15 A. Enables Dentists and Dental Hygienists who qualify for a Compact Privilege to practice
16 in other Participating States without satisfying burdensome and duplicative requirements
17 associated with securing a License to practice in those States;
18
19 B. Promotes mobility and addresses workforce shortages through each Participating State's
20 acceptance of a Compact Privilege to practice in that State;
21
22 C. Increases public access to qualified, licensed Dentists and Dental Hygienists by creating a
23 responsible, streamlined pathway for Licensees to practice in Participating States.
24
25 D. Enhances the ability of Participating States to protect the public's health and safety;
26
27 E. Does not interfere with licensure requirements established by a Participating State;
28
29 F. Facilitates the sharing of licensure and disciplinary information among Participating

33 a Compact Privilege to practice within the Scope of Practice authorized in that State;

194 issued to the Licensee unless the Licensee has satisfied the Jurisprudence Requirement.

233
234
235
- B. The Licensee must comply with the requirements of subsection A of this section to maintain the Compact Privilege in the Remote State. - 236
237
238
- C. A Licensee providing dentistry or dental hygiene in a Remote State under the Compact Privilege shall function within the Scope of Practice authorized by the Remote State for a Dentist or Dental Hygienist licensed in that State.
- 239
240
241
242
243
244
245
246
247
- D. A Licensee providing dentistry or dental hygiene pursuant to a Compact Privilege in a Remote State is subject to that State's regulatory authority. A Remote State may, in accordance with due process and that State's laws, by Adverse Action revoke or remove a Licensee's Compact Privilege in the Remote State for a specific period of time and impose fines or take any other necessary actions to protect the health and safety of its citizens. If a Remote State imposes an Adverse Action against a Compact Privilege that limits the Compact Privilege, that Adverse Action applies to all Compact Privileges in all Remote States. A Licensee whose Compact Privilege in a Remote State is removed for a specified period of time is not eligible for a Compact Privilege in any other Remote State until the

- 248 specific time for removal of the Compact Privilege has passed and all encumbrance
249 requirements are satisfied.
- 250 E. If a License in a Participating State is an Encumbered License, the Licensee shall lose the
251 Compact Privilege in a Remote State and shall not be eligible for a Compact Privilege in any
252 Remote State until the License is no longer encumbered.
- 253 F. Once an Encumbered License in a Participating State is restored to good standing, the
254 Licensee must meet the requirements of subsection A of this section to obtain a Compact
255 Privilege in a Remote State.
- 256 G. If a Licensee's Compact Privilege in a Remote State is removed by the Remote State, the
257 individual shall lose or be ineligible for the Compact Privilege in any Remote State until the
258 following occur:
- 259 1. The specific period of time for which the Compact Privilege was removed has ended; and
 - 260 2. All conditions for removal of the Compact Privilege have been satisfied.
- 261 H. Once the requirements of subsection G of this section have been met, the Licensee must meet
262 the requirements in subsection A of this section to obtain a Compact Privilege in a Remote
263 State.

264 **SECTION 5. ACTIVE MILITARY MEMBER OR THEIR SPOUSES**

265 An Active Military Member and their spouse shall not be required to pay to the Commission for
266 a Compact Privilege the fee otherwise charged by the Commission. If a Remote State chooses to
267 charge a fee for a Compact Privilege, it may choose to charge a reduced fee or no fee to an
268 Active Military Member and their spouse for a Compact Privilege.

269 **SECTION 6. ADVERSE ACTIONS**

- 270 A. A Participating State in which a Licensee is licensed shall have exclusive authority to impose
271 Adverse Action against the Qualifying License issued by that Participating State.
- 272 B. A Participating State may take Adverse Action based on the Significant Investigative
273 Information of a Remote State, so long as the Participating State follows its own procedures
274 for imposing Adverse Action.
- 275 C. Nothing in this Compact shall override a Participating State's decision that participation in an
276 Alternative Program may be used in lieu of Adverse Action and that such participation shall
277 remain non-public if required by the Participating State's laws. Participating States must
278 require Licensees who enter any Alternative Program in lieu of discipline to agree not to
279 practice pursuant to a Compact Privilege in any other Participating State during the term of
280 the Alternative Program without prior authorization from such other Participating State.
- 281 D. Any Participating State in which a Licensee is applying to practice or is practicing pursuant
282 to a Compact Privilege may investigate actual or alleged violations of the statutes and

283 regulations authorizing the practice of dentistry or dental hygiene in any other Participating
284 State in which the Dentist or Dental Hygienist holds a License or Compact Privilege.

285 E. A Remote State shall have the authority to:

286 1. Take Adverse Actions as set forth in Section 4.D against a Licensee's Compact Privilege
287 in the State;

288 2. In furtherance of its rights and responsibilities under the Compact and the Commission's
289 Rules issue subpoenas for both hearings and investigations that require the attendance and
290 testimony of witnesses, and the production of evidence. Subpoenas issued by a State
291 Licensing Authority in a Participating State for the attendance and testimony of
292 witnesses, or the production of evidence from another Participating State, shall be
293 enforced in the latter State by any court of competent jurisdiction, according to the
294 practice and procedure of that court applicable to subpoenas issued in proceedings
295 pending before it. The issuing authority shall pay any witness fees, travel expenses,
296 mileage, and other fees required by the service statutes of the State where the witnesses
297 or evidence are located; and

298 3. If otherwise permitted by State law, recover from the Licensee the costs of investigations
299 and disposition of cases resulting from any Adverse Action taken against that Licensee.

300 F. Joint Investigations

301 1. In addition to the authority granted to a Participating State by its Dentist or Dental
302 Hygienist licensure act or other applicable State law, a Participating State may jointly
303 investigate Licensees with other Participating States.

304 2. Participating States shall share any Significant Investigative Information, litigation, or
305 compliance materials in furtherance of any joint or individual investigation initiated
306 under the Compact.

307 G. Authority to Continue Investigation

308 1. After a Licensee's Compact Privilege in a Remote State is terminated, the Remote State
309 may continue an investigation of the Licensee that began when the Licensee had a
310 Compact Privilege in that Remote State.

311 2. If the investigation yields what would be Significant Investigative Information had the
312 Licensee continued to have a Compact Privilege in that Remote State, the Remote State
313 shall report the presence of such information to the Data System as required by Section
314 8.B.6 as if it was Significant Investigative Information.

315 SECTION 7. ESTABLISHMENT AND OPERATION OF THE COMMISSION.

316 A. The Compact Participating States hereby create and establish a joint government agency
317 whose membership consists of all Participating States that have enacted the Compact. The
318 Commission is an instrumentality of the Participating States acting jointly and not an

319 instrumentality of any one State. The Commission shall come into existence on or after the
320 effective date of the Compact as set forth in Section 11A.

321
322 B. Participation, Voting, and Meetings

- 323
- 324 1. Each Participating State shall have and be limited to one (1) Commissioner selected by
325 that Participating State's State Licensing Authority or, if the State has more than one
326 State Licensing Authority, selected collectively by the State Licensing Authorities.

 - 328 2. The Commissioner shall be a member or designee of such Authority or Authorities.
 - 329
 - 330 3. The Commission may by Rule or bylaw establish a term of office for Commissioners and
331 may by Rule or bylaw establish term limits.

337 any vacancy of its Commissioner on the Commission within sixty (60) days of the
338 vacancy.
 - 339
 - 340 6. Each Commissioner shall be entitled to one vote on all matters that are voted upon by the
341 Commission.
 - 342
 - 343 7. The Commission shall meet at least once during each calendar year. Additional meetings
344 may be held as set forth in the bylaws. The Commission may meet by
345 telecommunication, video conference or other similar electronic means.
 - 346

347 C. The Commission shall have the following powers:

- 348
- 349 1. Establish the fiscal year of the Commission;
 - 350

 - 354
 - 355 4. Maintain its financial records in accordance with the bylaws;

362 applicable law shall not be affected;

- 363 7. Maintain and certify records and information provided to a Participating State as the
364 authenticated business records of the Commission, and designate a person to do so on the

373
- 374 11. Hire employees, elect or appoint officers, fix compensation, define duties, grant such
375 individuals appropriate authority to carry out the purposes of the Compact, and establish
376 the Commission's personnel policies and programs relating to conflicts of interest,
377 qualifications of personnel, and other related personnel matters;
378
- 379 12. As set forth in the Commission Rules, charge a fee to a Licensee for the grant of a
380 Compact Privilege in a Remote State and thereafter, as may be established by
381 Commission Rule, charge the Licensee a Compact Privilege renewal fee for each renewal
382 period in which that Licensee exercises or intends to exercise the Compact Privilege in
383 that Remote State. Nothing herein shall be construed to prevent a Remote State from
384 charging a Licensee a fee for a Compact Privilege or renewals of a Compact Privilege, or
385 a fee for the Jurisprudence Requirement if the Remote State imposes such a requirement
386 for the grant of a Compact Privilege;
387
- 388 13. Accept any and all appropriate gifts, donations, grants of money, other sources of
389 revenue, equipment, supplies, materials, and services, and receive, utilize, and dispose of
390 the same; provided that at all times the Commission shall avoid any appearance of
391 impropriety and/or conflict of interest;
392
- 393 14. Lease, purchase, retain, own, hold, improve, or use any property, real, personal, or mixed,

- 408 19. Provide and receive information from, and cooperate with, law enforcement agencies;

422 of this Compact.

438 meeting, and if the meeting is to be held or accessible via telecommunication, video
439 conference, or other electronic means, the notice shall include the mechanism for access
440 to the meeting through such means.
441

502 which must be in a total amount sufficient to cover its annual budget as approved each
503 fiscal year for which sufficient revenue is not provided by other sources. The aggregate
504 annual assessment amount for Participating States shall be allocated based upon a
505 formula that the Commission shall promulgate by Rule.

- 506
- 507 4. The Commission shall not incur obligations of any kind prior to securing the funds
508 adequate to meet the same; nor shall the Commission pledge the credit of any
509 Participating State, except by and with the authority of the Participating State.
510

553 members of the Commission who serve on the Executive Board shall be voting
554 members of the Executive Board; and
555

582
583 G. Qualified Immunity, Defense, and Indemnification
584

- 585 1. The members, officers, executive director, employees and representatives of the
586 Commission shall be immune from suit and liability, both personally and in their official
587 capacity, for any claim for damage to or loss of property or personal injury or other civil
588 liability caused by or arising out of any actual or alleged act, error, or omission that
589 occurred, or that the person against whom the claim is made had a reasonable basis for
590 believing occurred within the scope of Commission employment, duties or
591 responsibilities; provided that nothing in this paragraph shall be construed to protect any
592 such person from suit or liability for any damage, loss, injury, or liability caused by the

593 intentional or willful or wanton misconduct of that person. The procurement of insurance
594 of any type by the Commission shall not in any way compromise or limit the immunity
595 granted hereunder.
596

- 597 2. The Commission shall defend any member, officer, executive director, employee, and
598 representative of the Commission in any civil action seeking to impose liability arising
599 out of any actual or alleged act, error, or omission that occurred within the scope of
600 Commission employment, duties, or responsibilities, or as determined by the
601 Commission that the person against whom the claim is made had a reasonable basis for
602 believing occurred within the scope of Commission employment, duties, or
603 responsibilities; provided that nothing herein shall be construed to prohibit that person
604 from retaining their own counsel at their own expense; and provided further, that the
605 actual or alleged act, error, or omission did not result from that person's intentional or
606 willful or wanton misconduct.
607
- 608 3. Notwithstanding subsection G.1 of this section, should any member, officer, executive
609 director, employee, or representative of the Commission be held liable for the amount of
610 any settlement or judgment arising out of any actual or alleged act, error, or omission that
611 occurred within the scope of that individual's employment, duties, or responsibilities for
612 the Commission, or that the person to whom that individual is liable had a reasonable
613 basis for believing occurred within the scope of the individual's employment, duties, or
614 responsibilities for the Commission, the Commission shall indemnify and hold harmless
615 such individual, provided that the actual or alleged act, error, or omission did not result
616 from the intentional or willful or wanton misconduct of the individual.
617

619 professional malpractice or misconduct, which shall be governed solely by any other
620 applicable State laws.
621
- 622 5. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a
623 Participating State's state action immunity or state action affirmative defense with respect
624 to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal
625 antitrust or anticompetitive law or regulation.
626
- 627 6. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the
628 Participating States or by the Commission.
629

630 SECTION 8. DATA SYSTEM

- 631 A. The Commission shall provide for the development, maintenance, operation, and utilization
632 of a coordinated database and reporting system containing licensure, Adverse Action, and the
633 presence of Significant Investigative Information on all Licensees and applicants for a
634 License in Participating States.
635
- 636 B. Notwithstanding any other provision of State law to the contrary, a Participating State shall
637 submit a uniform data set to the Data System on all individuals to whom this Compact is

- 638 applicable as required by the Rules of the Commission, including:
639
640 1. Identifying information;
641
642 2. Licensure data;
643
644 3. Adverse Actions against a Licensee, License applicant or Compact Privilege and
645 information related thereto;
646
647 4. Non-confidential information related to Alternative Program participation, the beginning
648 and ending dates of such participation, and other information related to such
649 participation;
650
651 5. Any denial of an application for licensure, and the reason(s) for such denial, (excluding
652 the reporting of any criminal history record information where prohibited by law);
653
654 6. The presence of Significant Investigative Information; and
655
656 7. Other information that may facilitate the administration of this Compact or the protection
657 of the public, as determined by the Rules of the Commission.
658
659 C. The records and information provided to a Participating State pursuant to this Compact or
660 through the Data System, when certified by the Commission or an agent thereof, shall
661 constitute the authenticated business records of the Commission, and shall be entitled to any
662 associated hearsay exception in any relevant judicial, quasi-judicial or administrative
663 proceedings in a Participating State.
664
665 D. Significant Investigative Information pertaining to a Licensee in any Participating State will
666 only be available to other Participating States.
667
668 E. It is the responsibility of the Participating States to monitor the database to determine
669 whether Adverse Action has been taken against a Licensee or License applicant. Adverse
670 Action information pertaining to a Licensee or License applicant in any Participating State
671 will be available to any other Participating State.
672
673 F. Participating States contributing information to the Data System may designate information
674 that may not be shared with the public without the express permission of the contributing
675 State.
676
677 G. Any information submitted to the Data System that is subsequently expunged pursuant to
678 federal law or the laws of the Participating State contributing the information shall be
679 removed from the Data System.
680

681 **SECTION 9. RULEMAKING**

- 682 A. The Commission shall promulgate reasonable Rules in order to effectively and efficiently
683 implement and administer the purposes and provisions of the Compact. A Commission Rule

684 shall be invalid and have no force or effect only if a court of competent jurisdiction holds that
685 the Rule is invalid because the Commission exercised its rulemaking authority in a manner
686 that is beyond the scope and purposes of the Compact, or the powers granted hereunder, or
687 based upon another applicable standard of review.
688

689 B. The Rules of the Commission shall have the force of law in each Participating State,
690 provided however that where the Rules of the Commission conflict with the laws of the
691 Participating State that establish the Participating State's Scope of Practice as held by a court
692 of competent jurisdiction, the Rules of the Commission shall be ineffective in that State to
693 the extent of the conflict.
694

695 C. The Commission shall exercise its Rulemaking powers pursuant to the criteria set forth in
696 this section and the Rules adopted thereunder. Rules shall become binding as of the date
697 specified by the Commission for each Rule.
698

699 D. If a majority of the legislatures of the Participating States rejects a Commission Rule or
700 portion of a Commission Rule, by enactment of a statute or resolution in the same manner
701 used to adopt the Compact, within four (4) years of the date of adoption of the Rule, then
702 such Rule shall have no further force and effect in any Participating State or to any State
703 applying to participate in the Compact.
704

705 E. Rules shall be adopted at a regular or special meeting of the Commission.
706

707 F. Prior to adoption of a proposed Rule, the Commission shall hold a public hearing and allow
708 persons to provide oral and written comments, data, facts, opinions, and arguments.
709

710 G. Prior to adoption of a proposed Rule by the Commission, and at least thirty (30) days in
711 advance of the meeting at which the Commission will hold a public hearing on the proposed
712 Rule, the Commission shall provide a Notice of Proposed Rulemaking:
713

- 714 1. On the website of the Commission or other publicly accessible platform;
- 715 2. To persons who have requested notice of the Commission's notices of proposed
716 rulemaking, and
717
- 718 3. In such other way(s) as the Commission may by Rule specify.
719

720 H. The Notice of Proposed Rulemaking shall include:
721

- 722 1. The time, date, and location of the public hearing at which the Commission will hear
723 public comments on the proposed Rule and, if different, the time, date, and location of
724 the meeting where the Commission will consider and vote on the proposed Rule;
725
- 726 2. If the hearing is held via telecommunication, video conference, or other electronic means,
727 the Commission shall include the mechanism for access to the hearing in the Notice of
728 Proposed Rulemaking;
729

- 730
731 3. The text of the proposed Rule and the reason therefor;
732
733 4. A request for comments on the proposed Rule from any interested person; and
734
735 5. The manner in which interested persons may submit written comments.
736
737 I. All hearings will be recorded. A copy of the recording and all written comments and
738 documents received by the Commission in response to the proposed Rule shall be available
739 to the public.
740
741 J. Nothing in this section shall be construed as requiring a separate hearing on each
742 Commission Rule. Rules may be grouped for the convenience of the Commission at hearings
743 required by this section.
744
745 K. The Commission shall, by majority vote of all Commissioners, take final action on the
746 proposed Rule based on the rulemaking record.
747
748 1. The Commission may adopt changes to the proposed Rule provided the changes do not
749 enlarge the original purpose of the proposed Rule.
750
751 2. The Commission shall provide an explanation of the reasons for substantive changes
752 made to the proposed Rule as well as reasons for substantive changes not made that were
753 recommended by commenters.
754
755 3. The Commission shall determine a reasonable effective date for the Rule. Except for an
756 emergency as provided in subsection L, the effective date of the Rule shall be no sooner
757 than thirty (30) days after the Commission issuing the notice that it adopted or amended
758 the Rule.
759
760 L. Upon determination that an emergency exists, the Commission may consider and adopt an
761 emergency Rule with 24 hours' notice, with opportunity to comment, provided that the usual
762 rulemaking procedures provided in the Compact and in this section shall be retroactively
763 applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days
764 after the effective date of the Rule. For the purposes of this provision, an emergency Rule is
765 one that must be adopted immediately in order to:
766
767 1. Meet an imminent threat to public health, safety, or welfare;
768
769 2. Prevent a loss of Commission or Participating State funds;
770
771 3. Meet a deadline for the promulgation of a Rule that is established by federal law or rule;
772 or
773
774 4. Protect public health and safety.
775

776 M. The Commission or an authorized committee of the Commission may direct revisions to a
777 previously adopted Rule for purposes of correcting typographical errors, errors in format,
778 errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on
779 the website of the Commission. The revision shall be subject to challenge by any person for a
780 period of thirty (30) days after posting. The revision may be challenged only on grounds that
781 the revision results in a material change to a Rule. A challenge shall be made in writing and
782 delivered to the Commission prior to the end of the notice period. If no challenge is made,
783 the revision will take effect without further action. If the revision is challenged, the revision
784 may not take effect without the approval of the Commission.

785
786 N. No Participating State's rulemaking requirements shall apply under this Compact

787 **SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT**

788 A. Oversight

- 789
790 1. The executive and judicial branches of State government in each Participating State shall
791 enforce this Compact and take all actions necessary and appropriate to implement the
792 Compact.
793
794 2. Venue is proper and judicial proceedings by or against the Commission shall be brought
795 solely and exclusively in a court of competent jurisdiction where the principal office of
796 the Commission is located. The Commission may waive venue and jurisdictional
797 defenses to the extent it adopts or consents to participate in alternative dispute resolution
798 proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any
799 action against a Licensee for professional malpractice, misconduct or any such similar
800 matter.
801
802 3. The Commission shall be entitled to receive service of process in any proceeding
803 regarding the enforcement or interpretation of the Compact or Commission Rule and
804 shall have standing to intervene in such a proceeding for all purposes. Failure to provide
805 the Commission service of process shall render a judgment or order void as to the
806 Commission, this Compact, or promulgated Rules.

807
808 B. Default, Technical Assistance, and Termination

- 809
810 1. If the Commission determines that a Participating State has defaulted in the performance
811 of its obligations or responsibilities under this Compact or the promulgated Rules, the
812 Commission shall provide written notice to the defaulting State. The notice of default
813 shall describe the default, the proposed means of curing the default, and any other action
814 that the Commission may take, and shall offer training and specific technical assistance
815 regarding the default.
816
817 2. The Commission shall provide a copy of the notice of default to the other Participating
818 States.

819
820 C. If a State in default fails to cure the default, the defaulting State may be terminated from the

821 Compact upon an affirmative vote of a majority of the Commissioners, and all rights,
822 privileges and benefits conferred on that State by this Compact may be terminated on the
823 effective date of termination. A cure of the default does not relieve the offending State of
824 obligations or liabilities incurred during the period of default.
825

826 D. Termination of participation in the Compact shall be imposed only after all other means of
827 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be
828 given by the Commission to the governor, the majority and minority leaders of the defaulting
829 State's legislature, the defaulting State's State Licensing Authority or Authorities, as
830 applicable, and each of the Participating States' State Licensing Authority or Authorities, as
831 applicable.
832

833 E. A State that has been terminated is responsible for all assessments, obligations, and liabilities
834 incurred through the effective date of termination, including obligations that extend beyond
835 the effective date of termination.
836

837 F. Upon the termination of a State's participation in this Compact, that State shall immediately
838 provide notice to all Licensees of the State, including Licensees of other Participating States
839 issued a Compact Privilege to practice within that State, of such termination. The terminated
840 State shall continue to recognize all Compact Privileges then in effect in that State for a
841 minimum of one hundred eighty (180) days after the date of said notice of termination.
842

843 G. The Commission shall not bear any costs related to a State that is found to be in default or
844 that has been terminated from the Compact, unless agreed upon in writing between the
845 Commission and the defaulting State.
846

847 H. The defaulting State may appeal the action of the Commission by petitioning the U.S.
848 District Court for the District of Columbia or the federal district where the Commission has
849 its principal offices. The prevailing party shall be awarded all costs of such litigation,
850 including reasonable attorney's fees.
851

852 I. Dispute Resolution
853

854 1. Upon request by a Participating State, the Commission shall attempt to resolve disputes
855 related to the Compact that arise among Participating States and between Participating
856 States and non-Participating States.
857

858 2. The Commission shall promulgate a Rule providing for both mediation and binding
859 dispute resolution for disputes as appropriate.
860

861 J. Enforcement
862

863 1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions
864 of this Compact and the Commission's Rules.
865

866 2. By majority vote, the Commission may initiate legal action against a Participating State

867 in default in the United States District Court for the District of Columbia or the federal
868 district where the Commission has its principal offices to enforce compliance with the
869 provisions of the Compact and its promulgated Rules. The relief sought may include both
870 injunctive relief and damages. In the event judicial enforcement is necessary, the
871 prevailing party shall be awarded all costs of such litigation, including reasonable
872 attorney's fees. The remedies herein shall not be the exclusive remedies of the
873 Commission. The Commission may pursue any other remedies available under federal or
874 the defaulting Participating State's law.

- 875
- 876 3. A Participating State may initiate legal action against the Commission in the U.S. District
877 Court for the District of Columbia or the federal district where the Commission has its
878 principal offices to enforce compliance with the provisions of the Compact and its
879 promulgated Rules. The relief sought may include both injunctive relief and damages. In
880 the event judicial enforcement is necessary, the prevailing party shall be awarded all costs
881 of such litigation, including reasonable attorney's fees.
- 882
- 883 4. No individual or entity other than a Participating State may enforce this Compact against
884 the Commission.

885 **SECTION 11. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT**

886 A. The Compact shall come into effect on the date on which the Compact statute is enacted
887 into law in the seventh Participating State.

- 888
- 889 1. On or after the effective date of the Compact, the Commission shall convene and
890 review the enactment of each of the States that enacted the Compact prior to the
891 Commission convening ("Charter Participating States") to determine if the statute
892 enacted by each such Charter Participating State is materially different than the
893 Model Compact.
- 894
- 895 a. A Charter Participating State whose enactment is found to be materially different
896 from the Model Compact shall be entitled to the default process set forth in
897 Section 10.
- 898
- 899 b. If any Participating State is later found to be in default, or is terminated or
900 withdraws from the Compact, the Commission shall remain in existence and the
901 Compact shall remain in effect even if the number of Participating States should
902 be less than seven (7).
- 903
- 904 2. Participating States enacting the Compact subsequent to the Charter Participating
905 States shall be subject to the process set forth in Section 7.C.23 to determine if their
906 enactments are materially different from the Model Compact and whether they
907 qualify for participation in the Compact.
- 908
- 909 3. All actions taken for the benefit of the Commission or in furtherance of the purposes
910 of the administration of the Compact prior to the effective date of the Compact or the
911 Commission coming into existence shall be considered to be actions of the

912 Commission unless specifically repudiated by the Commission.

- 913
- 914 4. Any State that joins the Compact subsequent to the Commission's initial adoption of
- 915 the Rules and bylaws shall be subject to the Commission's Rules and bylaws as they
- 916 exist on the date on which the Compact becomes law in that State. Any Rule that has
- 917 been previously adopted by the Commission shall have the full force and effect of
- 918 law on the day the Compact becomes law in that State.
- 919
- 920 B. Any Participating State may withdraw from this Compact by enacting a statute repealing
- 921 that State's enactment of the Compact.
- 922
- 923 1. A Participating State's withdrawal shall not take effect until one hundred eighty
- 924 (180) days after enactment of the repealing statute.
- 925
- 926 2. Withdrawal shall not affect the continuing requirement of the withdrawing State's
- 927 Licensing Authority or Authorities to comply with the investigative and Adverse
- 928 Action reporting requirements of this Compact prior to the effective date of
- 929 withdrawal.
- 930
- 931 3. Upon the enactment of a statute withdrawing from this Compact, the State shall
- 932 immediately provide notice of such withdrawal to all Licensees within that State.
- 933 Notwithstanding any subsequent statutory enactment to the contrary, such
- 934 withdrawing State shall continue to recognize all Compact Privileges to practice
- 935 within that State granted pursuant to this Compact for a minimum of one hundred
- 936 eighty (180) days after the date of such notice of withdrawal.
- 937
- 938 C. Nothing contained in this Compact shall be construed to invalidate or prevent any
- 939 licensure agreement or other cooperative arrangement between a Participating State and
- 940 a non-Participating State that does not conflict with the provisions of this Compact.
- 941
- 942 D. This Compact may be amended by the Participating States. No amendment to this
- 943 Compact shall become effective and binding upon any Participating State until it is
- 944 enacted into the laws of all Participating States.

945 SECTION 12. CONSTRUCTION AND SEVERABILITY

- 946
- 947 A. This Compact and the Commission's rulemaking authority shall be liberally construed so as
- 948 to effectuate the purposes, and the implementation and administration of the Compact.
- 949 Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall
- 950 not be construed to limit the Commission's rulemaking authority solely for those purposes.
- 951
- 952 B. The provisions of this Compact shall be severable and if any phrase, clause, sentence or
- 953 provision of this Compact is held by a court of competent jurisdiction to be contrary to the
- 954 constitution of any Participating State, a State seeking participation in the Compact, or of the
- 955 United States, or the applicability thereof to any government, agency, person or circumstance
- 956 is held to be unconstitutional by a court of competent jurisdiction, the validity of the
- 957 remainder of this Compact and the applicability thereof to any other government, agency,

958 person or circumstance shall not be affected thereby.

959
960 C. Notwithstanding subsection B of this section, the Commission may deny a State's
961 participation in the Compact or, in accordance with the requirements of Section 10.B,
962 terminate a Participating State's participation in the Compact, if it determines that a
963 constitutional requirement of a Participating State is a material departure from the
964 Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any
965 Participating State, the Compact shall remain in full force and effect as to the remaining
966 Participating States and in full force and effect as to the Participating State affected as to all
967 severable matters.

968
969 **SECTION 13. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS**

- 970 A. Nothing herein shall prevent or inhibit the enforcement of any other law of a Participating
971 State that is not inconsistent with the Compact.
- 972
973 B. Any laws, statutes, regulations, or other legal requirements in a Participating State in conflict
974 with the Compact are superseded to the extent of the conflict.
- 975
976 C. All permissible agreements between the Commission and the Participating States are binding
977 in accordance with their terms.
