Assembly of the Commonwealth of Virginia, 2020 Reconvened Session ("Chapter 1230"). Chapter 1230 is broad-based and provides not only for the collection and application of I-81 Regional Fuels Tax Revenues, but also restructures the Commonwealth's transportation funding arrangements, including changing the I-81 Regional Fuels Tax from its previous tax rate to the current rate of 7.6 cents per gallon (and 7.7 cents for diesel fuels) for the purpose, among others, of generating additional revenues to fund transportation improvements throughout the Commonwealth.

Enactment clause 10 of Chapter 1230 provides that the provisions of such act generating additional state revenue for transportation shall expire on December 31 of any year in which the General Assembly appropriates or transfers any of such additional revenues for any non-transportation-related purposes (the "Sunset Provisions"). Accordingly, the appropriation or transfer by the General Assembly of "any" Chapter 1230 revenue providing additional revenue for transportation purposes, whether or not related to I-81 Regional Fuels Tax Revenues, would activate the Sunset Provisions.

The General Assembly has in the past enacted other transportation legislation containing similar sunset provisions, and has from time to time made appropriations of portions of such additional revenue for non-transportation-related purposes which would have activated the applicable sunset provision had the General Assembly not also enacted a savings clause to override such provisions (a "Savings Clause"). [The current appropriations act does not appropriate or transfer any of the additional transportation revenues generated by Chapter 1230 for any non-transportation-related purpose. --- **CONFIRM**]_____]

No assurance can be given that the General Assembly will not activate Sunset Provisions in future appropriation acts, and no assurance can be given that, if any Sunset Provision is activated, the General Assembly will enact a Savings Clause to override it.

SUMMARY OF THE INDENTURE

In addition to the summary of certain Indenture provisions presented in the section "**SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS**," a more detailed summary of certain provisions of the Indenture, including certain defined terms, is included in Appendix A ("**DEFINITIONS AND SUMMARIES OF THE MASTER AND FIRST SUPPLEMENTAL INDENTURES**"). The summary provided in Appendix A does not purport to be comprehensive or definitive and is qualified by reference to the Indenture and

any additional supplemental agreements in their entirety, copies of which may be obtained at the office of the Transportation Board. See the section “MISCELLANEOUS.”

SUMMARY OF THE PAYMENT AGREEMENT

The following, in addition to the information presented in the section “**SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS,**” summarizes certain provisions of the Payment Agreement. The summary of the Payment Agreement does not purport to be comprehensive or definitive and is qualified by reference to the Payment Agreement in its entirety, a copy of which may be obtained at the office of the Treasury Board or the office of the Transportation Board. The Payment Agreement requires certain actions of the parties in connection with the Commonwealth’s budget process. A general summary of the budget process is included below.

Under the Payment Agreement, the Transportation Board is obligated to do the following:

- (a) Each year and in accordance with the schedule of the Department of Planning and Budget of the Commonwealth (the “Department of Planning and Budget”), the Transportation Board or the Transportation Board’s designee shall request that the Governor include in the budget to be delivered to the General Assembly a provision that there be appropriated each year from I-81 Regional Fuels Tax Revenues estimated to be collected in each such year a sum sufficient to enable the Transportation Board to satisfy funding requirements under the Master Indenture related to the Bonds, including payment of the Principal and Interest Requirements coming due on the Bonds, reserve fund funding requirements and any deficiency makeup requirements during the next succeeding fiscal year or biennial period, as applicable.
- (b) The Transportation Board shall use its best efforts to have (i) the Governor include, in each biennial or any supplemental budget that is presented to the General Assembly, the amounts described in (a) above and (ii) the General Assembly appropriate, and re-appropriate, as applicable, such amounts.
- (c) The Transportation Board shall provide to the Treasury Board, as and when reasonably requested by the Treasury Board, all requisitions and documents and shall take all actions necessary for the Treasury Board to pay from I-81 Regional Fuels Tax Revenues or other funds appropriated as described above all amounts due under the Payment Agreement and to direct the Treasury Board to make from such funds all payments due or otherwise required under the Master Indenture to the Trustee on the Transfer Dates.
- (d) The Transportation Board shall take all actions necessary to have payments which are made pursuant to (c) above charged against the proper appropriation made by the General Assembly.
- (e) The Transportation Board shall notify the Treasury Board, the Secretary of Finance, and the Trustee promptly upon becoming aware of (i) any failure by the General Assembly to appropriate for the next succeeding fiscal year or biennial period, as applicable, I-81 Regional Fuels Tax Revenues as described in (a) above or (ii) the introduction of any legislation in any session of the General Assembly that could adversely affect I-81 Regional Fuels Tax Revenues.

Under the Payment Agreement, the Treasury Board is obligated to do the following:

- (a) The Treasury Board shall use its best efforts to have (i) the Governor include in each biennial or any supplemental budget of the Commonwealth Revenues sufficient to pay the Principal and Interest Requirements coming due on the Series 2021 Bonds and all other amounts required to be paid under the Master Indenture during the next succeeding Fiscal Year or biennial period, as applicable, and (ii) the General Assembly, appropriate and reappropriate, as applicable, such amounts.
- (b) The Treasury Board shall use its best efforts to obtain each year the appropriate requisitions and documents needed from the Transportation Board to make all payments due under the Master Indenture to the Trustee on the Transfer Date.

- (c) The Treasury Board shall make all debt service payments on the Series 2021 Bonds to the Trustee on the Transfer Dates solely from moneys made available to it.
- (d) The Treasury Board shall notify the Transportation Board, the Secretary of Finance, and the Trustee promptly upon becoming aware of any failure by the General Assembly to appropriate for the next succeeding Fiscal Year or biennial period, as applicable, amounts sufficient to pay all debt service on the Series 2021 Bonds coming due or expected to come due and all other amounts required to be paid under the Master Indenture coming due or expected to come due.

Under the Payment Agreement, the Secretary of Finance is obligated to use his or her best efforts to have (i) the Governor include in each biennial or any supplemental budget of the Commonwealth I-81 Regional Fuels Tax Revenues sufficient to pay the Principal and Interest Requirements coming due on the Series 2021 Bonds and all other amounts required to be paid under the Master Indenture during the next succeeding Fiscal Year or biennial period, as applicable, and (ii) the General Assembly appropriate and reappropriate, as applicable, such amounts. A summary of the Commonwealth's budget process follows.

The Trustee is a third party beneficiary of the Payment Agreement and is entitled to enforce, on behalf of the holders of the Series 2021 Bonds, all of the obligations of the Transportation Board and the obligations and the rights of the parties thereto to the same extent as if the Trustee were one of the contracting parties.

Budget Process. The Governor is the chief planning and budget officer of the Commonwealth. The Secretary of Finance and the Department of Planning and Budget assist the Governor in the preparation of executive budget documents. The Governor's Secretaries advise the Governor and the Department of Planning and Budget on the relative priority of the budget requests from their respective agencies.

The Governor is required by statute to present a bill detailing his proposed budget for the next biennium (the "Budget Bill") and a narrative summary of the bill to the General Assembly by December 20th in the year immediately prior to each even-year session. The Budget Bill is introduced in both the House of Delegates and the Senate. It is referred to the House Appropriations and Senate Finance Committees, which hold joint meetings to hear from citizens, from other General Assembly members and from agency representatives. The Budget Bill is then approved by each Committee in an open session and reported to the respective floors for consideration, debate, amendment and passage. After the bill has passed both houses, differences between the House and Senate versions are reconciled by a conference committee from both houses.

Under constitutional provisions, the Governor retains the right in his review of legislative action on the Budget Bill, to suggest alterations to or to veto the appropriations made by the General Assembly. After enactment, the Budget Bill becomes law (the "Appropriation Act").

In the odd-year sessions of the General Assembly, amendments are considered to the Appropriation Act enacted in the previous year. The Governor submits a bill by December 20th, which includes his proposed amendments to the current biennial budget. It is then introduced in both houses and is considered in the same manner as the regular biennial Budget Bill. The Appropriation Act enacted in the odd-year session is effective upon passage, whereas the regular biennial Appropriation Act is effective July 1, the beginning of the new biennium.

An appropriation for a project or service is initially contained in the Appropriation Act enacted by the General Assembly. An agency request for an increase or other adjustments to its legislative appropriation must be reviewed and approved by the Department of Planning and Budget. Under the Constitution, no money may be paid out of the State Treasury except pursuant to appropriations made by law. No such appropriation may be made which is payable more than two years and six months after the end of the session of the General Assembly at which the appropriation was enacted.

Implementation and administration of the provisions of the Appropriation Act are functions of the Governor, assisted by the Secretary of Finance and the Department of Planning and Budget. This process also involves constant monitoring of revenue collections and expenditures to ensure that a balanced budget is maintained. The Appropriation Act requires that if projected revenue collections fall below amounts appropriated, the Governor must reduce expenditures and withhold allotments of appropriations, with the exception of amounts needed for debt service and specified other purposes, to the extent necessary to prevent any expenditure in excess of estimated revenues. The

Appropriation Act provides that up to 15 percent of a General Fund appropriation to an agency may be withheld by the Governor, if required.

INTERSTATE 81 CORRIDOR IMPROVEMENT PLAN AND PROGRAM

Interstate 81

U.S. Interstate 81 (“Interstate 81” or “I-81”) is a major north-south interstate highway traversing the entire length of the western portion of the Commonwealth extending 325 miles from the Tennessee border in the south to the West Virginia border in the north. Interstate 81 is essential to interstate commerce. According to [Transearch 2012], more than one-third of all trucks and nearly 50 percent of the Commonwealth’s value of goods are transported along the I-81 corridor. Within the Commonwealth, Interstate 81 connects with five other interstate highways and traverses 21 cities and towns, 13 counties, and 25 colleges and universities between the Tennessee and West Virginia border. I-81 also runs parallel to the Blue Ridge Parkway, the nation’s most visited national park.

According to VDOT estimates from data collected from 2012 through 2016, on average, approximately [11.7] million commercial trucks per year use I-81, accounting for approximately [42]% of all interstate highway truck use across the Commonwealth, and providing the means of transport for over \$[312] billion in goods annually. The volume of commercial and other traffic on Interstate 81 presents safety issues. VDOT determined there are more than 2,000 vehicle crashes annually with 26 percent involving heavy trucks, the highest percentage for any interstate in the Commonwealth. During the five-year study period, VDOT estimated [11,000] vehicular collisions on I-81, over 30 of which required six hours or more to clear the accident and re-open the highway. Travel is expected to continue to increase on I-81, with truck traffic growing at a faster pace than passenger vehicle traffic. According to [Transearch 2012], by 2040, it is expected there will be nearly 20 million truck trips carrying three quarters of a trillion dollars’ worth of goods every year.

The table below shows for fiscal years 2010 through 2019 the average daily miles traveled for passenger vehicles and trucks on Interstate 81 in the Commonwealth.

Legislative Directive to Develop Interstate 81 Improvement Plan

Given the significance of Interstate 81 to commerce and transportation in the Commonwealth and beyond, safety concerns associated with its heavy use and the insufficiency of statewide transportation revenues to implement necessary improvements to I-81, the General Assembly directed the Transportation Board pursuant to Chapter 743 of the 2018 Act of Assembly (the “I-81 Planning Legislation”) to study financing options for Interstate 81 corridor improvements. The General Assembly directed the Transportation Board, with the support of the Office of Intermodal Planning and Investment to develop and adopt an Interstate 81 Corridor Improvement Plan (the “I-81 Improvement Plan”). The I-81 Improvement Plan was required to include an examination of the entire length of I-81 in the Commonwealth and the methods of financing recommended improvements, which could, but was not required, to include tolls on commercial users.

The I-81 Planning Legislation required the Transportation Board to include at a minimum in the development of the I-81 Improvement Plan the following:

1. Designate specific segments of the Interstate 81 corridor for improvement;
2. Identify a targeted set of improvements for each segment that may be financed or funded in such segment and evaluated using the statewide prioritization process pursuant to § 33.2-214.1 of the Virginia Code (described generally below);
3. Ensure that in the overall plan of expenditure and distribution of any toll revenues or other financing means evaluated, each segment's total long-term benefit shall be approximately equal to the proportion of the total of the toll revenues collected that are attributable to such segment divided by the total of such toll revenues collected;
4. Study truck travel patterns along the Interstate 81 corridor and analyze policies that minimize the impact on local truck traffic;
5. Identify incident management strategies corridor-wide;
6. Ensure that any revenues collected on Interstate 81 be used only for the benefit of that corridor;
7. Identify actions and policies that will be implemented to minimize the diversion of truck traffic from the Interstate 81 corridor, including the prohibition of through trucks on parallel routes;
8. Determine potential solutions to address truck parking needs along the Interstate 81 corridor; and
9. Assess the potential economic impacts on Virginia agriculture, manufacturing, and logistics sector companies utilizing the I-81 corridor from tolling only heavy commercial trucks.

The I-81 Planning Legislation directed technical assistance be provided to the Transportation Board by VDOT, the Virginia Department of Motor Vehicles, and the Virginia Department of State Police, and directed further that all agencies of the Commonwealth provide assistance to the Transportation Board in developing the I-81 Improvement Plan upon request.

The I-81 Improvement Legislation required the Transportation Board to complete its meetings by November 30, 2018 and to submit to the Governor and the General Assembly an executive summary and a report of its findings and recommendations for publication as a House or Senate document. The executive summary and report were required to be submitted no later than the first day of the 2019 Regular Session of the General Assembly and be posted on the General Assembly's website.

In preparation of the I-81 Improvement Plan, beginning in May 2018, the Transportation Board, VDOT, the Office of Intermodal Planning and Investment and the Virginia Department of Rail and Public Transportation conducted 12 public meetings and hearings, held focus groups and received more than 2,000 public comments and identified more than \$4.3 billion in recommended improvements in the I-81 corridor. The I-81 Improvement Plan dated December 2018 was adopted by the Transportation Board on December 5,

2018. Based on public input, prioritization methodology and available market capacity, the I-81 Improvement Plan recommended 63 capital projects for funding at a cost of approximately \$2 billion, plus \$43 million for operational improvements, over the next 7 to 10 years.

The I-81 Improvement Plan and accompanying executive summary dated December 3, 2018 is attached as Appendix _____. The I-81 Improvement Plan, including referenced appendices, is available on the Transportation Board's website at: www.ctb.virginia.gov and www.Improve81.org. Reference to the website addresses are for informational purposes and are in the form of a hyperlink solely for the reader's convenience. Information contained on such websites may differ from the information presented herein. Such websites and the information or links contained therein are not incorporated into, and are not part of, this offering document for purposes of, and as that term is defined in, Securities and Exchange Commission Rule 15c2-12, as amended.

Required Updates to the I-81 Improvement Plan

The Transportation Board, in consultation with the I-81 Committee (herein defined) and with the support of the Office of Intermodal Planning and Investment, is required by Virginia Code Section 32.2-3604 to regularly update the I-81 Improvement Plan. With each such update, the Transportation Board and I-81 Committee shall, at a minimum:

1. Analyze existing conditions of the Interstate 81 corridor to identify key needs related to safety, congestion, and incident-related delays;
2. Identify potential improvements to address the needs identified pursuant to item 1 above, including roadway improvements, multimodal improvements, speed enforcement strategies, operational strategies, and upgrades to adjacent and parallel transportation facilities;
3. Prioritize potential improvements in a manner consistent with Virginia Code Section 33.2-214.1;
4. Identify corridor-wide incident management strategies;
5. Analyze and review truck parking needs along the Interstate 81 corridor;
6. Hold public meetings throughout the Interstate 81 corridor; and
7. Consider any other items deemed appropriate by the Transportation Board.

Technical assistance with the update is required to be provided to the Transportation Board by VDOT, the Virginia Department of Motor Vehicles, and the Virginia Department of State Police. All agencies of the Commonwealth are required to provide assistance to the Transportation Board to fulfill the requirement to update the I-81 Improvement Plan upon request.

Interstate 81 Corridor Improvement Program

The Interstate 81 Corridor Improvement Program (the "I-81 Improvement Program") and I-81 Fund are established in Article 36 of the Virginia Code. The Transportation Board is required by Virginia Code Section 33.2-3602 to adopt an I-81 Improvement Program which shall, at a minimum:

1. Allocate year by year the revenues, if any, from the I-81 Fund and bond proceeds, if any, backed by the I-81 Fund to projects and strategies identified in the I-81 Improvement Plan adopted by the Transportation Board;
2. Include a financing plan to support such allocation; and
3. Include a schedule for all new projects and strategies identified in the I-81 Improvement Plan adopted by the Transportation Board.

Prior to the adoption of the I-81 Improvement Program, the Transportation Board is required to review the recommendations of, and consult with, the I-81 Committee.

The Transportation Board is required to update the I-81 Improvement Program annually by July 1. By December 15 of each year, the Transportation Board shall report to the General Assembly regarding the status and progress of implementation of the I-81 Improvement Program. The report shall be submitted to the Chairmen of the House Committees on Appropriations and Transportation and the Senate Committees on Finance and Transportation. Prior to the submission of such report each year, the Transportation Board shall consult with the I-81 Committee. The report shall include, at a minimum:

1. A description of the safety and performance of the Interstate 81 corridor, including the number of incidents, the average duration of incidents, the number and average duration of incidents involving lane closures, and the person-hours of delay along the Interstate 81 corridor;
2. An assessment of the effectiveness of the operational strategies and capital projects implemented and funded through the I-81 Improvement Program;
3. The status of capital projects funded through the I-81 Improvement Program; and
4. The current and projected balances of the I-81 Fund.

The Interstate 81 Committee

The Transportation Board is required by Virginia Code Section 32.2-3603 to establish an Interstate 81 Committee (the "I-81 Committee"). The purpose of the I-81 Committee shall be to provide advice and recommendations to the Transportation Board regarding (i) the development of the I-81 Improvement Program pursuant to Virginia Code Section 33.2-3602 and (ii) updates to the I-81 Improvement Plan pursuant to Virginia Code Section 33.2-3604. Chapter 522, Item 430.R of the Budget Bill modified the annual meeting requirement of the I-81 Committee, reducing the required meetings from at least four per year as set forth in Virginia Code Section 33.2-3603, to at least two, with additional meetings called at the discretion of the Chair. Consultation with interested stakeholders is required in connection with such meetings. The I-81 Committee's meetings shall rotate among locations in regional planning districts 3 (Mount Rogers), 4 (New River Valley), 5 (Roanoke Valley-Alleghany), 6 (Central Shenandoah), and 7 (Northern Shenandoah). All of such planning districts represent one or more of the I-81 Regional Fuels Tax Localities.

The I-81 Committee is required to be composed of 15 voting members and two ex officio members as follows:

1. The chairs of planning district commissions for Planning Districts 3, 4, 5, 6, and 7, or in the discretion of a chairman, his designee, who shall be a current elected official serving on such commission;
2. Four members of the House of Delegates, each of whom resides in Planning District 3, 4, 5, 6, or 7, to be appointed by the Speaker of the House of Delegates. None of the four members shall live in the same planning district;
3. Three members of the Senate, each of whom resides in Planning District 3, 4, 5, 6, or 7, to be appointed by the Senate Committee on Rules. None of the three members shall live in the same planning district;
4. The three members of the Transportation Board representing the Bristol, Salem, and Staunton highway construction districts; and
5. The Commissioner of Highways and the Director of the Department of Rail and Public Transportation shall serve ex officio with nonvoting privileges.

The I-81 Committee shall elect a chairman and vice-chairman from among its membership. A majority of the members shall constitute a quorum.

All members of the I-81 Committee shall serve terms coincident with their terms in office or position. Vacancies shall be filled in the same manner as the original appointment.

The Office of Intermodal Planning and Investment, VDOT, and the Department of Rail and Public Transportation are required to support the I-81 Committee, as appropriate

Interstate 81 Improvement Program Projects

There are currently [56] capital improvement projects within the I-81 Improvement Program, including road widening to create an additional third lane, acceleration and deceleration lane extensions, curve improvements, truck climbing lanes, auxiliary lanes, and shoulder widening. The I-81 Improvement Program also includes a host of operational improvements which enhance safety as well as mobility, particularly during emergency events. Examples of operational improvements include changeable message signs, additional traffic cameras, enhancements to safety service patrol, detour route improvements, and enhancements to clearance times. The I-81 Improvement Program is estimated to cost [\$2.87] billion over a ____ year period. Operational Improvements Projects shown in the table below are expected to be funded from I-81 Fund revenues derived from the Interstate Operations and Enhance Program (“IOEP”) described herein, which are not pledged under the Master Indenture, and from other funds. The Capital Improvements projects are expected to be funded from debt obligations under the Master Indenture, IOEP funds and any I-81 Regional Fuels Tax Revenues not needed to pay debt service on the 2021 Bonds or other obligations issued under the Master Indenture. The table below shows the I-81 Improvement Program preliminary estimates of costs by fiscal year. The I-81 Improvement Program projects and their estimated costs are subject to change and funding availability.

[NOTE: ABOVE PARAGRAPH TO BE UPDATED; SIX-YEAR PLAN TO BE INCORPORATED AND ESTIMATED EXPENDITURE TABLE TO BE PROVIDED]

INTERSTATE 81 CORRIDOR IMPROVEMENT FUND

General

The General Assembly established the Interstate 81 Corridor Improvement Fund in Chapter 846 of 2019 Acts of Assembly under Chapter 36 of the Virginia Code. The I-81 Fund is a special non-reverting fund held in the Virginia treasury and established on the books of the Comptroller of the Commonwealth. Chapter 1230 changed the source and method of funding for the I-81 Fund. Prior to the enactment of Chapter 1230, the I-81 Fund was funded from a portion of the increases in (i) statewide truck registration fees, (ii) statewide diesel taxes and (iii) statewide road taxes, plus the imposition of a 2.1% regional fuels tax along the I-81 corridor.

Pursuant to the change effected by Chapter 1230 and codified in Section 33.2-3601 of the Virginia Code, the I-81 Fund is funded primarily from two sources. Section 33.2-3601 provides that all revenues generated pursuant to Sections 33.2-372 and 58.1-2299.20 of the Virginia Code, as described below, and any other funds that may be appropriated by the General Assembly, and any funds that may be received for credit to the I-81 Fund from any other sources shall be paid into the state treasury and credited to the I-81 Fund. Interest earned on moneys in the I-81 Fund shall remain in and be credited to the I-81 Fund. Any moneys remaining in the I-81 Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund of the Commonwealth but shall remain in the I-81 Fund. Moneys in the I-81 Fund shall be used only for capital, operating, and other improvement costs identified in the I-81 Improvement Plan. Moneys in the I-81 Fund shall not be used to calculate or reduce the share of federal, state or local revenues otherwise available to jurisdictions along the I-81 corridor, nor shall they be used in any calculation or formula for determining a locality’s ability to pay for public education.

I-81 Fund Revenue Sources

Funding for the I-81 Fund is derived primarily from two sources: Interstate Operations and Enhancement Program Revenues pursuant to Virginia Code Section 33.2-372 and an additional fuels tax imposed by Virginia Code Section 58.1-2299.20(D) on certain localities in the Commonwealth along the Interstate 81 corridor (the “I-81 Regional Fuels Tax”).

Interstate Operations and Enhancement Program Revenues

Pursuant to Virginia Code Section 33.2-372(E), the Transportation Board is required to distribute to the I-81 Fund an amount equal to the revenues provided to the Interstate Operations and Enhancement Program (“Interstate Operations and Enhancement Program”) multiplied by the ratio of vehicle miles traveled on Interstate 81 by vehicles

classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher. ***Amounts in the I-81 Fund derived from the Interstate Operations and Enhancement Program revenues do not secure the Series 2021 Bonds and are not expected to be generally available to pay debt service on I-81 Program Revenue Bond, including the Series 2021 Bonds, or to fund any associated reserve funds.***

Additional Regional Fuels Tax

Pursuant to Virginia Code Section 33.2-372(E), all taxes, interest and civil penalties paid to the Transportation Board for the sale of fuels at wholesale to retail dealers for retail sales in any county, city set forth in subdivision A3 of Virginia Code Section 58.1-2295, after subtraction of the direct costs of administration by VDOT, shall be deposited into the I-81 Fund (“I-81 Regional Fuels Tax Revenues”). The impacted cities and counties are set forth below in this section under the heading “**I-81 Regional Fuels Tax Localities.**”

Pursuant to Virginia Code Section 58.1-2295, the I-81 Regional Fuels Tax shall be imposed on each gallon of fuel sold by a distributor to a retail dealer for retail sale in any of the I-81 Regional Fuels Tax Localities at a rate of 7.6 cents per gallon on gasoline and gasohol and 7.7 cents per gallon on diesel fuel. Beginning July 1, 2021, the tax rate shall be adjusted annually based on the greater of (i) the change in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics for the U.S. Department of Labor for the previous year, or (ii) zero. For alternative fuels other than liquid alternative fuels, the Commissioner of the Virginia Department of Motor Vehicles (“DMV”) shall determine an equivalent tax rate based on gasoline gallon equivalency. The I-81 Regional Fuels Tax is imposed at the time of sale by the distributor to the retail dealer and paid by the distributor. The I-81 Regional Fuels Tax shall be a debt from the retail dealer to the distributor until paid and shall be recoverable at law in the same manner as other debts.

At present, the DMV Commissioner has not determined an equivalent tax rate for alternative fuels and alternative fuels are not a component of the I-81 Regional Fuels Tax.

The I-81 Bond Act provides that I-81 Program Revenue Bonds issued pursuant to the I-81 Bond Act shall be secured and paid from revenues deposited in the I-81 Fund derived from the receipts of the I-81 Regional Fuels Tax, subject to appropriation by the General Assembly. *While the I-81 Bond Act provides for payment of I-81 Program Revenue Bonds from Regional Fuels Tax Revenues, it does not limit the use of such revenue for other purposes. Accordingly, I-81 Regional Fuels Tax Revenues may be used for any purpose permitted by the I-81 Improvement Plan and I-81 Improvement Program.*

Sunset Provision

Continued funding for the I-81 Fund, including the I-81 Regional Fuels Tax, is subject to the Sunset Provisions of enactment clause 10 of Chapter 1230 which provides that the provisions of Chapter 1230 generating additional state revenue for transportation shall expires on December 31 of any year in which the General Assembly appropriates or transfers any of such additional revenues for any non-transportation-related purposes. *While the current budget bill does not appropriate or transfer any of the additional transportation revenues generated by Chapter 1230 for any non-transportation-related purpose, no assurance can be given that the General Assembly will not activate the Sunset Provisions or similar provisions in future appropriation acts, and no assurance can be given that if a Sunset Provision is activated, the General Assembly will enact a Savings Clause to override it. See “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS – Current Budget Appropriation Status – Sunset Provision,” herein.*

I-81 Regional Fuels Tax Localities

Subdivision A3 of Virginia Code Section 58.1-2295 imposes, in addition to all other taxes imposed by law, a tax upon every distributor who engages in the business of selling fuels at wholesale to retail dealers for retail sale in (i) any county or city, or (ii) any city wholly embraced by a county, through which an interstate passes that (a) is more than 300 miles in length in the Commonwealth and (b) as of January 1, 2019, carried more than 40 percent of the interstate vehicle miles traveled for vehicles classified as Class 6 or higher. The determination has been made that Interstate 81 is the only interstate highway in the Commonwealth which meets the conditions of clauses (a) and (b). Consequently, the I-81 Regional Fuels Tax is imposed on wholesale-to-retail sales of motor fuels in the following

twenty-three (23) the cities and counties in the Commonwealth (each, an “I-81 Regional Fuels Tax Locality” and collectively, the “I-81 Regional Fuels Tax Localities”):

Counties	Cities

Appendix __ [contains a map showing the location of the I-81 Regional Fuels Tax Localities] and contains certain population and other demographic information about them. The I-81 Regional Fuels Tax Localities have no responsibility to make debt service payments on the Series 201 Bonds, nor are they responsible for the levy and collection of the I-81 Regional Fuels Tax.

I-81 Regional Fuels Tax Collection and Payment Procedures --[SUBJECT TO VDOT REVIEW]

The I-81 Regional Fuels Tax is administered and collected by distributors in each I-81 Regional Fuels Tax Locality and paid to the Commissioner of the Virginia Department of Motor Vehicles (the “DMV”) each month. The I-81 Regional Fuels Tax is in addition to the statewide motor vehicle fuels tax, used by the Commonwealth for other purposes. The distributor is required to collect the I-81 Regional Fuels Tax from the retail dealer by separately stating the amount of the tax and adding it to the sales price or charge. Distributors are required to remit the collected amounts to the DMV by midnight of the 20th day of the second month succeeding the month of collection. However, remittance of the tax for the month of May must be received by the DMV no later than the last business day of June. [NOTE: REVIEW WITH DMV AND CONSIDERATION OF UPDATE WITH DMV DEALER AUDIT AND DELINQUENT PAYMENT COLLECTIONS PROCESS]

Once received by the DMV, I-81 Regional Fuels Tax Revenues are credited by the Comptroller of Virginia to the I-81 Fund on a monthly basis. The Department of the Treasury of the Commonwealth (the “Treasury Department”) will thereafter pursuant to the Payment Agreement transfer I-81 Regional Fuels Tax Revenues [monthly] to the Trustee up to the amount I-81 Regional Fuels Tax Revenues appropriated for such purpose by the General Assembly]. The Transportation Board is entirely dependent on the Virginia Department of Taxation, the DMV and the Virginia Department of Accounts to collect and deposit the I-81 Regional Fuels Tax Revenues in the I-81 Fund and to transfer such revenues to the Trustee for deposit under the Master Indenture.

The Transportation Board makes no representation (i) that the General Assembly will maintain the I-81 Fund or continue to make transfers of I-81 Regional Fuels Tax Revenues to the I-81 Fund, (ii) that the General Assembly will not repeal or materially modify the legislation creating the I-81 Fund or revenues collected and deposited therein, including in particular I-81 Regional Fuels Tax Revenue or (iii) that the General Assembly will not appropriate or transfer any Chapter 1230 additional transportation revenue for non-transportation purposes resulting in the termination of the I-81 Regional Fuels Tax under the Sunset Provisions as described in this section above under the caption “Sunset Provision.”

GASOLINE AND DIESEL FUEL CONSUMPTION DATA

The tables in this section are provided to show historical and estimated gasoline and diesel fuel consumption in millions of gallons throughout the Commonwealth and in the I-81 Regional Fuels Tax Localities. I-81 Regional Fuels Tax Revenue information is provided in the following section.

The following table shows gasoline and diesel fuel consumption in millions of gallons throughout the Commonwealth for fiscal years 2013 through 2020 as reported by the Virginia Department of Motor Vehicles.

Gasoline and Diesel Fuel Consumption Statewide (Fiscal Years 2013 through 2020 – Millions of Gallons)

REGIONAL FUELS TAX RATES, HISTORICAL REVENUES AND REVENUE PROJECTIONS

The following tables provides I-81 Regional Fuels Tax rates, historical revenues and revenue projections for the periods indicated. Historical receipts of the I-81 Regional Fuels Tax Revenues may not be indicative of estimated future receipts.

I-81 Regional Fuels Tax Rate Schedule

Fiscal Year	Cents per Gallon	YoY Change %
2020 (rate is calculated based on 2.1% of the floor price of \$3.17 / gallon)	6.7	-
2021	7.6	13.4%
2022 & afterwards	Adjusted annually based on the greater of CPI & zero	Greater of CPI & zero

Under Chapter 1230 of the 2020 Acts of Assembly, the I-81 Regional Fuels Tax was converted to a cents-per-gallon tax (7.6 cents/gallon on gasoline and 7.7 cents/gallon on diesel as of Fiscal Year 2021) with an annual growth rate based on the Consumer Price Index for All Urban Consumers. See “**INTERSTATE 81 CORRIDOR IMPROVEMENT FUND – Additional Regional Fuels Tax**” herein. The Fiscal Year 2021 tax rate represents an approximately 13.4% increase over the Fiscal Year 2020 tax rate.

The table below shows certain I-81 Regional Fuels Tax Revenues credited to the I-81 Fund in Fiscal Year 2020 and through February 2021 for Fiscal Year 2021. Fiscal Year 2020 amounts are prior to the effective date of Chapter 1230 which (i) increased the I-81 Regional Fuels Tax from 2.1% to its current rate, and (ii) reduced the number of localities subject to the I-81 Regional Fuels Tax from 37 to the 23 current I-81 Regional Fuels Tax Localities. The amount collected through the end of February 2021 is approximately 82% of the amount collected in Fiscal Year 2020 from the 23 I-81 Regional Fuels Tax Localities. The Fiscal Year ends on June 30 of each year.

¹ I-81 Regional Fuels Tax Revenues collected in August of Fiscal Year 2020 reflect early payments not due until September 2020.

² Total I-81 Regional Fuels Tax Revenues collected from the original 37 jurisdictions in Fiscal Year 2020 was \$69.8 million, all of which was deposited into the I-81 Fund.

The table below provides projections prepared by the Virginia Department of Taxation of I-81 Regional Fuels Tax Revenues for Fiscal Years 2021 through 2028. The Department of Taxation estimates consumption levels and fuels tax revenues using base year (Fiscal Year 2020) actual tax collections. The base year consumption level is then grown for future years by using the statewide estimate for growth in motor fuels consumption. The model and methodology for the forecasting statewide motor fuels consumption can be found in the report entitled “The Economic Outlook and Revenue Forecast through Fiscal Year 2024,” dated November 23, 2020 prepared by the Department of Taxation for Review by the Governor’s Advisory Council on Revenue Estimates.” Such forecast takes into consideration the impact of COVID-19. The projections are forward-looking estimates. I-81 Regional Fuels Tax Revenues that are collected during such period may be different from such projections and any such differences may be material.

Legislative Discretion Regarding I-81 Regional Fuels Tax

There is no assurance that the I-81 Regional Fuels Tax will remain in effect or will continue at the current levels. The General Assembly is under no obligation to continue to impose the I-81 Regional Fuels Tax or appropriate the I-81 Regional Fuels Tax Revenues to pay debt service on the Series 2021 Bonds. No assurance can be provided that the General Assembly will not reduce the number of jurisdictions in which the I-81 Regional Fuels Tax is collected. Further, the General Assembly may appropriate I-81 Regional Fuels Tax Revenues to pay costs or provide support for any purpose contained in the I-81 Improvement Plan. I-81 Regional Fuels Tax Revenues are not limited solely to the payment of debt service on I-81 Program Revenue Bonds, including the Series 2021 Bonds. See **“INVESTMENT CONSIDERATIONS – Risks of Non-Appropriation and Future Legislative Actions”** herein.

The General Assembly has enacted from time to time legislation providing for the issuance of revenue bonds for transportation facilities which are payable from various sources. Currently, no other transportation revenue bonds or transportation facilities are paid from I-81 Regional Fuels Tax Revenues. **The Transportation Board makes no representation that the General Assembly will not make I-81 Regional Fuels Tax Revenues available as a source of payment for other transportation programs, including revenue bonds issued for other programs, or otherwise materially modify or amend the legislation creating the I-81 Fund or the I-81 Regional Fuels Tax.**

Additionally, the Transportation Board can provide no assurance that the General Assembly will not appropriate or transfer I-81 Regional Fuels Tax Revenues or other Chapter 1230 additional transportation revenues for non-transportation purposes activating the Sunset Provisions which if not cured would result in the termination of the I-81 Regional Fuels Tax. “See “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS – Current Budget Appropriation Status – Sunset Provision,” herein.

DEBT SERVICE REQUIREMENTS

Currently, the Series 2021 Bonds are the only I-81 Program Revenue Bonds issued under the Master Indenture. The Board may, without bondholder consent, issue additional I-81 Program Revenue Bonds secured on parity with the Series 2021 Bonds upon satisfaction of conditions set forth in the Master Indenture. As noted above, the Transportation Board expects to make application to borrow funds pursuant to TIFIA Loans with the U.S. Department of Transportation. [NOTE: PROVIDE LANGUAGE FOR TIFIA LOAN SUBMISSIONS WHEN TERMS ARE FINALIZED] See **“SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2021 BONDS – Additional Bonds – Expected TIFIA Parity and Subordinate Financings”** herein for the conditions of issuance of additional Senior Bonds and expected TIFIA Loans.

The following table sets forth for each Fiscal Year the amounts needed in each annual period for payment of principal of and interest on the Series 2021 Bonds.

**COMMONWEALTH TRANSPORTATION BOARD,
VIRGINIA DEPARTMENT OF TRANSPORTATION**

Commonwealth Transportation Board

The Transportation Board consists of 17 members, including the Secretary of Transportation of the Commonwealth, the Commissioner of Highways, the Director of the Department of Rail and Public Transportation, and fourteen citizen members from various areas of the Commonwealth appointed by the Governor, subject to confirmation by the General Assembly. One member is chosen from each of the Commonwealth's nine highway construction districts, three members are selected as urban at-large members and two members are selected as rural at-large members. In addition to representing rural and urban transportation needs, the at-large members represent

the interests of seaport, airport, railway and mass transit users. The Chairperson of the Transportation Board is the Secretary of Transportation. Only the fourteen citizen members of the Transportation Board have voting privileges. The Chairperson has voting privileges in the event of a tie.

The current membership of the Transportation Board, the expiration dates of their terms and the constituency represented by each member are as follows:

Member	Term Expires	Constituency
Shannon Valentine	At the Pleasure of the Governor	Chairperson, Transportation Board; Secretary of Transportation
Alison DeTuncq	June 30, 2022	Vice Chairperson, Transportation Board; Culpeper District
Stephen C. Brich	At the Pleasure of the Governor	Commissioner of Highways

*Member continues to serve beyond expiration of term until reappointment or replacement.

Shannon Valentine was appointed as Secretary of Transportation of the Commonwealth by Governor Ralph Northam and confirmed by the General Assembly in January 2018. The Transportation Secretariat provides a wide array of products and services including road construction and repairs, rest area maintenance, regulating sea ports, airports and rail, and issuing license plates and driver's licenses. Prior to being named Secretary, Ms. Valentine was a member of the Transportation Board and served in the state House of Delegates from 2006-2010, representing Lynchburg and part of Amherst County. While in the General Assembly, she focused on transportation, housing and economic development issues and led the effort to invest in inner-city passenger rail service. She also previously served as co-director of a transition team focused on transportation issues for Governor Northam's predecessor, Governor Terry McAuliffe. Before being elected to the House of Delegates, Ms. Valentine worked as the neighborhood coordinator with the Lynchburg Neighborhood Development Foundation. She worked in non-profit community development and corporate marketing and public relations in the late 1980s and 1990s. Valentine is a graduate of the University of Virginia, where she earned a bachelor's degree in economics. She also holds an education for ministry certificate from Sewanee University and is a graduate of the Sorenson Institute for Political Leadership. She lives in Lynchburg, Virginia.

Virginia Department of Transportation

VDOT has the responsibility for construction, maintenance and operation of the Commonwealth highway system under legislation enacted by the General Assembly and in accordance with policies and procedures adopted by the Transportation Board.

VDOT's budget for FY 2021 is approximately \$7.0 billion. As of April 22, 2021, VDOT had 130 construction projects underway representing an aggregate project cost of approximately \$2.7 billion, with an outstanding balance to be paid of approximately \$1.4 billion as these projects progress towards completion.

Additionally, VDOT had 138 maintenance projects underway for an aggregate amount of approximately \$254.5 million, with an outstanding balance to be paid of approximately \$221.3 million as these projects progress towards completion.

The Commonwealth has the nation's third largest system of state-maintained highways totaling approximately 58,000 miles of interstate, primary and secondary roads. The system includes approximately 21,000 bridges and culverts. In addition, independent cities and towns maintain about 11,600 miles of local streets and receive funds from the Transportation Board for such purpose.

The Commonwealth is divided geographically into nine construction districts for highway purposes as follows:

Bristol District	Hampton Roads District	Richmond District
Culpeper District	Lynchburg District	Salem District
Fredericksburg District	Northern Virginia District	Staunton District

These districts are divided into 29 residencies, each typically consisting of one to four counties. The field organization is further subdivided into 248 other locations across the Commonwealth that provide area maintenance. About 82% of VDOT's nearly 7,203 employees (as of April 22, 2021) are assigned to the field organization. The remainder is assigned to the central office in Richmond or to units associated with the central office that serve an administrative function.

Financial Accountability and Program Delivery

VDOT has been focused on the continuous improvement of its financial accountability and program delivery processes for more than a decade now. The agency has developed a long-term strategic vision and uses a business plan with performance goals and strategies. Transparency of operations has been enhanced through the creation of a public Dashboard, and the streamlining of operations, reorganization and the improvement of business practices have been a major focus.

Each quarter, VDOT prepares a performance report for review with the Commonwealth Transportation Board. Since tracking began in 2001, VDOT's performance shows a continued trend of improvement.

For Fiscal Year 2020, the agency attained on-time and on-budget performance goals by delivering more than 71% of all construction and maintenance projects on or before their original due dates, and by completing more than 94% of those projects within their budgets. In comparison, when tracking started in 2001 only 20% of construction contracts and 38% of maintenance contracts were delivered on time, while less than 60% were completed within budget.

The Current SYIP, adopted by the Transportation Board in December 2020, is based on the interim revenue forecast updates and cost estimates available. The program reflects the Transportation Board's commitment to citizen safety, by prioritizing critical safety and maintenance needs of the existing transportation system. The priorities of the update to the Current SYIP include: funding complete project phases, maximizing the use of federal funding, funding deficient bridges and paving projects, and implementation of Section 33.2-214.1 of the Virginia Code. The Transportation Board and VDOT strive to be flexible with their project selection and implementation by proceeding with projects in phases. By doing so, the Transportation Board and VDOT remain able to allocate resources between projects in the event that budgeted funding decreases or is interrupted.

Virginia Department of Transportation Staff

Stephen C. Brich, P.E. was appointed in January 2018 as Commissioner of VDOT, the third largest highway agency in the country. Commissioner Brich oversees a \$7.0 billion annual budget and a team of 7,700 people who are responsible for designing, building, maintaining and operating the state's nearly 58,000 miles of roadway, 21,000 structures and bridges, six tunnels and three ferry systems. He possesses 28 years of extensive experience specializing in the areas of traffic engineering, safety, operations, transportation planning and research. Prior to his appointment to VDOT, Commissioner Brich served as a vice president with a major engineering consultant,

focusing on transportation in Virginia. He was responsible for leading strategic planning and pursuits relating to surface transportation. Mr. Brich previously served in several senior roles with VDOT, including senior research scientist, assistant state traffic engineer for design and safety, and director of operations. He successfully led and managed a wide array of projects and research studies during his tenure with VDOT and as a consultant. Mr. Brich was instrumental in developing various policy directives for VDOT's traffic engineering and transportation system management and operations. Commissioner Brich holds a bachelor's degree in civil engineering from Old Dominion University and a master's degree in civil engineering from the University of Virginia. He is a licensed professional engineer in Virginia and Maryland.

Robert H. Cary, P.E., L.S was named Chief Deputy Commissioner of VDOT in January 2018. Prior to that, starting in March 2017, Mr. Cary was VDOT's Chief of Innovation, serving as the executive leader responsible for bringing innovation to every aspect of VDOT's business and managing VDOT's Transportation Research Council, Office of Private-Public Partnerships, and Strategic Technology Initiatives Office. Prior to that, he was the Richmond District Engineer, where he was responsible for a \$450 million annual budget in delivering the construction, maintenance and operations programs across nearly 19,000 lane miles of state roadways and almost 2,600 National Bridge Inventory (NBI) structures. Mr. Cary has more than 29 years of experience in transportation design, project development and strategic leadership. He began his career with the agency in 1992 as a transportation engineer and rose through the roles of District Location and Design Engineer, Preliminary Engineering Manager and District Engineer in three of VDOT's districts across Virginia. Mr. Cary has served as a member of the American Association of State Highway Officials (AASHTO) Technical Committee on Project Management (chairman), AASHTO's Subcommittee on Design, and AASHTO's Council on Highways and Streets. He received AASHTO's Pathfinder Award, the AASHTO Subcommittee on Design's Award, three VDOT Commissioner's Awards for Excellence, as well as a Governor's Award for his work with VDOT. Mr. Cary holds a Bachelor of Science degree in civil engineering from Virginia Tech. He is a member of Chi Epsilon, the Civil Engineering Honor Society. He is also a graduate of VDOT's Executive Leadership Program and is a registered professional engineer and licensed surveyor in Virginia.

Laura A. Farmer was named Chief Financial Officer of the Virginia Department of Transportation in October 2019. She oversees the agency's \$7.0 billion annual budget and is responsible for the leadership and execution of the agency's financial planning, capital investment, fiscal management, and tolling programs. She previously served as the agency's director of financial planning. In this role, she was instrumental in establishing the GARVEE Notes Program, and provided financial arrangements around the agency's innovative finance programs and public-private partnership projects, including the Elizabeth River Tunnels and I-95 Express Lanes projects. Prior to joining VDOT, Ms. Farmer served as a budget analyst for health and human resources agencies at the Virginia Department of Planning and Budget. Ms. Farmer earned a Bachelor's degree in history from Chowan University in Murfreesboro, North Carolina and a Master's degree in public policy from the College of William and Mary. She is a graduate of the Virginia Executive Institute, the Commonwealth Management Institute and the International Bridge, Tunnel and Turnpike Association Leadership Academy.

COVID-19 PANDEMIC

[NOTE: SECTION REMAINS SUBJECT TO UPDATE AS COMMONWEALTH INFORMATION IS UPDATED]

The information in this Section supplements the information provided elsewhere in this Official Statement and should be read in conjunction with the information set forth elsewhere in this Official Statement. The information herein is preliminary and is subject to change without notice. The information in this Section and the effects on I-81 Regional Fuels Tax Revenues of the COVID-19 pandemic will be affected by future events, circumstances, and actions that are beyond the control of the Transportation Board, and the Transportation Board does not undertake to update or supplement the information contained in this Section for such future events or circumstances.

General. The World Health Organization declared a pandemic following the outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, which is currently negatively impacting most, if not all, areas of the world, including the United States and the Commonwealth. Within the United States, the federal government and various state and local level governments, as well as private entities and institutions, have

implemented a variety of efforts aimed at preventing the spread of COVID-19 including, but not limited to, travel restrictions, voluntary and mandatory quarantines, event postponement and cancellations, voluntary and mandatory work from home arrangements, and facility closures. The impact of these various measures, as well as general concerns related to the global and national public health emergency and other contributing factors, have also resulted in dislocations in the labor market and economic distress.

The economic and financial fallout from COVID-19 on the United States, including the Commonwealth, is ongoing and may be prolonged. For example, unemployment has increased significantly as service sector workers and others who cannot telework experience reduced hours or are laid-off because of decreases in business demand. In addition, supply shortages have increased as the production and distribution of raw and finished materials are adversely affected by efforts to mitigate the impact of COVID-19 on the labor force.

Steps Taken by the Governor of Virginia to Address the COVID-19 Pandemic. On March 12, 2020, Governor Northam declared a state of emergency in the Commonwealth as a result of the COVID-19 pandemic (which declaration was reaffirmed and continued on May 26, 2020). In addition, on March 30, 2020, Governor Northam requested federal disaster assistance, which was received in the form of a Major Disaster Declaration on April 2, 2020 (the "Major Disaster Declaration"). A Major Disaster Declaration designation provides federal public assistance for all areas in the Commonwealth affected by COVID-19 at a federal cost share of 75%. The cost share allows state agencies, local governments and certain non-profit organizations to purchase supplies and receive reimbursements for COVID-19 related costs under the Commonwealth's Public Assistance program. The Major Disaster Declaration also authorizes federal agencies to provide direct emergency assistance to the Commonwealth.

Since the start of the COVID-19 pandemic, Governor Northam has imposed a series of restrictions designed to mitigate the spread of COVID-19 in the Commonwealth, including, at various times, statewide mask-wearing and social distancing guidelines, limitations on public and private in-person gatherings, the closure of certain businesses, a statewide stay at home order, and the cancellation of in-person instruction at schools. Over time, the Governor has lifted or eased some restrictions, but, in some cases, has subsequently re-imposed other restrictions, depending on the trends in new cases and hospitalizations.

Under the Governor's fourth amended Executive Order 72 effective April 1, 2021, the citizens of the Commonwealth are asked to maintain a Safer at Home strategy with continued mitigation strategies including physical distancing, teleworking and universal mask-wearing requirements. The principal elements of the Governor's current order are as follows: (1) all brick and mortar retail establishments may operate fully; (2) all restaurant and beverage establishments may offer indoor and outdoor dining within certain capacity and distancing requirements; (3) fitness centers may open indoor areas at 75 percent occupancy; (4) indoor entertainment venues may operate at the lesser of 30 percent capacity or a maximum of 500 persons, and outdoor entertainment venues may operate at 30 percent capacity with no specific cap on the number of attendees; (5) large amusement venues may operate their outdoor facilities at 50 percent capacity; (6) Virginia institutions of higher education may operate regularly provided that they otherwise comply with the applicable requirements set forth under the guidance for all business sectors; (7) the number of individuals permitted in a social gathering is increased to 50 people for indoor settings and 100 people for outdoor settings; (8) overnight summer camps may open May 1, with strict mitigation measures in place; and (9) the number of spectators allowed at recreational sporting events is increased from 25 to 100 people per field or 30 percent capacity, whichever is less for indoor settings, and from 250 to 500 people per field or 30 percent capacity, whichever is less for outdoor settings.

On April 22, 2021, the Governor announced an easing of mitigation measures based on an increased vaccination rate and a decrease in COVID-19 case numbers. Beginning May 15, 2021, (1) the maximum number of individuals permitted in a social gathering will increase to 100 people for indoor settings and 250 people for outdoor settings; (2) indoor entertainment and public amusement venues will be able to operate at 50 percent capacity or 1,000 people, and outdoor venues will be able to operate at 50 percent capacity with no specific cap on the number of attendees; (3) the number of spectators allowed at indoor recreational sporting events will increase to 250 spectators or 50 percent capacity, whichever is less, and outdoor recreational sporting events will increase to 1,000 or 50 percent capacity, whichever is less; and (4) restaurants may return to selling alcohol after midnight, and dining room closures will no longer be required between midnight and 5:00 a.m. On April 29, 2021, the Governor announced a Sixth and Seventh Amended Executive Order 72 that, among other things, adopted new guidance from the Centers for Disease Control and Prevention on mask use in outdoor settings. Under the order, fully vaccinated individuals

do not have to wear masks outdoors when alone or in small gatherings although mask use is still required indoors and outdoors at large crowded events like concerts, sporting events, and graduation ceremonies.

There is no basis to predict how long the public health crisis caused by COVID-19 will continue. Likewise, there is no basis to predict how long the current level of restrictions may remain in place or whether the Governor may determine to loosen or tighten any of the restrictions in one or more localities or regions of the Commonwealth.

Under the auspices of the federal government's program called Operation Warp Speed, vaccines have recently been developed to combat COVID-19. Limited distributions of the vaccines commenced in December 2020. As reported by the Virginia Department of Health on May 3, 2021, approximately 3,849,303 people had been vaccinated with at least one dose of a COVID-19 vaccine (approximately 45.1% of the Commonwealth's population), with a current average of 69,526 doses being administered each day.

When vaccines became available, the Commonwealth prioritized vaccines for individuals who were most at risk of contracting COVID-19 and those who worked in certain critical industries, based on public health guidelines from the federal Centers for Disease Control and Prevention. Virginians who were first eligible to receive a vaccination included health care personnel, residents and staff of long-term care facilities, people aged 65 and older, frontline essential workers, those living and working in homeless shelters and correctional facilities, and individuals with underlying medical conditions or disabilities that increase their risk of severe illness from contracting COVID-19. The categories of those eligible to receive a vaccine thereafter were expanded to include workers in the fields of energy, housing, food service, transportation and logistics, finance, media, public safety and other essential areas. As of April 18, 2021, everyone aged 16 and older who lives or works in Virginia is eligible to receive a COVID-19 vaccine.

Fiscal Impact of the COVID-19 Pandemic on I-81 Regional Fuels Tax Revenues. The ongoing COVID-19 pandemic is expected to reduce the level of I-81 Regional Fuels Tax Revenues collected and deposited into the I-81 Fund. The Transportation Board cannot predict the full amount or duration of such impact. The Transportation Board and VDOT continue to review the impact of COVID-19 on I-81 Regional Fuels Tax Revenues. Transportation Board believes that it will be some time before it or VDOT will have a better understanding of the longer-term fiscal impact that COVID-19 will have on I-81 Regional Fuels Tax Revenues.

Fiscal Impact of the COVID-19 Pandemic on the Commonwealth--Revenues. In the normal course, the Secretary of Finance provides periodic reports during the year regarding, among other things, the Commonwealth's revenue collections. The most recent report is dated April 13, 2021 (the "Revenue Report"), and covers the first nine months (which ended March 31, 2021) of the current fiscal year ending June 30, 2021.

The Revenue Report indicates that on a fiscal year-to-date basis, total general fund revenue collections rose 9.0 percent through March 2021 over the same period last year, which is ahead of the annual forecast of a 3.0 percent increase. More specifically, on a fiscal year-to-date basis, (a) collections of individual income tax withholding (approximately 61 percent of general fund revenues) have increased 3.7 percent over the same period last year, which is ahead of the annual forecast of 2.7 percent growth; (b) collections of individual income tax non-withholding (approximately 18 percent of general fund revenues) have increased 26.1 percent over the same period last year, which is ahead of the annual forecast of 4.4 percent growth; (c) collections of sales taxes (approximately 17 percent of general fund revenues) have increased 6.9 percent over the same period last year, which is ahead of the annual forecast of a 4.8 percent increase; and (d) collections of corporate income taxes (approximately six percent of general fund revenues) have increased 33.7 percent over the same period last year, which is ahead of the annual forecast of a 27.4 percent increase.

The fiscal year-to-date comparisons included in the Revenue Report reflect the updated annual revenue forecast released in February 2021, projecting a 3.0 percent increase in general fund revenues for the current fiscal year (compared to the 1.2 percent increase that had been forecast in an earlier update released in December 2020). Contemporaneous with the release of the February 2021 reforecast, the Governor announced that it would be reasonable to anticipate general fund revenues to increase over the December 2020 forecast by \$410.1 million in the fiscal year ending June 30, 2021, and \$320.1 million in the fiscal year ending June 30, 2022.

Fiscal Impact of the COVID-19 Pandemic on the Commonwealth--Expenses. The Commonwealth anticipates that it will continue to incur significant additional expenditures to address the COVID-19 pandemic. The potential

magnitude of such expenditures is not known; however, in addition to the federal disaster relief funds that the Commonwealth anticipates receiving, the Commonwealth has received approximately \$3.1 billion in funds from the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020 to help cover costs related to the pandemic. Of that amount, the Governor has allocated approximately \$1.3 billion to the cities and counties in Virginia (excluding Fairfax County, which received approximately \$200 million in CARES Act funding directly from the federal government based on the large size of the county's population) and has retained approximately \$1.8 billion to pay or reimburse costs incurred by the Commonwealth and its related entities to address the pandemic.

The Commonwealth also expects to receive approximately \$6.8 billion from the federal American Rescue Plan Act of 2021 in addition to other grant funding provided by the CARES Act. Of such amount, the Virginia Secretary of Finance has indicated that approximately \$3.8 billion will be retained by the Commonwealth and approximately \$3.0 billion will be made available to Virginia cities and counties. The funds may be used to (1) respond to COVID-19 health emergency or its negative economic impacts; (2) provide premium pay for essential workers; (3) provide for the provision of government services by replacing lost revenue due to COVID-19; and (4) make necessary investments in water, sewer, or broadband infrastructure. Further guidance on the use of these funds is expected to be provided by the U.S. Treasury Department. Governor Northam expects to call a special session of the General Assembly to determine how to allocate the Commonwealth's share of such federal grant monies.

Fiscal Impact of the COVID-19 Pandemic on the Commonwealth--Available Cash and Investments. Based on the latest available monthly analysis of the Commonwealth's cash and investments for the period ended March 31, 2021, the Office of the Comptroller reported that the Commonwealth had approximately \$7.02 billion in unrestricted cash available for immediate transfer into the General Fund (compared to approximately \$7.34 billion available as of February 28, 2021), and an additional approximately \$7.79 billion available in non-General Fund sources to support cash flow in other Commonwealth operating funds as necessary (compared to approximately \$7.67 billion available as of February 28, 2021).

The Governor and the General Assembly are working together to address the fluid situation presented by the COVID-19 pandemic. The Commonwealth's Secretary of Finance has stated that priority will be given to maintaining core services and effectuating new spending mandated under state and federal law.

Except for appropriated I-81 Regional Fuels Tax Revenues, no other revenues of the Commonwealth are expected to be made available to pay debt service on the Series 2021 Bonds.

INVESTMENT CONSIDERATIONS

The Series 2021 Bonds are Limited Obligations

The Series 2021 Bonds are limited obligations of the Commonwealth and the Transportation Board. The Series 2021 Bonds do not constitute indebtedness within the meaning of any constitutional or other debt limitation or restriction. Neither the faith and credit nor the taxing power of the Commonwealth or any of its political subdivisions is pledged to the payment of the Series 2021 Bonds. Payment of the Series 2021 Bonds is subject to the appropriation of funds for such purpose by the General Assembly. I-81 Regional Fuels Tax Revenues are the only revenues specifically designated in the I-81 Bond Act for payment of the Series 2021 Bonds and any additional I-81 Program Revenue Bonds or other obligations issued under the Master Indenture. No other revenues of the Commonwealth are expected to be available for such purpose.

Factors that May Impact Collection of I-81 Regional Fuels Tax Revenue Funds

Many factors beyond the control of the Transportation Board and the Commonwealth may adversely affect the level of I-81 Regional Fuels Tax Revenues in the future. Such factors include, but are not limited to: the possibility of reduction in supplies of motor vehicle fuel or special fuel; imposed or recommended governmental restrictions on the sale and use of such fuels; other governmental activity which indirectly or directly affects the consumption of fuels subject to the I-81 Regional Fuels Tax, including increased fuel efficiency standards; voluntary conservation; increases in the cost of motor vehicle fuel and/or special fuels which may result in less usage; reduced fuel consumption by more modern, fuel-efficient vehicles; *increased usage of vehicles employing alternate technologies (such as electric cars) which do not consume fuels subject to the I-81 Regional Fuels Tax*; or any other activities or

innovations that result in less use of motor fuels in the future. *Investors should note that a component of the Commonwealth's energy policy is to promote the use of motor vehicles that utilize alternate fuels.* Additionally, consumers may be inclined to purchase motor vehicle fuel in locations outside the I-81 Regional Fuels Tax Localities if the relative price is perceived as being significantly higher in such localities. Consumers may also be inclined to find alternative transportation routes bypassing the I-81 Regional Fuels Tax Localities.

Economic Conditions Affecting Regional Fuels Tax Revenues

The availability of I-81 Regional Fuels Tax Revenues is dependent on several economic factors. The revenues received from the I-81 Regional Fuels Tax tend to fluctuate significantly based on economic variables, including, but not limited to, the condition of the economies of the I-81 Regional Fuels Tax Localities in which such tax is collected, the Commonwealth and the United States, economic growth or recessions, population growth, trends or changes in housing and business concentrations, income and employment levels, levels of tourism, weather conditions, fuel prices, road conditions, and the availability of alternate modes of transportation. The economic recession that commenced with the COVID-19 pandemic could have severe, negative repercussions upon I-81 Regional Fuels Tax Revenues and capital sources, including market disruptions in the financial sector and potential effects on the cost and duration of I-81 Fund funded projects, in addition to the tax base from which the I-81 Regional Fuels Tax Revenue is derived. There can be no assurance that negative impacts attributable to economic factors will not materially adversely affect the availability of I-81 Regional Fuels Tax Revenues and impede the ability of Transportation Board to make timely payments on the Series 2021 Bonds.

Fluctuations in Fuel Prices and Fuel Usage May Reduce I-81 Regional Fuels Tax Revenues

Improved automobile fuel economy, the increased adoption of electric and hybrid vehicles, increases in telecommuting, and the economic and societal impacts of the COVID-19 Pandemic have had, and are expected to continue to have, a material adverse effect on fuel tax revenues throughout the United States. In addition, reductions or fluctuations in fuel prices may have a significant effect on the level of tax revenues that can be expected in any period from the I-81 Regional Fuels Tax.

I-81 Regional Fuels Tax Revenues Could be Eroded by Changes to Geographic Collection Area

The I-81 Regional Fuels Tax is limited geographically to the I-81 Regional Fuels Tax Localities. See **“INTERSTATE 81 CORRIDOR IMPROVEMENT FUND - I-81 Regional Fuels Tax Localities.”** Future legislative action of the General Assembly could alter or reduce such geographic region. Any such change could have a material adverse effect on the composition of the tax base from which I-81 Regional Fuels Tax Revenues are derived resulting in the erosion of I-81 Regional Fuels Tax Revenues available to pay debt service on the Series 2021 Bonds.

COVID-19

The current COVID-19 pandemic has adversely impacted I-81 Regional Fuels Tax Revenues and is expected to continue to adversely impact such revenues in future years. For a more detailed discussion of the risks and the impact, see **“COVID-19 PANDEMIC -Fiscal Impact of the COVID-19 Pandemic on I-81 Regional Fuels Tax Revenues.”**

Risks of Non-Appropriation and Future Legislative or Administrative Actions Affecting Revenues

The Availability of I-81 Regional Fuels Tax Revenues is Subject to Appropriation. The General Assembly is responsible for setting the tax rates from which the I-81 Regional Fuels Tax Revenues are derived and for appropriating such revenues from the state budget for payment of the Series 2021 Bonds. The Transportation Board makes no representation that the General Assembly will maintain the I-81 Regional Fuels Tax, the rate of such tax or continue to make appropriations of amounts to or for payment of the Series 2021 Bonds. In addition, the Transportation Board makes no representation that the General Assembly will not repeal or materially modify the legislation creating the I-81 Fund or imposing the I-81 Regional Fuels Tax. The General Assembly is not legally required to make the aforementioned appropriations or to refrain from repealing or modifying such legislation. Legislative considerations regarding the Commonwealth's budget priorities could materially impact the continued receipt of I-81 Regional Fuels Tax Revenues.

Under the Virginia Constitution, no appropriation is valid for more than two years and six months after the adjournment of the session of the General Assembly at which the appropriation was made. The General Assembly of the Commonwealth is not obligated to make any future appropriations, and the Transportation Board makes no representation that the General Assembly will keep the I-81 Fund in existence or that appropriations from I-81 Regional Fuels Tax Revenues will be made by the General Assembly in any future fiscal year of the Commonwealth. As a practical matter there is no effective remedy if the General Assembly fails to appropriate funds for the Series 2021 Bonds in the Commonwealth's budget.

Sunset Provision. Chapter 1230 of the 2020 Acts of Assembly is a broad-based transportation initiative that provides not only for the collection and application of I-81 Regional Fuels Tax Revenues, but also restructures the Commonwealth's transportation funding arrangements, including changing the I-81 Regional Fuels Tax from its previous tax rate to the current rate of 7.6 cents per gallon (and 7.7 cents for diesel fuels) for the purpose, among others, of generating additional revenues to fund transportation improvements throughout the Commonwealth. However, enactment Clause 10 of Chapter 1230 states that the provisions of Chapter 1230 generating additional state revenue for transportation shall expire on December 31 of any year in which the General Assembly appropriates or transfers any of such additional revenues for any non-transportation-related purpose. Accordingly, the appropriation or transfer of *any* revenues generated pursuant to Chapter 1230 for a purpose that is not transportation-related, could result in the expiration of *all* revenue provisions of Chapter 1230, including in particular authorization for the I-81 Regional Fuels Tax, if the General Assembly does not take action to override such sunset provision. The General Assembly has in the past enacted legislation containing similar sunset provisions, has taken action to activate the provision and has simultaneously taken action to override such activation.

No assurance can be given that the General Assembly will not take action in the future that could activate the sunset provision of Chapter 1230, and no assurance can be given that, if such activation occurs, the General Assembly will take action to override such sunset provision. In such event, it is possible that the rights of bondholders under the Indenture could be impaired without any recourse by either the Trustee or the bondholders.

Administrative Actions. Transportation Board is entirely dependent on the Virginia Department of Taxation, the Virginia Department of Motor Vehicles and the Virginia Department of Treasury and other state agencies to collect and deposit the I-81 Regional Fuels Tax Revenues into the I-81 Fund. Failure or delay in this regard would also impede the Transportation Board's ability to make timely payments of debt service on the Series 2021 Bonds.

Forward-Looking Statements and Projections.

The statements contained in this Official Statement, and in other information provided by Transportation Board, that are not purely historical, including statements regarding the Transportation Board's expectations regarding the collection and timing of future I-81 Regional Fuels Tax Revenues as discussed earlier in this Official Statement, are forward-looking statements. All forward-looking statements included in this Official Statement are based on information available to Transportation Board as of the date hereof, and Transportation Board assumes no obligation to update any such forward-looking statements, other than as provided in the Transportation Board's Continuing Disclosure Undertaking, the form of which is attached hereto as Appendix .

The forward-looking statements herein are based on various assumptions, forecasts and estimates that are inherently subject to numerous risks and uncertainties, including the possible invalidity of underlying assumptions, forecasts and estimates, possible changes or developments in social, economic, business, industry, market, legal and regulatory circumstances and conditions, and actions taken or not taken by third parties and legislative, judicial and other governmental authorities and officials. In addition, these assumptions, forecasts and estimates involve judgments regarding, among other things, future economic conditions, future actions by third parties and future events and decisions, all of which are difficult, if not impossible, to predict accurately. There can be no assurance that the forward-looking statements in this Official Statement will prove to be accurate.

No representation is made or intended, nor should any representation be inferred, with respect to the likely existence of any particular future set of facts or circumstances, and prospective purchasers of the Series 2021 Bonds are cautioned not to place undue reliance upon any forward looking estimates or projections contained in this Official Statement. If actual results are less favorable than the results projected or if the assumptions used in preparing the forward looking statements or projections prove to be incorrect, Transportation Board's ability to

make timely payment of the principal of and interest on the Series 2021 Bonds may be materially and adversely affected.

Actual Results May Diverge From Projections

Projections and estimates of I-81 Regional Fuels Tax Revenues to be collected in the future are based on assumptions regarding future transactions, trends and events that may not materialize, and unanticipated events or circumstances may occur. Future decisions, actions and policies of the Transportation Board, to the extent they deviate from the Transportation Board's current expectations and assumptions, may also materially impact the amount of I-81 Regional Fuels Tax Revenues. Factors outside of the Transportation Board's control may also materially impact such I-81 Regional Fuels Tax Revenues. The Transportation Board cannot determine the nature and scope of the impact such divergence may have on I-81 Regional Fuels Tax Revenues. The Transportation Board can provide no assurance that actual I-81 Regional Fuels Tax Revenues collected in the future will be substantially the same as the projections and estimates of such revenues, and that any difference between actual collections and projections will not be material.

Limited Historical Regional Fuels Tax Data

The current I-81 Regional Fuels Tax became effective July 1, 2020. Accordingly, there is limited information on the actual receipt of such revenues. No assurance can be provided that the limited data included herein on the receipt of I-81 Regional Fuels Tax Revenues is in any way indicative of future receipts.

No Mortgage or Other Liens

Payment of the principal of and interest on the Series 2021 Bonds is not secured by any deed of trust, mortgage or other lien on any I-81 Project, or other property, equipment or other tangible personal property of the Transportation Board, VDOT, the Commonwealth, or any of the I-81 Regional Fuels Tax Localities.

Enforceability of Rights and Remedies, including Bankruptcy Ramifications

Judicial Discretion. Upon a default under the Master Indenture, the remedies available to the Trustee may depend upon judicial actions that may be subject to substantial discretion and delay. Some of these remedies may in fact turn out not to be enforceable at all. The rights of the owners of the Series 2021 Bonds and the enforceability of Transportation Board's obligations will be subject to the exercise of judicial discretion under a variety of circumstances. The enforceability of governmental obligations is also subject to constitutional, statutory and public policy limitations and to other considerations that do not limit enforcement of obligations of private parties.

No Right to Accelerate Debt Service Upon Default. The Master Indenture does not permit the Trustee or Owners, upon the occurrence of an Event of Default under the Master Indenture or for any other reason, to accelerate the payment of principal of and interest due thereon. Owners will be able to collect principal and interest that become due after an Event of Default only from the I-81 Regional Fuels Tax Revenues and any other funds appropriated by the General Assembly and pledged under the Master Indenture.

Limitation on Remedies. The remedies available to the Owners upon a default under the Master Indenture are in many respects dependent upon judicial action, which is often subject to discretion and delay under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the Bankruptcy Code (as hereinafter defined). Although the Commonwealth, and its agencies including the Transportation Board, are not currently authorized to seek relief under the provisions of Chapter 9 of the Federal Bankruptcy Code, the various legal opinions to be delivered concurrently with delivery of the Series 2021 Bonds will be qualified as to enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of credits generally, now of hereafter in effect; to usual equity principles which shall limit the specific enforcement under laws of the Commonwealth as to certain remedies; to the exercise by the United States of America of the powers delegated to it by the United States Constitution; and to the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the Commonwealth and its governmental bodies, in the interest of serving an important public purpose.

Effects of Bankruptcy on Rights and Remedies. The rights and remedies available to the owners of the Series 2021 Bonds may be subject to the provisions of the United States Bankruptcy Code (the “Bankruptcy Code”), to other bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditor’s rights generally and equitable principles that may limit enforcement of such remedies. Under existing constitutional and statutory law and judicial decisions, including specifically the Bankruptcy Code, the remedies provided in the Master Indenture may not be readily available or may be limited. No assurances can be given that a court or regulatory agency would enforce the rights or types of remedies available under the Master Indenture, including any rights and remedies with respect to the pledge of I-81 Regional Fuels Tax Revenues, the payment of which is subject to appropriation by the General Assembly.

The various legal opinions to be delivered concurrently with the delivery of the Series 2021 Bonds, including the opinion of Bond Counsel, will be qualified as to the enforceability of these rights and remedies by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by principles of equity.

Bankruptcy Filing by the Commonwealth. Under the Bankruptcy Code and current Virginia law, the Commonwealth, which includes the Transportation Board as an agency of the Commonwealth, may not file for bankruptcy protection under Chapter 9 of the Bankruptcy Code and no creditor or judgment holder of the Commonwealth may file a Chapter 9 petition on behalf of the Commonwealth. Pursuant to Section 109(c)(2) of the Bankruptcy Code, a political subdivision or public agency or instrumentality of a state must be specifically authorized by state law before it may file for bankruptcy protection. Currently, there is no Virginia statute that prescribes, authorizes or otherwise contains authorization for the Commonwealth to file for Chapter 9 protection, or delegates such authority to any governmental officer or organization. There can be no assurance, however, that the Bankruptcy Code or Virginia law will not be amended in the future to permit the Commonwealth to file for bankruptcy protection, and such a filing could, under certain circumstances, subject all or a portion of the I-81 Regional Fuels Tax Revenues to the jurisdiction of the bankruptcy court. When an entity is in bankruptcy, its creditors (including bondholders) may be prohibited from acting to collect from or to enforce obligations of the debtor entity without permission of the bankruptcy court. In event of a change in law permitting a voluntary filing for bankruptcy protection by the Commonwealth, the Commonwealth could be prevented from making payments to the bondholders from funds in its possession, which could result in delays or reductions in payments on the Series 2021 Bonds. Potential purchasers of the Series 2021 Bonds should consult their own attorneys and advisors in assessing the risk and the likelihood of recovery in the event the Commonwealth becomes a debtor in a bankruptcy proceeding.

Risk of Future Legislative or Court Decisions Affecting Tax-Exempt Obligations

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the Virginia General Assembly. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Series 2021 Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of issuance of the Series 2021 Bonds will not have an adverse effect on the tax status of the interest on the Series 2021 Bonds or the market value or marketability of the Series 2021 Bonds. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of interest on the Series 2021 Bonds from gross income for federal or state income tax purposes for all or certain taxpayers.

Additionally, investors in the Series 2021 Bonds should be aware that future legislative actions (including federal income tax reform) may retroactively change the treatment of all or a portion of the interest on the Series 2021 Bonds for federal income tax purposes for all or certain taxpayers. In all such events, the market value of the Series 2021 Bonds may be affected and the ability of holders to sell their Series 2021 Bonds in the secondary market may be reduced. The Series 2021 Bonds are not subject to special mandatory redemption, and the interest rates on the Series 2021 Bonds are not subject to adjustment, in the event of any such change in the tax treatment of interest on the Series 2021 Bonds.

No Redemption of Series 2021 Bonds in the Event of Taxability

The Series 2021 Bonds are not subject to redemption prior to maturity upon the occurrence of an event which has the effect of rendering interest on the Series 2021 Bonds includable in the gross income of the owners of the Series 2021 Bonds for purposes of federal income taxation. No provision is made in the Master Indenture for any increase or other adjustment in the rate of interest payable on the Series 2021 Bonds in the event of such an occurrence.

Loss of Premium Upon Early Redemption

Purchasers of the Series 2021 Bonds at a price in excess of their principal amount should consider the fact that the Series 2021 Bonds are subject to redemption prior to maturity at a redemption price equal to their principal amount plus accrued interest under certain circumstances. See (“**THE SERIES 2021 BONDS—Redemption Provisions.**”)

Market Liquidity

The Series 2021 Bonds constitute a new issue and the first issue of bonds under the Master Indenture and I-81 Bond Act. Although the Underwriters currently intend to make a market for the Series 2021 Bonds, the Underwriters are not obligated to do so, and they may discontinue any such market-making at any time without prior notice. No assurance can be given as to the development or liquidity of any market for the Series 2021 Bonds. If an active public market does not develop, the market price and liquidity of the Series 2021 Bonds may be adversely affected.

TIFIA Loan Issues. [Springing Lien and other issues – Contingent Upon TIFIA conditions]

CERTAIN LEGAL MATTERS

Certain legal matters relating to the authorization and validity of the Series 2021 Bonds will be subject to the approving opinion of Kutak Rock LLP, Bond Counsel, which will be furnished at the expense of the Transportation Board upon delivery of the Series 2021 Bonds, substantially in the form set forth in Appendix ___. Bond Counsel's opinion will be limited to matters relating to the authorization and the validity of the Series 2021 Bonds and to the federal income status of interest on the Series 2021 Bonds, as described in the section “**TAX MATTERS.**” Bond Counsel has not been engaged to investigate the financial resources of the Transportation Board or the Commonwealth, or the ability to provide for payment of the Series 2021 Bonds, and Bond Counsel's opinion will make no statement as to such matters or as to the accuracy or completeness of this Official Statement or any other information that may have been relied on by anyone in making the decision to purchase the Series 2021 Bonds.

Certain legal matters will be passed upon for the Commonwealth by the Office of the Attorney General of Virginia, and certain legal matters will be passed upon by the Underwriters by Kaufman and Canoles, P.C., Richmond, Virginia.

TAX MATTERS

Opinion of Bond Counsel – Federal Income Tax

In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions, interest on the Series 2021 Bonds is excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax. The opinion described in the preceding sentence assumes the accuracy of certain representations and compliance by the Transportation Board with covenants designed to satisfy the requirements of the Code that must be met subsequent to the issuance of the Series 2021 Bonds. Failure to comply with such requirements could cause interest on the Series 2021 Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The Transportation Board will covenant to comply with such requirements. Bond Counsel has expressed no opinion regarding other federal tax consequences arising with respect to the Series 2021 Bonds.

The accrual or receipt of interest on the Series 2021 Bonds may otherwise affect the federal income tax liability of the owners of the Series 2021 Bonds. The extent of these other tax consequences will depend on such owners' particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences. Purchasers of the Series 2021 Bonds, particularly purchasers that are corporations (including S

corporations and foreign corporations operating branches in the United States of America), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Series 2021 Bonds.

Original Issue Discount. The Series 2021 Bonds that have an original yield above their respective interest rates, as shown on the inside cover of this Official Statement (collectively, the “Discount Series 2021 Bonds”), are being sold at an original issue discount. The difference between the initial public offering prices of such Discount Series 2021 Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated in the same manner for federal income tax purposes as interest, as described above.

The amount of original issue discount that is treated as having accrued with respect to a Discount Series 2021 Bond is added to the cost basis of the owner thereof in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Series 2021 Bond (including its sale, redemption or payment at maturity). Amounts received on disposition of such Discount Series 2021 Bond that are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Series 2021 Bond, on days that are determined by reference to the maturity date of such Discount Series 2021 Bond. The amount treated as original issue discount on such Discount Series 2021 Bond for a particular semiannual accrual period is equal to (a) the product of (i) the yield to maturity for such Discount Series 2021 Bond (determined by compounding at the close of each accrual period) and (ii) the amount that would have been the tax basis of such Discount Series 2021 Bond at the beginning of the particular accrual period if held by the original purchaser, (b) less the amount of any interest payable for such Discount Series 2021 Bond during the accrual period. The tax basis for purposes of the preceding sentence is determined by adding to the initial public offering price on such Discount Series 2021 Bond the sum of the amounts that have been treated as original issue discount for such purposes during all prior periods. If such Discount Series 2021 Bond is sold between semiannual compounding dates, original issue discount that would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of Discount Series 2021 Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond. Subsequent purchasers that purchase Discount Series 2021 Bonds for a price that is higher or lower than the “adjusted issue price” of such Discount Series 2021 Bonds at the time of purchase should consult their tax advisors as to the effect on the accrual of original issue discount.

Original Issue Premium. The Series 2021 Bonds that have an original yield below their respective interest rates, as shown on the inside cover of this Official Statement (collectively, the “Premium Series 2021 Bonds”), are being sold at a premium. An amount equal to the excess of the issue price of a Premium Series 2021 Bond over its stated redemption price at maturity constitutes premium on such Premium Series 2021 Bond. A purchaser of a Premium Series 2021 Bond must amortize any premium over such Premium Series 2021 Bond’s term using constant yield principles, based on the purchaser’s yield to maturity (or, in the case of Premium Series 2021 Bonds callable prior to their maturity, generally by amortizing the premium to the call date, based on the purchaser’s yield to the call date and giving effect to any call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period, and the purchaser’s basis in such Premium Series 2021 Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Series 2021 Bond prior to its maturity. Even though the purchaser’s basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Series 2021 Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Series 2021 Bond.

Backup Withholding. As a result of the enactment of the Tax Increase Prevention and Reconciliation Act of 2005, interest on tax-exempt obligations such as the Series 2021 Bonds is subject to information reporting in a manner similar to interest paid on taxable obligations. Backup withholding may be imposed on payments to any owner of the Series 2021 Bonds that fails to provide certain required information including an accurate taxpayer identification number to any person required to collect such information pursuant to Section 6049 of the Code. The reporting requirement does not in and of itself affect or alter the excludability of interest on the Series 2021 Bonds from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding or selling tax-exempt obligations.

Internal Revenue Service Audits. The Internal Revenue Service has an ongoing program of auditing tax-exempt obligations to determine whether, in the view of the Internal Revenue Service, interest on such tax-exempt obligations is included in the gross income for federal income tax purposes. It cannot be predicted whether or not the Internal Revenue Service will commence an audit of any of the Series 2021 Bonds. If an audit is commenced, under current procedures the Internal Revenue Service may treat the Transportation Board, as the issuer of the Series 2021 Bonds, as a taxpayer, and the registered owners of the Series 2021 Bonds may have no right to participate in such procedure. The commencement of an audit could adversely affect the market value and liquidity of the related Series 2021 Bonds until the audit is concluded, regardless of the ultimate outcome.

Opinion of Bond Counsel – Virginia Income Tax Consequences

Bond Counsel's opinion also will state that, under current law, interest on the Series 2021 Bonds is exempt from income taxation by the Commonwealth and any of its political subdivisions. Bond Counsel will express no opinion regarding (i) other Virginia tax consequences arising with respect to the Series 2021 Bonds or (ii) any consequences arising with respect to the Series 2021 Bonds under the tax laws of any state or local jurisdiction other than the Commonwealth. Prospective purchasers of the Series 2021 Bonds should consult their own tax advisors regarding such other Commonwealth tax consequences or the tax status of interest on the Series 2021 Bonds in a particular state or local jurisdiction other than the Commonwealth.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading "TAX MATTERS" or adversely affect the market value of the Series 2021 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to obligations issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2021 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2021 Bonds or the market value thereof would be impacted thereby. Purchasers of the Series 2021 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2021 Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

PROSPECTIVE PURCHASERS OF THE SERIES 2021 BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2021 BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE SERIES 2021 BONDS.

LEGALITY FOR INVESTMENT

The I-81 Bond Act provides that the Series 2021 Bonds are securities in which all public officers and bodies of the Commonwealth and its political subdivisions, all insurance companies and associations, all savings banks and savings institutions, including savings and loan associations, administrators, guardians, executors, trustees and other fiduciaries in the Commonwealth may properly and legally invest funds under their control.

The Transportation Board makes no representation as to the eligibility of the Series 2021 Bonds for investment or for any other purpose under the laws of any other state.

LITIGATION

There is no litigation now pending or threatened to restrain or enjoin the issuance, sale, execution or delivery of the Series 2021 Bonds or in any way contest or affect the validity of the Series 2021 Bonds, any proceeding of the Transportation Board or the Treasury Board taken with respect to their issuance or sale, or any appropriation of funds to pay debt service on the Series 2021 Bonds.

CONTINUING DISCLOSURE

Rule 15c2-12 in General

Securities and Exchange Commission Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), prohibits an underwriter from purchasing or selling municipal securities unless it has determined that the issuer of such securities and/or other persons deemed to be materially “obligated persons” (hereinafter referred to as “MOPs” and each, a “MOP”) have committed to provide (i) on an annual basis, certain financial information and operating data (collectively, “Annual Reports”) and (ii) notice of the events described in Rule 15c2-12 (“Event Notices”), to the Municipal Securities Rulemaking Board (the “MSRB”).

Transportation Board Continuing Disclosure

The Transportation Board will covenant in a Continuing Disclosure Undertaking in substantially the form set forth in Appendix __, for the benefit of the holders of the Series 2021 Bonds, to provide to the MSRB Annual Reports and Event Notices to the MSRB. The information to be provided by the Transportation Board will include a summary of revenues credited to the I-81 Fund, including the I-81 Regional Fuels Tax; the amount of such funds appropriated by the General Assembly for project costs and debt service payments; a summary of expenditures of I-81 Fund revenues and proceeds of the Series 2021 Bonds for project costs; the amount expended on debt service payments on the Series 2021 Bonds; and certain other information as set forth in the Continuing Disclosure Undertaking.

Audited Financial Statements. The Transportation Board does not produce separate financial statements. Its financial activity is included in the audited financial statements of the Commonwealth. Accordingly, the Transportation Board will covenant in its Continuing Disclosure Undertaking to provide audited financial statements of the Commonwealth as part of the its Annual Report. The Transportation Board notes that presently I-81 Regional Fuel Tax Revenues are not set out and reported separately in the audited financial statements of the Commonwealth. In connection with any filing of audited financial statements of the Commonwealth, the Transportation Board will endeavor to include appropriate disclaimer language so as not to imply that general funds of the Commonwealth will be made available to support the payment of debt service on the Series 2021 Bonds. If, at any time in the future, as a result of a change in law or accounting policy or otherwise, the Transportation Board should produce separate audited financial statements pertaining to I-81 Regional Fuels Tax Revenues, then the Transportation Board will include such audited statements in the Transportation Board’s Annual Report, and such separate audited financial statements shall be provided in lieu of the audited financial statements of the Commonwealth

[Filing compliance review]

No Commonwealth Continuing Disclosure of General Financial or Operating Data

No funds of the Commonwealth other than I-81 Regional Fuels Tax Revenues credited to the I-81 Fund are expected to be available, subject to appropriation by the General Assembly of the Commonwealth, to pay debt service on the Series 2021 Bonds. Accordingly, the Commonwealth will not undertake to provide Annual Reports and Event Notices to the MSRB. Other than audited financial statements of the Commonwealth for the Fiscal Year ended June 30, 2020 attached as Appendix __ and I-81 Regional Fuels Tax information, no general financial or operating data is provided for the Commonwealth in this Official Statement. The inclusion of the Commonwealth’s audited financial statements is not intended to imply that funds of the Commonwealth other than appropriated I-81 Regional Fuels Tax Revenues will be made available to pay debt service on the Series 2021 Bonds.

RATINGS

Moody's Investors Service, Inc. ("Moody's") and S&P Global Ratings ("S&P") assigned the Series 2021 Bonds ratings of "_____" and "_____", respectively.

Such ratings reflect only the respective views of such organizations. Reference should be made to the individual rating agency for a fuller explanation of the significance of the rating assigned by such rating agency. There is no assurance that the ratings will remain in effect for any given period of time or that they will not be revised downward or withdrawn entirely by any of the rating agencies if, in the judgment of the rating agency, circumstances so warrant. Any such downward revision or withdrawal of ratings may have an adverse effect on the market price of the Series 2021 Bonds.

UNDERWRITING

The Series 2021 Bonds are being purchased by the Underwriters pursuant to a Bond Purchase Agreement (the "Bond Purchase Agreement") between Transportation Board and BofA Securities, as representative of the Underwriters. The Bond Purchase Agreement sets forth the obligation of the Underwriters to purchase the Series 2021 Bonds at an aggregate purchase price of \$_____ (representing the sum of the \$_____ par amount of the Series 2021 Bonds, plus original issue premium of \$_____, less an underwriting discount of \$_____ on such Series 2021 Bonds) and is subject to certain terms and conditions, including the approval of certain legal matters by counsel. The Bond Purchase Agreement provides that the Underwriters will purchase all of the Series 2021 Bonds if any are purchased. The Underwriters may offer and sell the Series 2021 Bonds to certain dealers (including dealers depositing the Series 2021 Bonds into investment trusts) and others at prices different from the public offering prices stated on the cover page of this Official Statement. The public offering prices may be changed from time to time at the discretion of the Underwriters.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. In the course of their various business activities, the Underwriters and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively traded securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Commonwealth or the Transportation Board (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Commonwealth or the Transportation Board. The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

BofA Securities, as an Underwriter of the Series 2021 Bonds, has entered into a distribution agreement with its affiliate Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"). As part of this arrangement, BofA Securities may distribute securities to investors through the financial advisor network of MLPF&S. As part of this arrangement, BofA Securities may compensate MLPF&S as a dealer for their selling efforts with respect to the Series 2021 Bonds.

Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Finance Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934.

Wells Fargo Bank, National Association, acting through its Municipal Finance Group ("WFBNA"), one of the Underwriters of the Series 2021 Bonds, has entered into an agreement (the "WFA Distribution Agreement") with its

affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name “Wells Fargo Advisors”) (“WFA”), for the distribution of certain municipal securities offerings, including the Series 2021 Bonds. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation, as applicable, with respect to the Series 2021 Bonds with WFA. WFBNA has also entered into an agreement (the “WFSLLC Distribution Agreement”) with its affiliate Wells Fargo Securities, LLC (“WFSLLC”), for the distribution of municipal securities offerings, including the Series 2021 Bonds. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

FINANCIAL ADVISOR

PFM Financial Advisors LLC (“PFM”), Arlington, Virginia, is serving as financial advisor to the Transportation Board on the issuance of the Series 2021 Bonds. PFM has assisted in the preparation of this Official Statement and in matters relating to the planning, structuring and issuance of the Series 2021 Bonds and has provided other advice. PFM is a financial advisory and consulting organization and is not engaged in the business of underwriting, marketing or trading municipal securities or any other negotiable instruments.

TRUSTEE

The Transportation Board has appointed U.S. Bank, National Association, as Trustee, for the Series 2021 Bonds. The Trustee shall carry out those duties assigned to it under the Indenture. Except for the material under this heading, the Trustee has not reviewed or participated in the preparation of this Official Statement and assumes no responsibility for the nature, contents, accuracy or completeness of the information set forth in this Official Statement, the Indenture or the Series 2021 Bonds, or for the validity, sufficiency, or legal effect of any of those documents.

Other than verifying that the Transportation Board has satisfied the procedures for requisitioning moneys from the Project Fund, the Trustee is not accountable for the Transportation Board's use or application of the proceeds of the Series 2021 Bonds. The Trustee is not responsible or liable for any loss suffered in connection with any investment of money made by it in accordance with the Indenture. The Trustee has not evaluated the risks, benefits or propriety of any investment in the Series 2021 Bonds and makes no representation, and has reached no conclusions, regarding the value or condition of any of the assets or revenues pledged or assigned as security for the Series 2021 Bonds, the technical or financial feasibility of any Project, or the investment quality of the Series 2021 Bonds, about all of which the Trustee expresses no opinion and expressly disclaims the expertise to evaluate.

RELATIONSHIP OF PARTIES

Bond Counsel and Counsel to the Underwriters represent the Trustee and the Commonwealth from time to time in matters unrelated to the issuance of the Series 2021 Bonds.

MISCELLANEOUS

The references in this Preliminary Official Statement to the Indenture, the Payment Agreement, and other documents are brief outlines of certain of their provisions. These outlines do not purport to be complete and reference is made to such documents, copies of which will be furnished by the Transportation Board, upon request made to Laura Farmer, Chief Financial Officer, Virginia Department of Transportation, 1401 East Broad Street, Richmond, Virginia 23219 (telephone: 804-786-2707).

So far as any statements made in this Preliminary Official Statement involve matters of opinion, forward-looking statements or of estimates, whether or not expressly stated, they are set forth as such and not as representations of fact. No representation is made that any of the statements will be realized. Neither this

Preliminary Official Statement nor any statement which may have been made verbally or in writing is to be construed as a contract with the holder of the Series 2021 Bonds.

The purpose of this Preliminary Official Statement is to supply information to prospective buyers of the Series 2021 Bonds. All quotations from and summaries and explanations of laws contained in this Preliminary Official Statement do not purport to be complete and reference is made to such laws for full and complete statements of their provisions.

The Transportation Board has deemed this Preliminary Official Statement final as of its date within the meaning of Rule 15c2-12, except for the omission of certain pricing and other information permitted to be omitted by Rule 15c2-12.

The distribution of this Preliminary Official Statement has been duly authorized by the Transportation Board.

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this “Disclosure Agreement”) is dated _____, 2021 (the “Closing Date”), and is executed and delivered by the **Commonwealth Transportation Board** (the “Transportation Board”) of the Commonwealth of Virginia (the “Commonwealth”) in connection with the issuance by the Transportation Board of its \$_____ Commonwealth of Virginia Interstate 81 Corridor Program Revenue Bonds (Senior Lien), Series 2021 (the “Bonds”), pursuant to the provisions of a Master Indenture of Trust dated as of _____ 1, 2021 (the “Master Indenture”), as supplemented by a First Supplemental Indenture of Trust dated as of _____ 1, 2021 (together with the Master Indenture, the “Indenture”), entered into between the Transportation Board and U.S. Bank, National Association, as trustee (the “Trustee”).

The Transportation Board hereby covenants and agrees as follows:

Section 1. Definitions. In addition to capitalized terms defined elsewhere in this Disclosure Agreement, the following capitalized terms shall have the following meanings:

“Annual Report” means any annual report provided by the Transportation Board pursuant to and as described in Sections 3 and 4 of this Disclosure Agreement.

“Dissemination Agent” means the Transportation Board, acting in its capacity as dissemination agent hereunder, or any successor dissemination agent. Notwithstanding anything contained in this definition, the dissemination agent shall not be required to have any agency relationship with the Transportation Board for purposes of state law.

“EMMA” means the MSRB's Electronic Municipal Market Access system, the internet address of which is <http://emma.msrb.org/>, and any successor thereto.

“Financial Obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as a security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term Financial Obligation does not include municipal securities as to which a final official statement has been otherwise provided to the MSRB under the Rule.

“Fiscal Year” means the twelve-month period, at the end of which the financial position of the Transportation Board and results of its operations for such period are determined. Currently, the Transportation Board's Fiscal Year begins July 1 and continues through June 30 of the next year.

“General Assembly” means the General Assembly of the Commonwealth of Virginia.

“Holder” means, for purposes of this Disclosure Agreement, any person who is a record owner or beneficial owner of a Bond.

“MSRB” means the Municipal Securities Rulemaking Board.

“Official Statement” means the Transportation Board's Official Statement with respect to the Bonds, dated _____, 2021.

“Project” means any transportation project allowable under the Commonwealth Transportation Interstate 81 Corridor Bond Act of 2020, enactment clause 15 of Chapter 1230 of the Acts of Assembly of the General Assembly of the Commonwealth of Virginia 2020 Reconvened Session financed in whole or in part from net proceeds of the Bonds.

“Rule” means Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

“Participating Underwriter” means any of the original underwriters of the Bonds required to comply with the Rule in connection with the offering of such Bonds.

Section 2. Purpose of the Disclosure Agreement. This Disclosure Agreement is being executed and delivered by the Transportation Board for the benefit of the Holders and to assist the Participating Underwriters in complying with the Rule. The Transportation Board acknowledges that it is undertaking primary responsibility for any reports, notices or disclosures that may be required under this Disclosure Agreement.

Section 3. Provision of Annual Reports: Audited Financial Statements.

(a) By not later than 10 months following the end of each Fiscal Year of the Transportation Board, commencing with the Fiscal Year ending June 30, 2021, the Transportation Board shall submit, or shall cause the Dissemination Agent (if different from the Transportation Board) to submit, to EMMA, an Annual Report that is consistent with the requirements of Section 4 of this Disclosure Agreement. In each case, the Annual Report (i) may be submitted as a single document or as separate documents comprising a package and (ii) may cross-reference other information as provided in Section 4 of this Disclosure Agreement.

(b) The Transportation Board does not produce separate financial statements, but its financial activity is included in the audited financial statements of the Commonwealth. Accordingly, the audited financial statements of Commonwealth are attached as an appendix to the Official Statement and will be provided by or on behalf of the Transportation Board as part of the Annual Report to assist the Participating Underwriters in complying with the Rule. The Transportation Board notes that as of the date of this Disclosure Agreement, the Regional Fuel Tax Revenues (as defined in the Master Indenture) securing the Bonds are not set out and reported separately in the audited financial statements of the Commonwealth. In connection with any filing of audited financial statements of the Commonwealth, the Transportation Board shall endeavor to include appropriate disclaimer language so as not to imply that general funds of the Commonwealth will be made available to support the payment of debt service on the Bonds. If, at any time in the future, as a result of a change in law or accounting policy or otherwise, the Transportation Board should produce separate audited financial statements pertaining to the Regional Fuels Tax Revenues, then the Transportation Board will make public such audited financial statements as provided in the Rule, and such separate audited financial statements shall be provided in lieu of the audited financial statements of the Commonwealth.

(c) If the Transportation Board fails to submit an Annual Report to EMMA by the date required in subsection (a) hereof, the Transportation Board shall or shall cause the Dissemination Agent (if different from the Transportation Board) to send, in a timely manner, an appropriate notice to the MSRB in substantially the form attached hereto as Exhibit A.

Section 4. Content of Annual Reports. Each Annual Report required to be filed hereunder shall contain or incorporate by reference, at a minimum, the following information, all with a view toward assisting the Participating Underwriters in complying with the Rule:

(a) For the Fiscal Year covered by the Annual Report, the amount of all funds credited to the I-81 Fund (as defined in the Master Indenture) for such Fiscal Year specifying the amount of Regional Fuels Tax Revenues and the amount derived from the Transportation Board's Interstate Operations Enhancement Program (as such term is defined in the Official Statement), and providing the amount of such funds by source appropriated by the General Assembly for Interstate 81 Project costs and for the payment of debt service;

(b) The amount spent on debt service in such Fiscal Year on the Bonds and other obligations issued under the Master Indenture;

(c) For such Fiscal Year, a summary of the expenditure of Bond proceeds and I-81 Fund revenues on Interstate 81 Projects [by general category, such as, by way of example, lane widening, acceleration/deceleration lanes, truck climbing lanes and operational improvements]; and

(d) to the extent funds other than Regional Fuels Tax Revenues are appropriated by the General Assembly with respect to the Bonds or other obligations issued under the Master Indenture, information detailing the source or sources of such other funds appropriated by the General Assembly for such Fiscal Year.

Any or all of the items listed above may be incorporated by reference from other documents, including official statements, documents related to debt issues or other documents of the Transportation Board or the Commonwealth, that have been filed with EMMA or the Securities and Exchange Commission. If the document incorporated by reference is a final official statement, it must be available from EMMA. The Transportation Board shall clearly identify each such other document so incorporated by reference.

Section 5. Event Notices. The Transportation Board will submit, or cause the Dissemination Agent (if not the Transportation Board) to submit, in a timely manner not in excess of ten business days after the occurrence of the event, to EMMA, notice of the occurrence of any of the following events (listed in subsection (b)(5)(i)(c) of the Rule) with respect to the Bonds to which the Transportation Board has actual knowledge:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults, if material;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;

- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701 – TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (7) Modifications to rights of Holders of the Bonds, if material;
- (8) Bond calls, if material, and tender offers;
- (9) Defeasances;
- (10) Release, substitution, or sale of property securing repayment of the Bonds, if material;
- (11) Rating changes;
- (12) Bankruptcy, insolvency, receivership or similar event of the Transportation Board;
- (13) The consummation of a merger, consolidation, or acquisition involving the Transportation Board or the sale of all or substantially all of the assets of the Transportation Board, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (15) Incurrence of a Financial Obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights or other similar terms of a Financial Obligation of the obligated person, any of which affect Holders of the Bonds, if material; and
- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the obligated person, any of which reflect financial difficulties.

The Transportation Board does not undertake to provide the above-described notice in the event of a mandatory, scheduled redemption, not otherwise contingent upon the occurrence of an event, if (i) the terms, dates and amounts of redemption are set forth in detail in the Official Statement for the Bonds, (ii) the only open issue is when Bonds will be redeemed in the case of a partial redemption, (iii) notice of redemption is given to the Holders under the terms of the Indenture and (iv) public notice of the redemption is given pursuant to Release No. 34-23856 of the Securities and Exchange Commission, even if the originally scheduled amounts may be reduced by prior optional redemption or Bond purchases.

Section 6. Termination of Reporting Obligation. The obligations of the Transportation Board under this Disclosure Agreement shall terminate upon the earlier to occur of the legal defeasance or final retirement of all Outstanding Bonds.

Section 7. Dissemination Agent. The Transportation Board may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. Any such successor Dissemination Agent will be deemed to be appointed pursuant to this Disclosure Agreement. It is currently anticipated that such successor Dissemination Agent may include, among others, Digital Assurance Certification LLC, or similar organizations that may exist from time to time. If at any time there is not any other designated Dissemination Agent, the Transportation Board shall be the Dissemination Agent.

Section 8. Amendment. Notwithstanding any other provision of this Disclosure Agreement, the Transportation Board may amend this Disclosure Agreement if such amendment is supported by a written opinion of independent counsel to the Transportation Board with expertise in federal securities laws to the effect that such amendment is permitted [not prohibited] or required by the Rule.

Section 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Transportation Board from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice described in Section 5 above, in addition to that which is required by this Disclosure Agreement. If the Transportation Board chooses to include any information in any Annual Report or notice described in Section 5 above, in addition to that which is specifically required by this Disclosure Agreement, the Transportation Board shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice.

Section 10. Default. Any person referred to in Section 11 (other than the Transportation Board) may take such action as may be permitted by law against the appropriate public official to secure compliance with the obligation of the Transportation Board to file its Annual Report or to give notice as described in Section 5. In addition, Holders of not less than a majority of the aggregate principal amount of the Bonds outstanding may take such actions as may be permitted by law to challenge the adequacy of any information provided pursuant to this Disclosure Agreement or to enforce any other obligation of the Transportation Board hereunder. A default under this Disclosure Agreement shall not be deemed an event of default under the Indenture or any applicable resolution or other debt authorization of the Transportation Board, and the sole remedy under this Disclosure Agreement in the event of any failure of the Transportation Board to comply herewith shall be an action to compel performance. Nothing in this provision shall be deemed to restrict the rights or remedies of any Holder pursuant to the Securities Exchange Act of 1934, the rules and regulations promulgated thereunder, or other applicable laws.

Section 11. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Transportation Board, the Participating Underwriters, and the Holders and shall create no rights in any other person or entity.

Section 12. Identifying Information. If the Transportation Board is providing to EMMA the documents required under this Disclosure Agreement, the Transportation Board shall provide such documents with any identifying information prescribed by the MSRB.

This **MASTER INDENTURE OF TRUST** (this “Master Indenture”) is made as of _____ 1, 2021, between the **COMMONWEALTH TRANSPORTATION BOARD**, a board created and existing under the laws of the Commonwealth of Virginia (the “Board”), and U.S. Bank, National Association, a national banking association, and its successors, as trustee (the “Trustee”).

RECITALS

WHEREAS, pursuant to the Transportation Development and Revenue Bond Act (the “State Transportation Revenue Bond Act”), Sections 33.2-1700 et seq. of the Code of Virginia of 1950, as amended (the “Virginia Code”), the Board has the power to issue revenue bonds to finance the costs of transportation projects authorized by the General Assembly of Virginia (the “General Assembly”), including any financing costs or other financing expenses related to such bonds;

WHEREAS, pursuant to the Commonwealth Transportation Interstate 81 Corridor Bond Act of 2020, enactment item 15 of Chapter 1230 of the Acts of the General Assembly of the Commonwealth of Virginia, 2020 Reconvened Session, [as amended] (the “Bond Act”), the Board is authorized, by and with the consent of the Governor, to issue, pursuant to the provisions of the State Transportation Revenue Bond Act, revenue obligations of the Commonwealth of Virginia (the “Commonwealth”) to be designated “Commonwealth of Virginia Interstate 81 Corridor Program Revenue Bonds, Series” (the “Bonds”) at one or more times in an aggregate principal amount not to exceed \$1 billion, after all costs, excluding refunding bonds and excluding pre-project completion interest convertible to principal associated with certain federal programs of the U.S. Department of Transportation;

WHEREAS, the Board is required pursuant to the Bond Act to use proceeds of any Bonds, including any premium received on the sale thereof, for the exclusive purpose of costs incurred or to be incurred in relation to the Interstate 81 Corridor Improvement Plan and the Interstate 81 Corridor Improvement Program, as such terms are defined in Section 33.2-3600 of the Virginia Code;

WHEREAS, Section 33.2-3601 of the Virginia Code creates the Interstate 81 Corridor Improvement Fund (the “I-81 Fund”) in the state treasury as a special non-reverting fund which shall be established on the books of the Comptroller and provides that all revenues dedicated to the I-81 Fund pursuant to Sections 33.2-372 and 58.1-2299.20 of the Virginia Code, any other funds that may be appropriated by the General Assembly, and any funds that may be received for credit to the I-81 Fund from any other sources shall be paid into the state treasury and credited to the I-81 Fund;

WHEREAS, Section 11 of the Bond Act requires the Board to establish a fund either in the state treasury with the cooperation of the State Treasurer or with a trustee in accordance with the provisions of Section 33.2-1716 of the State Transportation Revenue Bond Act to secure and be used for the payment of the Bonds to the credit of which there shall be deposited such amounts, subject to appropriation by the General Assembly, necessary to pay principal, purchase price, redemption premium, if any, and interest on the Bonds, as and when such costs become due and payable; provided that such costs shall be paid from the revenues deposited into the I-81

Fund pursuant to Section 58.1-2299.20 of the Virginia Code from the receipt of regional fuels tax levied pursuant to Section 58.1-2295 of the Virginia Code;

WHEREAS, Section 12 of the Bond Act permits the Board, in connection with the issuance or planned issuance of any Bonds, to pay any necessary and appropriate support costs, including debt service or deposits to reserve funds from the revenues deposited into the I-81 Fund pursuant to Section 58.1-2299.20 of the Virginia Code from the receipt of regional fuels tax levied pursuant to Section 58.1-2295 of the Virginia Code;

WHEREAS, Section 10 of the Bond Act permits the Board to receive other funds that may be made available to pay project costs and, subject to appropriation by the General Assembly, may make such funds available for the payment of the principal, purchase price, redemption premium, if any, and interest on Bonds authorized under the Bond Act;

WHEREAS, the Board has determined that it is in the best interest of the Commonwealth of Virginia and the Board for the Board to issue Bonds for the purposes authorized under and in accordance with the provisions of the Bond Act and to enter into this Master Indenture to provide for issuance of Bonds from time to time;

NOW, THEREFORE, the Board hereby covenants and agrees with the Trustee and with the Owners (herein defined), from time to time, of the Bonds, as follows:

ARTICLE I DEFINITIONS AND RULES OF CONSTRUCTION

Section 1.1 Definitions. The following words and terms shall have the following meanings in this Master Indenture unless the context requires otherwise:

“Account” means any account established in a Fund with respect to a Related Series of Bonds or otherwise pursuant to the terms of this Master Indenture or any Supplemental Indenture.

“Accreted Amount” means with respect to Capital Appreciation Bonds of any Series, the amount set forth in the Related Series Supplement as the amount representing the initial public offering price plus the accreted and compounded interest on such Bonds as of any point in time.

“Agency Obligations” means senior debt obligations of U.S. government-sponsored agencies, corporations, and enterprises that are not backed by the full faith and credit of the U.S. government, including, but not limited to, Federal Home Loan Mortgage Corporation debt obligations, Farm Credit System consolidated system wide bonds and notes, Federal Home Loan Banks consolidated debt obligations, Federal National Mortgage Association debt obligations, Student Loan Marketing Association debt obligations, Tennessee Valley Authority debt obligations, Resolution Funding Corporation debt obligations (including principal and interest strips), and U.S. Agency for International Development guaranteed notes (including stripped securities).

“Amortization Requirement” as applied to any Term Bonds of any maturity for any Fiscal Year, means the principal amount or amounts fixed by, or computed in accordance with the terms of, the Related Series Supplement for the retirement of such Term Bonds by mandatory purchase or redemption on the Principal Payment Date or Dates established by such Related Series Supplement.

“Assumed Debt Service” means for any Fiscal Year the aggregate amount of principal and interest which would be payable on all Bonds if each Excluded Principal Payment were amortized on a substantially level debt service basis or other amortization schedule provided by the Board for a period commencing on the date of calculation of such Assumed Debt Service and ending on the earlier of (i) the date specified by the Board or (ii) [30 years] from the date of calculation, such Assumed Debt Service to be calculated on a level debt service basis or other amortization schedule provided by the Board, based on a fixed interest rate equal to the rate at which the Board could borrow for such period, as expressed in an Officer’s Certificate (which shall be based upon the opinion of the Board’s financial advisor or of a third party consultant reasonably acceptable to the Trustee).

“Bankruptcy Law” means Title 11 of the United States Code, as it is amended from time to time and any successor to or replacement of such Title and any other applicable federal or state bankruptcy, insolvency or other similar law.

“Board” means the Commonwealth Transportation Board, a board created and existing under the laws of the Commonwealth.

“General Assembly” means the General Assembly of the Commonwealth.

“Government Certificates” means certificates representing an ownership interest in United States Treasury bond principal at maturity or interest coupons for accrued periods, which bonds or coupons are held in the capacity of custodian by a Custodian that is independent of the seller of such certificates.

“Government Obligations” means direct obligations of, or obligations the payment of the principal of and interest on which is guaranteed by, the United States of America.

“Hedge Agreement” means, without limitation, (i) any contract known as or referred to or which performs the function of an interest rate swap agreement, currency swap agreement, forward payment conversion agreement, or futures contract; (ii) any contract providing for

payments based on levels of, or changes or differences in, interest rates, currency exchange rates, or stock or other indices; (iii) any contract to exchange cash flows or payments or series of payments; (iv) any type of contract called, or designed to perform the function of, interest rate floors, collars, or caps, options, puts, or calls, to hedge or minimize any type of financial risk, including, without limitation, payment, currency, rate, or other financial risk; and (v) any other type of contract or arrangement that the Board determines is to be used, or is intended to be used, to manage or reduce the cost of any Bonds, to convert any element of any Bonds from one form to another, to maximize or increase investment return, to minimize investment return risk, or to protect against any type of financial risk or uncertainty.

“Hedge Payments” means amounts payable by the Board pursuant to any Hedge Agreement, other than termination payments, fees, expenses, and indemnity payments.

“Hedge Period” means the period during which a Hedge Agreement is in effect and has not been terminated.

“Hedge Receipts” means amounts payable by any Swap Provider pursuant to a related Hedge Agreement, other than termination payments, fees, expenses, and indemnity payments.

“I-81 Fund” has the meaning set forth in the recitals hereto.

“Initial Resolution” means the resolution authorizing this Master Indenture and the issuance of the initial Series of Bonds hereunder and related matters [_____] adopted by the Board on _____2021.

“Interest Payment Date” means, with respect to each Series of Bonds, each date as provided by the Related Series Supplement on which interest is payable.

“Interest Requirement” for any Interest Payment Date, as applied to all of the Current Interest Bonds or a portion thereof, means the total of the interest regularly scheduled to become due on such Bonds on such Interest Payment Date, subject to Section 5.4 hereof. Interest expense shall be excluded from the definition of Interest Requirement to the extent that (i) they constitute Excluded Interest Payments, or (ii) proceeds of any Bonds or other funds (including, without limitation, applicable Debt Service Funds and Debt Service Reserve Funds) are held by the Trustee, or are reasonably expected to be obtained from investment earnings thereon, to pay such interest. Unless the Board shall otherwise provide in a Supplemental Indenture, interest expense on Bond Credit Facilities drawn upon to purchase but not to retire Bonds, to the extent such interest exceeds the interest otherwise payable on such Bonds, shall not be included in the determination of an Interest Requirement.

“Intermediate Lien Obligations” means any bonds or other obligations issued under this Master Indenture and designated as being subordinate as to payment and security to the Senior Bonds but senior as to payment and security to the Subordinate Obligations.

“Intermediate Lien Debt Service Fund” means a Debt Service Fund established with respect to a Series of Intermediate Lien Obligations pursuant to Section 7.1(b).

“Intermediate Lien Debt Service Reserve Fund” means a Debt Service Reserve Fund established with respect to one or more Series of Intermediate Lien Obligations pursuant to Section 7.1(b).

“Intermediate Lien Debt Service Reserve Requirement” means an amount, required to be maintained in an Intermediate Lien Debt Service Reserve Fund established by the Series Supplement for any Intermediate Lien Obligations; provided, however, (1) to the extent specified in a Related Series Supplement or in an Officer’s Certificate in connection with the issuance of any additional Series of Intermediate Lien Obligations or any calculation of the Intermediate Lien Debt Service Reserve Requirement, the Board may hold any Intermediate Lien Debt Service Reserve Fund collectively with respect to all or multiple Series of Intermediate Lien Obligations; and (2) if any Intermediate Debt Service Reserve Requirement held collectively in any Intermediate Lien Debt Service Reserve Fund with respect to all or multiple Series of Intermediate Lien Obligations is determined as of the beginning of any Fiscal Year to be in an amount greater than the aggregate amount that would be derived by measuring the Intermediate Lien Debt Service Reserve Requirement separately for each Outstanding Series of Intermediate Lien Obligations, then such lesser derived amount shall be the Intermediate Lien Debt Service Reserve Requirement for such Fiscal Year.

“Majority Owners” means the Owners of greater than 50% of the aggregate principal amount of the Senior Bonds Outstanding.

“Master Indenture” means this Master Indenture of Trust dated as of _____ 1, 2021, between the Board and the Trustee, as the same may be modified, altered, amended and supplemented in accordance with its terms by one or more Series Supplements and other Supplemental Indentures.

“Officer’s Certificate” means a certificate signed by a Board Representative and filed with the Trustee, upon which the Trustee may conclusively rely.

“Opinion” or **“Opinion of Counsel”** means a written opinion of any attorney or firm of attorneys, who or which may be Bond Counsel or counsel for the Board or the Trustee.

“Optional Tender Bonds” means any Series of Bonds issued under this Master Indenture a feature of which is an option on the part of the Owners of such Bonds to tender to the Board, or to the Trustee, any Paying Agent or other fiduciary for such Owners, or to an agent of any of the foregoing, all or a portion of such Bonds for payment or purchase.

“Outstanding” when used in reference to the Bonds and as of a particular date, means all Bonds issued, authenticated and delivered under this Master Indenture except:

- (a) Any Bond canceled or required to be canceled by the Trustee at or before such date;
- (b) Any Bond in lieu of or in substitution for which another Bond shall have been issued, authenticated and delivered under this Master Indenture;

(c) Any Bond deemed paid under Article XII except that any such Bond shall be considered Outstanding until its maturity or redemption date only for the purpose of actually being paid and for purposes of Articles III and IV and Section 6.1 (or the corresponding provisions of the Related Series Supplement, as the case may be); and

(d) Any Bond not deemed Outstanding under, but only to the extent provided for in, Section 12.2.

“Owner” means the registered owner of any Bond.

“Paying Agent” means any national banking association, state bank, bank and trust company or trust company appointed by the Board to fulfill the duties of a “paying agent” for the Bonds or any portion thereof as commonly understood in the municipal bond market and meeting the qualifications of, and subject to the obligations of, the Trustee in Article XIV. Unless otherwise provided in a Supplemental Indenture, the Trustee shall be the Paying Agent.

“Payment Agreement” means the agreement by and among the Board, the Treasury Board and the Secretary of Finance of the Commonwealth, dated as of _____, providing for the request for appropriation of funds from the General Assembly and payments of such funds to the Trustee for payment of debt service on, and support costs related to, the Bonds, as the same may be modified, altered, amended and supplemented in accordance with its terms.

“Payment Date” means a date that is an Interest Payment Date or a Principal Payment Date or both.

“Person” means an individual, a corporation, a limited liability company, a partnership, an association, a joint stock company, a trust, any unincorporated organization or a government or political subdivision thereof.

“Principal” or **“principal”** means (i) with respect to a Capital Appreciation Bond, the Accreted Amount thereof (the difference between the stated amount to be paid at maturity and the Accreted Amount being deemed unpaid interest) except when used in connection with the authorization and issuance of Bonds and with the order of priority of payments of Bonds after an Event of Default in which case “principal” means the initial public offering price of the Capital Appreciation Bond (the difference between the Accreted Amount and the initial public offering price being deemed interest) and (ii) with respect to the principal amount of any Current Interest Bond, the principal amount of such Bond payable in satisfaction of an Amortization Requirement, if applicable, or at maturity.

“Principal and Interest Requirements” for any Payment Date or for any period means the sum of the Principal Requirements and the Interest Requirements for such date or such period, respectively.

“Principal Payment Date” means, with respect to each Series of Bonds, each date provided by the Related Series Supplement upon which the principal amount of any Bond is stated to mature or upon which the principal of any Term Bond is subject to redemption in satisfaction of an Amortization Requirement.

“Principal Requirement” means for any Principal Payment Date, as applied to all Bonds or a portion thereof, the total of the principal regularly scheduled to become due on such Principal Payment Date, subject to Section 5.4 hereof. Principal payments shall be excluded from the definition of Principal Requirement to the extent that (i) they constitute Excluded Principal Payments, or (ii) proceeds of any Bonds or other funds are held by the Trustee to pay such Principal.

“Project” means any project pursuant to the Interstate 81 Corridor Improvement Plan and the Interstate 81 Corridor Improvement Program, as such terms are defined in Section 33.2-3600 of the Virginia Code, for which the proceeds of the Bonds may be used to finance or refinance pursuant to the Bond Act.

“Project Fund” means the Project Fund to be established with respect to a Series of Bonds as provided in Section 7.1(b).

“Purchase Price” means the purchase price established in any Series Supplement for Optional Tender Bonds as the purchase price to be paid for such Bonds upon an optional or mandatory tender of all or a portion of such Bonds.

“Rating Agency” means, with respect to any Bonds Outstanding, any nationally recognized credit rating agency if and for so long as such rating agency, at the request of the Board, maintains a rating on such Bonds.

“Rating Confirmation” means written evidence that no rating that has been requested by the Board and is then in effect from a Rating Agency with respect to a Series of Bonds will be withdrawn, reduced, or suspended solely as a result of an action to be taken hereunder.

“Rebate Amount” means the liability of the Board under Section 148 of the Tax Code (including any “yield reduction payments”) with respect to any Series of Bonds as may be calculated or specified (including with such reserves or error margin as the Board may deem appropriate) in accordance with a Related Series Supplement, a Related Tax Regulatory Certification, or an Officer’s Certificate.

“Rebate Fund” means the Rebate Fund to be established with respect to a Series of Bonds as provided in Section 7.1(b).

“Refunding Bonds” shall have the meaning set forth in Section 5.3(f).

“Regional Fuel Tax Revenues” means revenues deposited into the I-81 Fund pursuant to Section 58.1-2299.20 of the Virginia Code from the receipt of regional fuels tax levied pursuant to Section 58.1-2295 of the Virginia Code.

“Reimbursement Account” means any Reimbursement Account that may be established within a Related Debt Service Fund by a Related Series Supplement and pursuant to Section 7.2 hereof.

“Reimbursement Obligations” means any reimbursement obligations of the Board for principal and interest drawings on any Bond Credit Facility or DSRF Credit Facility with respect

to which moneys in a Debt Service Fund, or Reimbursement Account thereof, are pledged or payable pursuant to the provisions of this Master Indenture or any Series Supplement.

“Related” means (i) when used with respect to any Fund, Account or Series of Bonds, the Fund, Account or Series of Bonds so authorized, designated and established by this Master Indenture and the Series Supplement authorizing a particular Series of Bonds, (ii) when used with respect to a Series Supplement, Tax Regulatory Certification or other document contemplated hereunder, such document authorizing or related to a particular Series of Bonds, or Supplemental Indenture related thereto and (iii) when used with respect to a Bond Credit Facility, DSRF Credit Facility or Reimbursement Obligation, the Bond Credit Facility or DSRF Credit Facility securing a particular Series of Bonds and the Reimbursement Obligation entered into in connection therewith.

“Reserve Determination Date” means (i) the tenth day after each Interest Payment Date, or, if such day is not a Business Day, on the first Business Day thereafter or (ii) any other date set forth in a Series Supplement or an Officer’s Certificate for the valuation of a Debt Service Reserve Fund.

“Reserve Requirement” means, as the context requires, the Senior Debt Service Reserve Requirement, the Intermediate Lien Debt Service Reserve Requirement, and/or the Subordinate Debt Service Reserve Requirement.

“Revenues” means all monies appropriated by the General Assembly from time to time for the payment of the Bonds, including costs related to or for the support of the Bonds, from (i) Regional Fuels Tax Revenues deposited into the I-81 Fund and (ii) any other legally available funds.

“Senior Bonds” means any bonds or other obligations issued under this Master Indenture with seniority of payment and security to the Intermediate Lien Obligations and the Subordinate Obligations.

“Senior Debt Service Fund” means a Debt Service Fund established with respect to a Series of Senior Bonds pursuant to Section 7.1(b).

“Senior Debt Service Reserve Fund” means a Debt Service Reserve Fund established with respect to one or more Series of Senior Bonds pursuant to Section 7.1(b).

“Senior Debt Service Reserve Requirement” means an amount, required to be maintained in a Senior Debt Service Reserve Fund established by the Series Supplement for any Senior Bonds; provided, however, (1) to the extent specified in a Related Series Supplement or in an Officer’s Certificate in connection with the issuance of any additional Series of Senior Bonds or any calculation of the Senior Debt Service Reserve Requirement, the Board may hold any Senior Debt Service Reserve Fund collectively with respect to all or multiple Series of Senior Bonds; and (2) if any Senior Debt Service Reserve Requirement held collectively in any Senior Debt Service Reserve Fund with respect to all or multiple Series of Senior Bonds is determined as of the beginning of any Fiscal Year to be in an amount greater than the aggregate amount that would be derived by measuring the Senior Debt Service Reserve Requirement

separately for each Outstanding Series of Senior Bonds, then such lesser derived amount shall be the Senior Debt Service Reserve Requirement for such Fiscal Year.

“Serial Bonds” means the Bonds of a Series that are stated to mature in semiannual or annual installments as designated in the Related Series Supplement.

“Series” means all of the Bonds of a particular series issued, authenticated and delivered pursuant to this Master Indenture and the Related Series Supplement and identified as such pursuant to such Series Supplement, and any Bonds of such Series thereafter authenticated and delivered in lieu of or in substitution for such Bonds pursuant to this Master Indenture and such Series Supplement, regardless of variations in priority of payment, lien status, maturity, interest rate, sinking fund installments or other provisions.

“Series Supplement” means a Supplemental Indenture providing for the issuance of a Series of Bonds, as such Series Supplement may be modified, altered, amended and supplemented by a Supplemental Indenture in accordance with the provisions of this Master Indenture.

“SIFMA” means the Securities Industry and Financial Markets Association and its successors.

“SIFMA Swap Index” means, on any determination date, the rate calculated, on the basis of the seven day high grade market index comprised of tax exempt variable rate demand obligation reset rates, by Bloomberg (or successor organizations) and published or made available by SIFMA or any Person acting in cooperation with or under the sponsorship of SIFMA as the SIFMA Municipal Swap Index on such date.

“Subordinate Debt Service Fund” means a Debt Service Fund established with respect to a Series of Subordinate Obligations pursuant to Section 7.1(b).

“Subordinate Debt Service Reserve Fund” means a Debt Service Reserve Fund established with respect to one or more Series of Subordinate Obligations pursuant to Section 7.1(b).

“Subordinate Debt Service Reserve Requirement” means an amount, required to be maintained in a Subordinate Debt Service Reserve Fund established by the Series Supplement for any Subordinate Obligations; provided, however, (1) to the extent specified in a Related Series Supplement or in an Officer’s Certificate in connection with the issuance of any additional Series of Subordinate Obligations or any calculation of the Subordinate Debt Service Reserve Requirement, the Board may hold any Subordinate Debt Service Reserve Fund collectively with respect to all or multiple Series of Subordinate Obligations; and (2) if any Subordinate Debt Service Reserve Requirement held collectively in any Subordinate Debt Service Reserve Fund held collectively with respect to all or multiple Series of Subordinate Obligations is determined as of the beginning of any Fiscal Year to be in an amount greater than the amount that would be derived by measuring the Subordinate Debt Service Reserve Requirement separately for each Outstanding Series of Subordinate Obligations as of such date, then such lesser derived amount shall be the Subordinate Debt Service Reserve Requirement for such Fiscal Year.

“Subordinate Obligations” means any bonds or other obligations that are made specifically subordinate as to payment and security to the Senior Bonds and the Intermediate Lien Obligations.

“Supplemental Indenture” means any indenture supplementary to or amendatory of this Master Indenture or any Supplemental Indenture or Series Supplement now or hereafter duly executed and delivered in accordance with the provisions of this Master Indenture, including a Series Supplement.

“Swap Provider” means, with respect to a Hedge Agreement, the Person that is identified in such agreement as the counterparty to, or contracting party with, the Board.

“Swap Related Bonds” means all or any portion of Bonds with respect to which the Board has entered into a Hedge Agreement identified as relating to such Bonds, whether or not such Hedge Agreement constitutes a “qualified hedge” under the Tax Code.

“Tax Code” means the Internal Revenue Code of 1986, as amended, as in effect upon the issuance of and thereafter applicable to any Series of Bonds and the regulations of the U.S. Department of the Treasury promulgated thereunder as in effect upon the issuance of and thereafter applicable to any Series of Bonds.

“Tax Regulatory Certification” means, as applicable, the tax certification or regulatory agreement delivered in connection with the issuance of a Series of Bonds as required under the Tax Code to establish or maintain federal income tax-exemption or a federally-advantaged tax status of such Series of Bonds, as the same may be modified, altered, amended or supplemented.

“Term Bonds” means all or some of the Bonds of a Series, other than Serial Bonds, that shall be stated to mature on one or more dates and that are so designated in the Related Series Supplement.

“Treasury Board” means the Treasury Board of the Commonwealth, created and existing under the laws of the Commonwealth, and its successors and assigns.

“Trustee” means _____, a national banking association, and its successors appointed in accordance with this Master Indenture.

“Variable Rate Bonds” means any Series of Bonds the interest rate on which is not established, at the time such Bonds are issued, at a single numerical rate for the entire term of such Bonds.

“Verification Agent” means (i) a firm of nationally-recognized independent certified public accountants or (ii) any other qualified firm acceptable to the Board and the Trustee.

“Virginia Code” means the Code of Virginia of 1950, as amended, and any successor provisions of law.

Section 1.2 Rules of Construction. The following rules shall apply to the construction of this Master Indenture unless the context requires otherwise:

(a) Singular words shall connote the plural number as well as the singular and vice versa.

(b) Words importing the redemption or calling for redemption of Bonds shall not be deemed to refer to or connote the payment of Bonds at their stated maturity.

(c) All references in this Master Indenture to particular Articles, Sections or Exhibits are references to Articles, Sections or Exhibits of this Master Indenture unless otherwise indicated.

(d) The headings and table of contents as used in this Master Indenture are solely for convenience of reference and shall not constitute a part of this Master Indenture nor shall they affect its meaning, construction or effect.

(e) Unless specifically provided otherwise in this Master Indenture or a Supplemental Indenture, any requirement that an obligation be or remain in a particular rating category assigned by a Rating Agency shall be applied without regard to any refinement or gradation of the rating category by numerical modifier or otherwise.

(f) Unless otherwise provided in a Supplemental Indenture, where the character or amount of any asset, liability or item of income or expense is required to be determined or any consolidation, combination or other accounting computation is required to be made for the purposes hereof or for the purpose of any document, affidavit or certificate to be executed and delivered in accordance with or pursuant this Master Indenture or a Supplemental Indenture, the same shall be done in accordance with GAAP; provided, however, that whenever the context makes clear that the requirement is that cash, or its equivalent, be available to pay debt service on any Bonds, computations regarding such requirement shall be computed on a cash basis and not on a GAAP basis.

ARTICLE II ESTABLISHMENT OF TRUST

Section 2.1 Security for Bonds. (a) In order to provide for the payment of the principal of and the premium, if any, and interest on the Bonds issued hereunder, and to secure the performance of all of the obligations of the Board with respect to the Bonds, this Master Indenture and the Series Supplements, subject to the terms hereof and thereof, the Board pledges and grants to the Trustee:

(1) the Revenues and

(2) in order to provide for payments and security with respect to each Series of Bonds, the money and investments held in the Related Project Fund, the Related Debt Service Fund and Related Debt Service Reserve Fund, as specified in the Related Series Supplement for such Series of Bonds.

(b) The Board's authority to receive any or all of the Revenues is subject to appropriation by the General Assembly of the Commonwealth, and neither the General Assembly nor the Board can or will pledge, covenant or agree to impose or maintain at any

particular rate or level any of the taxes or other revenues dedicated to the I-81 Fund by the Commonwealth.

Section 2.2 Bond Credit Facility. Any Bond Credit Facility that is given to secure some, but not all, of the Bonds, together with money drawn or paid under it, shall be held by the Trustee solely as security for the Series of Bonds to which such Bond Credit Facility is Related, as provided for in the Related Series Supplement. Neither such Bond Credit Facility nor any money drawn or paid under it will secure the payment of any other Series of Bonds.

ARTICLE III GENERAL TERMS AND CONDITIONS OF BONDS

Section 3.1 Authority for Master Indenture. This Master Indenture has been executed and delivered under the Initial Resolution and the Bond Act. The Board has ascertained that the execution of and the transactions contemplated by this Master Indenture are in furtherance of both the Board's purposes and the exercise of the powers granted to the Board by the Virginia Code and the Bond Act.

Section 3.2 Indenture Constitutes Contract. In consideration of the Owners' purchase and acceptance of the Bonds, the provisions of this Master Indenture and the Supplemental Indentures shall be a part of the Board's contract with the Owners and shall be deemed to be and shall constitute a contract among the Board, the Trustee and the Owners from time to time of the Bonds.

Section 3.3 Form and Details of Each Series of Bonds. The forms, details and terms of each Series of Bonds, the funds and accounts to be established with respect to such Series, and such other matters as the Board may deem appropriate shall be set forth in the Related Series Supplement.

Section 3.4 Obligation of Bonds. This Master Indenture creates a continuing pledge and lien to secure the full and final payment of the principal of and premium, if any, and interest of each Series of Bonds. The Bonds of each Series are limited obligations of the Board payable solely from the revenues, money and other property pledged by this Master Indenture and the Related Series Supplement.

Section 3.5 Payment of Bonds. The principal of and premium, if any, and interest on Bonds of each Series shall be payable in lawful money of the United States of America, but only from the revenues, money or property pledged to such payment pursuant to this Master Indenture and the Related Series Supplement. The principal of and premium, if any, and interest on Bonds of each Series shall be payable at such place or places and in such manner as specified in the Related Series Supplement. Unless otherwise provided in the Related Series Supplement, if a Payment Date for any Bonds of any Series or the date fixed for the redemption of any such Bonds is not a Business Day, then payment of the principal and premium, if any, and interest need not be made on such date, but may be made on the next succeeding date which is a Business Day, and if made on such next succeeding Business Day no additional interest will accrue for the period after such Payment Date or date fixed for redemption.

Section 3.6 Execution of Bonds. (a) The Bonds of each Series shall be executed on behalf of the Board by the manual or facsimile signature of the Chair or Vice Chair of the Board, and the official seal of the Board shall be affixed thereto and attested to by the manual or facsimile signature of the Secretary or Assistant Secretary of the Board. If any Bond bears the facsimile signature of the Chair or Vice Chair of the Board, such Bond shall be manually signed by a designee of the Board who may be an administrative assistant of the Board or a registrar or paying agent related to the Bonds.

(b) If any of the officers who have signed any of the Bonds of a Series or whose facsimile signature is on such Bonds ceases to be an officer of the Board before the Bonds so signed have been actually authenticated by the Trustee or delivered by the Board, the Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though such officer had not ceased to be an officer of the Board. Any Bond of a Series may be signed on behalf of the Board by those Persons who, at the actual date of the execution of the Bond, are the proper officers of the Board, although at the date of the original issuance of the Bond they were not officers of the Board.

Section 3.7 Authentication of Bonds. Except as may be otherwise provided in the Related Series Supplement, no Bond of any Series shall be secured by this Master Indenture, entitled to its benefits or be valid for any purpose unless there is endorsed on the Bond the Trustee's certificate of authentication, substantially in the form prescribed by the Related Series Supplement. The Trustee shall authenticate each Bond with the signature of an authorized officer or employee of the Trustee, but it shall not be necessary for the same Person to authenticate all of the Bonds. The Trustee's certificate of authentication on a Bond of any Series issued by the Board shall be conclusive evidence that the Bond has been duly authenticated and delivered under this Master Indenture.

Section 3.8 Registration, Transfer and Exchange. (a) Except as may be otherwise provided in the Related Series Supplement, the Board shall cause books for the registration, and registration for transfer or exchange, of the Bonds of each Series to be kept at the designated corporate trust office of the Trustee. the Board appoints the Trustee as its registrar and transfer agent to keep such books and to make registrations and registrations of transfer or exchange under such reasonable regulations as the Board or the Trustee may prescribe.

(b) Upon surrender for registration of transfer or exchange of any Bond at the designated corporate trust office of the Trustee, the Board shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of like date, tenor and of any authorized denomination for the aggregate principal amount which the Owner is entitled to receive, subject in each case to such reasonable regulations as the Board or the Trustee may prescribe. All Bonds presented for registration of transfer, exchange, redemption or payment shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and substance reasonably satisfactory to the Board and the Trustee, duly executed by the Owner or by the Owner's duly authorized attorney-in-fact or legal representative. No Bond may be registered to bearer.

(c) New Bonds of any Series delivered upon any transfer or exchange shall be valid obligations of the Board evidencing the same debt as the Bonds surrendered and shall be

secured by this Master Indenture and the Related Series Supplement and entitled to their benefits to the same extent as the Bonds surrendered. Registrations of transfers or exchange will be made by the Trustee within such time periods as are customary in the municipal securities industry.

Section 3.9 Charges for Exchange or Transfer. Except as provided in Section 3.11, no charge shall be made for any registration of transfer or exchange of Bonds, but the Board or the Trustee may require payment by the Owner of the Bonds of a sum sufficient to cover any applicable tax or other governmental charge that may be imposed.

Section 3.10 Temporary Bonds. (a) Until Bonds of any Series in definitive form are ready for delivery, the Board may execute, and upon its request in writing, the Trustee shall authenticate and deliver in lieu of definitive Bonds and subject to the same provisions, limitations and conditions, one or more printed, lithographed or typewritten Bonds in temporary form, in substantially the form set forth in the Related Series Supplement, with appropriate omissions, variations and insertions.

(b) Except as may be otherwise provided in the Related Series Supplement, the Board shall, without unreasonable delay, prepare, execute and deliver to the Trustee, and, upon the presentation and surrender of the Bond or Bonds of any Series in temporary form to the Trustee at its designated corporate trust office, the Trustee shall authenticate and deliver in exchange, a Bond or Bonds of the same maturity and Series in definitive form, in the authorized denominations, and for the same aggregate principal amount as the Bond or Bonds in temporary form surrendered. Such exchange shall be made at the Board's expense.

Section 3.11 Mutilated, Lost, Stolen or Destroyed Bonds. (a) If any Outstanding Bond is mutilated, lost, stolen or destroyed, the Board shall execute, and, upon the Board's request in writing, the Trustee shall authenticate and deliver, a new Bond of the same Series, principal amount, interest rate and maturity and of like tenor as the mutilated, lost, stolen or destroyed Bond in exchanged and substitution for a mutilated Bond, or in lieu of and substitution for a lost, stolen or destroyed Bond.

(b) Application for exchange and substitution of mutilated, lost, stolen or destroyed Bonds shall be made to the Trustee at its designated corporate trust office and the applicant shall furnish to the Board and the Trustee security or indemnification to their satisfaction. In every case of loss, theft or destruction of a Bond, the applicant shall also furnish to the Board and the Trustee evidence to their satisfaction of the loss, theft or destruction and of the identity of the applicant. In every case of mutilation of a Bond, the applicant shall surrender the Bond so mutilated for cancellation.

(c) Notwithstanding the foregoing provisions of this Section, if any Bond has matured and no default has occurred which is then continuing in the payment of the principal of or premium, if any, or interest on the Bond, the Board may authorize the payment of the Bond (without surrender except in the case of a mutilated Bond) instead of issuing a substitute Bond, provided security or indemnification is furnished as provided in this Section.

(d) the Board and the Trustee may charge the Owner their reasonable fees and expenses in connection with the issuance of any substitute Bond. Every substitute Bond issued

pursuant to the provisions of this Section shall constitute a contractual obligation of the Board, whether or not the lost, stolen or destroyed Bond is found or delivered at any time, or is enforceable by anyone, and shall be entitled to all of the benefits of this Master Indenture and the Supplemental Indentures equally and proportionally with any and all other Bonds duly issued under this Master Indenture to the same extent as the Bond in substitution for which such Bond was issued.

(e) The provisions of this Section are exclusive and shall preclude (to the extent lawful) all of the rights and remedies with respect to the payment of mutilated, lost, stolen, or destroyed Bonds, including those granted by any law or statute now existing or hereafter enacted.

Section 3.12 Cancellation of Bonds. Any temporary or mutilated Bond surrendered to the Trustee, or any Bond redeemed or paid at maturity, or any Bond delivered for transfer, exchange or replacement, or purchase pursuant to instructions from the Board, shall be canceled or destroyed, and the Trustee shall deliver the canceled Bond or a certificate of destruction of such Bond to the Board.

ARTICLE IV REDEMPTION OF BONDS

Section 4.1 Redemption of Bonds. The Bonds of each Series shall be subject to redemption as specified in the Related Series Supplement.

Section 4.2 Selection of Bonds for Redemption. Bonds of any Series to be called for redemption shall be selected as provided in the Related Series Supplement. The Trustee shall treat each Bond of a denomination greater than the minimum denomination authorized in the Related Series Supplement as representing the number of separate Bonds that can be obtained by dividing the Bond's actual principal amount by such minimum denomination.

Section 4.3 Notice of Redemption. (a) Except as otherwise provided in the Related Series Supplement, in the case of any redemption of the Bonds of any Series, the Trustee shall give notice in the name of the Board, when directed in writing by the Board and as provided for in this Section, that Bonds of a particular Series identified by serial or CUSIP numbers have been called for redemption and, in the case of Bonds to be redeemed in part only, the principal amount of the Bonds that have been called for redemption (or if all the Outstanding Bonds of a Series are to be redeemed, so stating, in which event serial or CUSIP numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying the date) upon surrender of the Bonds at the designated corporate trust office of the Trustee, at the applicable redemption price (specifying the price) together with any accrued interest to such date, and that all interest on the Bonds to be redeemed will cease to accrue on and after such date.

(b) Unless otherwise specified in the Related Series Supplement, such notice shall be mailed by first class mail, postage prepaid, not less than twenty (20) nor more than sixty (60) days before the date fixed for redemption, to the Owners of the Bonds called for redemption, at their respective addresses as they last appear on the registration books maintained by the Trustee; provided, however, that failure to give such notice to any Owner or any defect in

such notice shall not affect the validity of the proceedings for the redemption of Bonds of any other Owners to whom notice was properly given. The notice of any optional redemption may be conditioned upon the deposit of funds with the Trustee not later than the opening of business on the redemption date. The Board may retain the right to rescind any notice of redemption, which if retained, shall be so stated in the notice.

Section 4.4 Payment of Redeemed Bonds. (a) Except as otherwise provided in the Related Series Supplement, if notice of redemption has been given as provided in Section 4.3, the Bonds called for redemption shall be due and payable on the date fixed for redemption at a redemption price equal to the principal amount of and premium, if any, on the Bonds, together with accrued interest to the date fixed for redemption. Payment of the redemption price shall be made by the Trustee upon surrender of the Bonds, if funds are on deposit for that purpose. If less than the full principal amount of a Bond is called for redemption, the Board shall execute and deliver and the Trustee shall authenticate, upon surrender of the Bond, and without charge to the Owner, Bonds of the same Series for the unredeemed portion of the principal amount of the Bond so surrendered and in any denominations authorized by the Related Series Supplement.

(b) If any Bond has been duly called for redemption, and payment of the principal of and premium, if any, and unpaid interest accrued to the date fixed for redemption on the Bond has been made or provided for, then, notwithstanding that the Bond called for redemption has not been surrendered for cancellation, interest on the Bond shall cease to accrue, the Bond shall no longer be entitled to any lien, benefit or security under this Master Indenture, and its Owner shall have no rights in respect of the Bond except to receive payment of the principal of and premium, if any, and unpaid interest on the Bond accrued to the date fixed for its redemption.

ARTICLE V ISSUANCE OF BONDS

Section 5.1 Issuance of Bonds. (a) The Board may issue Bonds pursuant to Series Supplements as hereinafter provided, subject to the terms and conditions contained in this Master Indenture, for any purpose permitted to be financed from the proceeds of Bonds under the Bond Act or other applicable law, including without limitation the construction and acquisition of any Project and the refunding of any Bonds previously issued and Outstanding. Such Bonds may be issued in any form permitted by law, including, but not limited to, Current Interest Bonds, Variable Rate Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds, Optional Tender Bonds, Serial Bonds or Term Bonds or any combination thereof.

(b) The Board shall not issue or incur any Bonds that will be secured by a pledge of revenues, money or property pledged by this Master Indenture to the payment of any Series of Bonds, except for Senior Bonds, Intermediate Lien Obligations and Subordinate Obligations; provided, however, that nothing contained in this Master Indenture shall prevent the Board from issuing or incurring Bonds payable out of or secured by a pledge of the Revenues to be derived on and after the date the pledge and lien of this Master Indenture is discharged and satisfied as provided in Article XII.

(c) Subject to the restrictions set forth in subsection (b) of this Section, the Board reserves the right in its sole discretion and without the consent of the Trustee or any Owner of any Bond to issue from time to time Bonds hereunder for any lawful purpose authorized by the Bond Act.

Section 5.2 Parity of Senior Bonds, Intermediate Lien Obligations and Subordinate Obligations. This Master Indenture constitutes a continuing irrevocable pledge of the Revenues and other revenues, money and property of the Board pledged in Section 2.1(a) to secure payment of the principal of and premium, if any, and interest on all Bonds which may, from time to time, be executed, authenticated and delivered under this Master Indenture. Except as otherwise provided in this Master Indenture and any Related Series Supplement, all Senior Bonds, Intermediate Lien Obligations and Subordinate Obligations shall in all respects be equally and ratably secured with other Senior Bonds, Intermediate Lien Obligations and Subordinate Obligations, respectively, under this Master Indenture without preference, priority or distinction on account of the time of their authentication, delivery or maturity, so that all Senior Bonds, Intermediate Lien Obligations and Subordinate Obligations at any time outstanding under this Master Indenture will have the same right, lien and preference under this Master Indenture as other Senior Bonds, Intermediate Lien Obligations and Subordinate Obligations, respectively, with respect to the pledge set forth in Section 2.1(a) with like effect as if they had all been executed, authenticated and delivered simultaneously. Nothing in this Master Indenture shall be construed, however, as (i) requiring that any Bonds bear interest at the same rate or in the same manner as any other Bonds, have the same or an earlier or later maturity, have the same Principal or Interest Payment Dates as other Bonds, be subject to mandatory or optional redemption before maturity on the same basis as any other Bonds, or precluding the creation of separate reserve funds or obtaining separate surety bonds, insurance policies or other Bond Credit Facilities or DSRF Credit Facilities for any Series of Bonds or portions thereof, (ii) prohibiting the Board from entering into financial arrangements, including any Bond Credit Facility or DSRF Credit Facility, designed to assure that funds will be available for the payment of certain Bonds at their maturity or tender for purchase, or (iii) prohibiting the Board from pledging funds or assets of the Board other than those pledged under this Master Indenture or any Supplemental Indenture for the benefit of any Bonds. Intermediate Lien Obligations shall in all respects be junior and subordinate to the Senior Bonds, but senior to the Subordinate Obligations. Subordinate Obligations shall in all respects be junior and subordinate to the Senior Bonds and the Intermediate Lien Obligations.

Section 5.3 Conditions of Issuing a Series of Bonds. Before the issuance and authentication of any Series of Bonds by the Trustee, the Board shall deliver or cause to be delivered to the Trustee:

(a) In the case of the initial Series of Bonds issued under this Master Indenture only:

- (1) An original executed counterpart of this Master Indenture;
- (2) A certified copy of the Initial Resolution, which authorized the execution and delivery of this Master Indenture; and

(3) An Opinion or Opinions of Counsel, subject to customary exceptions and qualifications, to the effect that this Master Indenture has been duly authorized, executed and delivered by the Board;

(b) An original executed counterpart of the Related Series Supplement which may include provisions (i) authorizing the issuance, fixing the principal amount and setting forth the details of the Bonds of the Series then to be issued, the interest rate or rates and the manner in which the Bonds are to bear interest, the Principal and Interest Payment Dates of the Bonds, the purposes for which the Bonds are being issued, the date and the manner of numbering the Bonds, the lien priority of the Bonds, the series designation, the denominations, the maturity dates and amounts, the Amortization Requirements or the manner for determining such Amortization Requirements, and any other provisions for redemption before maturity; (ii) for Bond Credit Facilities for the Series and for the Funds to be established with respect to the Series of Bonds as required or authorized under this Master Indenture; (iii) for the application of the proceeds of the Bonds of the Series; (iv) any term or condition necessary or expedient for the issuance of Bonds constituting Variable Rate Bonds or Optional Tender Bonds, including without limitation, tender and remarketing provisions, liquidity facility provisions and provisions for establishing the variable rate and changing interest rate modes; (v) for the amount, if any, to be deposited into the Related Debt Service Reserve Fund to cause the amount held therein to equal the applicable Reserve Requirement; and (vi) for such other matters as the Board may deem appropriate;

(c) A certified copy of each resolution adopted by the Board authorizing the execution and delivery of the Related Series Supplement, any Related Bond Credit Facility and any Related Reimbursement Obligation, and the issuance, sale, execution and delivery of the Series of Bonds then to be issued;

(d) Original executed counterparts of the Related Tax Regulatory Certification for any Series of Bonds to the extent required under the Tax Code;

(e) [For any Series of Bonds Senior Bonds to be issued to fund a new Project or provide additional funding for existing Projects, either an Officer's Certificate (subject to the requirements of Section 5.4 below, as applicable) to the effect that during any twelve consecutive months of the eighteen months preceding the issuance of the Series of Senior Bonds to be issued the Regional Fuel Tax Revenues were not less than 2.00 times the maximum annual Principal and Interest Requirements during the current or any future Fiscal Year on the Senior Bonds Outstanding plus the Series of Senior Bonds to be issued; and to the extent that the Series of Bonds to be issued consists of or includes Intermediate Lien Obligations or Subordinate Obligations, the Board shall also provide in such Officer's Certificate evidence of compliance with any minimum ratio of the Regional Fuel Tax Revenues to Principal and Interest Requirements on Intermediate Lien Obligations and/or Subordinate Obligations as may be established by any Series Supplement;]

(f) If the Bonds of the Series then to be issued are to be issued to refund Bonds issued and outstanding under this Master Indenture ("Refunding Bonds") (i) a certified copy of the resolution adopted by the Board authorizing the redemption or payment of the Bonds to be refunded, establishing or providing for the establishment of any redemption or payment date or dates and authorizing any required redemption notice; (ii) evidence satisfactory to the

Trustee that the Board has made provision for the payment or redemption of all of the Bonds to be refunded as required by this Master Indenture and the Related Series Supplement, (iii) a written report of the Verification Agent as to the sufficiency of the proceeds of the Refunding Bonds, together with any other available funds, to be deposited with the Trustee or with an escrow agent for the Related Escrow Fund, to pay when due, whether upon redemption or maturity, the principal of, premium, if any, and interest on the Bonds to be refunded, and (iv) evidence satisfactory to the Trustee of the sufficiency of funding from the proceeds of the Refunding Bonds or other available funds of the expenses incident to the refunding;

(g) An Opinion of Counsel, subject to customary exceptions and qualifications, substantially to the effect that (i) the Related Series Supplement has been duly authorized, executed and delivered by the Board, and (ii) the Payment Agreement has been duly authorized, executed and delivered by the Board, the Treasury Board and the Secretary of Finance;

(h) Opinions of Bond Counsel to the effect that (i) the Bonds of the Series then to be issued have been duly authorized, (ii) all conditions precedent to the issuance of such Bonds have been fulfilled, (iii) the Related Series Supplement complies in all respects with the requirements of this Master Indenture, (iv) the Bonds are valid and legally binding limited obligations of the Board payable solely from the Revenues pledged by the Board under this Master Indenture and the Related Series Supplement to the extent provided herein and therein, (v) if the Bonds are to be issued as obligations the interest on which is exempt from gross income for federal income tax purposes or as obligations qualifying for some other tax-advantaged status for federal income tax purposes, the interest on such Bonds is so exempt or the Bonds qualify for such tax-advantaged status, as the case may be, and (vi) issuance of the Bonds will not adversely affect the tax status of Bonds then Outstanding;

(i) An Officer's Certificate, dated the date of delivery of the Bonds of the Series then to be issued, to the effect that (a) to the best of the knowledge of the signatory, upon and immediately following such delivery, no Event of Default under this Master Indenture or any Series Supplement with respect to any Series of Bonds Outstanding will have occurred and be continuing, (b) the Payment Agreement is in full force and effect, and has not been modified or amended other than as permitted in accordance with its terms, (c) all approvals required for the issuance of the Series of Bonds under the Bond Act have been obtained and are in full force and effect, and all conditions to be satisfied in connection with such approvals have been satisfied;

(j) A certified copy of a resolution of the Treasury Board of the Commonwealth approving the terms and structure of the Series of Bonds and the written approval or consent of the Governor of the Commonwealth approving the issuance of such Series of Bonds, unless any such approval is not required by applicable law;

(k) A written order and authorization to the Trustee on behalf of the Board, signed by the Board Representative, to authenticate and deliver the Bonds of the Series then to be issued to or upon the order of the purchaser or purchasers therein identified upon payment to the Trustee of the purchase price (including accrued interest, if any) of such Series of Bonds; and

(1) Any additional document or instrument specified in the Related Series Supplement.

Section 5.4 Modification of Certain Definitions. (a) In the case of the following described types of Bonds, the definition of the term “Principal and Interest Requirements” for the purposes of preparing and delivering the Officer’s Certificate described in Section 5.3(e) above shall be modified as follows.

(1) Optional Tender Bonds. (i) If any of the Outstanding Bonds or additional Bonds of the Series then to be issued constitute Optional Tender Bonds, then the options of the Owners of such Bonds to tender the same for payment prior to their stated maturity or maturities shall be disregarded and Principal and Interest Requirements shall be calculated based on Assumed Debt Service, (ii) if such Bonds also constitute Variable Rate Bonds, the Board shall also make the adjustments described in subsection (a)(2) below, and (iii) any obligation the Board may have, other than its obligation on such additional Bonds (which need not be uniform as to all Owners thereof), to reimburse any Person for its having extended a Bond Credit Facility shall be disregarded and Principal and Interest Requirements shall be calculated based on Assumed Debt Service.

(2) Variable Rate Bonds.

(i) Tax-Exempt. If any of the Outstanding Bonds or Bonds of the Series then to be issued constitute Variable Rate Bonds the interest on which is or will be excluded from gross income for federal income tax purposes, then the interest rate used in the above-described computations shall be assumed to equal the average of the SIFMA Swap Index for the five years preceding such date of calculation, or such other rate as shall be specified in a Related Series Supplement or in an Officer’s Certificate in connection with the issuance of any additional Series of Bonds or any calculation of the Reserve Requirement.

(ii) Taxable. If any of the Outstanding Bonds or Bonds of the Series then to be issued constitute Variable Rate Bonds the interest on which is or will be included in gross income for federal income tax purposes, then the interest rate used in the above-described computations shall be assumed to equal such rate as shall be specified in a Related Series Supplement or in an Officer’s Certificate in connection with the issuance of any additional Series of Bonds or any calculation of the Reserve Requirement.

(3) Swap Related Bonds. If any of the Outstanding Bonds or Bonds of the Series then to be issued constitute Swap Related Bonds, then the Interest Requirements on such Swap Related Bonds during any Hedge Period and, for so long as the Swap Provider has not defaulted on its payment obligations under the related Hedge Agreement, shall be calculated by adding (i) the amount of interest payable by the Board on such Swap Related Bonds pursuant to their terms, subject to Section 5.4(a)(1) and (2) as applicable, and (ii) the amount of Hedge Payments payable by the Board pursuant to the Hedge Agreement and subtracting (iii) the amount of Hedge Receipts payable by the Swap Provider to the Board pursuant to the Hedge Agreement; provided, however, that if the Swap Provider is in default under the related Hedge Agreement, the Interest Requirements on such Swap Related Bonds shall be the interest calculated as if such Hedge Agreement had not been executed. In determining the amount of

Hedge Payments or Hedge Receipts that are not fixed throughout the Hedge Period (i.e., which are variable), payable or receivable for any future period, such Hedge Payments or Hedge Receipts for any period of calculation (the “Determination Period”) shall be computed by assuming that the variables comprising the calculation applicable to the Determination Period are equal to the higher of (1) such variables in effect as of the date of calculation and (2) the average of the actual variables that were in effect (weighted according to the length of the period during which each such variable was in effect) for the most recent 12-month period immediately preceding the date of calculation for which such information is available (or shorter period if such information is not available for a 12-month period).

(b) The conversion of Bonds constituting Variable Rate Bonds to bear interest at fixed rate or rates or vice-versa, in accordance with their terms, shall not constitute a new issuance of Bonds under this Master Indenture.

(c) With respect to any Bonds bearing interest that is subject to a federal interest subsidy the proceeds of which are not otherwise designated as the Revenues, the interest rate on such Bonds shall be assumed to be the rate net of such interest subsidy.

Section 5.5 Delivery of Bonds. When the documents mentioned in Section 5.3 shall have been filed with the Trustee and when the Bonds of the Series then to be issued shall have been executed and authenticated as required by this Master Indenture, the Trustee shall deliver such Bonds at one time to or upon the order of the purchasers named in the Related Series Supplement, but only upon payment to or upon the order of the Board of the purchase price of such Bonds and the accrued interest, if any, thereon. Notwithstanding the foregoing, for so long as Cede & Co. or other nominee of The Depository Trust Company, New York, New York (“DTC”) is the Owner of such Bonds, delivery shall be made in accordance with the DTC FAST System.

Section 5.6 Application of Bond Proceeds. The Trustee shall apply the proceeds of any Series of Bonds as provided in the Related Series Supplement.

Section 5.7 Intermediate Lien Obligations. Nothing in this Master Indenture shall prohibit or prevent the Board from authorizing and issuing Intermediate Lien Obligations for any lawful purpose payable from the Revenues subject and subordinate to the payment of any Senior Bonds and to the deposits required to be made from the Revenues to the Senior Debt Service Funds and the Senior Debt Service Reserve Funds, or any other Fund or Account established to secure any Senior Bonds, or from securing any Intermediate Lien Obligations and their payment by a lien and pledge of the Revenues junior and inferior to the lien on and pledge thereof for the payment and security of the Senior Bonds.

Section 5.8 Subordinate Obligations. Nothing in this Master Indenture shall prohibit or prevent the Board from authorizing and issuing Subordinate Obligations for any lawful purpose payable from the Revenues subject and subordinate to the payment of any Senior Bonds and Intermediate Lien Obligations and to the deposits required to be made from the Revenues to the Senior and Intermediate Lien Debt Service Funds and Senior and Intermediate Lien Debt Service Reserve Funds, or any other Fund or Account established to secure any Senior Bonds or Intermediate Lien Obligations, or from securing any Subordinate Obligations and their payment

by a lien and pledge of the Revenues junior and inferior to the lien on and pledge thereof for the payment and security of the Senior Bonds and the Intermediate Lien Obligations.

ARTICLE VI GENERAL COVENANTS AND PROVISIONS

Section 6.1 Payment of Bonds. The Board shall promptly pay the principal of (whether at maturity, by mandatory sinking fund or optional redemption, or otherwise) and premium, if any, and interest on each Series of the Bonds on the dates and as provided in this Master Indenture, the Related Series Supplement and in such Series of Bonds; provided, however, that such obligations are limited obligations of the Board and are payable solely from revenues, moneys and other property pledged by the Board to the Trustee under Article II to secure payment of such Series of Bonds or all Series of Bonds issued under this Master Indenture.

Section 6.2 Covenants and Representations of the Board. The Board shall faithfully observe and perform all of its covenants, conditions and agreements contained in this Master Indenture, in every Bond executed, authenticated and delivered under this Master Indenture and in all pertinent proceedings of the Board; provided, however, that the Board's liability for any breach of or default under any such covenant, condition or agreement shall be limited solely to and satisfied solely from the sources of payment described in Section 6.1.

Section 6.3 Further Assurances. Subject to the provisions of Section 6.1, the Board shall do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged or delivered, such Supplemental Indentures and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying and pledging to the Trustee of all the rights assigned by this Master Indenture and revenues, money and other property pledged by this Master Indenture to the payment of the principal of and premium, if any, and interest on the Bonds. The Board shall fully cooperate with the Trustee in protecting the Owners' rights and security.

Section 6.4 Records and Accounts; Inspections and Reports. The Board's duties include responsibility for the allocation of funds in the I-81 Fund. In accordance with the Board's direction, the Department administers the I-81 Fund. The Department, as an executive agency of the Commonwealth, is a primary governmental unit and, as such, is a part of the Commonwealth for financial reporting purposes. Within 210 days after the end of each Fiscal Year or such later date as may be provided in accordance with any continuing disclosure agreement of the Commonwealth in accordance with Rule 15c2-12 of the United States Securities and Exchange Commission in connection with any Bonds, the Board shall cause copies of the Commonwealth's annual audit to be furnished to the Trustee.

Section 6.5 Reports by Trustee. The Trustee shall make monthly reports to the Board of all money received, invested and expended by it with respect to the Bonds. The Trustee shall furnish to the Board upon request (i) a statement of the Principal amount of Bonds Outstanding and unpaid as of the date of such request, (ii) the balance in each of the Funds and Accounts held by it pursuant to this Master Indenture, and (iii) such information as may be

necessary to complete the annual audit of the Board as required by the Bond Act or to make any other report required by any other law now or hereafter in effect.

Section 6.6 Covenants with Bond Credit Providers and DSRF Credit Providers.

The Board may make such covenants as it may in its sole discretion determine to be appropriate with any Bond Credit Provider or DSRF Provider that shall agree to provide for Bonds of any one or more Series a Bond Credit Facility or a DSRF Credit Facility that shall enhance the security or the value of such Bonds and thereby reduce the Principal and Interest Requirements on such Bonds or substitute for amounts in the Related Debt Service Reserve Fund. Such covenants (if any) shall be set forth in the Related Series Supplement or other Supplemental Indenture and, if so included, shall be binding on the Board, the Trustee, any Paying Agent and the Owners of the Bonds the same as if such covenants were set forth in full in this Master Indenture.

**ARTICLE VII
ESTABLISHMENT OF FUNDS AND ACCOUNTS**

Section 7.1 Establishment of Funds.

(a) The Funds listed below are to be established with respect to each Series of Bonds in the Related Series Supplement, and the Trustee shall hold such Funds without commingling the monies held therein, except that the Board shall have the option (i) not to establish a Debt Service Reserve Fund for any Series of Bonds, or (ii) to establish a Debt Service Reserve Fund securing multiple Series of Bonds on a parity basis.

(1) Debt Service Fund (designated as a Senior Debt Service Fund, Intermediate Debt Service Fund or Subordinate Debt Service Fund);

(2) Debt Service Reserve Fund (designated as a Senior Debt Service Reserve Fund, Intermediate Debt Service Reserve Fund or Subordinate Debt Service Reserve Fund);

(3) Cost of Issuance Fund;

(4) Project Fund and/or Escrow Fund, as appropriate; and

(5) Rebate Fund.

(b) The Board may direct that a Debt Service Fund and/or Debt Service Reserve Fund established for a Series of Bonds shall also provide for the payment of and/or secure any Refunding Bonds issued to refund such Series of Bonds in whole or in part.

Section 7.2 Establishment and Custody of Certain Special Funds. (a) The Board may establish with the Trustee or an escrow agent satisfactory to the Trustee in connection with the issuance of any Series of Refunding Bonds an Escrow Fund to provide for the application and investment of the portion of the proceeds of such Series to be used to refund the refunded Bonds. Such Escrow Fund shall be established under or in accordance with the Related Series Supplement.

(b) The Board may establish with the Trustee in connection with the incurrence of any Reimbursement Obligation a Reimbursement Account in any Related Debt Service Fund. Amounts held for the credit of any such Reimbursement Account shall be paid out by the Trustee as necessary to enable the Board to meet its obligations constituting Reimbursement Obligations.

ARTICLE VIII
DEBT SERVICE FUNDS AND DEBT SERVICE RESERVE FUNDS

Section 8.1 Deposits into Debt Service Funds and Debt Service Reserve Funds.

(a) Not later than the last Business Day of every month, the Board shall cause Revenues to be transferred to the Trustee for deposit into the Debt Service Funds and the Debt Service Reserve Funds in the amounts and in the order of priority set forth below:

FIRST: To each Senior Debt Service Fund, ratably, (i) one-twelfth (1/12) of the Principal Requirement on the Related Series of Senior Bonds due on the next Principal Payment Date and (ii) one-six (1/6) of the Interest Requirement on the Related Series of Senior Bonds due on the next Interest Payment Date; provided that the Board shall receive a credit against such transfer for the amount, if any, held in a Senior Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon;

SECOND: To each Senior Debt Service Reserve Fund, ratably, the amount, if any, required so that the balance in each such Fund shall be equal to the respective Senior Debt Service Reserve Requirement;

THIRD: To each Intermediate Lien Debt Service Fund, ratably, the amount required, if any, so that the balance therein shall equal the amount of principal, if any, and interest due on the Intermediate Lien Obligations on the next Payment Date as specifically set forth in the Related Series Supplement; provided that the Board shall receive a credit against such transfer for the amount, if any, held in an Intermediate Lien Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon;

FOURTH: To each Intermediate Lien Debt Service Reserve Fund, ratably, the amount, if any, so that the balance in such Fund shall be equal to the respective Intermediate Lien Debt Service Reserve Requirement;

FIFTH: To each Subordinate Debt Service Fund, ratably, the amount required, if any, so that the balance therein shall equal the amount of principal, if any, and interest due on the Subordinate Obligations on the next Payment Date as specifically set forth in the Related Series Supplement; provided that the Board shall receive a credit against such transfer for the amount, if any, held in a Subordinate Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon; and

SIXTH: To each Subordinate Debt Service Reserve Fund, ratably, the amount, if any, so that the balance in such Fund shall be equal to the respective Subordinate Debt Service Reserve Requirement.

(b) Notwithstanding the foregoing transfer of Revenues into the Funds specified in paragraph (a), in the event the amount on deposit in any Senior Debt Service Fund is insufficient to make the required payment of principal and/or interest on the Related Series of Senior Bonds on any Payment Date, the Trustee shall transfer to such Senior Debt Service Fund an amount sufficient to cure any such insufficiency (i) first from amounts on deposit in the Subordinate Debt Service Funds, (ii) second from amounts on deposit in the Intermediate Lien Debt Service Funds and (iii) finally from amounts on deposited in the Related Debt Service Reserve Fund as set forth in Section 8.3(a).

(c) In the case of Bonds of a Series secured by a Bond Credit Facility, amounts may be transferred to the Related Debt Service Fund, the Related Reimbursement Account thereof, or elsewhere as provided in the Related Series Supplement to reimburse the Bond Credit Provider for amounts drawn under the Bond Credit Facility to pay the principal of and premium, if any, and interest on such Bonds

Section 8.2 Debt Service Funds. (a) The Trustee shall promptly deposit the following amounts in the applicable Debt Service Fund:

(1) The amount, if any, of the proceeds of the Related Series of Bonds required by the Related Series Supplement to be deposited in the Related Debt Service Fund with respect to accrued and/or capitalized interest;

(2) All amounts received pursuant to Section 8.1;

(3) Any amounts required to be transferred to the applicable Debt Service Fund from the Related Debt Service Reserve Fund as provided under this Master Indenture; and

(4) Any other amounts required to be paid to the Debt Service Fund or otherwise made available for deposit therein by the Board, including amounts made available pursuant to the Related Series Supplement.

(b) The Trustee shall pay out of the Related Debt Service Fund for any Series of Bonds (i) on each Interest Payment Date, the amount required for the payment of interest on such Series of Bonds then due (ii) on any redemption date, the amount required for the payment of accrued interest on such Series of Bonds to be redeemed, unless the payment of such accrued interest shall be otherwise provided for, and such amounts shall be applied by the Trustee to such payment, and (iii) the accrued interest included in the Purchase Price of any such Series of Bonds purchased for retirement pursuant to this Master Indenture.

(c) The Trustee shall pay out of the Debt Service Fund for the Related Series of Bonds on each Principal Payment Date and redemption date for such Bonds, the amounts then required for the payment of such principal or redemption price, and such amounts shall be applied by the Trustee to such payments. Any amounts remaining in a Debt Service Fund after

payment in full of the principal or redemption price and interest on the Related Series of Bonds (or provision for payment thereof) and the fees, charges and expenses related to such transaction, shall be transferred to any Fund or Account established hereunder as may be authorized or directed in a Related Series Supplement, a Related Tax Regulatory Certification or an Officer's Certificate.

Section 8.3 Debt Service Reserve Funds. (a) Except as specifically provided below, the amount in each Debt Service Reserve Fund shall be used solely to cure deficiencies in the amount on deposit in each Related Debt Service Fund. If there are insufficient funds in the Related Debt Service Fund to pay the principal of and interest on the Related Series of Bonds when due, then the Trustee shall transfer the amount of deficiency from the amount, if any, on deposit in the Related Debt Service Reserve Fund to such Debt Service Fund. The Trustee promptly shall notify the Board of the transfer.

(b) On each Reserve Determination Date, the Trustee shall determine if the balance in each of the Debt Service Reserve Funds is at least equal to the Reserve Requirement for the Related Series of Bonds. In making each such determination, investments in each Debt Service Reserve Fund shall be valued as provided in Section 11.3 or as otherwise provided in the Related Series Supplement. If on any Reserve Determination Date the amount in any Debt Service Reserve Fund is less than its Reserve Requirement, the Trustee shall promptly notify the Board of such fact and the amount of the deficiency; provided, however, a deficiency shall not be restored except as provided in Section 8.1(b).

(c) Any interest earned from the investment of money in a Debt Service Reserve Fund shall be transferred upon receipt to the Related Debt Service Fund and/or to the Related Rebate Fund to pay any Rebate Amounts in accordance with the applicable Series Supplements, Tax Regulatory Certifications and Officer's Certificates to the extent that such transfer will not cause the balance in the Debt Service Reserve Fund to be less than its Reserve Requirement. If on any Reserve Determination Date there exists a surplus in a Debt Service Reserve Fund, the Trustee shall transfer such surplus to the Related Debt Service Fund and/or to the Related Rebate Fund to pay any Rebate Amounts in accordance with the applicable Series Supplements, Tax Regulatory Certifications and Officer's Certificate; provided, however, that if on any Reserve Determination Date there exists or will exist a surplus in a Debt Service Reserve Fund as the result of the payment at maturity, redemption or defeasance under Article XII of a portion of the Bonds of the Related Series on or as of such Reserve Determination Date, then the Trustee is authorized to transfer the surplus as specified in (i) a Series Supplement (as confirmed in an Officer's Certificate) or (ii) an Officer's Certificate (including to an Escrow Fund for any such Bonds to be redeemed or defeased).

(d) In lieu of maintaining and depositing money or securities in a Debt Service Reserve Fund, the Board may deposit with the Trustee a DSRF Credit Facility in an amount equal to all or a portion of the applicable Reserve Requirement. Any DSRF Credit Facility shall permit the Trustee to draw or obtain under it for deposit in the Debt Service Reserve Fund amounts that, when combined with the other amounts in such Fund, are not less than the applicable Reserve Requirement.

(1) The Trustee shall make a drawing on or otherwise obtain funds under any DSRF Credit Facility before its expiration or termination (i) whenever money is required for the purposes for which Debt Service Reserve Fund money may be applied and (ii) unless such DSRF Credit Facility has been extended or a qualified replacement for it delivered to the Trustee, in the event the Board has not deposited immediately available funds equal to the applicable Reserve Requirement at least two Business Days preceding the expiration or termination of such DSRF Credit Facility.

(2) If the Board provides the Trustee with a DSRF Credit Facility as provided in this subsection, the Trustee shall transfer the corresponding amount of funds then on deposit in the applicable Debt Service Reserve Fund to the Board, provided the Board delivers to the Trustee (i) an Opinion of Bond Counsel that such transfer of funds will not adversely affect the excludability from gross income for purposes of federal income taxation of interest on any Bonds the interest on which was excludable on the date of their issuance and (ii) the Board covenants to comply with any directions or restrictions contained in such opinion concerning the use of such funds.

ARTICLE IX COST OF ISSUANCE FUNDS, PROJECT FUNDS AND REBATE FUNDS

Section 9.1 Cost of Issuance Funds. There shall be deposited in each Cost of Issuance Fund the portion of the proceeds of the Related Series of Bonds and such other amounts as may be specified in the Related Series Supplement. The Board shall cause such amounts to be used to pay costs of issuance incurred in connection with the issuance of the Related Series of Bonds. The Board shall cause any amounts remaining on deposit in such Fund to be transferred to the Related Project Fund and/or another Fund or Account established hereunder as may be authorized or directed by the Related Series Supplement or Tax Regulatory Certification and confirmed in an Officer's Certificate. Investment earnings on any Cost of Issuance Fund may be transferred therefrom periodically as provided in the Related Series Supplement and Tax Regulatory Certification.

Section 9.2 Project Funds. There shall be deposited into each Project Fund such portion of the proceeds of the Related Series of Bonds and other amounts as may be specified in the Related Series Supplement. The Board shall use the amounts in each Project Fund in accordance with the requirements of the Related Series Supplement and Tax Regulatory Certification. Upon the filing with the Trustee of an Officer's Certificate that each Project to be financed from the Related Project Fund is complete, the Trustee shall transfer any amounts remaining on deposit in such Project Fund to another Fund or Account established hereunder as may be authorized or directed by the Related Series Supplement or Tax Regulatory Certification and confirmed in an Officer's Certificate. Investment earnings in a Project Fund may be transferred periodically therefrom as provided in the Related Series Supplement and Tax Regulatory Certification.

Section 9.3 Rebate Funds. There shall be transferred to each Rebate Fund amounts to be used to pay Rebate Amounts with respect to the Related Series of Bonds to the extent, and from the sources, specified in a Related Series Supplement, a Related Tax Regulatory Certification or an Officer's Certificate. Whenever amounts on deposit in a Rebate Fund shall be

required to pay Rebate Amounts and any other obligations under Section 148 of the Tax Code in connection with a Related Series of Bonds, the Board shall direct the Trustee to transfer such amounts to or on behalf of the Board for such purpose. The Board may direct the Trustee to transfer any amounts on deposit in a Rebate Fund that are not needed for such purpose to any Fund or Account established hereunder as may be authorized or directed in a Related Series Supplement, a Related Tax Regulatory Certification or an Officer's Certificate.

ARTICLE X FUND AND ACCOUNT PROVISIONS

Section 10.1 Additional Funds and Accounts. Upon payment of its additional reasonable costs and expenses, if any, the Trustee may create additional Funds and Accounts or subaccounts within any Fund or Account established by this Master Indenture or any Supplemental Indenture if the Board so directs in a Supplemental Indenture or the Trustee deems such additional Funds, Accounts or subaccounts to be necessary for the proper administration of the various Funds and Accounts. The Trustee shall make transfers to or from such Funds, Accounts or subaccounts so long as required transfers can be made consistently with the provisions of this Master Indenture or any Supplemental Indenture.

Section 10.2 Non-Presentation of Bonds. (a) If any Owner fails to present his or her Bond for payment when its principal becomes due (whether at maturity, by mandatory or optional redemption, or otherwise), all liability of the Board to the Owner for the payment of the Bond shall be completely discharged if the Trustee holds for the Owner's benefit money sufficient to pay the principal of and premium, if any, and interest due on such Bond to its maturity or redemption date and thereupon it shall be the Trustee's duty to hold this money, without liability to the Owner for interest on it, for the Owner's benefit, who shall thereafter be restricted exclusively to this money for any claim under this Master Indenture or on the Bond.

(b) Any money which shall have been set aside by the Trustee for the payment of the principal of and premium, if any, and interest on the Bonds and which shall remain unclaimed by the Owners of any of the Bonds for a period of four years and eleven months after the date on which such money shall have become payable, shall, unless otherwise required by law, be paid to the Board (along with any investment earnings on such money earned after the respective maturity or redemption date), and thereafter the Trustee shall have no further responsibility with respect to such money.

Section 10.3 Trustee's Fees, Costs and Expenses. The Trustee's initial or acceptance fees and expenses for a Series of Bonds shall be paid from the Related Cost of Issuance Fund. The Board shall pay or provide for the payment of all other fees and expenses of the Trustee as provided in Section 14.2. The Trustee shall not deposit any such payments it receives in the Funds or Accounts established by this Master Indenture.

Section 10.4 Purchase of Term Bonds. (a) Amounts made available by or on behalf of the Board for such purpose, if so directed by the Board in an Officer's Certificate, shall be applied by the Trustee prior to the 45th day preceding any mandatory sinking fund redemption date for Term Bonds of the Related Series to the purchase of the Term Bonds that are subject to such sinking fund redemption, at prices (including any brokerage and other charges) not

exceeding the redemption price payable for such Term Bonds pursuant to such sinking fund redemption plus unpaid interest accrued to the date of purchase. Upon such purchase of any Term Bond, the Trustee shall then credit an amount equal to the principal of the Bond so purchased toward the next succeeding Amortization Requirement for such Term Bond.

(b) As soon as practicable after the 45th day preceding the date of any mandatory sinking fund redemption for the Term Bonds of the Related Series, the Trustee shall proceed to call for redemption on such redemption date the Term Bonds of the maturity for which sinking fund redemption is required in such amount as shall be necessary to complete the retirement of the principal amount specified for such sinking fund redemption. The Trustee shall so call such Term Bonds for redemption whether or not it then has moneys in the Related Debt Service Fund, as applicable, sufficient to pay the applicable redemption price thereof and interest thereon to the redemption date. The Trustee shall pay out of each such Fund directly to Owners or to the appropriate Paying Agents, on each such redemption date, the amount required for the redemption of the Related Term Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

ARTICLE XI SECURITY FOR DEPOSITS AND PERMITTED INVESTMENTS

Section 11.1 Security for Deposits. All amounts deposited in the Funds under the Master Indenture in excess of the amount guaranteed by the Federal Deposit Insurance Corporation or other federal agency shall be continuously held in bank accounts which are secured for the benefit of the Board and the Owners of the Bonds in the manner required and to the full extent permitted by the Virginia Security for Public Deposits Act, Chapter 44 of Title 2.2 of the Virginia Code or any successor provision of law; provided, however, that it shall not be necessary for the Trustee to give security for the deposit of any amounts with it for the payment of the principal of or premium, if any, or interest on any Bonds issued under the Master Indenture, or for any Person to give security for any investments described in Section 11.2 below purchased under the provisions of this Article XI as an investment of such amounts.

Section 11.2 Permitted Investments. (a) Subject to the provisions of any Supplemental Indenture, any amounts held in any Fund or Account established by this Master Indenture or any Supplemental Indenture may be separately invested and reinvested by the Trustee, at the request of and as directed in writing by the State Treasurer after consultation with a Board Representative, in any investments that are at the time (i) legal investments for public funds of the type to be invested under Virginia law, including without limitation the Investment of Public Funds Act, Chapter 45 of Title 2.2 of the Virginia Code or any successor provision of law.

(b) Subject to the provision of any Supplemental Indenture, all investments shall be held by or under the control of the Trustee and while so held shall be deemed a part of the Fund or Account in which the amounts were originally held. The Trustee, at the direction of the Board, shall sell and reduce to cash a sufficient amount of investments whenever the cash balance in any Fund or Account is insufficient for its purposes.

Section 11.3 Valuation of Investments. (a) Unless otherwise provided in a Supplemental Indenture, the Board or the Trustee shall value the investments in each Fund and Account established under this Master Indenture or any Supplemental Indenture and held by it or at its direction as of the last Business Day of each month; provided that, notwithstanding the foregoing, a Debt Service Reserve Fund shall be valued only on Reserve Determination Dates.

(b) Unless otherwise provided in a Supplemental Indenture, each such investment shall be valued (i) at amortized cost if the weighted average life of all investments held in the same Fund or Account is five years or less or (ii) at its fair market value or the amortized cost thereof, whichever is lower if the weighted average life of all investments held in the same Fund or Account exceeds five years. A DSRF Credit Facility shall be valued at the amount that the Trustee is authorized to draw thereon to pay debt service on the Series of Bonds secured thereby.

Section 11.4 Investments through Trustee's Bond Department. Unless otherwise directed by the Board, the Trustee may make investments permitted by Section 11.2 through its own trust or bond department.

ARTICLE XII DISCHARGE AND DEFEASANCE

Section 12.1 Discharge. If the following conditions exist:

(a) the principal of any and all of the Series of Bonds and the interest due or to become due thereon together with any redemption premium required by redemption of any of the Bonds prior to maturity shall be paid, or is caused to be paid, or is provided for under Section 12.2 below, at the times and in the manner to which reference is made in the Bonds, according to the true intent and meaning thereof, or the Outstanding Bonds shall have been paid and discharged in accordance with this Article; and

(b) all of the covenants, agreements, obligations, terms and conditions of the Board under this Master Indenture shall have been kept, performed and observed and there shall have been paid to the Trustee, the Bond Registrar and the Paying Agents all sums of money due or to become due to them in accordance with the terms and provisions hereof, then the right, title and interest of the Trustee in the trust estate granted pursuant to Article II above shall thereupon cease and the Trustee, on the request of and at the expense of the Board, shall release this Master Indenture and the trust estate and shall execute such documents to evidence such release as may be reasonably required by the Board and shall turn over to the Board, or to such other Person as may be entitled to receive the same, all balances remaining in any Funds and Accounts established hereunder except for amounts required to pay such Bonds.

Section 12.2 Defeasance. (a) If the Board shall pay or provide for the payment of all or part of the indebtedness on particular Bonds in any one or more of the following ways:

(1) by paying or causing to be paid the principal of and premium, if any, and interest on such Bonds, as and when the same shall become due and payable;

(2) by delivering such Bonds to the Trustee for cancellation; or

(3) by depositing with the Trustee (or an escrow agent acceptable to the Trustee), in trust, cash and/or Defeasance Obligations in such amount as will, together with the income or increment to accrue on such Defeasance Obligations (the “Defeasance Amount”), be fully sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such Bonds at or before their respective maturity dates, without consideration of any reinvestment of the Defeasance Amount, as a Verification Agent shall verify to the Trustee’s satisfaction;

and if the Board shall also pay or provide for the payment of all other sums payable hereunder by the Board with respect to such Bonds, and, if such Bonds are to be redeemed before their maturity, notice of such redemption shall have been given as provided in Article IV of this Master Indenture (or the corresponding provisions of the Related Series Supplements) or provisions satisfactory to the Trustee shall have been made for the giving of such notice, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture except as provided in subsection (d) below.

(b) The Board may at any time surrender to the Trustee for cancellation any Bonds previously authenticated and delivered that the Board may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired as provided in this Section.

(c) Upon such defeasance all rights of the Board, including its right to provide for optional redemption of Bonds on dates other than planned pursuant to such defeasance, shall cease unless specifically retained by filing a written notification thereof with the Trustee on or prior to the date the Defeasance Amount is deposited with the Trustee or escrow agent.

(d) When a Bond is deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Master Indenture, except for the purposes of any such payment (to the exclusion of all other Owners) from the Defeasance Amount and except for the provisions of this Section, Articles III and IV (and the corresponding sections of the Series Supplements) and Section 6.1 of this Master Indenture.

ARTICLE XIII DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND OWNERS

Section 13.1 Events of Default. (a) The occurrence and continuation of one or more of the following events shall constitute an Event of Default with respect to the Bonds:

(1) default in the payment of any installment of interest in respect of any Series of Bonds as the same shall become due and payable; or

(2) default in the payment of the principal of or premium, if any, in respect of any Series of Bonds as the same shall become due and payable either at maturity, upon redemption, or otherwise; or

(3) default in the payment of any Amortization Requirement in respect of any Bond that is a Term Bond as the same shall become due and payable; or

(4) failure on the part of the Board duly to observe or perform any other of the covenants or agreements on the part of the Board contained in this Master Indenture, a Series Supplement or any Bond, subject to the provisions of Section 13.10 below; or

(5) appointment by a court of competent jurisdiction of a receiver for all or any substantial part of the Revenues and the other Funds and Accounts pledged pursuant to this Master Indenture, or the filing by the Board of any petition for reorganization of the Board or rearrangement or readjustment of the obligations of the Board under the provisions of any applicable Bankruptcy Law.

(b) Notwithstanding any other provision of this Master Indenture, failure to pay the principal or any Amortization Requirement of or interest on any Intermediate Lien Obligation or Subordinate Obligation will not constitute an Event of Default with respect to any of the Senior Bonds, and failure to pay the principal or any Amortization Requirement of or interest on any Subordinate Obligation will not constitute an Event of Default with respect to any of the Intermediate Lien Obligations.

(c) An Event of Default with respect to one Series of Bonds shall not cause an Event of Default with respect to any other Series of Bonds unless such event or condition independently constitutes an Event of Default with such other Series of Bonds.

(d) The Board may, pursuant to a Series Supplement, provide for a particular Series of Bonds different or additional Events of Default and remedies upon the occurrence thereof including, but not limited to, Events of Default upon the occurrence of events specified in any agreement entered into in connection with the delivery of a Bond Credit Facility; provided, however, no such Series Supplement shall provide for any acceleration of the full principal amount of any Bonds.

Section 13.2 Remedies Upon Default. (a) If an Event of Default under Section 13.1 above occurs and is continuing, there shall be no right of acceleration with respect to any Bonds but the Trustee may, and upon the written request to the Trustee by the Majority Owners shall, subject to the requirements of Section 14.1(l) below, protect and enforce its rights and the rights of the Owners of such Bonds by such suits, actions or proceedings to enforce payment of and receive any and all amounts due from the Board hereunder, together with any and all costs and expenses of proceedings and collections, and to collect (but solely from the Revenues available for such purpose) in any manner provided by law, the moneys adjudged or decreed to be payable.

(b) Without limiting the generality of the foregoing, the Board shall not enter into any agreement, including, without limitation, a Credit Facility, continuing covenants agreement or similar direct purchase agreement, which purports to create any rights of acceleration of any Bonds; provided, however, the following shall not be considered acceleration for purposes of this Section: (i) termination payments under any Hedge Agreement; and (ii) term-outs of Reimbursement Obligations under Bond Credit Facilities that occur as a result of (A) mandatory tender for purchase of the Bonds or (B) revised amortization requirements and/or increased interest rates following an optional or mandatory tender for purchase of the Bonds.

Section 13.3 Control of Remedies.

(a) Notwithstanding anything in this Master Indenture or the Supplemental Indentures to the contrary, upon the occurrence and continuation of an Event of Default, the Majority Owners will control and direct all actions of the Trustee in exercising such of the rights and powers conferred by Section 13.2 on the Trustee or the Owners.

(b) So long as any Senior Bonds are Outstanding, no owner or holder of any Intermediate Lien Obligation or any Subordinate Obligation may exercise any remedy under this Master Indenture or any Supplemental Indenture, and so long as any Intermediate Lien Obligations are Outstanding, no owner or holder of any Subordinate Obligation may exercise any remedy under this Master Indenture or any Supplemental Indenture.

Section 13.4 Effect of Discontinuance or Abandonment. If any proceeding taken by the Trustee on account of any default has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, then the Board, the Trustee, and the Owners will be restored to their former positions and rights under this Master Indenture and all rights, remedies and powers of the Trustee will continue as though no such proceeding had been taken.

Section 13.5 Restriction on Owners' Actions. In addition to the other restrictions on the rights of Owners to request action upon the occurrence of an Event of Default and to enforce remedies set forth in this Article, no Owner will have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Master Indenture or any remedy under this Master Indenture or any Supplemental Indenture or the Bonds, unless (i) an Event of Default has occurred and is continuing of which the Trustee has been notified as provided in Section 14.1(h), or of which by such Section it is deemed to have notice; (ii) the Majority Owners of the Bonds have made written request of the Trustee to institute the suit, action, proceeding or other remedy, after the right to exercise the powers or rights of action, as the case may be, has accrued, and have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in this Master Indenture or to institute the action, suit or proceeding in its or their name; (iii) there has been offered to the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred as provided in Section 14.1(1); and (iv) the Trustee has not complied with the request within a reasonable time. Such notification, request and offer of indemnity are declared, at the option of the Trustee, to be conditions precedent to the execution of the trusts of this Master Indenture or for any other remedy under this Master Indenture. It is intended that no one or more Owners will have any right to affect, disturb or prejudice the security of this Master Indenture, or to enforce any right under this Master Indenture or the Bonds, except in the manner provided for in this Master Indenture, and that all proceedings at law or in equity will be instituted, had and maintained in the manner provided in this Master Indenture and for the benefit of all Owners. Nothing in this Master Indenture will affect or impair the right of the Owners generally to enforce payment of the Bonds in accordance with their terms.

Section 13.6 Power of Trustee to Enforce. All rights of action under this Master Indenture or under any of the Bonds secured by it that are enforceable by the Trustee may be enforced without the possession of any of the Bonds, or their production at the trial or other related proceedings. Any suit, action or proceedings instituted by the Trustee may be brought in its own name, as trustee, for the equal and ratable benefit of the Owners subject to the provisions of this Master Indenture.

Section 13.7 Remedies Not Exclusive. No remedy in this Master Indenture conferred on or reserved to the Trustee, or on or to the Owners, is intended to be exclusive of any other remedy, and each remedy is cumulative, and is in addition to every other remedy given under this Master Indenture or now or hereafter existing at law, in equity or by statute.

Section 13.8 Waiver of Events of Default; Effect of Waiver. (a) The Trustee will waive any Event of Default and its consequences at the written request of the Majority Owners. If any Event of Default with respect to the Bonds has been waived as provided in this Master Indenture, the Trustee will promptly give written notice of the waiver to the Board and by first class mail, postage prepaid, to all Owners if the Owners had previously been given notice of the Event of Default. No waiver, rescission and annulment will extend to or affect any subsequent Event of Default or impair any right, power or remedy available under this Master Indenture.

(b) No delay or omission of the Trustee or of any Owner to exercise any right, power or remedy accruing upon any default or Event of Default will impair any such right, power or remedy or will be construed to be a waiver of or acquiescence in any such default or Event of Default. Every right, power and remedy given by this Article to the Trustee and to the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 13.9 Application of Money. (a) Any amounts received by the Trustee pursuant to this Article will, after payment of the costs and expenses of the proceedings resulting in the collection of the money, the expenses, liabilities and advances incurred or made by the Trustee and the fees (whether ordinary or extraordinary) of the Trustee and expenses of the Board in carrying out the provisions of this Master Indenture, be deposited in an appropriate Account established and held by the Trustee and shall be applied as follows:

FIRST: To the payment of the persons entitled to it of all installments of interest then due on the Senior Bonds, in order of the maturity of the installments of such interest and, if the money available is not sufficient to pay in full any particular installment, then ratably, according to the amounts due on such installment, to the persons entitled to it, without any discrimination or privilege;

SECOND: To the payment of the persons entitled to it of the unpaid principal or Amortization Requirements of any of the Senior Bonds which have become due (other than Senior Bonds matured or called for redemption for the payment of which money is held pursuant to the provisions of this Master Indenture), in the order of their due dates and, if the amount available is not sufficient to pay in full such Senior Bonds due on any particular date, then ratably, according to the amount of principal due on such date, to the persons entitled to it without any discrimination or privilege;

THIRD: To the payment of the persons entitled to it of all installments of interest then due on the Intermediate Lien Obligations, in order of the maturity of the installments of such interest and, if the money available is not sufficient to pay in full any particular installment, then ratably, according to the amounts due on

such installment, to the persons entitled to it, without any discrimination or privilege;

FOURTH: To the payment of the persons entitled to it of the unpaid principal or Amortization Requirements of any of the Intermediate Lien Obligations that have become due (other than Intermediate Lien Obligations matured or called for redemption for the payment of which money is held pursuant to the provisions of this Master Indenture), in the order of their due dates and, if the amount available is not sufficient to pay in full such Intermediate Lien Obligations due on any particular date, then ratably, according to the amount of principal due on such date, to the persons entitled to it without any discrimination or privilege;

FIFTH: To the payment of the persons entitled to it of all installments of interest then due on the Subordinate Obligations, in order of the maturity of the installments of such interest and, if the money available is not sufficient to pay in full any particular installment, then ratably, according to the amounts due on such installment, to the persons entitled to it, without any discrimination or privilege; and

SIXTH: To the payment of the persons entitled to it of the unpaid principal or Amortization Requirements of any of the Subordinate Obligations that have become due (other than Subordinate Obligations matured or called for redemption for the payment of which money is held pursuant to the provisions of this Master Indenture), in the order of their due dates and, if the amount available is not sufficient to pay in full such Subordinate Obligations due on any particular date, then ratably, according to the amount of principal due on such date, to the persons entitled to it without any discrimination or privilege.

(b) Whenever money is to be applied pursuant to the provisions of this Section, it will be applied at such times, and from time to time, as the Trustee determines, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee applies such money, it will fix the date on which payment is to be made, and interest on the amount of principal to be paid on such date will cease to accrue. The Trustee will give, in such form as it may deem appropriate, notice to the Owners of the fixing of such payment date.

Section 13.10 Notice of Certain Defaults; Opportunity to Cure Such Defaults. Notwithstanding anything to the contrary in this Master Indenture, no default under Section 13.1(a)(4) will constitute an Event of Default until actual notice of the default is given to the Board by the Trustee or by the Owners of not less than 25% in aggregate principal amount of all Outstanding Bonds, and the Board has had (i) 30 days after receipt of the notice with respect to any default in the payment of money or (ii) 90 days after receipt of the notice of any other default to correct the default or to cause the default to be corrected; provided, however, that if the default can be corrected, but cannot within the 90-day period, it will not constitute an Event of Default if corrective action is instituted by the Board within the 90-day period and diligently pursued (as determined by the Trustee) until the default is corrected.

Section 13.11 Rights of Bond Credit Provider. Notwithstanding anything contained in this Master Indenture to the contrary, until the Board has reimbursed a Bond Credit Provider for amounts paid under a Bond Credit Facility to pay the interest on or the principal of any Bonds on any Payment Date, (i) such Bonds shall be deemed to be Outstanding and such Bond Credit Provider shall succeed to the rights and interests of the Owners to the extent of the amounts paid under the Bond Credit Facility until such amounts have been reimbursed and (ii) upon presentation to the Trustee, such Bond shall be registered in the name of the Bond Credit Provider or its nominee.

ARTICLE XIV THE TRUSTEE

Section 14.1 Acceptance of Trusts and Obligations. The Trustee hereby accepts the trusts and obligations imposed upon it by this Master Indenture and agrees to perform such trusts and obligations, but only upon and subject to the following express terms and conditions and no implied covenants or obligations shall be read into this Master Indenture against the Trustee:

(a) The Trustee, before the occurrence of an Event of Default and after the curing of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Master Indenture and as a corporate trustee ordinarily would perform such duties under a corporate indenture. If an Event of Default has occurred (that has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Master Indenture and the Related Series Supplement, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Trustee may execute any of the trusts or powers under this Master Indenture and perform any of its duties by or through attorneys, accountants, agents, receivers or employees, but shall be answerable for the conduct of the same in accordance with the standards specified in subsection (a) of this Section. The Trustee also shall be entitled to act on the opinion or advice of its counsel concerning all matters of trust and the duties under this Master Indenture, and may be reimbursed for reasonable compensation to all such attorneys, accountants, agents, receivers and employees as may reasonably be employed in connection with this Master Indenture. The Trustee may act on an Opinion of Counsel and shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance on such Opinion of Counsel. In addition, the Trustee may condition any permissive action it is authorized (but not required) to take hereunder on the receipt of an approving Opinion of Counsel.

(c) The Trustee shall not be responsible for any recital or representation in this Master Indenture, in any Supplemental Indenture or in the Bonds (except in respect to the certificate of authentication of the Trustee endorsed on the Bonds), or for the filing or re-filing of any financing or continuation statement or other document or instrument, or for insuring any property of the Board or collecting any insurance money, or for the validity of the Board's execution of this Master Indenture or of any supplements to it or instruments of further assurance, or for the sufficiency of the security for the Bonds. The Trustee shall not be

responsible or liable for any loss suffered in connection with any investment of money made by it in accordance with Article XI.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered under this Master Indenture. The bank or trust company acting as Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in the Bonds and may join in any action which any Owner may be entitled to take with like effect as if such bank or trust company were not the Trustee. To the extent permitted by law, such bank or trust company may also receive tenders and purchase in good faith Bonds from itself, including any department, affiliate or subsidiary, with like effect as if it were not the Trustee.

(e) The Trustee shall be protected in acting on any Officer's Certificate, notice, request, consent, certificate, order, direction, affidavit, letter, telegram or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons. Any action taken by the Trustee under this Master Indenture at the request, authority or consent of any Person who at the time of making such request or giving such authority or consent is the Owner of any Bond shall be conclusive and binding on all future Owners of the same Bond and on Bonds issued in exchange for it or in place of it.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely on an Officer's Certificate as sufficient evidence of the facts therein contained. Before the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section, or of which by such subsection it is deemed to have notice, the Trustee may also accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept an Officer's Certificate to the effect that an attached resolution has been adopted by the Board as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(g) The Trustee's permissive right to do things enumerated in this Master Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default under this Master Indenture, except defaults arising from the failure by the Board to make any payments due on the Bonds or the failure by the Board to file with the Trustee any document required by this Master Indenture to be so filed, unless the Trustee shall be notified of such default by the Board or by the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding.

(i) The Trustee shall not be required to give any bond or surety with respect to the execution of its rights and obligations under this Master Indenture.

(j) Notwithstanding any other provision of this Master Indenture, the Trustee shall have the right, but shall not be required, to demand, as a condition of (i) any action by the

Trustee in respect of the authentication of any Bonds, (ii) the withdrawal of any cash, (iii) the release of any property or (iv) any action whatsoever within the purview of this Master Indenture, any showings, certificates (including Officer's Certificates), opinions, appraisals or other information or corporate action or evidence thereof reasonably required by the Trustee, in addition to that required by the terms of this Master Indenture.

(k) All money the Trustee receives shall, until used or applied or invested as provided in this Master Indenture, be held in trust for the purposes for which it was received but need not be segregated from other funds except to the extent required by this Master Indenture or by law. The Trustee shall not be under any liability for interest on any money received under this Master Indenture except as may be agreed upon in writing.

(l) Before taking any action under this Master Indenture, the Trustee may require that indemnity to its satisfaction be furnished to it for the reimbursement of all expenses which may be incurred by it and to protect it against all liability by reason of any action so taken, except liability which is adjudicated to have resulted from its negligence or willful misconduct.

Section 14.2 Fees, Charges and Expenses of Trustee. (a) The Board covenants and agrees:

(1) to pay to the Trustee compensation for all services rendered by it hereunder and under the other agreements relating to the Bonds to which the Trustee is a party in accordance with terms agreed to from time to time, and, subsequent to default, in accordance with the Trustee's then-current fee schedule for default administration; and

(2) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Master Indenture, any other agreement relating to the Bonds to which it is a party or in complying with any request by the Board or any Rating Agency with respect to the Bonds, including the reasonable compensation, expenses and disbursements of its agents and counsel, except any such expense, disbursement or advance attributable to the Trustee's negligence or bad faith.

(b) If the Trustee incurs expenses or renders services in any proceedings under Bankruptcy Law relating to the Board, the expenses so incurred and compensation for services so rendered are intended to constitute expenses of administration under Bankruptcy Law.

(c) The obligations of the Board to make the payments described in this Section shall survive discharge of this Master Indenture, the resignation or removal of the Trustee and payment in full of the Bonds.

Section 14.3 Notice Required of Trustee. If the Board fails to make any payment on a Series of Bonds on the day such payment is due and payable, the Trustee shall give notice thereof by telephone, e-mail or facsimile to the Board on the next succeeding Business Day. If (i) any such failure of the Board to make a payment on a Series of Bonds continues for thirty days, or (ii) the owners of not less than 25% in aggregate principal amount of Bonds then Outstanding notify the Trustee of any default under this Master Indenture, then the Trustee shall

give notice of such default by registered or certified mail to the Owner of each Bond of such Series then Outstanding. The Trustee's failure to give any notice required by this Section shall not subject the Trustee to any liability to any person, firm, corporation or other entity to make payments under the Bonds and this Master Indenture or waive the Trustee's right to exercise its remedies under this Master Indenture.

Section 14.4 Intervention by Trustee. In any judicial proceeding to which the Board is a party and that in the Trustee's opinion has a substantial bearing on the Owners' interests, the Trustee may intervene on the Owners' behalf and, subject to Section 14.1(1), shall do so if requested by the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding. The Trustee's rights and obligations under this Section are subject to the approval of a court of competent jurisdiction.

Section 14.5 Merger or Consolidation of Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Trustee under this Master Indenture and vested with all the trusts, powers, discretion, immunities, privileges and all other matters as were vested in its predecessor without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties to this Master Indenture, anything herein to the contrary notwithstanding, if such corporation or association satisfies the requirements of the last sentence of Section 14.8.

Section 14.6 Resignation by Trustee. If the Trustee desires to resign at any time from the trusts created by this Master Indenture, it shall give notice to the Board and each Owner of Bonds then Outstanding, but shall continue to serve as Trustee until such time as a successor Trustee is appointed. If a successor Trustee has not been appointed within thirty days, the Trustee shall have the right to petition a court of competent jurisdiction for appointment of a successor Trustee and such resignation shall become effective upon designation of such successor Trustee.

Section 14.7 Removal of Trustee. The Trustee may be removed at any time (i) by an instrument or concurrent instruments in writing delivered to the Trustee and to the Board and signed by the Majority Owners or (ii) by the Board by notice in writing given by the Board Representative to the Trustee not less than sixty days before the removal date; provided, however, that the Board shall have no right to remove the Trustee during any time when an Event of Default has occurred and is continuing or when an event has occurred and is continuing or condition exists that with the giving of notice or the passage of time, or both, would be an Event of Default. If applicable, the removed Trustee shall return to the Board the amount of the Trustee's annual fee allocable to the portion of the then current year remaining after the removal date. Notwithstanding the foregoing, nothing contained in this Master Indenture shall relieve the Board of its obligation to pay the Trustee's fees and expenses incurred to the effective date of such removal.

Section 14.8 Appointment of Successor Trustee; Temporary Trustee. If the Trustee shall resign, be removed, be dissolved, be in the course of dissolution or liquidation or otherwise

become incapable of acting hereunder, or if it shall be taken under the control of any public officer or officers or of a receiver appointed by a court, then, unless an Event of Default with respect to any Series of Bonds has occurred and is continuing, a successor may be appointed by the Board by an instrument in writing signed by the Board Representative. If an Event of Default has occurred and is continuing, a successor may be appointed by the Majority Owners by an instrument or concurrent instruments in writing signed by such Owners. In case of such vacancy, the Board, by an instrument signed by the Board Representative, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Owners as provided above and any such temporary Trustee so appointed by the Board shall immediately and without further act be replaced by the Trustee so appointed by such Owners. Any Trustee appointed under this Section shall be, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms, (i) a bank or trust company within or without the Commonwealth of Virginia, in good standing and having a reported capital, surplus and undivided profits of not less than \$100,000,000, or (ii) a subsidiary trust company whose parent bank or bank holding company has undertaken to be fully responsible for the acts and omissions of such subsidiary trust company, and whose capital, surplus and undivided profits, together with that of its parent bank or bank holding company, as the case may be, is not less than \$100,000,000.

Section 14.9 Concerning any Successor Trustee. Every successor Trustee appointed under this Master Indenture shall execute, acknowledge and deliver to its predecessor and also to the Board an instrument in writing accepting such appointment, and thereafter such successor, without any further act, deed or conveyance, shall become fully vested with all the properties, rights, powers, trusts, duties and obligations of its predecessor. Such predecessor shall, nevertheless, on the written request of the Board or the Trustee's successor, execute and deliver an instrument transferring to such successor Trustee all the properties, rights, powers and trusts of such predecessor under this Master Indenture; and every predecessor Trustee shall deliver all securities and money held by it as Trustee under this Master Indenture to its successor. Should any instrument in writing from the Board be required by any successor Trustee for more fully and certainly vesting in such successor the properties, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Board. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Trustee in each recording office where this Master Indenture may have been filed and/or recorded.

Section 14.10 Trustee Protected in Relying on Resolutions. The resolutions, opinions, certificates and other instruments provided for in this Master Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property, the withdrawal of cash hereunder or the taking of any other action by the Trustee as provided under this Master Indenture, unless the Trustee has actual knowledge or notice to the contrary.

ARTICLE XV
SUPPLEMENTAL INDENTURES

Section 15.1 Supplemental Indentures Not Requiring Consent of Owners. The Board and the Trustee may, without the consent of, or notice to, any of the Owners of the Bonds, enter into such Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions of this Master Indenture or any Series Supplement for any one or more of the following purposes:

(a) To cure or correct any ambiguity, formal defect, omission or inconsistent provision in this Master Indenture or in a Series Supplement.

(b) To grant to or confer on the Trustee for the benefit of the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred on the Owners or the Trustee.

(c) To permit the appointment of a co-trustee or additional Paying Agents under this Master Indenture.

(d) To subject to the lien and pledge of this Master Indenture additional revenues, properties or collateral.

(e) To provide for the issuance of coupon Bonds if authorized under the Related Series Supplement.

(f) To amend certain provisions of this Master Indenture or any Series Supplement in any manner consistent with Sections 103 and 141 through 150 of the Tax Code (or such other sections of the Tax Code as may be applicable to the Bonds) as in effect at the time of the amendment.

(g) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Master Indenture or any Series Supplement of the Revenues or any other moneys, property or Funds or Accounts.

(h) To modify, amend or supplement this Master Indenture or any Supplemental Indenture as required to permit its qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, or to permit the qualification of any of the Bonds for sale under the securities laws of any of the states of the United States, and, if the Board and the Trustee so determine, to add to this Master Indenture or any Supplemental Indenture such other terms, conditions and provisions as may be permitted by the Trust Indenture Act of 1939, as amended, or similar federal statute.

(i) To add to the covenants and agreements of the Board contained in this Master Indenture or any Supplemental Indenture other covenants and agreements thereafter to be observed for the Owners' protection, including, but not limited to, additional requirements imposed by virtue of a change of law, or to surrender or to limit any right, power or authority therein reserved to or conferred upon the Board.

(j) To amend, modify or change the terms of any agreements governing any book-entry-only system for any of the Bonds.

(k) In the case of Series Supplements, to provide for the issuance of additional Series of Bonds (including Refunding Bonds) and to provide for such other related matters as may be required or contemplated by or appropriate under this Master Indenture.

(l) To make any changes necessary to comply with the requirements of a Rating Agency, a Bond Credit Provider, or a DSRF Credit Provider that, as expressed in a written finding or determination by the Board (which is included in the Supplemental Indenture), would not materially adversely affect the security for the Bonds.

(m) To make any other changes that (i) will have no adverse effect upon the ratings currently assigned to the applicable Series of Bonds by any Rating Agency, as expressed in a Rating Confirmation or (ii) shall not prejudice in any material respect the rights of the Owners of the Bonds then Outstanding, as expressed in a written determination or finding by the Board (which shall be stated in the Supplemental Indenture, and may be based upon an Opinion of Counsel and/or the opinion of the Board's financial advisor).

(n) To restate in one document this Master Indenture and all effective Series Supplements and other Supplemental Indentures, which restatement shall then become this Master Indenture for all purposes, effective as of the date of this Master Indenture with respect to matters set forth therein and as of the date of any Supplemental Indenture included in the restatement as to matters set forth in any such Supplemental Indenture. Series Supplements and the Bonds issued thereunder prior to a restatement shall be deemed to relate to the restated Master Indenture without any further action or amendment.

Section 15.2 Supplemental Indentures Requiring Consent. Exclusive of Supplemental Indentures covered by Section 15.1 and subject to the terms and provisions contained in this Section, the Majority Owners shall have the right from time to time, notwithstanding any other provision of this Master Indenture, to consent to and approve the execution by the Board and the Trustee of such other Supplemental Indenture or Supplemental Indentures as the Board shall deem necessary or desirable to modify, alter, amend, add to or rescind, in any particular, any of the terms or provisions contained in this Master Indenture or in any Supplemental Indenture; provided, however, that without the consent and approval of the Owners of all of the affected Senior Bonds, Intermediate Lien Obligations or Subordinate Obligations, as applicable, then Outstanding nothing in this Master Indenture shall permit, or be construed as permitting (i) an extension of the maturity of the principal of or the interest on any such Senior Bond, Intermediate Lien Obligation or Subordinate Obligation, (ii) a reduction in the principal amount of any such Senior Bond, Intermediate Lien Obligation or Subordinate Obligation or the rate of interest on it, (iii) a privilege or priority of any such Senior Bond over any other Senior Bond, any such Intermediate Lien Obligation over any other Intermediate Lien Obligation, or any such Subordinate Obligation over any other Subordinate Obligation, or (iv) a reduction in the aggregate principal amount of Senior Bonds, Intermediate Lien Obligations or Subordinate Obligations required for consent to such Supplemental Indenture.

If at any time the Board shall request the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of the Supplemental Indenture to be mailed to each Owner of Bonds then Outstanding by registered or certified mail to the address of each such Owner as it appears on the registration books for the Bonds; provided, however, that failure to give such notice by mailing, or any defect in it, shall not affect the validity of any proceedings under this Section. Such notice shall briefly state the nature of the proposed Supplemental Indenture and shall state that copies of it are on file at the Trustee's designated corporate trust office for inspection by all Owners. If, within six months or such longer period as shall be prescribed by the Board following the giving of such notice, the Majority Owners shall have consented to and approved its execution as provided under this Section, no Owner of any Bond shall have any right to object to any of the terms and provisions contained in it, or its operation, or in any manner to question the propriety of its execution, or to enjoin or restrain the Trustee or the Board from executing such Supplemental Indenture or from taking any action under its provisions. Upon the execution of any such Supplemental Indenture as in this Section permitted and provided, this Master Indenture shall be deemed to be modified and amended in accordance therewith.

Bonds owned or held by or for the account of the Board or any Person controlling, controlled by or under common control with the Board shall not be deemed Outstanding for the purpose of consent or any calculation of Outstanding Bonds provided for in this Article XV. At the time of any such calculation, the Board shall furnish the Trustee an Officer's Certificate describing all Bonds so to be excluded.

Anything contained in this Master Indenture to the contrary notwithstanding, the Board and the Trustee may enter into any Supplemental Indenture upon receipt of the consent of the Owners of all Bonds then Outstanding.

Section 15.3 Opinion of Counsel Required. The Trustee shall not execute any Supplemental Indenture unless there shall have been filed with the Trustee an Opinion (or Opinions) of Counsel, subject to customary exceptions and qualifications, stating that (i) such Supplemental Indenture is authorized or permitted by this Master Indenture and (ii) upon execution the Supplemental Indenture will be valid and binding on the Board in accordance with its terms.

Section 15.4 No Unreasonable Refusal. The Trustee shall not unreasonably refuse to enter into any Supplemental Indenture permitted under this Article; provided, however, that such refusal shall not be deemed unreasonable if the Trustee believes in good faith that such Supplemental Indenture will or may prejudice any right of the Owners of the Bonds then Outstanding or adversely affect the rights and immunities, or increase the duties, of the Trustee.

Section 15.5 Amendments to Payment Agreement. The Payment Agreement shall not be modified or amended in any way to adversely affect or prejudice in any material respect the rights of the Owners without the consent of the Majority Owners. The Trustee may consent to any modification or amendment to the Payment Agreement that does not violate the preceding sentence.

**ARTICLE XVI
MISCELLANEOUS**

Section 16.1 Consents of Owners. Any consent, request, direction, approval, objection or other instrument required by this Master Indenture to be signed and executed by the Owners of the Bonds may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agents appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agents, if made in the manner stated in the next sentence, shall be sufficient for any of the purposes of this Master Indenture, and shall be conclusive in the Trustee's favor with regard to any action taken under such request or other instrument. The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

Section 16.2 Limitation of Rights. With the exception of the rights expressly conferred in this Master Indenture, nothing expressed or mentioned or to be implied from this Master Indenture or the Bonds is intended or shall be construed to give to any person or entity other than the parties hereto and the Owners any legal or equitable right, remedy or claim under or in respect to this Master Indenture or any covenants, conditions and agreements contained herein, all such covenants, conditions and agreements being intended for the sole and exclusive benefit of the parties hereto and the Owners.

Section 16.3 Limitation of Liability of Members, Officers, Etc. No covenant, agreement or obligation contained in this Master Indenture shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee or agent of the Board or the Trustee in his or her individual capacity, and neither the directors of the Board or the Trustee nor any officer, employee or agent thereof executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of their execution or issuance. No director, officer, employee, agent or adviser of the Board or the Trustee shall incur any personal liability with respect to any action taken by him or her under this Master Indenture or the Act, provided such director, officer, employee, agent or adviser acts in good faith.

Section 16.4 Notices. Unless otherwise provided in this Master Indenture, all demands, notices, approvals, consents, requests, opinions and other communications under this Master Indenture shall be in writing and shall be deemed to have been given when delivered in person or mailed by first class mail addressed (i) if to the Board, at Virginia Department of Transportation, 1401 East Broad Street, Richmond, Virginia 23219, Attention: _____; or (ii) if to the Trustee, at U.S. Bank, National Association [_____]. The Board and the Trustee may by notice given under this Section, designate any further or different addresses to which subsequent demands, notices, approvals, consents, requests, opinions or other communications shall be sent or Persons to whose attention the same shall be directed.

Section 16.5 Successors and Assigns. This Master Indenture shall be binding on, inure to the benefit of and be enforceable by the parties to it and their respective successors and assigns.

Section 16.6 Severability. If any clause, provision or section of this Master Indenture be held illegal or invalid by any court, the illegality or invalidity of such clause, provision or section shall not affect any of the remaining clauses, provisions or sections of this Master Indenture, and this Master Indenture shall be construed and enforced as if such illegal or invalid clause, provision or section had not been contained in it. If any agreement or obligation contained in this Master Indenture be held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the parties to this Master Indenture to the full extent permitted by law.

Section 16.7 Applicable Law. This Master Indenture shall be governed by the laws of the Commonwealth.

Section 16.8 Counterparts. This Master Indenture may be executed in several counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Board and the Trustee have caused this Master Indenture to be executed in their respective corporate names by their duly authorized representatives, all as of the date first above written.

This **FIRST SUPPLEMENTAL INDENTURE OF TRUST** (this “First Supplemental Indenture”) is made as of _____ 1, 2021, between the **COMMONWEALTH TRANSPORTATION BOARD**, created and existing under the laws of the Commonwealth of Virginia (the “Board”) and U.S. Bank, National Association, and its successors, as trustee (the “Trustee”).

RECITALS

WHEREAS, the Board has executed and delivered to the Trustee a Master Indenture of Trust dated as of _____ 1, 2021 (the “Master Indenture”), under which, among other things, the Board has provided for (i) the issuance from time to time of Bonds to finance or refinance the Costs of any Project and for such other purposes as may be authorized under and pursuant to the Bond Act and (ii) the security for and sources of payment of the debt service on such Bonds; and

WHEREAS, the Board now desires to issue, sell, and deliver a Series of Bonds under the Master Indenture in the aggregate principal amount of \$_____; and

WHEREAS, the Board will use the proceeds of the 2021 Bonds (defined herein) to pay the issuance costs thereof and to pay the costs of Projects contained in the Interstate 81 Corridor Improvement Plan and the Interstate 81 Corridor Improvement Program, as such terms are defined in Section 33.2-3600 of the Virginia Code; and

WHEREAS, the Master Indenture provides that, as a condition to the issuance and authentication of any Series of Bonds, the Board shall deliver to the Trustee a Supplemental Indenture; and

WHEREAS, all things necessary to make the 2021 Bonds valid and binding limited obligations of the Board, when authenticated and issued as provided in this First Supplemental Indenture, and to constitute this First Supplemental Indenture a valid and binding agreement securing the payment of the principal of and premium, if any, and interest on the 2021 Bonds, have been done and performed.

NOW, THEREFORE, the Board hereby covenants and agrees with the Trustee and with the Owners from time to time of the 2021 Bonds as follows:

ARTICLE I FIRST SUPPLEMENTAL INDENTURE

Section 1.1 First Supplemental Indenture. This First Supplemental Indenture is authorized and executed by the Board and delivered to the Trustee pursuant to and in accordance with the Bond Resolution (defined herein) and Articles V and XV of the Master Indenture. All terms, covenants, conditions and agreements of the Master Indenture apply with full force and effect to the 2021 Bonds, except as otherwise provided in this First Supplemental Indenture.

Section 1.2 Definitions. All capitalized words and terms used but not defined in this First Supplemental Indenture have the meanings set forth in Article I of the Master Indenture. In

addition, the following words and terms have the following meanings unless the context clearly requires otherwise:

“2021 Bonds” means the Series of Bonds authorized to be issued under Section 2.1 hereof.

“2021 Cost of Issuance Fund” means the Cost of Issuance Fund related to the 2021 Bonds established pursuant to Section 7.1 of the Master Indenture and Section 4.1 of this First Supplemental Indenture.

“2021 Debt Service Fund” means the Debt Service Fund Related to the 2021 Bonds established pursuant to Section 7.1 of the Master Indenture and Section 4.1 of this First Supplemental Indenture.

“2021 Project Fund” means the Project Fund Related to the 2021 Bonds established pursuant to Section 7.1 of the Master Indenture and Section 4.1 of this First Supplemental Indenture.

“2021 Rebate Fund” means the Rebate Fund Related to the 2021 Bonds established pursuant to Section 7.1 of the Master Indenture and Section 4.1 of this First Supplemental Indenture.

“2021 Tax Compliance Agreement” means the [Certificate as to Arbitrage and Other Tax Matters] dated the Closing Date.

“Bond Resolution” means the resolution adopted by the Board on May _____, 2021, and entitled “Resolution of the Commonwealth Transportation Board Authorizing the Issuance and Sale of Commonwealth of Virginia I-81 Program Revenue Bonds, Series 2021 to be Issued as the Initial Series of Bonds Under a Master Indenture of Trust Herein Authorized, and Authorizing Certain Other Documents and Undertakings in Connection With Such Issuance and Sale.”

“Closing Date” means the date of the issuance and delivery of the 2021 Bonds.

“Dated Date” means the Closing Date.

“DTC” shall have the meaning set forth in Section 2.3 hereof.

“First Supplemental Indenture” means this First Supplemental Indenture of Trust, dated as of _____ 1, 2021, between the Board and the Trustee, as it may be modified, altered, amended or supplemented from time to time in accordance with the provisions herein and of the Master Indenture.

“Letter of Representations” means the Board’s Blanket Letter of Representations to DTC.

“Master Indenture” means the Master Indenture of Trust dated as of _____ 1, 2021, between the Board and the Trustee, as previously supplemented and amended and as the same

may be modified, altered, amended and supplemented from time to time in accordance with its terms.

“Rebate Requirement” means, collectively, the requirements applicable to tax-exempt bonds under Section 148(f)(2) and (3) of the Tax Code.

Section 1.3 Representations of the Board. The Board represents that (i) it is duly authorized under the Constitution and laws of the Commonwealth, including particularly and without limitation the Bond Act, to issue the 2021 Bonds, to execute this First Supplemental Indenture, and to pledge and grant a security interest in the Revenues, the Debt Service Fund, and the Project Fund as security for the 2021 Bonds in the manner and to the extent set forth in the Master Indenture and this First Supplemental Indenture, (ii) all action on its part necessary for the execution and delivery of this First Supplemental Indenture has been taken, and (iii) the 2021 Bonds in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the Board.

**ARTICLE II
AUTHORIZATION AND DETAILS OF 2021 BONDS**

Section 2.1 Authorization of 2021 Bonds. (a) There is authorized to be issued pursuant to the Master Indenture a Series of Bonds of the Board in the aggregate principal amount of \$_____ to be called the “Commonwealth of Virginia Interstate 81 Corridor Program Revenue Bonds (Senior Lien), Series 2021.” The proceeds of the 2021 Bonds shall be used for the purposes set forth in the recitals, including paying the costs of the Projects.

Section 2.2 Details of 2021 Bonds. (a) The 2021 Bonds shall be dated the Dated Date, shall be issued in denominations of \$5,000 and integral multiples of \$5,000, shall be numbered from R-1 upwards, sequentially, and shall bear interest, payable on each _____ and _____, commencing on _____, 20__ at the rates set forth below and shall mature on _____ in the years and in the amounts set forth below:

<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
-------------	-----------------------------	--------------------------

(b) The 2021 Bonds shall bear interest (i) from the Dated Date, if such 2021 Bond is authenticated before _____, 20__, or (ii) otherwise from the Interest Payment Date that is, or immediately precedes, the date on which such 2021 Bond is authenticated; provided, however, that if at the time of authentication any payment of interest is in default, such 2021 Bond shall bear interest from the date to which interest has been paid. Interest on the 2021 Bonds shall be computed on the basis of a year of 360 days and twelve 30-day months.

(c) Interest on the 2021 Bonds shall be payable by checks or drafts mailed to the Owners thereof at their addresses as they appear on _____ on the registration books kept by the Trustee. Notwithstanding the foregoing, if (i) the Owner of a 2021 Bond owns at least \$1,000,000 in aggregate principal amount of 2021 Bonds and (ii) such Owner has provided satisfactory prior notice to the Trustee regarding payment by wire transfer, then interest shall be paid to such Owner by wire transfer. Principal of and premium, if any, on the 2021 Bonds shall be payable to the Owners thereof upon the surrender of the 2021 Bonds at the Trustee's corporate trust office in _____ or such other office as the Trustee may designate.

(d) Notwithstanding the foregoing, for so long as Cede & Co. or other nominee of DTC is Owner of all of the 2021 Bonds, principal of and premium, if any, and interest on the 2021 Bonds shall be payable as provided in the Letter of Representations.

(e) The principal of and premium, if any, and interest on the 2021 Bonds shall be payable in lawful money of the United States of America.

(f) If the principal of any 2021 Bond is not paid when due (whether at maturity, by mandatory sinking fund redemption or call for redemption or otherwise), then the overdue principal shall continue to bear interest until paid at the rate set forth in the 2021 Bond.

Section 2.3 Book Entry Provisions for the 2021 Bonds. (a) The 2021 Bonds will be registered in the name of Cede & Co., a nominee of The Depository Trust Company ("DTC"), and immobilized in DTC's custody. One fully registered Bond for the original principal amount of each maturity of each Series will be registered to Cede & Co. Beneficial owners of the 2021 Bonds will not receive physical delivery of the 2021 Bonds. Individual purchases of the 2021 Bonds may be made in book-entry form only in original principal amounts of \$5,000 and integral multiples of \$5,000. For as long as the 2021 Bonds are held in book-entry format, payments of principal of and premium, if any, and interest on the 2021 Bonds will be made to DTC or its nominee as the sole Owner on the applicable Payment Date in accordance with the Letter of Representations.

DTC is responsible for the transfer of the payments of the principal of and premium, if any, and interest on the 2021 Bonds to the participants of DTC, which include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations (the “Participants”). Transfer of the payments of the principal of and premium, if any, and interest on the 2021 Bonds to the beneficial owners of the 2021 Bonds is the responsibility of the Participants and other nominees of such beneficial owners.

Transfer of beneficial ownership interests in the 2021 Bonds shall be made by DTC and its Participants, acting as nominees of the beneficial owners of the 2021 Bonds, in accordance with rules specified by DTC and its Participants. Neither the Board nor the Trustee makes any assurances that DTC, its Participants or other nominees of the beneficial owners of the 2021 Bonds will act in accordance with such rules or on a timely basis.

The Board and the Trustee disclaim any responsibility or obligations to the Participants or the beneficial owners with respect to (i) the accuracy of any records maintained by DTC or any Participant, (ii) the payment by DTC or any Participant of any amount due to any beneficial owner in respect of the principal of and premium, if any, and interest on the 2021 Bonds, (iii) the delivery by DTC or any Participant of any notice to any beneficial owner that is required or permitted under the terms of the Master Indenture or this First Supplemental Indenture to be given to Owners of the 2021 Bonds, (iv) the selection of the beneficial owners to receive payment in any partial redemption of the 2021 Bonds or (v) any consent given or other action taken by DTC as Owner.

So long as Cede & Co., as nominee of DTC, is the sole Owner of the 2021 Bonds, references in the Master Indenture or this First Supplemental Indenture to the Owners or registered owners of the 2021 Bonds shall mean Cede & Co. and not the beneficial owners of the 2021 Bonds. Any notice to or consent requested of Owners of 2021 Bonds under the Master Indenture or this First Supplemental Indenture shall be given to or requested pursuant to DTC’s procedures.

(b) Replacement Bonds (the “Replacement Bonds”) will be registered in the name of and be issued directly to beneficial owners of the 2021 Bonds rather than to DTC, or its nominee, but only if:

(1) DTC determines not to continue to act as securities depository for the 2021 Bonds; or

(2) The Trustee or the Board has advised DTC of the Board’s determination that DTC is incapable of discharging its duties or that it is otherwise in the best interests of the beneficial owners of the 2021 Bonds to discontinue the book-entry system of transfer.

(c) Upon the occurrence of an event described in subsection (b)(1) or (2) above (and the Trustee and the Board undertake no obligation to make any investigation regarding the matters described in subsection (b)(2) above), the Board may attempt to locate another qualified securities depository. If the Board fails to locate another qualified securities depository to replace DTC, the Board shall execute and the Trustee shall authenticate and deliver

to the Participants the Replacement Bonds (substantially in the form set forth in Exhibit A with such appropriate variations, omissions and insertions as are permitted or required by the Master Indenture or this First Supplemental Indenture) to which the Participants are entitled for delivery to the beneficial owners of the 2021 Bonds. The Trustee shall be entitled to rely on the records provided by DTC as to the Participants entitled to receive Replacement Bonds. The Owners of the Replacement Bonds shall be entitled to the lien and benefits of the Master Indenture and this First Supplemental Indenture.

Section 2.4 Form of 2021 Bonds. Each of the 2021 Bonds shall be substantially in the form attached as Exhibit A to this First Supplemental Indenture, with such appropriate variations, omissions and insertions as permitted or required by the Master Indenture or this First Supplemental Indenture. There may be endorsed on any of the 2021 Bonds such legend or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law.

Section 2.5 Authentication of 2021 Bonds. Each 2021 Bond shall bear a certificate of authentication, substantially as set forth in the applicable form of the 2021 Bond attached as an exhibit, duly executed by the Trustee. The Trustee shall authenticate each 2021 Bond with the signature of one of its authorized officers or employees, but it shall not be necessary for the same person to authenticate all of the 2021 Bonds. Only such authenticated 2021 Bonds shall be entitled to any right or benefit under the Master Indenture or this First Supplemental Indenture, and such certificate on any 2021 Bond shall be conclusive evidence that the 2021 Bond has been duly issued under and is secured by the provisions of the Master Indenture and this First Supplemental Indenture.

ARTICLE III REDEMPTION OF 2021 BONDS

Section 3.1 Optional Redemption. (a) The Board shall not call the 2021 Bonds for optional redemption except as provided in this section.

(b) The 2021 Bonds maturing on or before _____, 20__, shall not be subject to redemption at the Board's option before their respective maturity dates.

(c) The 2021 Bonds maturing on or after _____, 20__, may be redeemed prior to their respective maturities, at the option of the Board, from any moneys that may be made available for such purpose, either in whole or in part (in \$5,000 increments), on any date and in such order as the Board may determine on and after _____, 20__, at 100% of the principal amount to be redeemed together with the interest accrued on the principal amount to be redeemed to the date fixed for redemption.

Section 3.2 Mandatory Sinking Fund Redemption. [The 2021 Bonds are not subject to mandatory redemption.] [The 2021 Bonds maturing on _____, 20__ are subject to mandatory sinking fund redemption prior to maturity in the years and amounts set forth below upon payment of 100% of the principal amount to be redeemed plus interest accrued to the redemption date:]

Section 3.3 Selection of 2021 Bonds for Redemption. If less than all of the 2021 Bonds are called for optional redemption, the maturities of the 2021 Bonds to be redeemed will be called in such order as the Board may determine.

Section 3.4 Notice of Redemption. (a) When (i) required to redeem 2021 Bonds under any provision of the Master Indenture or this First Supplemental Indenture or (ii) directed to do so by a Board Representative in writing at least 45 days before the date fixed for redemption, the Trustee shall cause notice of the redemption to be mailed by first class mail, not less than thirty nor more than sixty days before the redemption date, to all Owners of 2021 Bonds to be redeemed at their addresses as they appear on the registration books maintained by the Trustee; provided, however, that the failure to mail any such notice or any defect in the mailing to any one or more of the Owners shall not affect the validity of the redemption with respect to any Owners to whom such notice was properly mailed.

(b) Any notice of redemption may state that it is conditioned upon there being available on the redemption date an amount of money sufficient to pay the redemption price plus interest accrued and unpaid to the redemption date, and any conditional notice so given may be rescinded at any time before the payment of the redemption price if any such condition so specified is not satisfied.

(c) Any notice of redemption mailed in the manner specified above shall be deemed to have been duly given when mailed by the Trustee.

(d) In preparing any notice of redemption, the Trustee shall take into account, to the extent it has knowledge and is applicable, the prevailing tax-exempt securities industry standards and any regulatory statement of any federal or state administrative body having jurisdiction over the Board or the tax-exempt securities industry, including without limitation, notice as contemplated by the Securities Exchange Act of 1934 Release No. 34-23856 of the Securities and Exchange Commission, or any subsequent amending or superseding release.

(e) Any notices given to DTC under this Section shall be given at the times and in the manner set forth in the Letter of Representations.

Section 3.5 Payment of Redemption Price. (a) On or before the date fixed for redemption, funds shall be deposited with the Trustee to pay the redemption price of the 2021 Bonds called for redemption. Provided funds for their redemption are on deposit at the place of payment on the redemption date and the required notice shall have been given, the 2021 Bonds called for redemption shall cease to bear interest from and after the redemption date, shall no longer be entitled to the benefits provided by the Master Indenture and this First Supplemental Indenture and shall not be deemed to be Outstanding under the provisions of the Master Indenture and this First Supplemental Indenture.

(b) The Trustee shall ensure that CUSIP number identification accompanies all redemption payments on the 2021 Bonds.

ARTICLE IV
ESTABLISHMENT OF FUNDS; APPLICATION OF SALE PROCEEDS

Section 4.1 Establishment of Funds for the 2021 Bonds. (a) In accordance with Section 7.1 of the Master Indenture, the 2021 Cost of Issuance Fund, 2021 Debt Service Fund, the 2021 Project Fund and the 2021 Rebate Fund are hereby established for the 2021 Bonds. All such Funds shall be held by the Trustee.

(b) As provided in Section 2.1(a) of the Master Indenture, the money and investments held in the 2021 Project Fund and the 2021 Debt Service Fund are pledged to secure the 2021 Bonds.

Section 4.2 Application of Sale Proceeds of the 2021 Bonds. On the Closing Date, the Trustee shall apply the total amount received from the underwriters for the 2021 Bonds in payment therefor (\$_____), consisting of \$_____ received from the underwriters on the Closing Date and \$_____ received from the Transportation Board on the Closing Date (such amount representing the good faith deposit from the underwriters), as follows:

- (a) \$_____ shall be deposited in the 2021 Cost of Issuance Fund; and
- (b) \$_____ shall be deposited in the 2021 Project Fund.

ARTICLE V
APPLICATION OF CERTAIN FUNDS

Section 5.1 2021 Project Fund. (a) The Trustee will apply the amounts in the 2021 Project Fund to the payment or reimbursement of the costs of the Projects as directed by the Board. Disbursements from the 2021 Project Fund shall be made by the Trustee to the Board or as directed by the Board upon receipt by the Trustee of a requisition (upon which the Trustee shall be entitled to rely) signed by a Board Representative and containing all information called for by, and otherwise being in the form of, Exhibit B.

(b) If the Trustee receives an Officer's Certificate stating that certain amounts in the 2021 Project Fund will not be necessary to pay the costs of the Projects, the Trustee shall then apply any remaining balance at the direction of a Board Representative in such manner as will not, in the Opinion of Bond Counsel delivered to the Board and the Trustee, have an adverse effect on the tax-exempt status of the 2021 Bonds.

Section 5.2 2021 Cost of Issuance Fund. (a) The Trustee shall apply the amounts in the 2021 Cost of Issuance Fund to pay the issuance and financing costs of the 2021 Bonds as directed by the Board. Disbursements from the 2021 Cost of Issuance Fund shall be made by the Trustee to the Board or as directed by the Board upon receipt by the Trustee of a requisition (upon which the Trustee shall be entitled to rely) signed by a Board Representative and containing all information called for by, and otherwise being in the form of, Exhibit C.

(b) Any amounts deposited in the 2021 Cost of Issuance Fund as described in Section 4.2(a) that are not applied in accordance with this Section and Section 9.1 of the Master Indenture to pay the costs of issuance of the 2021 Bonds shall, at the written direction of the

Board, be transferred by or on behalf of the Board to the 2021 Project Fund and/or the 2021 Debt Service Fund.

Section 5.3 2021 Debt Service Fund. [Each monthly transfer into the 2021 Debt Service Fund under Section 8.1 of the Master Indenture shall be in an amount not less than the sum of (i) one-sixth of the interest due on the 2021 Bonds on the next ensuing Interest Payment Date, plus (ii) one-twelfth of the principal due on the 2021 Bonds at maturity or upon mandatory redemption on the next ensuing Principal Payment Date, provided that the Board shall receive a credit against such transfer for the amount, if any, held in the 2021 Debt Service Fund as capitalized interest or otherwise, together with the investment earnings thereon.]

Section 5.4 2021 Rebate Fund. The Trustee shall invest and apply amounts on deposit in the 2021 Rebate Fund as directed by Officer's Certificates provided pursuant to and in accordance with the 2021 Tax Compliance Agreement. The Trustee shall have no continuing responsibility for amounts on deposit in the 2021 Rebate Fund other than to ensure that such amounts are not commingled with any other funds as required under the Master Indenture.

ARTICLE VI SPECIAL COVENANTS

Section 6.1 2021 Tax Compliance Agreement. (a) The Board shall not take any action, or omit to take any action, if any such action or omission would adversely affect the excludability from gross income of interest on the 2021 Bonds under Section 103 of the Tax Code. The Board shall not directly or indirectly use or permit the use of any proceeds of the 2021 Bonds or any other funds of the Board or take or omit to take any action that would cause the 2021 Bonds to be "arbitrage bonds" under Section 148(a) of the Tax Code. To these ends, the Board shall comply with all requirements of Sections 141 through 150 of the Tax Code, including the Rebate Requirement, to the extent applicable to the 2021 Bonds.

(b) Without limiting the generality of the foregoing, the Board: (i) shall not directly or indirectly use or permit the use of the proceeds of the 2021 Bonds except in accordance with the 2021 Tax Compliance Agreement and (ii) shall act as though the requirements of the 2021 Tax Compliance Agreement are specifically set forth herein.

(c) The Trustee shall comply with all written instructions of the Board Representative given in accordance with the 2021 Tax Compliance Agreement, but the Trustee shall not be required to ascertain whether the instructions comply with the 2021 Tax Compliance Agreement. If the Trustee requests, the Trustee shall receive written instructions from Bond Counsel acceptable to the Trustee regarding the interpretation of Sections 141 through 150 of the Tax Code, and the Trustee shall comply with such directions (upon which the Trustee and the Board may conclusively rely) so as to enable the Board to perform its covenants under this Section.

(d) Notwithstanding any provisions of this Section, if the Board provides to the Trustee an Opinion of Bond Counsel addressed and acceptable to the Board and the Trustee to the effect that any action required under this Section by incorporation or otherwise is not required to maintain the excludability from gross income of the interest on the 2021 Bonds under

Section 103 of the Tax Code, the Board and the Trustee shall rely conclusively on such opinion in complying with the provisions of this Section.

**ARTICLE VII
MISCELLANEOUS**

Section 7.1 Successors and Assigns. This First Supplemental Indenture is binding upon, inures to the benefit of and is enforceable by the parties to it and their respective successors and assigns.

Section 7.2 Severability. If any provision of this First Supplemental Indenture is held invalid by any court of competent jurisdiction, such holding will not invalidate any other provision.

Section 7.3 Governing Law. This First Supplemental Indenture shall be governed by and construed under the applicable laws of the Commonwealth.

Section 7.4 Counterparts. This First Supplemental Indenture may be executed in several counterparts, each of which will be an original, and the counterparts will together constitute one and the same instrument.

Section 7.5 Parties Interested. Nothing in this First Supplemental Indenture expressed or implied is intended or will be construed to confer upon any Person, other than the Board, the Trustee and the Owners of the 2021 Bonds, any right, remedy or claim under or by reason of this First Supplemental Indenture, this First Supplemental Indenture being intended for the sole and exclusive benefit of the Board, the Trustee and the Owners of the 2021 Bonds.

[Signature page follows]

IN WITNESS WHEREOF, the Board and the Trustee have caused this First Supplemental Indenture to be executed in their respective corporate names by their duly authorized officers, all as of the date first above written.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ AND 00/100 DOLLARS (\$_____)

THE COMMONWEALTH TRANSPORTATION BOARD (the “Board”), for value received, promises to pay upon surrender of this Bond (this “Bond”) at the corporate trust office of _____, or its successor, as trustee and paying agent (the “Trustee”) under the Indenture, as hereinafter defined, to the registered owner of this Bond (the “Owner”) or registered assigns or legal representative, the principal sum stated above on the maturity date stated above, and to pay interest on this Bond semiannually on each _____ and _____, commencing _____, 2021, at the annual rate stated above, solely from the sources pledged for such purpose as described below. The principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America.

“Indenture” means the Master Indenture of Trust dated as of _____ 1, 2021, between the Board and the Trustee, as previously supplemented and amended (the “Master Indenture”) and as further supplemented by the First Supplemental Indenture of Trust dated as of _____ 1, 2021 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), between the Board and the Trustee.

Unless otherwise defined, each capitalized term used in this Bond has the meaning given it in the Indenture.

Interest is payable (i) from the dated date set forth above (the “Dated Date”), if this Bond is authenticated before _____, 2021 or (ii) otherwise from the interest payment date that is, or immediately precedes, the date on which this Bond is authenticated (unless payment of interest on this Bond is in default, in which case this Bond shall bear interest from the date to which interest has been paid). Interest on this Bond is computed on the basis of a year of 360 days and twelve 30-day months.

Interest is payable by check or draft mailed to the holder of this Bond at the address that appears on _____ on the registration books kept by the Trustee. Notwithstanding the foregoing, if (i) the Owner of this Bond owns at least \$1,000,000 in aggregate principal amount of the 2021 Bonds (as defined below) and (ii) such Owner has provided satisfactory prior notice to the Trustee regarding payment by wire transfer, then interest shall be paid to such Owner by wire transfer. Notwithstanding anything to the contrary contained in this Bond or in the Indenture, for so long as Cede & Co. or any other nominee of DTC is the Owner of all of the 2021 Bonds, the principal of and premium, if any, and interest on this Bond shall be payable pursuant to the additional requirements provided under the Board’s Blanket Issuer Letter of Representations to DTC.

If the date of maturity of the principal of this Bond or the date fixed for the payment of interest on this Bond shall not be a Business Day, then payment of principal, premium, if any, and interest need not be made on such date, but may be made on the next succeeding Business Day, and, if made on such next succeeding Business Day, no additional interest shall accrue for the period after such date of maturity or date fixed for the payment of interest.

This Bond is one of an issue of \$_____ Commonwealth of Virginia Transportation Interstate 81 Corridor Program Revenue Bonds, Series 2021 Bonds (the “2021 Bonds”), of like date and tenor, except as to number, denomination, rate of interest, and maturity, authorized and issued by the Board pursuant to the Bond Act, a resolution adopted by the Board on _____, 2021, and the Indenture, to provide proceeds to be used to pay the issuance costs of the 2021 Bonds and to pay the costs of the Projects.

The 2021 Bonds and the premium, if any, and the interest thereon are limited obligations of the Board and payable solely from the revenues, moneys and other property pledged to the Trustee for such purpose under the Indenture. This Bond is secured on parity with the other 2021 Bonds, the Outstanding Bonds on the date hereof, and other Bonds hereafter to be issued and Outstanding under the Indenture. **THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THIS BOND SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OF THE COMMONWEALTH OF VIRGINIA OR ANY POLITICAL SUBDIVISION THEREOF. NOTHING IN THIS BOND OR IN THE INDENTURE SHALL BE DEEMED TO CREATE OR CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE COMMONWEALTH OF VIRGINIA OR ANY POLITICAL SUBDIVISION THEREOF.**

Reference is made to the Indenture and all amendments and supplements to it for a description of the provisions, among others, with respect to the nature and extent of the security

for the 2021 Bonds, the rights, duties and obligations of the Board and the Trustee, the rights of the Owners of the 2021 Bonds and the terms upon which the 2021 Bonds are issued and secured. The Board has issued certain bonds and may from time to time hereafter issue additional bonds ranking equally with the 2021 Bonds for certain purposes on the terms provided in the Indenture.

The 2021 Bonds maturing on or before _____, 20__, shall not be subject to redemption at the Board's option before their respective maturity dates.

The 2021 Bonds maturing on or after _____, 20__, are subject to optional redemption prior to their respective maturities on or after _____, 20__, at the option of the Board, in whole or in part (in increments of \$5,000) at any time, at a redemption price equal to 100% of the principal amount of the 2021 Bonds to be redeemed together plus unpaid interest accrued on the principal amount to be redeemed to the date fixed for redemption.

[The 2021 Bonds are not subject to mandatory redemption.] [The 2021 Bonds maturing on _____, 20__ are subject to mandatory sinking fund redemption prior to maturity in the years and amounts set forth below upon payment of 100% of the principal amount to be redeemed plus interest accrued to the redemption date:]

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to take any action with respect to any Event of Default under the Indenture or to institute, appear in or defend any suit or other proceedings with respect to it, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any supplement to it may be made only to the extent and in the circumstances permitted by the Indenture.

The 2021 Bonds are issuable as registered bonds in denominations of \$5,000 and integral multiples of \$5,000. Upon surrender for transfer or exchange of this Bond at the Trustee's designated corporate trust office, the Board shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees or Owner, as applicable, a new 2021 Bond or 2021 Bonds of like date, tenor and of any authorized denomination for the aggregate principal amount any such transferee or Owner is entitled to receive, subject in each case to such reasonable regulations as the Board or the Trustee may prescribe. When presented for transfer, exchange, or payment, this Bond must be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and substance reasonably satisfactory to the Board and the Trustee, duly executed by the Owner or by his or her duly authorized attorney-in-fact or legal representative. Any such transfer or exchange shall be at the Board's expense, except that the Trustee may charge the person requesting such transfer or exchange the amount of any tax or other governmental charge required to be paid with respect to it.

The Owner of this Bond shall be treated as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the Owner, except that interest payments shall be made to the person registered as Owner on the first day of the month of each interest payment date.

All acts, conditions and things required to happen, exist or be performed precedent to and in the issuance of this Bond have happened, exist and have been performed.

This Bond shall not become obligatory for any purpose, be entitled to any security or benefit under the Indenture or be valid until the Trustee has executed the Certificate of Authentication appearing on this Bond and inserted the date of authentication.

IN WITNESS WHEREOF, the Commonwealth Transportation Board has caused this Bond to be signed by the facsimile signature of its Chairperson, a facsimile of its seal to be printed on it and attested by the facsimile signature of its Secretary, and this Bond to be dated the Dated Date.

PAYMENT AGREEMENT

This **PAYMENT AGREEMENT** is made and dated as of _____1, 2021 (this “Agreement”), by and among the **COMMONWEALTH TRANSPORTATION BOARD** (the “Transportation Board”), the **TREASURY BOARD OF THE COMMONWEALTH OF VIRGINIA** (the “Treasury Board”), and the **SECRETARY OF FINANCE OF THE COMMONWEALTH OF VIRGINIA** (the “Secretary of Finance”);

WITNESSETH:

WHEREAS, pursuant to the Transportation Development and Revenue Bond Act (the “State Transportation Revenue Bond Act”), Sections 33.2-1700 *et seq.*, of the Code of Virginia of 1950, as amended (the “Virginia Code”), the Transportation Board has the power to issue revenue bonds to finance the costs of transportation projects authorized by the General Assembly of Virginia (the “General Assembly”), including any financing costs or other financing expenses related to such bonds;

WHEREAS, pursuant to the Commonwealth Transportation Interstate 81 Corridor Bond Act of 2020, enactment clause 15 of Chapter 1230 of the Acts of the General Assembly of the Commonwealth of Virginia, 2020 Reconvened Session (the “I-81 Bond Act”), the Transportation Board is authorized, by and with the consent of the Governor, to issue, pursuant to the provisions of the State Transportation Revenue Bond Act, revenue obligations of the Commonwealth of Virginia (the “Commonwealth”) to be designated “Commonwealth of Virginia Interstate 81 Corridor Program Revenue Bonds, Series” (the “Bonds”) at one or more times in an aggregate principal amount not to exceed \$1 billion, after all costs, excluding refunding bonds and excluding pre-project completion interest convertible to principal associated with certain federal programs of the U.S. Department of Transportation;

WHEREAS, the Board is required pursuant to the I-81 Bond Act to use proceeds of any Bonds, including any premium received on the sale thereof, for the exclusive purpose of costs incurred or to be incurred in relation to the Interstate 81 Corridor Improvement Plan and the Interstate 81 Corridor Improvement Program, as such terms are defined in Section 33.2-3600 of the Virginia Code;

WHEREAS, Section 33.2-3601 of the Virginia Code (i) creates the Interstate 81 Corridor Improvement Fund (the “Fund”) in the state treasury as a special nonreverting fund which shall be established on the books of the Comptroller and (ii) provides that all revenues dedicated to the Fund pursuant to Sections 33.2-372 and 58.1-2299.20 of the Virginia Code, any other funds that may be appropriated by the General Assembly, and any funds that may be received for credit to the Fund from any other sources shall be paid into the state treasury and credited to the Fund;

WHEREAS, Section 11 of the I-81 Bond Act requires the Transportation Board to establish a fund either in the state treasury with the cooperation of the State Treasurer or with a trustee in accordance with the provisions of Section 33.2-1716 of the State Transportation Revenue Bond Act to secure and be used for the payment of the Bonds to the credit of which there shall be deposited such amounts, subject to appropriation by the General Assembly,

necessary to pay principal, purchase price, redemption premium, if any, and interest on the Bonds, as and when such costs become due and payable; provided that such costs shall be paid from the revenues deposited into the Fund pursuant to Section 58.1-2299.20 of the Virginia Code from the receipt of regional fuels tax levied pursuant to Section 58.1-2295 of the Virginia Code (the “I-81 Regional Fuels Tax Revenues”);

WHEREAS, the Transportation Board has determined that it is in the best interest of the Commonwealth of Virginia and the Transportation Board for the Transportation Board to issue Bonds from time to time in one or more series for the purposes authorized under and in accordance with the provisions of the I-81 Bond Act, and to that end, the Transportation Board has entered into a Master Indenture (herein defined) under which such Bonds will be issued by the Transportation Board pursuant to separate supplemental indentures respecting a particular series of Bonds; and

WHEREAS, the I-81 Bond Act authorizes the Transportation Board to enter into agreements with any department or agency of the Commonwealth to make appropriated funds available to pay debt service and other funding requirements of the Bonds, and each of the Transportation Board, the Treasury Board, and the Secretary of Finance has determined that it is in the best interest of the Commonwealth of Virginia for them to enter into this Agreement in order to evidence their agreement to use their best efforts (i) to support requests made by the Transportation Board to the Treasury Board and the Secretary of Finance for amounts to be included in the Commonwealth’s budget for the payment of debt service on the Bonds and to satisfy other funding requirements under the Master Indenture and (ii) to secure appropriations for such amounts and to otherwise facilitate funding requirements and commitments under the Master Indenture;

NOW, THEREFORE, in consideration of the covenants contained herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto covenant and agree as follows:

ARTICLE I

DEFINITIONS AND RULES OF CONSTRUCTION

Section 101. Definitions. Except as otherwise, defined herein, capitalized words used in this Agreement shall have the meanings assigned to them in the Master Indenture (as defined below). (c) [To the best of his knowledge,] the execution and delivery of and compliance with the terms and conditions of this Agreement will not conflict with, or constitute or result in a default under or violation of (1) [*to the best of his knowledge*] the Virginia Code or any other existing law, rule, or regulation applicable to the Secretary of Finance, or (2) any indenture, deed of trust, lien, lease, contract, note, order, judgment, decree or other agreement, instrument or restriction of any kind to which the Secretary of Finance is subject, and no event has occurred and is continuing that with the lapse of time or the giving of notice, or both, would constitute or result in such a default or violation.

(d) No litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to his knowledge, threatened against him with respect to (1) his authority to execute and deliver this Agreement, (2) the validity or enforceability of this Agreement, (3) the title to his office, or (4) any authority or proceedings related to his execution of this Agreement and no such authority or proceeding has been repealed, revoked, rescinded or amended, but each is in full force and effect.

ARTICLE III

OBLIGATIONS OF PARTIES

Section 301. Obligations of the Transportation Board.

(a) Each year and in accordance with the schedule of the Department of Planning and Budget of the Commonwealth (the “Department of Planning and Budget”), the Transportation Board or the Transportation Board’s designee shall request that the Governor include in the budget to be delivered to the General Assembly a provision that there be appropriated each year from I-81 Regional Fuels Tax Revenues estimated to be collected in each such year a sum sufficient to enable the Transportation Board to satisfy funding requirements under the Master Indenture related to the Bonds, including payment of the Principal and Interest Requirements coming due on the Bonds, funding requirements for reserves and deficiency makeup requirements during the next succeeding fiscal year or biennial period, as applicable.

(b) The Transportation Board shall use its best efforts to have (1) the Governor include, in each biennial or any supplemental budget that is presented to the General Assembly, the amounts described in paragraph (a) of this Section 301, and (2) the General Assembly deposit, appropriate and re-appropriate, as applicable, such amounts.

(c) The Transportation Board shall provide to the Treasury Board, as and when reasonably requested by the Treasury Board, all requisitions and documents and shall take all actions necessary to have paid to the Treasury Board from I-81 Regional Fuels Tax Revenues as described above in this Section 301 all amounts due hereunder and to direct the Treasury Board to make from such funds all payments due or otherwise required under the Master Indenture to the Trustee on the Transfer Dates.

(d) The Transportation Board shall take all actions necessary to have payments which are made pursuant to this Section 301 charged against the proper appropriation made or authorized by the General Assembly.

(e) The Transportation Board shall notify the Treasury Board, the Secretary of Finance, and the Trustee promptly upon becoming aware of (1) any failure by the General Assembly to appropriate for the next succeeding fiscal year or biennial period, as applicable, I-81 Regional Fuels Tax Revenues as described in paragraph (a) of this Section or (2) the introduction of any legislation in any session of the General Assembly that could adversely affect I-81 Regional Fuels Tax Revenues.

Section 302. Obligations of Treasury Board.

(a) The Treasury Board shall use its best efforts to have (1) the Governor include in each biennial or any supplemental budget of the Commonwealth the amounts described in Section 301(a) and (2) the General Assembly deposit, appropriate and re-appropriate, as applicable, such amounts.

(b) The Treasury Board shall use its best efforts to obtain each year the appropriate requisitions and documents needed from the Transportation Board to make the payments to the Trustee in accordance with Section 301(c).

(c) The Treasury Board shall make all payments to the Trustee on the Transfer Dates solely from moneys made available to it as described in Section 301.

(d) The Treasury Board shall notify the Transportation Board, the Secretary of Finance, and the Trustee promptly upon becoming aware of any failure by the General Assembly to appropriate for the next succeeding fiscal year or biennial period, as applicable, amounts sufficient to satisfy debt service on the Bonds and other funding requirements under the Master Indenture coming due or expected to come due.

Section 303. Obligation of Secretary of Finance. The Secretary of Finance shall use his best efforts to have (1) the Governor include in each biennial or any supplemental budget of the Commonwealth the amounts described in Section 301(a) and (2) the General Assembly deposit, appropriate and re-appropriate, as applicable, such amounts.

ARTICLE IV

MISCELLANEOUS

Section 401. Term of Agreement. The term of this Agreement shall commence upon its execution and delivery and shall terminate on the earlier of the date of payment in full of all of the Bonds or the date on which none of the Bonds are Outstanding pursuant to the Master Indenture.

Section 402. Trustee as Third Party Beneficiary. By its acceptance noted below, the Trustee shall become a third party beneficiary of this Agreement and shall be entitled to enforce, on behalf of the Holders, all of the obligations and rights of the parties hereto to the same extent as if the Trustee were one of the contracting parties.

Section 403. Amendments. Upon receipt of the written consent of the Trustee, this Agreement may be amended by the parties hereto so long as such amendment complies with the requirements set forth in Article [XV] of the Master Indenture.

Section 404. Successors. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors.

Section 405. Severability. If any provision of this Agreement shall be held to be illegal or invalid by any court of competent jurisdiction, such holding shall not invalidate any other provision hereof and this Agreement shall be construed and enforced as if such illegal provision had not been contained in it.

Section 406. Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument. The parties may sign or execute this Agreement digitally or electronically and

digital or electronic transmission of an executed counterpart of this Agreement shall be deemed to constitute due and sufficient delivery of such counterpart.

Section 407. Notices. Unless otherwise provided in this Agreement, all notices, approvals, consents, requests and other communications under this Agreement shall be in writing and shall be deemed to be given when delivered in person, or when sent by a express delivery service, or when mailed by registered or certified mail, postage prepaid, addressed (a) if to the Transportation Board, at 1401 East Broad Street, Richmond, Virginia 23219 (Attention: Chairman), (b) if to the Treasury Board, at James Monroe Building, Third Floor, 101 North 14th Street, Richmond, Virginia 23219 (Attention: Director of Debt Management) or (c) if to the Secretary of Finance, at Patrick Henry Building, 1111 East Broad Street, Richmond, Virginia 23219, The Transportation Board, the Treasury Board and the Secretary of Finance may, by notice given under this Agreement, designate any additional or different addresses or persons to which subsequent demands, notices, approvals, consents, requests and other communications shall be sent.

Section 408. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia, without regard for the principles of conflicts of law. All litigation between the parties arising out of or pertaining to this Agreement shall be filed, heard, and decided in the Circuit Court for the City of Richmond, Virginia, Division I.

IN WITNESS WHEREOF, the Transportation Board and the Treasury Board have caused this Agreement to be duly executed on their behalf by their duly authorized officers and the Secretary of Finance has duly executed this Agreement in his official capacity.

**Title: Designation of the I-495 Express Lanes
Northern Extension as HOT Lanes and Authorization for the Commissioner of
Highways to Enter into a Memorandum of Understanding with the Federal Highway
Administration Concerning Tolling**

WHEREAS, pursuant to the Public-Private Transportation Act of 1995 (the “PPTA”) (Va. Code § 33.2-1800, *et seq.*), the Virginia Department of Transportation (the “Department”) may allow private entities to develop and/or operate qualifying transportation facilities; and

WHEREAS, on April 28, 2005, pursuant to the PPTA, the Department, Fluor and Transurban (USA), Inc. entered into a comprehensive agreement to develop, design, finance, construct, maintain, and operate the Route 495 HOT Lanes in Virginia Project; and

WHEREAS, on December 19, 2007, the Department and Capital Beltway Express LLC entered into the Amended and Restated Comprehensive Agreement (as subsequently amended, the “ARCA”) to develop, design, finance, construct, manage, operate, maintain and collect tolls on approximately 14-miles of high-occupancy toll lanes (“HOT lanes”) along Interstate 495 between the vicinity of Backlick Road (Route 617) and Route 738 (the “Existing I-495 HOT Lanes”); and

Resolution of the Board

Designation of the I-495 Express Lanes Northern Extension as HOT Lanes

May 19, 2021

Page 2 of 3

WHEREAS, the Department anticipates amending and restating the ARCA to extend the Existing I-495 HOT Lanes approximately two additional miles farther north to the vicinity of George Washington Memorial Parkway (the “I-495 Express Lanes Northern Extension”); and

WHEREAS, Va. Code § 33.2-502 provides that the Commonwealth Transportation Board (the “CTB”) may designate one or more lanes of any highway, including lanes previously designated as high-occupancy vehicle (“HOV”) lanes, in the Interstate System, primary state highway system, or National Highway System, or any portion thereof, as HOT lanes permitting free passage by vehicles that meet the high-occupancy requirement; and

WHEREAS, pursuant to Va. Code § 33.2-502, in making HOT lanes designations, the CTB is required to also specify the high-occupancy requirement and conditions for use of such HOT lanes or may authorize the Commissioner of Highways to make such determination consistent with the terms of a comprehensive agreement executed pursuant to Va. Code § 33.2-1808, however, the high-occupancy requirement for a HOT lanes facility constructed or operated as a result of the PPTA shall not be less than three occupants per vehicle (“HOV-3”); and

WHEREAS, on October 18, 2007, the CTB designated as HOT lanes the Existing I-495 HOT Lanes with two dedicated travel lanes in each direction; and

WHEREAS, the Department intends for the I-495 Express Lanes Northern Extension to be tolled using congestion pricing; and

WHEREAS, pursuant to authority granted by the CTB, the Department entered into an Agreement with the Federal Highway Administration (“FHWA”) on December 12, 2007, (the “Existing Tolling Agreement”) permitting the Department to implement tolls on HOV facilities under a congestion pricing toll strategy on Interstate 495 between the vicinity of Hemming Avenue and terminating near the vicinity of the Georgetown Pike (Route 193); and

WHEREAS, given the Department’s intention to extend the Existing I-495 HOT Lanes two miles farther north to the vicinity of George Washington Memorial Parkway (the entire span from the vicinity of Hemming Avenue to the vicinity of George Washington Memorial Parkway hereinafter referred to as the “Extended I-495 HOT Lanes”), the FHWA requires the Department to enter into a memorandum of understanding governing tolling for the Extended I-495 HOT Lanes (the “Toll MOU”), attached hereto as Attachment A, to replace the Existing Tolling Agreement; and

WHEREAS, the Toll MOU will require the Department to comply with mandatory federal requirements related to tolling and applicable to the Extended I-495 HOT Lanes; and

WHEREAS, the CTB is authorized under Va. Code § 33.2-221(A) to enter into all contracts and agreements with the United States government.

Resolution of the Board

Designation of the I-495 Express Lanes Northern Extension as HOT Lanes

May 19, 2021

Page 3 of 3

NOW, THEREFORE, BE IT RESOLVED that the CTB hereby designates the I-495 Express Lanes Northern Extension as HOT lanes in accordance with Va. Code § 33.2-502, to be implemented upon issuance of a “Service Commencement Notice to Proceed” pursuant to the ARCA, as it may be amended.

BE IT FURTHER RESOLVED that the CTB hereby specifies the high-occupancy requirement for the I-495 Express Lanes Northern Extension as HOV-3, in accordance with Va. Code § 33.2-502, to be implemented upon issuance of a “Service Commencement Notice to Proceed” pursuant to the ARCA, as it may be amended.

BE IT FURTHER RESOLVED that the CTB hereby authorizes the Commissioner of Highways to establish the conditions for use of the I-495 Express Lanes Northern Extension in accordance with the terms and conditions of the ARCA, as it may be amended.

BE IT FURTHER RESOLVED that the CTB hereby authorizes the Commissioner of Highways to execute the Toll MOU between the Department and FHWA, governing the tolling of the Extended I-495 HOT Lanes, in the form set out as Attachment A, with such changes as the Commissioner deems necessary or appropriate.

CTB Decision Brief

Designation of the I-495 Express Lanes Northern Extension as HOT Lanes and Authorization for the Commissioner of Highways to Enter into a Memorandum of Understanding with the Federal Highway Administration Concerning Tolling

Issue: The Virginia Department of Transportation (the “Department”) intends to amend and restate the Amended and Restated Comprehensive Agreement (as subsequently amended, the “ARCA”) relating to the Route 495 High Occupancy Toll (“HOT”) Lanes to extend the existing HOT lanes on Interstate 495, with two dedicated travel lanes in each direction, approximately two miles farther north to the vicinity of George Washington Memorial Parkway (the “I-495 Express Lanes Northern Extension”). Given the Department’s intention to extend the HOT lanes on I-495, the Federal Highway Administration (“FHWA”) requires the Department to enter into a memorandum of understanding governing tolling for the extended I-495 HOT Lanes (the “Toll MOU”), to replace the tolling agreement for the existing I-495 HOT lanes (“Existing Tolling Agreement”).

Pursuant to Va. Code § 33.2-502, the Department is requesting that the Commonwealth Transportation Board (the “CTB”) designate the I-495 Express Lanes Northern Extension as HOT lanes permitting free passage by vehicles with three or more occupants (“HOV-3”). Further, pursuant to Va. Code § 33.2-221 (A), the Department is requesting authorization for the Commissioner of Highways to enter into the Toll MOU with FHWA.

Facts:

- On April 28, 2005, pursuant to the Public-Private Transportation Act of 1995 (the “PPTA”) (Va. Code § 33.2-1800, *et seq.*), the Department, Fluor and Transurban (USA), Inc., entered into a comprehensive agreement to develop, design, finance, construct, maintain, and operate the Route 495 HOT Lanes in Virginia Project.
- On December 19, 2007, the Department and Capital Beltway Express LLC (the “Concessionaire”) entered into the Amended and Restated Comprehensive Agreement (as subsequently amended, the “ARCA”) to develop, design, finance, construct, manage, operate, maintain and collect tolls on approximately 14-miles of high-occupancy toll lanes along Interstate 495 between the vicinity of Backlick Road (Route 617) and Route 738 (the “Existing I-495 HOT Lanes”).
- The Department now anticipates amending and restating the ARCA to add the I-495 Express Lanes Northern Extension.
- The Department expects for the I-495 Express Lanes Northern Extension to be tolled using congestion pricing.

Designation of I-495 Express Lanes Northern Extension as HOT Lanes

- On October 18, 2007, the CTB designated as HOT lanes the Existing I-495 HOT Lanes.
- In order for the lanes to be operated as HOT Lanes, the CTB must designate those lanes that comprise the I-495 Express Lanes Northern Extension as HOT lanes.
- Va. Code § 33.2-502 provides that the CTB may designate one or more lanes of any highway, including lanes previously designated as high-occupancy vehicle lanes, in the Interstate System, primary state highway system, or National Highway System, or any portion thereof, as HOT lanes.

- Pursuant to Va. Code § 33.2-502, in making HOT lanes designations, the CTB is required to also specify the high-occupancy requirement and conditions for use of such HOT lanes or may authorize the Commissioner of Highways to make such determination consistent with the terms of a comprehensive agreement executed pursuant to Va. Code § 33.2-1808, however, the high-occupancy requirement for a HOT lanes facility constructed or operated as a result of the PPTA shall not be less than three occupants per vehicle (“HOV-3”).

Authorization for the Commissioner of Highways to Enter Into a Toll MOU with FHWA Concerning Tolling of the I-495 HOT Lanes, as Extended

- On December 12, 2007, the Department entered into an Agreement with the Federal Highway Administration (“FHWA”) permitting the Department to implement tolls on HOV facilities under a congestion pricing toll strategy on Interstates 495 between the vicinity of Hemming Avenue and terminating near the vicinity of the Georgetown Pike (Route 193).
- Given the Department’s intention to extend the Existing I-495 HOT Lanes two miles farther north to the vicinity of George Washington Memorial Parkway (the entire span from the vicinity of Hemming Avenue to the vicinity of George Washington Memorial Parkway hereinafter referred to as the “Extended I-495 HOT Lanes”), the FHWA requires the Department to enter into a memorandum of understanding governing tolling for the Extended I-495 HOT Lanes (the “Toll MOU”), attached hereto as Attachment A, to replace the Existing Tolling Agreement.
- The CTB is authorized under Va. Code § 33.2-221(A) to enter into all contracts and agreements with the United States government.

Recommendation: It is recommended that the CTB (1) designate the I-495 Express Lanes Northern Extension as HOT lanes in accordance with Va. Code § 33.2-502, to be implemented upon issuance of a “Service Commencement Notice to Proceed” pursuant to the ARCA, as it may be amended; (2) specify the high-occupancy requirement for the I-495 Express Lanes Northern Extension as HOV-3, in accordance with Va. Code § 33.2-502, to be implemented upon issuance of a “Service Commencement Notice to Proceed” pursuant to the ARCA, as it may be amended; (3) authorize the Commissioner of Highways to establish the conditions for use of the I-495 Express Lanes Northern Extension in accordance with the terms and conditions of the ARCA, as it may be amended; and (4) authorize the Commissioner of Highways to execute the Toll MOU with FHWA for the Extended I-495 HOT Lanes.

Action Required by CTB: Section 33.2-502 requires a majority vote of the CTB adoption or approving the recommended actions. The CTB will be presented with a resolution for a formal vote.

Result, if Approved: The I-495 Express Lanes Northern Extension will be designated as HOT lanes, with a high occupancy requirement of three or more persons per vehicle, in accordance with Va. Code § 33.2-502, to be implemented upon issuance of a “Service Commencement Notice to Proceed” pursuant to the ARCA, as it may be amended; the Commissioner of Highways will be authorized to establish the conditions for use of the I-495 Express Lanes Northern Extension in accordance with the terms and conditions of the ARCA, as it may be amended; and the Commissioner of Highways will be authorized to execute the Toll MOU with FHWA.

Options: Approve, Deny, or Defer.

Attachment A

MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN THE FHWA VIRGINIA DIVISION OFFICE (DIVISION) AND THE VIRGINIA DEPARTMENT OF TRANSPORTATION (VDOT)

WHEREAS, on December 12, 2007, the Federal Highway Administration (FHWA) and Virginia Department of Transportation (VDOT) entered into an agreement (the "I-495 HOV/HOT Lanes Tolling Agreement") permitting VDOT to toll the high occupancy vehicle ("HOV") lanes facility on Interstate 495 between the vicinity of Hemming Avenue and terminating near the vicinity of the Georgetown Pike (Route 193) as High Occupancy Toll (HOT) lanes (the "Existing I-495 HOV/HOT Lanes Facility"); and

WHEREAS, tolling agreements are no longer required under Section 129 of Title 23, United States Code, as amended by MAP-21 and the FAST Act; and

WHEREAS, VDOT desires to extend the Existing I-495 HOV/HOT Lanes Facility approximately two miles farther north to the vicinity of George Washington Memorial Parkway ("Toll Project"), and after completion of the Toll Project, the entire span of the I-495 HOV/HOT Lanes Facility will extend from the vicinity of Hemming Avenue to the vicinity of George Washington Memorial Parkway (hereinafter referred to as the "Toll Facility"); and

WHEREAS, based on the Existing Toll Agreement, VDOT has previously implemented or plans to implement tolls using a congestion pricing toll strategy on the Existing I-495 HOV/HOT Lanes Facility and desires to implement tolls using a congestion pricing toll strategy on the portion of the Existing I-495 HOV/HOT Lanes Facility to be extended farther north to the vicinity of George Washington Memorial Parkway, such that tolling using a congestion pricing toll strategy will eventually be implemented on the entirety of the Toll Facility; and

WHEREAS, FHWA and VDOT desire to enter into this Memorandum of Understanding to reflect the mutual understanding that 23 U.S.C. 129(a) and 23 U.S.C. 166, HOV to HOT conversion applies to the entirety of the Toll Facility; and

WHEREAS, 23 U.S.C. 166(b)(4), as amended by the FAST Act, provides that a public authority may allow vehicles not otherwise exempt pursuant to 23 U.S.C. 166(b) to use a HOV facility by paying a toll.

NOW THEREFORE, the FHWA and VDOT hereby agree as follows:

1. The Toll Facility meets the toll eligibility requirements of 23 U.S.C. 166.
2. VDOT shall comply with all requirements of 23 U.S.C. 129(a) and 23 U.S.C. 166, as amended by the FAST Act, with respect to the Toll Facility. VDOT shall also ensure compliance with these requirements through appropriate contractual arrangements with a private operator of the Toll Facility.

3. Effective as of the date of last signature of this MOU, the I-495 HOV/HOT Lanes Tolling Agreement is hereby terminated and replaced with this MOU, which shall apply to the entirety of the Toll Facility.

IN WITNESS THEREOF, the parties hereto have caused this MOU to be duly executed, on the date of the last signature below.

Title: Action on Fiscal Year 2022 Capital Expenditures and Projects, Virginia Passenger Rail Authority

WHEREAS, in accordance with § 33.2-298 of the *Code of Virginia (Code)*, the Virginia Passenger Rail Authority (Authority), on February 1, 2021, submitted to the Commonwealth Transportation Board (CTB) the Authority’s annual operating budget for fiscal year 2022; and

WHEREAS, also in accordance with § 33.2-298 of the *Code*, the Authority on February 1, 2021, submitted its proposed budget for capital projects and capital grants for fiscal year 2022 for CTB review and approval.

WHEREAS, an amendment to the capital grants budget was brought to the CTB on May 18, 2021 to add \$14.0 million for passenger station state of good repair and Americans for Disabilities Act needs, and for establishing a reserve as required in the executed Amtrak Funding and Partnership Agreement.

WHEREAS, the Virginia Passenger Rail Authority Finance committee voted to approve the proposed capital grants amendment on May 14, 2021.

WHEREAS, the Authority Board will consider the proposed amendment to the capital projects budget at its May 24, 2021 meeting.

NOW, THEREFORE, BE IT RESOLVED by the Commonwealth Transportation Board that the Virginia Passenger Rail Authority proposed budget for capital projects and capital grants for fiscal year 2022 are approved, subject to the subsequent approval of the proposed capital grants budget amendment at the Authority’s May 24, 2021 Board meeting.

CTB Decision Brief

Fiscal Year 2022 Annual Budget, Capital Projects and Capital Grants

Virginia Passenger Rail Authority

May 19, 2021

Issue: Under § 33.2-298 of the *Code of Virginia (Code)*, the Virginia Passenger Rail Authority (Authority) must submit to the Commonwealth Transportation Board (CTB), by February 1, its detailed annual operating plan and budget, and also its proposed capital project and capital grants expenditures for approval. The Chairman of the Authority's Board to the CTB submitted these items to the CTB on February 1, 2021.

Facts: In accordance with the Code, the VPRA submitted its detailed annual operating plan and budget and its proposed capital projects and capital grants budget to the CTB on February 1. At the February 17th CTB meeting, a detailed presentation of the Authority budget was provided.

In response to comments from the CTB, and in order to incorporate changes resulting from the final Amtrak agreement requirements, an amendment to the capital grants budget was brought to the CTB on May 18, 2021. This amendment adds \$14.0 million for passenger station state of good repair improvements and Americans for Disabilities Act compliance. The amendment also establishes a \$5 million capital maintenance reserve as required in the executed Amtrak Funding and Partnership Agreement. This amendment was presented to the VPRA Finance Committee for approval on May 14, 2021.

Recommendations: The Authority recommends the approval of its Fiscal Year 2022 proposed capital projects and capital grants budget as amended.

Action Required by CTB: The CTB will be presented with a resolution for a formal vote to approve the Fiscal Year 2022 proposed capital budgets.

Options: Approve, Deny or Defer. If the CTB does not approve or deny the Authority's proposed capital budgets by May 30, the proposed capital expenditures will be deemed approved.

RESOLUTION OF THE COMMONWEALTH TRANSPORTATION BOARD

May 19, 2021

MOTION

Made By: Seconded By: Action:

Title: Approval of Third Amended and Restated Memorandum of Agreement with the Northern Virginia Transportation Commission Relating to the Transform66: Inside the Beltway Project

WHEREAS, the Commonwealth and the Northern Virginia Transportation Commission (NVTC) previously negotiated the terms of a Memorandum of Agreement (MOA) between the Virginia Department of Transportation (VDOT), the Commonwealth Transportation Board (CTB) and the NVTC relating to the Transform66: Inside the Beltway (Project), and

WHEREAS, the original MOA, which was approved by the CTB on December 9, 2015, set forth the responsibilities of the Parties relating to the Project and provided for, among other things, the transfer to and use by NVTC of specified funds collected from the CTB's/VDOT's tolling of the I-66 Inside the Beltway Facility (Facility) for certain Project Components; and

WHEREAS, the Parties subsequently negotiated an Amended and Restated Memorandum of Agreement (Amended and Restated MOA), which was approved by the CTB on December 7, 2016 and executed by the Parties in January 2017, that: (i) addressed the time frame and funding for the eastbound widening of the Facility, (ii) documented an increase in the allocation to NVTC from \$5 million to \$10 million, (iii) modified terms relating to payback of borrowed funds to the Toll Facilities Revolving Account, (iv) clarified the duration and nature of tolling for the Project, (v) addressed debt financing by NVTC to fund certain Project Components, and (v) addressed certain technical issues; and

WHEREAS, the Parties subsequently negotiated a Second Amended and Restated MOA, which was approved by the CTB on February 19, 2020, that (i) added DRPT as a party, (ii) permitted the Commonwealth to use toll revenues for debt service and pay-go expenses for Rail Components including Long Bridge and Rosslyn Metro (iii) provided NVTC a minimum payment of \$10 million per year (with a 2.5% escalation) for the I-66 Commuter Choice Program, (iv) provided an additional \$5 million per year (with a 2.5% annual escalation) to NVTC for the I-66 Commuter Choice Program from annual transit funding payments made to the Commonwealth by I-66 Express Mobility Partners, LLC as required by the “Amended and Restated Comprehensive Agreement Relating to the Transform 66 P3 Project” with such payments to NVTC beginning in FY 22, (vi) eliminated the existing restriction on the use of funds for transit operations beyond five years for those projects that cross jurisdictional lines or that connect to a VRE or Metrorail station and to allow NVTC to have the discretion to set the duration of funding for transit operations, and (v) modified and conformed language to make the agreement more similar to the 2017 “MOA Regarding the Annual Transit Investment from the 395 HOT Lanes” between the CTB, VDOT, DRPT, NVTC and the Potomac and Rappahannock Transportation Commission (PRTC); and

WHEREAS, there is a need to amend the Second Amended and Restated MOA to include technical amendments to the provisions related to the unintended restrictions on the potential use of toll revenues to fund one or both of the Rail Components;

WHEREAS, the Commonwealth and NVTC have negotiated amendments to the Second Amended and Restated MOA addressing this matter, which are reflected in the *Third Amended and Restated Memorandum of Agreement, Transform66: Inside the Beltway Project*, attached hereto as Exhibit A, and approved by the Northern Virginia Transportation Commission on May 6, 2021.

NOW THEREFORE, BE IT RESOLVED by the Commonwealth Transportation Board, that the *Third Amended and Restated Memorandum of Agreement, Transform66: Inside the Beltway Project*, attached hereto as Exhibit A, is hereby approved and the Secretary, Commissioner of Highways and the Director of the Department of Rail and Public Transportation are authorized to execute the Amended and Restated MOA on behalf of the Board, VDOT and DRPT, respectively.

BE IT FURTHER RESOLVED that the Secretary is authorized to make and/or approve such changes to the Third Amended and Restated MOA as she deems necessary, provided such changes do not change the overall substance of the terms of the Third Amended and Restated MOA.

CTB Decision Brief

Approval of proposed Third Amended and Restated Memorandum of Agreement with the Northern Virginia Transportation Commission Relating to the Transform66: Inside the Beltway Project May 19, 2021

Issue: The Commonwealth has negotiated a third amendment to the “Memorandum of Agreement (MOA) with the Northern Virginia Transportation Commission (NVTC) relating to the Transform66: Inside the Beltway Project”. The Third Amended and Restated MOA requires approval by the CTB.

Facts: The original MOA, which was approved by the CTB on December 9, 2015, set forth the responsibilities of the Parties relating to the Project and provided for, among other things, the transfer to and use by NVTC of specified funds collected from the CTB’s/VDOT’s tolling of the I-66 Inside the Beltway Facility (Facility) for certain Project Components. An Amended and Restated MOA between the CTB and NVTC was approved in December 2016 that further defined how toll revenues are to be used. In February 2020, the CTB approved a Second Amended and Restated MOA that among other things: (i) added DRPT as a party and (ii) permitted the Commonwealth to use toll revenues for debt service and pay-go expenses for Rail Components including Long Bridge and Rosslyn Metro.

The Parties now desire to make additional technical amendments to the provisions of the Second Amended and Restated MOA to address the unintended restrictions on the potential use of toll revenues to fund one or both of the Rail Components. The proposed Third Amended and Restated MOA (attached as Exhibit A to the accompanying resolution) addresses this matter. The MOA was approved by the Northern Virginia Transportation Commission on May 6, 2021.

Recommendation: DRPT recommends approval of the attached resolution.

Action Required by CTB: Approval of the attached resolution.

Options: Approve, Deny or Defer.

1 **THIRD AMENDED AND RESTATED**
2 **MEMORANDUM OF AGREEMENT**
3 **TRANSFORM66: INSIDE THE BELTWAY PROJECT**
4

5 This Third Amended and Restated Memorandum of Agreement (“MOA”) is entered into
6 on _____, 2021, between the Commonwealth Transportation Board (“CTB”), the Virginia
7 Department of Transportation (“VDOT”), both acting by and through the Commissioner of
8 Highways, and the Virginia Department of Rail and Public Transportation (“DRPT”), and the
9 Northern Virginia Transportation Commission (“NVTC”) (collectively, the “Parties”).

10 **RECITALS**

11 **WHEREAS**, the CTB, VDOT, and DRPT have embarked upon a multimodal
12 transportation program, Transform66, which seeks to fund and implement solutions to move more
13 people in the Interstate 66 (“I-66”) corridor between Haymarket, Virginia and Route 29 in the
14 Rosslyn area of Arlington County, Virginia; and

15 **WHEREAS**, the Transform66 program is composed of two distinct projects: (1) the
16 Transform66: Inside the Beltway Project, which involves multimodal transportation improvements
17 in the I-66 corridor beginning at the intersection of I-66 and I-495 (the “Beltway”) and ending at
18 U.S. Route 29 in the Rosslyn area of Arlington County, Virginia (the “Transform66: Inside the
19 Beltway Project” or the “Project”); the foregoing geographical limits are hereafter referred to as the
20 “Project Corridor” or the “Corridor” which, for avoidance of doubt includes adjacent and nearby
21 routes), and (2) the Transform66: Outside the Beltway Project, which involves multimodal
22 transportation improvements in the I-66 corridor beginning at Haymarket, Virginia, and ending at
23 the Beltway; and

24 **WHEREAS**, the improvement goals of the Transform66: Inside the Beltway Project, as
25 originally stated, are to (1) move more people; (2) enhance transportation connectivity; (3)
26 improve transit service; (4) reduce roadway congestion; and (5) increase travel options
27 (collectively, the “Improvement Goals”), all of which will benefit the users of the portion of I-66
28 beginning at the Beltway and ending at U.S. Route 29 in the Rosslyn area of Arlington County,
29 Virginia (the “Facility”); and

30 **WHEREAS**, in order to permit consistency and efficiency in NVTC’s administration of
31 the use of toll funds in the Corridor and concessionaire funds in the I-395 corridor, the Parties

32 desire to restate the aforesaid improvement goals as follows: (1) maximize person throughput in
33 the Corridor; and (2) implement multimodal improvements to: (i) improve mobility along the
34 Corridor, (ii) support new, diverse travel choices, and (iii) enhance transportation safety and travel
35 reliability (collectively, the “Improvement Goals”) each of which will benefit the users of the
36 Facility; and

37 **WHEREAS**, the Project will facilitate implementation of recommendations from VDOT’s
38 June 2012 Final Report of the I-66 Multimodal Study Inside the Beltway, and the further
39 refinements found in the August 2013 Supplemental Report, as well as recommendations from
40 DRPT’s 2009 Transportation Demand Management/Transit Report (collectively, the
41 "Commonwealth Reports"), and projects in the region’s constrained long range plan, as such plan
42 may be updated from time to time, including but not limited to multimodal transportation
43 improvements to the roadways and associated transportation and transit facilities in the vicinity of
44 the Facility and the Corridor (“Components”) (as described in the aforesaid VDOT and DRPT
45 reports and depicted in the diagram attached hereto and incorporated herein as Exhibit 1; and

46 **WHEREAS**, the Transform66: Inside the Beltway Project is intended to achieve the
47 Improvement Goals by (1) converting the existing Facility to a tolled facility with dynamic tolling
48 during the peak periods; (2) allowing mass transit and commuter buses to ride free at all times; (3)
49 permitting HOV-2 vehicles to ride free at all times until the later of 2020 or until any increase to
50 HOV-3 occupancy requirements for HOV lanes of I-66 outside the Beltway; (4) thereafter
51 permitting HOV-3 vehicles to ride free at all times; (5) improving transit services; and (6)
52 improving the Facility, including widening of I-66 eastbound from two lanes to three lanes
53 between Exit 67 at the Dulles Connector Road (“Exit 67”) and Exit 71, the Fairfax Drive/Glebe
54 Road exit (“Exit 71”), all subject to the conditions provided herein; and

55 **WHEREAS**, the multimodal transportation Components in the Transform66: Inside the
56 Beltway Project must meet the criteria enunciated in this MOA; and

57 **WHEREAS**, VDOT, on behalf of the CTB, will control and manage tolling on the Facility,
58 with the toll revenues being utilized and distributed according to this MOA, to support the tolling
59 operations and tolling maintenance of the Facility, and to fund Components selected by NVTC
60 and approved by the CTB for the Project, designed specifically to attain the Improvement Goals;
61 and

62 **WHEREAS**, the CTB intends to finance the widening of the Facility eastbound between
63 Exits 67 and 71 from funds of the Commonwealth other than toll revenues of the Facility; and

64 **WHEREAS**, the CTB desires to delegate to NVTC the authority to select and administer
65 the implementation of Components designed specifically to attain the Improvement Goals to be
66 financed in whole or in part from the portion of the toll revenues of the Facility transferred to
67 NVTC as provided in this MOA; and

68 **WHEREAS**, such delegation to NVTC shall not constitute approval by NVTC of the
69 Commonwealth’s actions to impose tolling along the Facility; and

70 **WHEREAS**, the Parties desire that, in addition to funding Components selected by NVTC
71 and approved by the CTB, toll revenues may be used to fund one or both of the following two
72 Components, including through issuance of debt, direct funding, a public private partnership, or
73 other means: (1) a new bridge structure that crosses the Potomac River between Arlington County
74 and the District of Columbia in the vicinity of the 14th Street Bridge complex and the Metro
75 Fenwick Bridge to expand the capacity for commuter and intercity rail passenger service as defined
76 by 49 U.S.C. §§ 24102(3) and (4) on July 1, 2019, and which may include, in addition to the river
77 crossing, reasonably related new track approaches to the new bridge, as well as property
78 acquisition and upgrades to the existing tracks on the Virginia and the District of Columbia sides
79 of the new bridge (the “Potomac River Passenger Rail Bridge Component”); and (2) new Metrorail
80 related improvements to, and serving, the Rosslyn Metrorail station in Arlington County that
81 would facilitate the movement of passengers and relieve train congestion on the Blue, Orange, and
82 Silver Metrorail lines, and which may include, but not be limited to, a new platform and station,
83 pedestrian connections to the existing Rosslyn Metrorail station, and a future new extension of
84 Metrorail under the Potomac River (the “Rosslyn Metrorail Station Component”) (collectively, the
85 “Passenger Rail and Metrorail Components” or “Rail Components”); and

86 **WHEREAS**, the Rail Components will achieve the Improvement Goals, and will benefit
87 the users of the Facility, and satisfy the criteria hereafter set forth; and

88 **WHEREAS**, the Parties initially memorialized their agreement regarding the allocation
89 and expenditure of certain toll revenue arising from travel on the Facility, the criteria for use of
90 toll revenue to implement Components and the relationship between the Parties in a Memorandum
91 of Agreement dated January 5, 2016, and thereafter entered into an Amended and Restated
92 Memorandum of Agreement dated January 5, 2017 (“the 2017 Amended and Restated MOA”), to

93 reflect the time frame in which the eastbound widening of the Facility will occur and the funding
94 to be used therefor, as well as other amendments related to use of toll revenue, duration of tolling
95 and debt financing by NVTC to fund Components, and thereafter entered into an Amended and
96 Restated Memorandum of Agreement dated January 16, 2020 to include provisions for the
97 potential use of toll revenues to fund one or both of the Rail Components, and now wish to further
98 amend and restate that agreement to include a technical amendment to the provisions for the
99 potential use of toll revenues to fund one or both of the Rail Components.

100 **NOW, THEREFORE**, in consideration of the foregoing recitals, the mutual covenants
101 and agreements contained herein, and the mutual benefit to the Parties of attaining the
102 Improvement Goals, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

103 **I. Nature of the Parties' Interest Under This MOA**

104 This MOA provides for the transfer to and use by NVTC of specified funds collected from
105 the CTB's tolling of the Facility, as allowed by law and according to the terms of this MOA, for
106 the selection and administration of Components to attain the Improvement Goals. This MOA is
107 specifically subject to, and is governed by applicable state and federal laws concerning the
108 allowable use of tolls, including but not limited to § 33.2-309 of the *Code of Virginia* (1950), as
109 amended ("Virginia Code"), 23 U.S.C. §§ 129 and 166 and the terms of any agreement by and
110 between the Federal Highway Administration ("FHWA") and VDOT that may be required in order
111 to toll the Facility.

112 This MOA does not grant NVTC any authority over I-66, the tolling of I-66, or any other
113 roadways in the I-66 corridor. It also does not address toll revenues that may be derived from the
114 tolling of I-66 outside the Beltway. It also does not obligate VDOT or the CTB to provide any
115 specified amount of revenues beyond the toll revenues generated from the Facility and allocated
116 by the CTB in compliance with Virginia Code § 33.2-309 as provided in this MOA, all subject to
117 appropriation by the General Assembly.

118 **II. Basic Agreement; Roles and Responsibilities**

- 119 A. VDOT, DRPT, and the CTB shall have the following roles and responsibilities:
- 120 **1. Design and Construction of Dynamic Tolling Operation on I-66 Inside the**
121 **Beltway.** VDOT shall be responsible for the design and construction of all
122 improvements and facilities to convert the existing Facility to a dynamic tolled
123 operation (the "Conversion"). Funding to accomplish this Conversion will be

124 advanced from the Toll Facilities Revolving Account pursuant to Virginia Code §
125 33.2-1529 and repaid out of toll revenues collected from the Facility.

126 **2. Toll Collection and Establishment.** Subject to the necessary approvals of the
127 CTB and FHWA, and in accordance with law, VDOT and the CTB, as applicable,
128 shall establish, charge, modify and collect tolls throughout the term of this MOA
129 for vehicles using the Facility during peak hours, which shall include dynamic
130 pricing to ensure travel speeds in accordance with 23 U.S.C. § 166. The CTB
131 reserves the right to make any changes to the tolling of the Facility that increase the
132 hours or directions of tolling and any toll revenue generated from any change shall
133 be governed by this MOA.

134 **3. HOV Requirements.** In accordance with the long range plan adopted by the
135 National Capital Region Transportation Planning Board, VDOT and the CTB shall
136 take the required actions necessary to change the Project HOV-2 designation to
137 HOV-3 by the later of January 2, 2020, or upon any increase to HOV-3 occupancy
138 requirements for HOV lanes of I-66 outside the Beltway

139 **4. Use of Toll Revenues.** VDOT shall include in the annual budget presented to
140 the CTB for approval in June of each year, an estimate of the toll revenues
141 anticipated to be collected in the upcoming year and the proposed allocation of all
142 such toll revenues, including to pay the NVTC Payment (as defined below) and any
143 NVTC or Rail Component Debt Service (as defined below) in the upcoming year.
144 Allocation of these toll revenues shall be provided in the following order with the
145 intent that, after the allocations provided for in (a), (b), (c), (d), (e), (f), and (g), all
146 remaining toll revenues, including those carried forward in accordance with
147 II.A.4(c), shall be made available for additional Components selected by NVTC in
148 accordance with (c):

149 (a) reasonable costs and expenses of tolling operation and tolling
150 maintenance, including reasonable reserves for major maintenance of
151 tolling operations of the Facility;

152 (b) Debt Service on Rail Component Debt (as defined below) for one or
153 both of the Rail Components. At the time of debt issuance, it shall be

154 demonstrated that the anticipated revenues are sufficient to allow for the
155 required debt service and the annual NVTC Payment (as defined below);
156 (c) the NVTC Payment (as defined below) for Components selected by
157 NVTC and approved by the CTB under the terms of this MOA, and any
158 implementation costs related to Components, as well as operating costs
159 related to Components;
160 (d) Pay go for Rail Components between the estimated start of the Long
161 Bridge construction in 2022 and 2034;
162 (e) repayments to the Toll Facilities Revolving Account (i) for any
163 allocation advanced from the Toll Facilities Revolving Account for the
164 Conversion and (ii) the initial allocation to NVTC of \$10 million for the
165 Project described in II.C., with a repayment schedule for the Conversion
166 allocation and the initial allocation to NVTC (x) of not less than 25 years
167 from the first date of disbursement, (y) reflecting a 0% interest rate, and (z)
168 annually committing not more than six percent of anticipated toll revenues
169 to such repayment; provided, however, if toll revenues remaining after the
170 allocation described above in II.A.4(a), (b), (c) and (d) is below two times
171 the amount budgeted for allocation described below in II.A.4(f), then the
172 repayment to the Toll Facilities Revolving Account shall not exceed an
173 amount that would result in the toll revenues remaining after the allocations
174 described in II.A.4(a), (b), (c), and (d) of less than one and a half times the
175 amount budgeted for allocation in II.A.4(f);
176 (f) Debt Service on NVTC Debt (as defined below) incurred to finance
177 Components selected by NVTC and approved by the CTB under the terms
178 of this MOA: provided that the annual amount of the Debt Service payments
179 does not exceed 60 percent of toll revenues remaining after the allocations
180 described above in II.A.4(a), (b), (c), and (d); provided further that no
181 NVTC Debt may be incurred unless the toll revenues remaining after the
182 allocation described above in II.A.4(a), (b), (c), and (d) in the fiscal year
183 prior to the fiscal year the NVTC Debt will be incurred must be at least two
184 times the maximum annual scheduled Debt Service on all outstanding

185 NVTC Debt and the proposed NVTC Debt in the then-current or any future
186 fiscal year;

187 (g) repayment to the Toll Facilities Revolving Account not paid in any prior
188 and current year in accordance with II.A.4(e) as a result of not meeting the
189 coverage requirements specified in II.A.4(f);

190 (h) any remaining revenues for Components selected by NVTC and
191 approved by the CTB under the terms of this MOA, and any implementation
192 costs related to Components, as well as operating costs related to
193 Components. To the extent Components have not yet been selected by
194 NVTC and approved by the CTB for funding with any remaining revenues,
195 the remaining revenues shall be carried forward to the next fiscal year and
196 made available to NVTC for Components approved in accordance with the
197 provisions of this MOA.

198 "NVTC Debt" means (i) any bonds, promissory notes, loan, financing or
199 credit agreements under which NVTC is obligated to repay money borrowed to
200 finance a Component, (ii) all installment sales, conditional sales and capital lease
201 obligations incurred or assumed by NVTC to finance a Component. The term
202 "incurred" as used in the MOA with respect to NVTC Debt shall also mean issued
203 or assumed. "Debt Service on NVTC Debt" means for a fiscal year or other
204 measurement period the aggregate of the payments to be made in respect of the
205 principal of and interest on NVTC Debt and the associated financing or trustee's
206 fees or charges and required deposits to any reserve funds.

207 "Rail Component Debt" means (i) any bonds, promissory notes, loan,
208 financing or credit agreements under which the issuer is obligated to repay money
209 borrowed to finance a Rail Component, (ii) all installment sales, conditional sales
210 and capital lease obligations incurred or assumed by the issuer to finance a Rail
211 Component. The term "incurred" as used in the MOA with respect to Rail
212 Component Debt shall also mean issued or assumed.

213 "Debt Service on Rail Component Debt" means for a fiscal year or other
214 measurement period the aggregate of the payments to be made in respect of the

215 principal of and interest on Rail Component Debt and the associated financing or
216 trustee's fees or charges and required deposits to any reserve funds.

217 "NVTC Payment" means an annual payment calculated as follows: \$10
218 million increased by 2.5% each year starting in fiscal year 2021 as set forth in the
219 attached Exhibit 2.

220 **5. Limit on Operating Costs.** NVTC may not expend more than 50% of the
221 allocation described above in II.A.4(c) during the preceding nine fiscal-year period
222 for operating costs. In addition, with respect to operating costs, NVTC may only
223 use the toll revenues:

224 (a) to pay operating costs for toll revenue funded Components that are transit
225 operations and are regional in nature because: (i) the service crosses
226 jurisdictional boundaries and/or (ii) the service provides a direct connection
227 to Metrorail or VRE stations; and

228 (b) to pay operating costs for all other individual toll revenue-funded
229 Components only in the following maximum amounts: (i) up to 100% of
230 operating costs for the first five years, (ii) up to 75% of operating costs for
231 year six, (iii) up to 50% of operating costs for year seven, (iv) up to 25% of
232 operating costs for year eight, and (v) 0% of operating costs after year eight.

233 **6. Approval of Components of the Project.** Provided NVTC complies with the
234 criteria established herein for selection of Components, and subject to II.A.4.
235 above, the CTB shall consider, approve, and allocate toll revenue funding for such
236 Components. Each year, NVTC shall submit to DRPT a list of proposed
237 Components for funding ("Funded Components") for presentation by DRPT and
238 NVTC at a regularly-scheduled CTB workshop. Such proposed Funded
239 Components shall be selected by NVTC in accordance with a process established
240 by NVTC consistent with the terms of this MOA. In addition, NVTC must provide
241 to DRPT for DRPT's review and input any draft written materials, presentations, or
242 recommendations that NVTC intends to provide to the CTB for any workshop
243 relating to proposed Funded Components at least fifteen working days before
244 NVTC finalize any such written materials, presentations, or recommendations.
245 Each proposed Funded Component presented to the CTB for approval shall be

246 identified separately with supporting documentation, including a description of the
247 benefits that were the basis for evaluation and selection of each such proposed
248 Funded Component. If the proposed Funded Components are selected in
249 accordance with NVTC's selection process and the proposed Components whether
250 funded with the NVTC Payment of the Concessionaire Payment (as defined below)
251 meet the Project Criteria (defined below), then the CTB will consider and approve
252 the proposed Funded Components by an affirmative vote and, subject to
253 appropriation by the General Assembly, allocate NVTC Payment and NVTC
254 Concessionaire funds for such Funded Components.

255 VDOT and DRPT may provide technical assistance to NVTC in its preparation of
256 recommendations to the CTB for funding of Components, as well as in the
257 implementation of Components approved by the CTB for funding. DRPT will
258 provide the CTB with an analysis of whether Components proposed by NVTC meet
259 the requirements of this MOA and DRPT will provide a copy of the analysis to
260 NVTC for review and input at least fifteen working days prior to it being sent to
261 the CTB.

262 **7. Suspension of Tolling.** VDOT shall, in its sole discretion, and in accordance
263 with Virginia Code § 33.2-613(B) as amended, have the right to order immediate
264 suspension of Facility tolling in the event I-66 is required for use as an emergency
265 mass evacuation route. VDOT shall lift any such emergency toll suspension as
266 soon as the need for emergency mass evacuation ceases. Neither the
267 Commonwealth of Virginia, the CTB, nor VDOT shall have any liability to NVTC
268 for any loss of toll revenues or any increase in costs and expenses attributable to
269 any such toll suspension to facilitate emergency mass evacuation.

270 If I-66 is designated for immediate use as any alternate route for diversion of traffic
271 from another highway or is temporarily closed to all lanes in one or both directions
272 due to a significant incident or emergency, VDOT shall have the right to order the
273 immediate suspension of tolling in the direction(s) of any diversion. Neither the
274 Commonwealth of Virginia, the CTB, nor VDOT shall have any liability to NVTC
275 for the loss of any toll revenues or any increase in costs and expenses attributable
276 to the hours the toll suspension is in effect.

277 **8. Duration of Tolling:** Nothing in this MOA shall obligate or be construed as
278 obligating VDOT to continue or cease tolls after the end of this MOA's term except
279 as provided in III and IV.

280 **9. Operation and Maintenance of I-66.** Except as set forth in II.A.4(a), VDOT
281 shall throughout the term of this MOA, maintain and operate, or cause others to
282 maintain and operate the Facility from Highway Maintenance and Operating Fund
283 revenues.

284 **10. Annual Budget Process.** In preparation for the CTB's annual budget process,
285 VDOT shall estimate toll revenues and anticipated allocation of the estimated toll
286 revenues for the upcoming six-year period presented in the Six Year Financial Plan
287 and Six Year Improvement Program and provide said estimates to NVTC not later
288 than January 30th of each year.

289 The CTB agrees to do the following:

290 (a) Each year and in accordance with the schedule of the Department of
291 Planning and Budget of the Commonwealth, the CTB or the CTB's designee
292 shall request that the Governor include in the budget to be delivered to the
293 General Assembly during their next session a provision that there be
294 appropriated from the revenues expected from the Facility amounts
295 sufficient to pay the budgeted amount of funds expected to be provided to
296 NVTC during the next succeeding fiscal year or biennial period, as
297 applicable.

298 (b) The CTB shall use its best efforts to have (i) the Governor include, in
299 each biennial or any supplemental budget that is presented to the General
300 Assembly, the amounts described in (a) above and (ii) the General
301 Assembly deposit, appropriate and reappropriate, as applicable, such
302 amounts.

303 (c) The CTB shall take all actions necessary to have payments which are
304 made pursuant to (b) above charged against the proper appropriation made
305 by the General Assembly.

306 (d) The CTB shall notify the NVTC promptly upon becoming aware of any
307 failure by the General Assembly to appropriate for the next succeeding

308 fiscal year or biennial period, as applicable, amounts sufficient to pay the
309 budgeted amounts due NVTC.

310 **11. Quarterly Payments.** VDOT shall provide quarterly payments of actual toll
311 revenues to NVTC of those toll revenues allocated pursuant to II.A.4(c) of this
312 MOA by the 15th day of each quarter. The quarterly payment shall be equal to the
313 lesser of 25 percent of the amount appropriated and allocated under II.A.4(c), or
314 the toll revenues available to make such payment. To the extent VDOT is unable
315 in any quarter to provide the full 25 percent of the amount appropriated and
316 allocated, the VDOT shall make up the deficiency in subsequent quarters and fiscal
317 years to the extent toll revenues are available to do so after the allocations are made
318 pursuant to II.A.4(a), (b), (c), (d), (e), (f), and (g). Neither VDOT nor DRPT shall
319 deduct from such quarterly payments any administrative fee or other charges. At
320 NVTC's request, VDOT may elect to provide monthly payments of the actual toll
321 revenues to NVTC. If VDOT so elects, the payments shall be made on a monthly
322 basis with the necessary changes to the foregoing in points of detail.

323 **1. Reports.** VDOT shall provide quarterly reports documenting the actual
324 revenues and distributions of said toll revenues to NVTC.

325 B. NVTC shall have the following roles and responsibilities:

326 **1. Coordination and Development of Transportation Plan; Use of Toll**
327 **Revenues; Compliance with Laws Limiting Use.** As part of the Six Year
328 Improvement Program presented to the CTB for approval in June of each year,
329 NVTC shall submit to the CTB, a list of Components proposed to be funded in
330 whole or in part with toll revenues from the Facility. Such Components shall be
331 selected by NVTC in accordance with a process established by NVTC pursuant to
332 this MOA. Such Components shall be separately identified with supporting
333 documentation as set forth in Exhibit 3. The CTB shall consider and approve the
334 Components selected by NVTC, and allocate toll revenues for them, pursuant to
335 II.A.4, provided the Components meet the criteria below and are selected in
336 accordance with NVTC's selection process described in II.B.2. Each proposed
337 Component must meet each of the following five criteria:

338 (a) Must benefit the toll-paying users of the Facility;

339 (b) Must have the capacity to attain one or more of the Improvement Goals;

340 (c) Must be one of the following multimodal transportation improvements

341 serving the Corridor:

342 i. New or enhanced local and commuter bus service, including
343 capital and operating expenses (e.g., fuel, tires, maintenance, labor
344 and insurance), subject to the limitations in II.A.5, and transit
345 priority improvements;

346 ii. Expansion or enhancement of transportation demand
347 management strategies, including without limitation vanpool, and
348 formal and informal carpooling programs and assistance;

349 iii. Capital improvements for Washington Metropolitan Area
350 Transit Authority rail and bus service, including capital and
351 operating expenses, subject to the limitations in II.A.5, and
352 improved access to Metrorail stations and Metrobus stops;

353 iv. New or enhanced park and ride lot(s) and access or improved
354 access thereto;

355 v. New or enhanced VRE improvements or services, including
356 capital and operating expenses, subject to the limitations in II.A.5.

357 vi. Roadway improvements to address impacts from the dynamic
358 tolling of the Facility on roadways in the Corridor (including but not
359 limited to Routes 7, 29, 50, and 309, and Washington Boulevard,
360 Wilson Boulevard, and Westmoreland Street);

361 vii. Transportation Systems Management and Operations as defined
362 in 23 U.S.C. § 101(a)(30) on December 1, 2015; and

363 viii. Projects identified in the Commonwealth Reports or projects in
364 the region's constrained long-range plan or regional transportation
365 plans approved by the Northern Virginia Transportation Authority,
366 as any such plan may be updated from time to time.

- 367 (d) For non-debt financed Components, must demonstrate the ability to
368 obligate the toll revenues to the cost of the Component within two fiscal
369 year and to expend the toll revenues within five fiscal years of the fiscal
370 year in which the funds are allocated by the CTB except to the extent to
371 which the CTB approves an extension of such timeframes upon the request
372 of NVTC; and
- 373 (e) Must demonstrate that the Components will be in compliance with all
374 applicable laws, rules and regulations and have received or will receive all
375 required regulatory approvals.

376 Under no circumstances shall the aforesaid criteria be modified except by written
377 amendment to this MOA agreed to in writing by the Parties.

378 NVTC shall have no right to use the toll revenues to pay any debt, obligation
379 or liability unrelated to the Project, or for any purposes other than those specified
380 in this MOA.

381 NVTC understands and agrees that in the selection and implementation of
382 Components using the toll revenues, it is bound by the provisions of Virginia Code
383 § 33.2-309 as well as all other state and federal laws and regulations that limit the
384 use of toll revenues, and toll revenues from interstate highways specifically.
385 Accordingly, NVTC agrees to provide VDOT access to all records relating to
386 Components and the use of the toll revenues. Further, NVTC will provide all such
387 records for inspection and audit by VDOT, DRPT, and federal agencies, including
388 but not limited to the United States Department of Transportation, the Federal
389 Highway Administration, and the Federal Transit Administration, or their
390 designees, upon reasonable notice at all times during the term of this MOA.

391 NVTC agrees to promptly furnish to VDOT and DRPT copies of all reports
392 and notices it delivers to bondholders or other credit providers or any trustee
393 relating to the use of the toll revenues.

394 **2. Project Component Selection Process:** Any Component to be proposed for
395 CTB approval shall be selected by NVTC through a process established by NVTC.
396 Such process shall include the following three elements:

- 397 (a) A request to submit proposed Components issued by NVTC to all
398 jurisdictions and other public transportation providers in Planning District
399 8;
- 400 (b) The evaluation, prioritization, and selection of proposed Components by
401 NVTC, the development of a funding strategy for each proposed
402 Component, and the submission of selected Components by NVTC to the
403 CTB; and
- 404 (c) A public hearing held by NVTC prior to NVTC's selection of
405 Components for submission to the CTB.

406 The CTB shall consider and approve the Components selected by NVTC
407 and, subject to appropriation by the General Assembly, shall allocate toll
408 revenues for such Components, pursuant to II.A.4, provided the
409 Components meet the criteria in II.B.1. As part of the list of Components
410 submitted to the CTB for consideration and approval and allocation of toll
411 revenues, NVTC may submit for CTB consideration and approval
412 additional Components that exceed the annual estimated toll revenues for
413 that year. Provided those Components meet the criteria in II.B.1, the CTB
414 shall consider and approve such additional Components and, pursuant to
415 II.A.4 and subject to any other approvals that may be necessary, approve
416 the allocation of toll revenues for such Components up to the amount of
417 actual toll revenues for that year that are sufficient to fund one or more of
418 those additional Components.

419 **3. Financing of Components of the Project.** NVTC may use toll revenues
420 appropriated by the General Assembly and allocated by the CTB to NVTC to
421 support the financing of approved Components, however, the amount of annual
422 Debt Service to be paid from toll revenues shall be limited as set forth in II.A.4(f).

423 NVTC is solely responsible for obtaining and repaying all NVTC Debt at
424 its own cost and risk, and without recourse to the Commonwealth of Virginia, the
425 CTB, VDOT, and/or DRPT, for any Component for which toll revenues have been
426 provided to NVTC under this MOA.

427 The Commonwealth of Virginia, the CTB, VDOT, and DRPT have no
428 liability whatsoever for payment of any Debt Service on any NVTC Debt incurred
429 by NVTC in connection with this MOA, or any other sum secured by or accruing
430 under any financing document entered into by NVTC as a result of this MOA. No
431 document evidencing or associated with any NVTC Debt for the financing of any
432 Component shall contain any provisions whereby a trustee would be entitled to seek
433 any damages or other amounts from the Commonwealth of Virginia, CTB, or
434 VDOT due to any breach of this MOA.

435 Each bond, promissory note or other document evidencing NVTC Debt
436 must include a conspicuous recital on its face stating: (a) payment of the principal
437 and interest does not constitute a claim against VDOT's interest in I-66 or any part
438 thereof; (b) payment is not an obligation of the Commonwealth of Virginia, VDOT,
439 DRPT, the CTB, or any other agency, instrumentality or political subdivision of the
440 Commonwealth of Virginia moral or otherwise; and (c) neither the full faith and
441 credit nor the taxing power of the Commonwealth of Virginia, VDOT, DRPT, the
442 CTB, or any other agency, instrumentality, or political subdivision of the
443 Commonwealth of Virginia and/or its member jurisdictions, is pledged to the
444 payment of the principal and interest on such NVTC Debt.

445 NVTC shall not enter into agreements with holders of any NVTC Debt
446 incurred by NVTC or its member jurisdictions that contain a pledge or claim on the
447 toll revenues or NVTC's interest in the toll revenue under this MOA except such
448 debt issued for Components. If, despite such efforts, toll revenues are applied to
449 satisfy any debt of NVTC that is not properly payable out of toll revenues in
450 accordance with this MOA and state and federal law, NVTC shall reimburse in full
451 any such toll revenues or accounts from any other available revenues other than the
452 toll revenues.

453 **4. Monitoring:** NVTC shall provide an annual report to the CTB within 120 days
454 of the end of NVTC's fiscal year. The report shall contain at a minimum the
455 following items:

456 (a) A description of the Components selected for funding in the past fiscal
457 year and the benefits that were the basis for evaluation and selection of each
458 such Component;

459 (b) Starting in 2020, a review of the Components funded in past fiscal years
460 describing the degree to which the expected benefits were realized or are
461 being realized; and,

462 (c) In the event that a funded Component is not providing substantially
463 similar benefits to those that were the basis for evaluation and selection of
464 the Component, the report shall evaluate the viability of a plan to either, (i)
465 modify such Component; or (ii) redeploy assets in such Component to other
466 eligible Components that are expected to provide greater benefits.

467 (d) The proposed uses of: (i) residual, unobligated balances of toll revenue
468 funds carried over from prior years, and (ii) interest earned on such toll
469 revenue funds.

470 **5. Accounting.** NVTC shall receive and manage, as a fiduciary, the toll revenue
471 appropriated by the General Assembly, allocated by the CTB, and distributed to it
472 by VDOT. NVTC shall maintain all funds and accounts containing said toll
473 revenues from this MOA separate and apart from all other funds and accounts of
474 NVTC. The revenues and expenses relating to the use of the toll revenues, and the
475 Components undertaken with the toll revenues from this MOA, shall not be
476 commingled with any other funds, accounts, venues, or expenses of NVTC. NVTC
477 shall create and maintain for the term of this MOA segregated accounting and
478 financial reporting for the Components financed by toll revenues provided by this
479 MOA and reported as a separate fund in NVTC's financial statements, and such
480 accounting shall constitute a "special revenue fund" as defined by the
481 Governmental Accounting Standards Board. Expenditures will be recorded and
482 reported for each Component.

483 All toll revenues provided to NVTC pursuant to the terms of this MOA shall
484 be held by NVTC in accounts with a financial institution under an arrangement that,
485 to the extent reasonably practicable, preclude such funds from being an asset

486 subject to the claims of creditors of NVTC, other than a holder of NVTC Debt, or
487 other claims related to the Components undertaken in accordance with this MOA.

488 **6. Quality Management.** NVTC shall be responsible for all quality assurance and
489 quality control activities necessary to properly manage the funding of the
490 development, design, construction, purchases, acquisition, operation and
491 maintenance of any Component it has undertaken pursuant to this MOA, and will
492 develop and provide to VDOT and DRPT for information purposes its manuals,
493 policies, and procedures to accomplish the same.

494 **7. Public Information.** During the term of this MOA, NVTC shall provide
495 information to the public concerning the Components it has undertaken, including
496 any public meetings and public hearing that may be required by law or regulation.

497 **8. Regulatory Approvals.** NVTC shall obtain, keep in effect, maintain, and
498 comply with all regulatory approvals necessary for funding the development,
499 operation, and maintenance of any Components funded under this MOA.

500 **9. Contracting Practices.** During the term of this MOA, NVTC covenants and
501 agrees, that with respect to the Components it has undertaken, it will comply with
502 all requirements of state and federal laws relating to anti-discrimination, including
503 but not limited to Titles VI and VII of the Civil Rights Act of 1964, as amended,
504 and the Americans with Disabilities Act, and shall contractually require the same
505 of all contractors, subcontractors, vendors, and recipients of any funding. NVTC
506 recognizes the importance of the participation of minority, women-owned and
507 small businesses through the federal and local Disadvantaged Business Enterprise
508 programs and will abide by such programs in implementing Components.

509 NVTC shall comply with all applicable federal requirements, including
510 those applicable to highways that are part of the National Highway System.

511 **10. Insurance and Indemnity by Contractors.** NVTC shall include the
512 Commonwealth of Virginia, the CTB, VDOT, DRPT, and their officers, employees
513 and agents, as additional insureds on NVTC's insurance policies so that they are
514 protected from and against any losses actually suffered or incurred, except for
515 losses to the extent caused by the negligence or willful misconduct of such entity
516 or person, from third party claims that are directly related to or arise out of: (a) any

517 failure by NVTC to comply with, to observe or to perform in any material respect
518 any of the covenants, obligations, agreements, terms or conditions in this MOA, or
519 any breach by NVTC of its representations or warranties in this MOA; (b) any
520 actual or willful misconduct or negligence of NVTC, its employees or agents in
521 direct connection with the Project or any related Components; (c) any actual or
522 alleged patent or copyright infringement or other actual or alleged improper
523 appropriation or use of trade secrets, patents, proprietary information, know-how,
524 trademarked or service-marked materials, equipment devices or processes,
525 copyright rights or inventions by NVTC in direct connection with the Project or;
526 (d) inverse condemnation, trespass, nuisance or similar taking of or harm to real
527 property committed or caused by NVTC, its employees or agents in direct
528 connection with the Project; or (e) any assumed liabilities. NVTC shall
529 contractually require its contractors, subcontractors, vendors, and others working
530 or performing services related to any Component it has funded to indemnify the
531 Commonwealth of Virginia, the CTB, VDOT, DRPT, and their officers, employees
532 and agents from the same losses.

533 All insurance purchased by NVTC or its contractors pursuant to this section
534 shall name the Commonwealth of Virginia, the CTB, VDOT, DRPT, and their
535 officers, employees and agents as additional insureds.

536 This provision shall survive the expiration or earlier termination of this
537 MOA.

538 In the event any third-party claim to which this section applies is asserted
539 in writing against the Commonwealth, the CTB, VDOT, DRPT, or their officers,
540 employees, and agents, VDOT will as promptly as practicable notify NVTC in
541 writing of such claim, which shall include a copy and any related correspondence
542 or documentation from the third party asserting the claim. However, any failure to
543 give such prompt notice shall not constitute a waiver of any rights of VDOT unless
544 such failure limits or precludes the availability of those rights.

545 **C. Initial Multimodal Transportation Improvements.** NVTC shall undertake a
546 Component selection process upon execution of this MOA, and submit to the CTB a list of
547 Components for an advanced allocation of funding in the amount of \$10 million (which

548 shall be provided upon commencement of construction of the dynamic tolling of the
549 Facility as provided in II.A.1, and shall be repaid as specified in II.A.4). Components shall
550 be multimodal transportation improvements that meet the criteria set forth in II.B.1 and are
551 capable of being obligated not later than at the time tolling begins on the Facility. In the
552 event litigation is filed challenging the implementation of the Project, or a Component of
553 the Project, prior to the initiation of tolling, or in the event any other action prohibits or
554 restricts the ability to toll the Facility, then the CTB may withhold this funding until such
555 time that the litigation or other event or action is resolved in a manner that allows the
556 Project to be implemented. NVTC may choose to expend other funds after the execution
557 of this MOA for Components identified through the selection process described in this
558 MOA prior to the commencement of construction. Any such expenditures are at NVTC's
559 risk but shall be reimbursable from the advanced allocation identified in this paragraph
560 provided the expenditures otherwise comply with the provisions of the MOA.

561 **D. Annual Concessionaire Payment to NVTC.** In addition to the toll revenues paid
562 to NVTC as provided in II.A.4, DRPT shall transfer to NVTC in any year toll revenues are
563 being used pursuant to II.A.4.(b) or II.A.4.(d) the sum of \$5 million, escalated each year
564 by 2.5% (the "Concessionaire Payment"), as set forth in Exhibit 4, subject to the following:

- 565 1. The Concessionaire Payment shall be subject to appropriation by the General
566 Assembly to the CTB, and shall be made available to NVTC each year in
567 accordance with the annual budget process set forth in Section II.A.10.,
568 specifically including the request each year by the CTB to the Governor, with
569 the assistance of VDOT and DRPT, to include the Concessionaire Payment in
570 the budget for the upcoming fiscal year.
- 571 2. Upon appropriation, the Concessionaire Payment shall be transferred by DRPT
572 to NVTC within 30 days of DRPT's receipt of the funds.
- 573 3. The Concessionaire Payment shall be used for Components in accordance with
574 the requirements of Section II.B.

575 **E. Widening and Related Improvements to I-66.** VDOT will proceed with plans to
576 widen the eastbound lanes of the Facility from two lanes to three lanes between the Dulles
577 Connector Road and Exit 71.

578 The design for the widening shall be limited to increasing the number of eastbound
579 lanes of the Facility from two lanes to three lanes consistent with an approved
580 environmental assessment conducted pursuant to the National Environmental Policy Act,
581 and other laws and regulations applicable to the widening, and shall apply the principals of
582 Context Sensitive Solutions as described in FHWA’s Publication FHWA-HEP-07-014 as
583 follows:

- 584 • Avoid, minimize or mitigate impacts to the parks, stream corridors, and
585 vegetation along the corridor and within the right-of-way;
- 586 • Avoid, minimize or mitigate impacts to the W&OD Trail and the Custis
587 Trail;
- 588 • Reduce the cost of this component of the Project; and
- 589 • Avoid, minimize or mitigate the need for acquisition of additional right-of-
590 way.

591 **III. Term.** Unless this MOA is otherwise terminated in accordance with VII, the term of this
592 MOA shall expire on January 11, 2057 (the “Expiration Date”) subject to the provisions of IV.

593 **IV. Debt Financing:** NVTC shall not incur any NVTC Debt that is dependent on toll revenue
594 from the Project and which matures or extends beyond Expiration Date. If this MOA is terminated
595 in accordance with VII prior to the Expiration Date, and there is outstanding NVTC Debt for which
596 toll revenues has been pledged to pay Debt Service or there are pay-go Components which are yet
597 to be completed, and further provided the use of toll revenues to pay Debt Service or the costs of
598 the pay-go Components is not a misuse of toll revenues under this MOA and the cause or basis of
599 the termination, then, subject to CTB approval, tolls shall continue to be imposed on the Facility
600 and toll revenues shall continue to be allocated in accordance with II.A.4(a), (b), (c), (d), (e), (f)g
601 to pay Debt Service or to complete the pay-go Components. The CTB will not approve funding
602 for pay-go Components for more than two fiscal years past the termination of the MOA in
603 accordance with VII prior to the Expiration Date.

604 **V. Amended and Restated Agreement.** This Second Amended and Restated MOA is intended
605 to represent a continuation of the 2017 Amended and Restated MOA, as amended and restated
606 upon the terms and conditions set out herein, and from and after the date hereof supersedes and

607 replaces the 2017 Amended and Restated MOA and supersedes all other prior agreements,
608 understandings, representations, or communications, whether written or oral.

609 **VI. Amendment.** This MOA may be altered, amended or revoked only by an instrument in writing
610 signed by all Parties or their permitted successor(s) or assignee(s).

611 **VII. Termination.** This MOA may be terminated (a) by a Party for material non-compliance with
612 this MOA which has not either been remedied, or a remedy commenced and diligently pursued
613 thereafter, within 120 days after written notice from the other Party, and (b) by written agreement
614 of the Parties. However, prior to any termination, the Parties shall meet and confer to make a good
615 faith attempt to resolve any non-compliance issues as follows. Within 30 days of the notice, the
616 Commissioner of Highways, the Director of Rail and Public Transportation and the NVTC
617 Executive Director shall meet to discuss resolution of the non-compliance issues. If a resolution
618 cannot be reached within 30 days, the Secretary of Transportation and the Chairman of NVTC
619 shall meet within 30 days to discuss resolution of the non-compliance issues. If a resolution cannot
620 be agreed upon within 30 days, the termination shall be effective as set forth in the written notice
621 and in accordance with this MOA.

622 **VIII. Notices.** Notices shall be made in writing and shall not be effective for any purpose unless
623 and until actually received by the addressee or unless served personally, by independent reputable
624 overnight commercial courier, by facsimile transmission followed by a timely service of the
625 original, or by deposit in the United States mail, postage and fees fully prepaid, registered or
626 certified mail, with return receipt requested, addressed as follows:

651 Any Party may, by notice as specified above, in writing designate an additional or a
652 different entity or mailing address to which all such notices should be sent.

653 **VIII. Relationship of the Parties.** The relationship of NVTC to VDOT and DRPT shall be one
654 of an independent contractor, not an agent, partner, lessee, joint venture, or employee.

655 **IX. No Third Party Beneficiaries.** Nothing contained in this MOA is intended or shall be
656 construed as creating or conferring any rights benefits or remedies upon or creating any obligations
657 of the Parties toward any person or entity not a party to this MOA.

658 **X. Governing Law.** This MOA shall be governed and construed in accordance with the laws of
659 the Commonwealth of Virginia.

660 **XI. Assignment.** This MOA may be assigned only with the written approval of the other Party.
661 In the event of an agreed assignment, there will be an amendment to this MOA to reflect the change
662 in Parties.

663 **XII. Survival.** If any provisions in this MOA are rendered obsolete or ineffective, the Parties
664 agree to negotiate in good faith appropriate amendments to, or replacement of such provisions, in
665 order to restore and carry out the original purposes to the extent practicable. If any provision is
666 rendered void or invalid, all remaining provisions shall survive.

667 **XII. Notice of Legal Proceedings.** The Parties agree to promptly notify each other if they become
668 aware of any claim or legal proceeding that could impact the program, projects, and activities
669 undertaken pursuant to this MOA.

670 **XIII. Construction of Agreement.** This MOA is intended by the Parties to be construed as a
671 whole, and indivisible, and its meaning is to be ascertained from the entire instrument. All parts
672 of the MOA are to be given effect with equal dignity, including but not limited to the recitals at
673 the beginning of this MOA, and all such parts, including the recitals, are to be given full force and
674 effect in construing this MOA. No provision of any recital shall be construed as being controlled
675 by, or having less force and effect, than any other part of this MOA because the provision is set
676 forth in a recital.

677 **XIV. No Personal Liability.** This Agreement shall not be construed as creating any personal
678 liability on the part of any officer, employee, or agent of the Parties; nor shall it be construed as
679 giving any rights or benefits to anyone other than the Parties.

680 **XV. No Waiver of Sovereign Immunity.** Nothing in this MOA shall be deemed a waiver of
681 sovereign immunity by any Party.

682 **XVI. Appropriations.** All obligations of the CTB to allocate toll revenues are subject to
683 appropriation by the Virginia General Assembly.

Title: Interstate 64 Hampton Roads Express Lanes Network Tolling System and Services Contract Award and TFRA Funding Authorizations

WHEREAS, the Virginia Department of Transportation (VDOT) has made briefings to the Commonwealth Transportation Board (CTB), Hampton Roads Transportation Accountability Commission (HRTAC), and Hampton Roads Transportation Planning Organization (HRTPO), demonstrating the operational benefits of the Hampton Roads Express Lane (HREL) Network providing for continuous HOT lanes travel on Interstate 64 in Hampton Roads between the interchange of Interstate 64 and Jefferson Avenue in Newport News and the interchange of Interstates 64, 264, and 664 in the Bowers Hill section of Chesapeake; and

WHEREAS, on May 21, 2020, the HRTPO identified and adopted the Regional Express Lanes Network, consistent with the HREL Network concept, "as a component of the Regional Priority Projects... identified by the HRTPO in its 2040 Long Range Transportation Plan to collectively provide the greatest impact on reducing congestion for the greatest number of citizens residing in Hampton Roads", recommending the HRTAC pursue funding, development, and implementation for the network; and

WHEREAS, on May 28, 2020, HRTAC voted to endorse inclusion of the HREL Network in the FY21-FY26 Plan of Finance – Six Year Operating and Capital Program and at their June 18, 2020 meeting approved the HRTAC Debt Management Plan to fund the HREL Network; and

WHEREAS, the CTB and HRTAC developed and adopted the HREL Network concept of operation and VDOT, the CTB and HRTAC have entered into the Master Agreement for

Development and Tolling of Hampton Roads Express Lanes Network (MTA), dated August 18, 2020, to address both development and tolling of the HREL Network; and

WHEREAS, pursuant to Article 4 of the MTA, VDOT is responsible to perform certain tolling duties and functions before the Transition Date (the date after which HRTAC will be responsible for tolling operation and maintenance duties) and among those duties, VDOT may contract for the provision of such services in a manner consistent with its past practice, subject to certain conditions; and

WHEREAS, in accord with the MTA, VDOT issued a request for proposals (RFP) on October 6, 2020 seeking proposals from qualified firms for the purpose of establishing a contract to provide for design, integration, implementation, on-going maintenance and operation of a system for the dynamic tolling on, and that meets VDOT's business and system requirements for, the I-64 Hampton Roads Express Lanes (HREL Tolling System and Services) and in response, received three proposals; and

WHEREAS, after evaluating the proposals and engaging in negotiations, VDOT has determined, based on the evaluation factors included in the RFP, that one offeror, who is fully qualified to deliver the HREL Tolling System and Services and whose proposal provides good value, should be awarded the contract for the HREL Tolling System and Services (Contract); and

WHEREAS, VDOT, after completion of mandatory reviews by the Virginia Information Technologies Agency and the Office of the Attorney General, issued a Notice of Intent to Award the Contract on May 17, 2021; and

WHEREAS, pursuant to § 33.2-209 of the *Code of Virginia*, the CTB has authority to award contracts for "...construction, maintenance, and improvement of the highways comprising systems of state highways...in excess of \$5 million..."; and

WHEREAS, in order to ensure the timely delivery of the HREL Tolling System and Services necessary for operation and tolling of all or a portion of the HREL Network on the intended commencement date, it is necessary that the Contract be awarded and executed without delay and prior to the June 2021 CTB meeting; and

WHEREAS, on September 20, 2017, the CTB advanced an amount of up to \$10,000,000 from the Toll Facility Revolving Account (TFRA) and allocated the same to pay the costs associated with work necessary to begin the engineering, analysis and construction of the needed tolling infrastructure and related services on Segment 2 of what is now the HREL Network, and directed that requests for additional funding from the TFRA or other sources for tolling infrastructure and related services be presented to the CTB for its approval; and

WHEREAS, on January 15, 2020, the CTB authorized an additional amount of up to \$28,000,000 to be advanced from the TFRA and allocated to support the construction and tolling integration on Interstate 64 from the I-664/I-264 Interchange to Interstate 264, including tolling integration costs for the High Rise Bridge, and related efforts for a regional Express Lanes Network in Hampton Roads; and

WHEREAS, VDOT has determined that of the \$10,000,000 allocated pursuant to the September 20, 2017 TFRA Allocation, and the \$28,000,000 allocated in the January 15, 2020 TFRA Allocation, \$12,786,320 has not been expended and remains available to fund the work for the design, construction, installation, implementation, operation and/or maintenance of the HREL Tolling System and Services.

NOW, THEREFORE BE IT RESOLVED, by the CTB that, due to the potential delay in operation and tolling of all or a portion of the HREL Network if award of the Contract for the HREL Tolling System and Services is delayed until the June 2021 CTB meeting, the Commissioner of Highways is hereby authorized and delegated the CTB's authority to award the Contract and to execute the Contract, as well as all other documents necessary to effectuate award of the Contract, provided the necessary tasks and activities related to award of the Contract are appropriately completed.

BE IT FURTHER RESOLVED, that the Commissioner of Highways is further authorized to exercise any and all options under the Contract.

BE IT FURTHER RESOLVED, that the Commissioner of Highways shall present the final Contract at the next CTB meeting for the CTB's affirmation.

BE IT FURTHER RESOLVED by the CTB, pursuant to 33.2-1529, that the unexpended portion of the \$10,000,000 allocated pursuant to the September 20, 2017 TFRA Allocation, and the unexpended portion of the \$28,000,000 allocated pursuant to the January 15, 2020 TFRA Allocation, (collectively, \$12,786,320), is authorized and allocated to pay costs of the work performed pursuant to the HREL Tolling System and Services Contract.

BE IT FURTHER RESOLVED by the CTB that the toll revenues collected from the HREL Network will be used in accord with § 33.2-309, including the reimbursement of funding advanced from the Toll Facilities Revolving Account authorized herein in accord with § 33.2-1529 of the *Code of Virginia*.

CTB Decision Brief

Interstate 64 Hampton Roads Express Lanes Network Tolling System and Services Contract Award and TFRA Funding Authorizations

Issue: The Virginia Department of Transportation (VDOT) has initiated steps to develop and implement a dynamic tolling system for the Hampton Roads Express Lane Network in accord with the Master Agreement for Development and Tolling of Hampton Roads Express Lanes Network (MTA), dated August 18, 2020 and entered into by VDOT, the Commonwealth Transportation Board (CTB) and the Hampton Roads Transportation Accountability Commission (HRTAC). Delegation of CTB authority is sought pursuant to §33.2-209 of the *Code of Virginia* for the Commissioner of Highways to award and execute a contract with a private entity for development and implementation of the tolling system for the HREL Network. In addition, VDOT seeks authorization to use previously allocated Toll Facilities Revolving Account funds to pay the costs of developing and implementing the tolling system pursuant to said contract.

Facts:

HREL Tolling System and Services Contract

- VDOT has made briefings to the CTB, HRTAC, and Hampton Roads Transportation Planning Organization (HRTPO), demonstrating the operational benefits of the HREL Network providing for continuous HOT lanes travel on Interstate 64 in Hampton Roads between the interchange of Interstate 64 and Jefferson Avenue in Newport News and the interchange of Interstates 64, 264, and 664 in the Bowers Hill section of Chesapeake.
- On May 21, 2020, the HRTPO identified and adopted the Regional Express Lanes Network, consistent with the HREL Network concept, “as a component of the Regional Priority Projects... identified by the HRTPO in its 2040 Long Range Transportation Plan to collectively provide the greatest impact on reducing congestion for the greatest number of citizens residing in Hampton Roads”, recommending the HRTAC pursue funding, development, and implementation for the network.
- On May 28, 2020, HRTAC voted to endorse inclusion of the HREL Network in the FY21-FY26 Plan of Finance – Six Year Operating and Capital Program and at their June 18, 2020 meeting approved the HRTAC Debt Management Plan to fund the HREL Network.
- The CTB and HRTAC developed and adopted the HREL Network concept of operation and VDOT, the CTB and HRTAC have entered into the MTA to address both development and tolling of the HREL Network.
- Pursuant to Article 4 of the MTA, VDOT is responsible to perform certain tolling duties and functions before the Transition Date (the date upon which HRTAC will assume tolling responsibilities for all or a portion of the HREL Network). Among those duties, the MTA provides that VDOT may contract for the provision of such services in a manner consistent with its past practice, provided that VDOT:
 - consults with HRTAC
 - provides HRTAC the opportunity to review and comment on solicitation documents and contracts prior to execution, and

- uses commercially reasonable efforts to ensure such contracts contain: (i) provisions that allow VDOT to unilaterally assign the contract to HRTAC, and (ii) commercially reasonable termination provisions including, without limitation, VDOT's right to terminate for convenience without undue termination compensation payable to the contractor.
- In accord with the MTA and the Virginia Public Procurement Act, VDOT issued a request for proposals (RFP) on October 6, 2020 seeking proposals from qualified firms for the purpose of establishing a contract to provide for design, integration, implementation, on-going maintenance and operations of a system for the dynamic tolling on, and that meets VDOT's business and system requirements for, the I-64 Hampton Roads Express Lanes (HREL Tolling System and Services).
- In response to the RFP, VDOT received three proposals and after evaluating the proposals and engaging in negotiations, VDOT has determined, based on the evaluation factors included in the RFP, that there is an offeror fully qualified to deliver the HREL Tolling System and Services, that the offeror's proposal provides good value, and that the offeror should be awarded the contract for the HREL Tolling System and Services (Contract).
- The proposed Contract would be for an initial 3-year period with the opportunity for three successive three-year renewals for a total of nine years and would provide for initial implementation of the HREL Tolling System and Services on Segment 2, with options for certain enhancements as well as implementation of the HREL Tolling System and Services on additional segments.
- VDOT, upon completion of mandatory reviews by the Virginia Information Technologies Agency and the Office of the Attorney General, issued a Notice of Intent to Award the Contract on May 17, 2021.
- Pursuant to § 33.2-209 of the *Code of Virginia*, the CTB has authority to award contracts for "...construction, maintenance, and improvement of the highways comprising systems of state highways...in excess of \$5 million...".
- To ensure that tolling will be implemented when Segment 2 of the HREL commences operation, it is imperative for work under the Contract to commence promptly, and for the Contract to be awarded and executed prior to the June 2021 CTB meeting. Thus, VDOT is requesting that the Commissioner be delegated the CTB's authority to award the HREL Tolling System and Services Contract, and to execute said Contract, provided all necessary tasks and activities related to award of the Contract are appropriately completed.

Toll Facilities Revolving Account Allocation

- On September 20, 2017, the CTB advanced an amount of up to \$10,000,000 from the Toll Facility Revolving Account (TFRA) and allocated the same to pay the costs associated with work necessary to begin the engineering, analysis and construction of the needed tolling infrastructure and related services on Segment 2 of what is now the HREL Network, and directed that requests for additional funding from the TFRA or other

sources for tolling infrastructure and related services be presented to the CTB for its approval.

- On January 15, 2020, the CTB authorized an additional amount of up to \$28,000,000 to be advanced from the TFRA and allocated to support the construction and tolling integration on Interstate 64 from the I-664/I-264 Interchange to Interstate 264, including tolling integration costs for the High Rise Bridge, and related efforts for a regional Express Lanes Network in Hampton Roads, and directed that the advance funding provided by the TFRA be repaid with toll revenues from the network of Express Lanes contemplated, or any portion thereof, or such other funds as may be identified and made available by the CTB.
- VDOT has determined that, of the \$10,000,000 allocated pursuant to the September 20, 2017 TFRA Allocation, and the \$28,000,000 allocated in the January 15, 2020 TFRA Allocation, \$12,786,320 has not been expended and remains available to fund work performed under the Contract to design, construct, install, implement, operate and/or maintain the HREL Tolling System and Services. Accordingly, VDOT is requesting authorization to use funds remaining from the September 20, 2017 and the January 15, 2020 TFRA Allocations to fund the HREL Tolling System and Services Contract.
- It is anticipated that once tolling commences on Segment 2, tolling revenues will be used to pay the costs associated with operation and maintenance of the Tolling System and repay the TFRA funding.

Recommendations: VDOT recommends that the Commissioner of Highways be delegated the CTB's authority to award the Contract and to execute the Contract and all other documents necessary to effectuate the award of the Contract, with a requirement to report to the CTB on the Contract for the CTB's affirmation of the award at its June 2021 meeting. VDOT also recommends that the Commissioner be authorized to exercise any and all options pursuant to the Contract, including but not limited to options for development and implementation of tolling on additional segments of the HREL Network. Finally, VDOT recommends that, pursuant to §33.2-1529, the CTB authorize use of remaining TFRA funds from the September 20, 2017 TFRA Allocation and the January 15, 2020 TFRA Allocation (\$12,786,320) to fund the HREL Tolling System and Services Contract.

Action Required by the CTB: The CTB will be presented with a resolution for a formal vote to (i) authorize the Commissioner of Highways to award and execute the HREL Tolling System and Services Contract, to execute all other documents necessary to effectuate the award of the Contract, (provided all necessary tasks and activities related to award of the Contract are appropriately completed), and to exercise any and all options under the Contract, including options to develop and implement tolling on additional segments of the HREL Network, (ii) direct the Commissioner to report back to the CTB in June regarding the Contract and for CTB affirmation of the award, and (iii) authorize use of previously allocated but unexpended TFRA funding from the September 20, 2017 and January 15, 2020 TFRA Allocations to pay for work performed pursuant to the HREL Tolling System and Services Contract.

Result, if Approved: The Contract will be awarded and VDOT will begin work related to design, construction, installation, implementation, operation and/or maintenance of the HREL Tolling System and Services.

Title: Adoption of SMART SCALE Recommendations for Preparation of the Final FY 2022-2027 Six-Year Improvement Program.

WHEREAS, section 33.2-214.1 of the *Code of Virginia*, provides that the Commonwealth Transportation Board (“Board”) shall develop a statewide prioritization process for certain projects funded by the Board, including those projects allocated funds pursuant to section 33.2-358 of the *Code of Virginia*, and

WHEREAS, effective July 1, 2015, Chapter 684 of the 2015 Acts of Assembly (HB 1887) modified section 33.2-358 and set forth the requirements relating to the allocation of funds to, and the establishment of, a High Priority Projects Program (“HPP”) and a District Grant Program (“DGP”) with candidate projects under these programs to be screened, evaluated and selected according to the prioritization process established pursuant to section 33.2-214.1; and

WHEREAS, the Board adopted a policy and process on June 17, 2015, and a revised policy and process on July 28, 2016, October 24, 2017 (corrected policy and process on February 21, 2018), and February 19, 2020, to govern screening, scoring and selecting projects for funding pursuant to section 33.2-214.1 (“Project Prioritization Process”); and

WHEREAS, the Board adopted a revised policy on December 7, 2016, *Six-Year Improvement Program Development Policy*, which among other things, required that the Board be presented with funding scenarios relating to the Project Prioritization Process and development of the Six Year Improvement Program for the Board’s consideration, with each scenario providing full funding for each project funded; and

WHEREAS, 406 applications were submitted and screened pursuant to the fourth round of the Project Prioritization Process with 397 validated applications being found to propose projects that are consistent with or meet one or more VTrans needs, thus satisfying the requirement in section 33.2-214.1 (B)(2) that candidate projects “be screened by the Commonwealth Transportation Board to determine whether they are consistent with the assessment of capacity needs for all for corridors of statewide significance, regional networks, and improvements to promote urban development areas established pursuant to § 15.2-2223.1, undertaken in the Statewide Transportation Plan in accordance with § 33.2-353”; and

WHEREAS, at its January 19, 2021 Workshop and its February 17, 2021 Workshop the Board was presented with information relating to the outcome of the prioritization process along with a Staff Recommended Funding Scenario for the fourth round of the Project Prioritization Process, based on a three step scenario (“Staff Recommended Funding Scenario”) consisting of the following steps (collectively, “Funding Steps”):

- Step 1: Fund top scoring projects within each district eligible for DGP funds using DGP funds until remaining funds are insufficient to fund the next highest scoring project.
- Step 2: Fund top scoring projects within each district that would have otherwise been funded with available DGP funds, but were not because they are only eligible for HPP funds, using HPP funds, as long as their SMART SCALE cost does not exceed the total amount of DGP funds available to be programmed based on their rank.
- Step 3: Fund remaining top scoring projects statewide eligible for HPP funds using HPP funds until remaining funds are insufficient to fund the next highest scoring project.

WHEREAS, nine public meetings were held virtually on April 22, 2021 for Culpeper, April 27, 2021 for Bristol and Fredericksburg, April 29, 2021 for Staunton and Lynchburg, May 3, 2021 for Richmond and Northern Virginia, and May 5, 2021 for Salem and Hampton Roads to receive public comments prior to the Board’s adoption of a Final Six-Year Improvement Program; and

WHEREAS, at its April 20, 2021 Workshop, the Board was presented the Draft FY 2020-2025 Six-Year Improvement Program based on the Staff Recommended Funding Scenario; and

WHEREAS, at its May 18, 2021 Workshop, the Board received recommendations as outlined in Attachment A to revise the Staff Recommended Funding Scenario based on public and stakeholder feedback in the form of a Consensus Scenario; and

WHEREAS, in accord with the requirement set forth in the *Six-Year Improvement Program Development Policy (2016)*, adopted by the Board December 7, 2016, full funding has been identified for all projects in the Consensus Scenario; and

WHEREAS, the Board has given due consideration to the Consensus Scenario presented at the May 18, 2021 Workshop.

NOW THEREFORE BE IT RESOLVED, that the Board finds that the Consensus Scenario as presented in the May 18, 2021 Workshop and reflected in Attachment A is the approach to be used in funding projects scored pursuant to the fourth round of the Project Prioritization Process for purposes of preparing the Final FY 2022-2027 Six-Year Improvement Program.

BE IT FURTHER RESOLVED that the Board hereby adopts the Consensus Scenario as presented in the May 18, 2021 Workshop as the approach to be used in funding projects scored pursuant to the fourth round of the Project Prioritization Process for the Final FY 2022-2027 Six-Year Improvement Program.

CTB Decision Brief

Adoption of SMART SCALE Recommendations for Preparation of the Final FY 2022-2027 Six-Year Improvement Program SMART SCALE Round 4 (FY 2022) Consensus Scenario

Issue: The adopted SMART SCALE policy, establishes that each Board member can make modifications to the Staff Recommended Scenario of the SMART SCALE Project Prioritization Process.

Facts: The Consensus Scenario includes Board modifications to the Staff Recommended Scenario, which was presented at the January 19, 2021 and February 17, 2021 Workshop (corrections made as a result of the E.2 Measure update). The Consensus Scenario was presented at the May 18, 2021 Workshop, as the final recommendation for modifications. Modifications to the fourth round of the SMART SCALE Project Prioritization Process will be implemented into the FY 2022-2027 Six-Year Improvement Program. Modifications were made in collaboration with the Board, OIPI Staff, VDOT Staff, DRPT staff, and the applicant community.

A summary of the Consensus Scenario is provided below (for specific project modifications, refer to the May 18, 2021 Workshop presentation):

District	Staff Recommended		Consensus Scenario			
	Projects	Allocated (millions)	Projects	Change	Allocated (millions)	Change (millions)
Bristol	16	\$76.59	17	+1	\$90.21	\$13.62
Culpeper	19	\$160.14	21	+2	\$164.21	\$4.07
Fredericksburg	12	\$109.49	12	-	\$113.31	\$3.82
Hampton Roads	19	\$125.90	24	+5	\$168.39	\$42.49
Lynchburg	9	\$142.07	11	+2	\$154.46	\$12.39
Northern Virginia	11	\$220.87	11	-	\$238.38	\$17.51
Richmond	19	\$177.76	19	-	\$186.66	\$8.90
Salem	29	\$142.76	29	-	\$142.76	\$ -
Staunton	21	\$80.81	22	+1	\$79.07	-\$1.74
Multi-District	1	\$50.00	1	-	\$50.00	\$ -
Total	156	\$1,286.40	167		\$1,387.46	\$101.07

Recommendations: OIPI recommends the approval of the adoption of the SMART SCALE Recommendations for Preparation of the Final FY 2022-2027 Six-Year Improvement Program.

Action Required by CTB: The CTB will be presented with a resolution for a formal vote to adopt modifications to the Staff Recommended Funding Scenario on May 19, 2021, which will finalize the SMART SCALE Round 4 (FY 2022) Consensus Scenario.

Result, if Approved: If approved, that the Consensus Scenario will be presented in the Final FY2022-2027 SYIP that will be adopted in June.

Options: Approve, Deny, or Defer.

Public Comments/Reactions: Nine public meetings were held virtually on April 22, 2021 for Culpeper, April 27, 2021 for Bristol and Fredericksburg, April 29, 2021 for Staunton and Lynchburg, May 3, 2021 for Richmond and Northern Virginia, and May 5, 2021 for Salem and Hampton Roads to receive public comments prior to the Board's adoption of a Final Six-Year Improvement Program. The comment period for the Final FY 2022-2027 Six-Year Improvement Program was open until May 17, 2021. A summary of public comments will be provided at the June CTB meeting.

156403-CF

Rockingham, Alleghany, Augusta, Rockbridge

The purpose of the Staunton South FAMS (Flexible Asset Maintenance Services) project is to provide all maintenance activities on the I-81 and I-64 right-of-way, twenty-four (24) hours a day seven (7) days a week. These activities will be performed on the assets at a frequency that ensures a uniform, consistent, and timely compliance at all times with the performance measures and timeliness requirements. The services and maintenance activities are divided into two categories within the contract, Performance based and Requirements based.

Performance based services include Emergency/Incident/Accident response and associated traffic control support to include queue management, full interstate closures, detour routing, signage, and active management of traffic flow (includes weather related events), Guardrail Repair and Maintenance to include High Tension Cable Barrier, Hazardous materials mitigation or removal, Third Party Damage Repairs, Emergency/Temporary Pothole patching, Distressed Asphalt patching, Edge Drains & Under Drains, Dead Animal & Debris pickup, Graffiti, Dump Sites, Heavy Spot Litter, Illegal Signs and Structures, and Planned and Unplanned Traffic Control support for Safety Rest Areas.

Requirements based services include Mowing with Litter pickup, Additional Litter pickup, Bridge deck and drain cleaning, Curb and gutter/Barrier wall sweeping, Incidental asphalt patching, Crack sealing, Snow patrols, and Queue Management Team.

Contract period: 2 years with four 2-year renewals.

Contract to commence August 1, 2021.

The purpose of this project is to rehabilitate and improve the general condition ratings of four interstate structures: I-77 SBL, I-77 NBL, I-77 NBL (Ramp D), and I-77 SBL (Ramp A) over Clear Fork Creek. Field testing of the bridge decks has identified elevated chloride levels in the bridge decks. The bridge rehabilitation includes deep overlays, joint elimination, structural steel repairs, bearing replacement, and substructure surface repairs.

Traffic will be maintained with a minimum of a single lane on each bridge throughout the project duration except for I-77 SBL (Ramp A) where traffic will be detoured approximately 2 miles on Route 52.

Fixed Completion Date: May 5, 2023

Spotsylvania County

The purpose of this project is to construct a park and ride commuter lot containing 683 spaces at the southwest corner of Route 1 and Commonwealth Drive in Spotsylvania County. Primary access to the lot will be provided from a proposed entrance on Commonwealth Drive. A secondary right-in/right-out only access will be provided on Route 1, south of Commonwealth Drive. A right turn lane will be constructed for this entrance, and a raised median will be installed on Route 1 to prohibit left turns at this location. Roadway improvements for the project include a minor reconstruction of Commonwealth Drive. This work involves repaving and restriping to create dedicated left-turn lanes into the proposed lot entrance and for traffic turning onto Route 1 northbound. Additional improvements will be constructed on Route 1 to facilitate the northbound left turns, specifically a receiving and acceleration lane. The project also includes the construction of bicycle and pedestrian facilities within the limits of the other improvements. The construction is performed in such a manner that traffic will be maintained with a minimum of inconvenience to the traveling public.

Project Name: I-81 MM 48 Northbound Acceleration Lane Extension
Project #: 0081-086-834 PE101, C501
UPC: 116161
Contract #: C00116161DB110
Location: Smyth County, Bristol District

The project is located along I-81 northbound in Smyth County, Virginia. The purpose of the project is to improve safety and operations by extending the existing I-81 Exit 47 northbound on ramp approximately 3,900 feet from MM 48.1 to MM 48.8. All improvements are proposed to occur within existing right-of-way. The limits of the Project are from approximately 0.24 miles north of the I-81 NBL bridge over Rifton Dr. (F010) to approximately 0.1 miles south of the I-81 NBL bridge over Hutton Br. (Rte. 689) for a total length of approximately 0.79 miles.

The Project was procured using a single phase design-build selection process.

Funding Source: I-81 Corridor Funds

Final Completion Date: July 25, 2022
