IV. Update from Caren Sterling	Chair Altonen presented an update from Caren Sterling to clarify concerns related to PERK kits collected at a non-DOD-contracted facility being admissible in UCMJ (Uniform Code of Military Justice) tribunals/hearings: This is not the case. There may be some issues with admissibility based on when the DOD-Criminal Investigative Agency gets involved with the investigation that the PERK is connected to but that is a chain of custody matter for the court and impacted by where the PERK was collected/examination conducted. Also, there may be some issues with admissibility based on testing location, process, standards, etc. However, that also is not impacted by the location of collection.	

	These “issues” would be issues in any tribunal/court. Dr. Foster requested a list of DOD facilities.	
V. Updates from Telemedicine Sub-Committee	Ashley Balcombe shared updates that the Telemedicine Sub-Committee has not been able to convene a meeting and asked for feedback on drafting recommendations. Bonnie Price suggested the sub-committee look into the treatment hospitals offering telemedicine services and see how the Task Force can promote their services or provide support. Delegate Jackie Glass requested to join the sub-committee. Dr. Foster offered to connect the Telemedicine Sub-Committee to the VCU telemedicine team. Andi Martin shared that federal funding is available to support FNE programs for telehealth. Chair Altonen shared that the Telemedicine Sub-Committee is scheduled to meet August 12, 2024.	
VI. Updates from Educational Materials Sub-Committee	Dr. Foster shared that the final version of the educational materials is not ready for voting. The PowerPoint is in the process of being converted to a narrative and interactive video. Dr. Foster will update when it is completed to convene the next meeting for voting.	
VII. Other Business & Task Force Branding and Logos	<p>Camilla shared the two updated logos for the Task Force branding. A motion to approve one of the logos was made by Delegate Jackie Glass and the motion was seconded by Lindsey Caley.
