Incarcerated applicants

**Incarcerated
 applicants**

Marjorie King, Executive Director asked the Committee to consider whether non-routine applications submitted by incarcerated individuals could be referred for an Informal Fact-Finding conference without requiring the applicant to request in writing said conference.

While applications received from an incarcerated individual will always require further review by the Board, in an attempt to streamline the application process, the Board is asked to consider authorizing staff to forward applications of incarcerated individuals requiring an IFF directly to the Post-Adjudication and Licensing section (PAL). This would align with policies already established by other Boards within the agency that accept applications from incarcerated individuals.

After consideration, amotion was made by Mr. Spencer seconded by Mr. Trice, to recommend to the Board to authorize staff to forward the applications of incarcerated individuals that require an IFF to PAL without requiring the applicant to request the IFF in writing.

The motion was approved with a vote of 7-0-0. Ayes: Groh, Trice, Heinline, Spencer, Lowe, Costen, and McGonegal **Nays:** None **Abstain:** None **Absent:** Brannan
