

FINAL MINUTES  
Milk Commission Meeting Held February 19, 2020

Minutes of the meeting of the Milk Commission, held at the Department of Forestry located at 900 Natural Resources Drive, Charlottesville, VA 22903.

THE COMMISSION:

PRESENT:

James Kerr, Chairperson; Carolyn Carlson, Commissioner; Kevin Craun, Commissioner; Jessica Jones, Commissioner; Bruce Mayer, Commissioner

ABSENT:

Brian Linney, Commissioner; Rodrigo Velasquez, Commissioner.

STAFF PRESENT:

Crafton Wilkes, Administrator

Mr. Kerr called the meeting to order at 1:30 p.m.

Mr. Kerr asked for a motion to accept the minutes from the previous meeting. Mr. Craun so moved and Dr. Jones seconded the motion. The minutes were accepted as presented at the meeting.

Mr. Wilkes gave a review of Class I and Class II sales and pricing. Forecasts indicate average prices will be up compared to 2019. He went on to discuss the last two months of retail sales and noted that the USDA and the Milk Commission found that milk sales dropped significantly for that period. He stressed that it would be extremely difficult to find available audit adjustments or missed sales that could prevent a producer base adjustment in 2021 if this trend continued. Karen Hawkins, representing DFA, noted that their calculations showed similar downward trends.

Mr. Wilkes presented and discussed the 2020 established bases as required by regulation. 2VAC15-20-40 states that producer base cannot exceed 108% of the average monthly pounds of Class I sales for all months excluding June, July, and August. In 2019 producer base was 107.8% of sales, so an adjustment was not necessary. Having considered all factors relative to the establishment of the 2020 base adjustments, upon a motion by Mr. Mayer and seconded by Mr. Craun, the Commission voted to keep the established producer base unchanged in 2020. The amount of base for the months of June, July and August shall be equal to 90% of the established base. The 2020 base allotments, in total by cooperatives, as listed below, are therefore established for the existing baseholding producers, effective March 1, 2020:

<u>Cooperative</u>	<u>2020 Base</u>	<u>9-Month</u>
Cooperative Milk Producers Association		15,341,705
Cumberland Valley Milk Producers Association		257,104
Dairy Farmers of America – Southeast		28,214,179
Dairy Farmers of America – Northeast		429,920
Land O'Lakes, Inc.		559,485
Maryland and Virginia Milk Producers Association		21,349,517
Mount Joy Farmers Cooperative Association		121,889
Lanco-Pennland Quality Milk Producers		3,111,321
<b>TOTAL</b>		<b>69,391,509</b>

Mr. Wilkes presented a request for a distributor license for one company. The applicant agreed to comply with the Rules and Regulations of the Commission during initial hearings with Commission staff, and report Virginia milk sales to the Commission through a monthly report. Through a motion so moved by Dr. Jones and seconded by Mr. Craun, the board approved the application.

<u>License</u>	<u>License Type</u>	<u>Distributor</u>	<u>Company Representative</u>	<u>Market</u>	<u>Action</u>
353.000.4	PPGD	Richlands Creamery	Coley Drinkwater	All	Approve

Mr. Mayer expressed concern about the recent bankruptcy announcements from two large milk processing companies and the impact that could have on supply. Ms. Carlson expressed interest in increasing consumer engagement with dairy farmers and the industry as a whole. At the request of several producers that had reached out to the Commission, Mr. Wilkes discussed concerns about how proposed legislation to increase the minimum wage could affect dairy farm. Mr. Craun stated that he believes there is a misconception that farm labor is paid at the minimum rate, but that is not the reality.

The next Commission meeting is tentatively scheduled for 1:30 p.m. on Tuesday, June 23, 2020 at a location to be determined.
