**NEXT MEETING SCHEDULED FOR PROFESSIONAL ENGINEERS and LAND
SURVEYORS - May 8, 2018**

*Five-minute public comment, per person, with the exception of any open disciplinary or application files. Persons desiring to participate in the meeting and requiring special accommodations or interpretative services should contact the Department at 804) 367-8514 at least ten days prior to the meeting so that suitable arrangements can be made for an appropriate accommodation. The Department fully complies with the Americans with Disabilities Act.

DPOR – WHO WE ARE:

DPOR issues professional credentials—licenses, certificates or registrations—in the least intrusive, least burdensome and most efficient way. Our goal is to ensure the *minimum competency* necessary to practice without harming the public, not to enhance professional stature or limit competition by keeping newcomers out. Policy boards determine the minimum standards necessary to enter a profession, and qualify applicants based on a combination of **education, experience and examination.**
