Subject Matter Experts for CBC Examination

Agenda item 8 F. Application Integrity Update. Mr. Olson introduced two staff members to the Board. Marjorie King and Nicole Jeffress. They are Licensing Analyst for the Board. These staff members shared some of the “work” they’ve been doing. Their detailed work and application discrepancy investigations have uncovered some unusual circumstances. They have been able to zone in on “lack of financial qualifications” resulting in applicants needing to change their job class request: identified numerous License applicants using the same address on their Contractor applications. As a direct result of some of the analysts’ findings we will be requiring everyone to sign the new applications. The Board thanked Marjorie and Nicole for their detailed work and asked them to keep up the good work.

Application Integrity Update

Director DeBoer and Executive Director Eric Olson updated the Board on the Small Business Commission with reference to the JLARC study regarding worker misclassification and the Executive Order directing DOLI to assist in the identification of possible employee misclassification.

Small Business Commission

Adrienne Mayo, Regulatory Boards Administrator shared that the classes are continuing to go well. She has had to send persons home who arrive to the class late. Also she’s had to send one person home because he arrived back from lunch late. These persons are allowed to re-register and take the class at another scheduled date. Mr. Dyer thanked her on behalf of the Board as well as all who assist with the Remedial Education Class.

Remedial Education Report

Agenda item 8 I. Regulatory Review Mindy Garofalo, our Regulatory Boards Administrator shared that: Effective January 2016 our building specialty classification will split into two specialties: commercial and residential. This has been approved and we now have the 30 day public comment.

Regulatory Review

The Board has voted to receive the NASCLA exam as equivalent and we have a Subject Matter Expert to assist PSI.

We are preparing the final Contractor Specialties for your review and/or adoption at our November or December 2015 meeting.

The proposed language for Integrity (Individual and Contractor) is being prepared for adoption at the November 2015 meeting.

The Continuing Education NOIRA is with the Governor.

RBEA Firms regulations become effective January 1, 2016.

RBEA Individuals regulations effective November 1, 2015.

Periodic Review for Regulations- there were two comments: 1. Has nothing to do with Regulations it addresses a message issue and during the time they were attempting to contact us we had Verizon phone issues. 2. Suggest we go into Reg review to review inactive status for tradesman and look at adding a status of Emeritus for Trades and Contractors.

After discussion Mr. Oliver offered a motion seconded by Mr. Middleton to recommend adding status of "Emeritus License" for both Contractors and Trades. The motion was unanimously approved. Members voting "yes" were: **Chowdhuri, Dowdy, Dyer, Hux, Magruder, Mitchell, Oliver, Middleton, Pace, Redifer, and Trenary.** Ayres, O'Dell, Smith and Giesen were absent.

**Outreach
Update**

Ms. Mayo requested from the Board a decision as to whether or not they wish Staff to continue to solicit agreements with other states. The Board's pleasure was to have staff craft agreements that are most fair and considerate to our licensees. Ms. Mayo shared that Tennessee has not replied to us and we do not have an agreement with Washington D.C. It was decided that Staff will continue to develop agreements with other states and bring them to the Board for review and decision.

Reciprocity

Sheila Watkins reminded the board members to complete their travel vouchers and Conflict of Interest forms and to give them to her at the end of the meeting for processing.
