Old Business:

None

New Business:

The committee has two suggestions for the Board:

To help contact more towing companies and provide information leading up to July 2008, should Board members complete Operator Contact Cards for other towing companies on their behalf to the best of our knowledge?

We think the Board should consider in its next mailing including a discussion of fees, noting that the initial fees will be related to the number of companies identified and the more licensees identified, the lower the license fees will be.

There being no further business, the meeting was adjourned at 1:15PM.
