E. Report of the Secretary.

1. Licenses and Recovery Fund Reports.

Currently, there are 5 brokers, 238 dealers, 42 manufacturers and 738 salespersons licensed in the program.

The cash balance in the Licensing Account is \$15,724.37. The cash balance in the Transaction Recovery Fund Account is \$988,289.09.

A payment from the Transaction Recovery Fund was made to Kenneth and Brenda Hillman in the amount of \$4,993.44 and to Larry and Phylisa Sergent in the amount of \$19,439.04. A total of \$367,674.84 overall has been paid out of the Transaction Recovery Fund since the program was originated in August, 1996.

2. HUD's Dispute Resolution Program.

HUD is giving the states an opportunity to submit their State's Dispute Resolution Programs for approval and if accepted, the program in the state will be managed by the state. If not, HUD will manage the program under HUD's guidelines and procedures in that state. After discussion with HUD's staff, Dispute Resolution Program does not have to be handled as a separate program as long as it's being managed to meet HUD's requirements within the states. The application was submitted to HUD and awaiting an answer.

3. The Office of Attorney General Regulatory Review Task Force.

Listed under the Recommendations on page 25, all forms, applications, electronic filing of reports and paperwork will be available electronically. Our department is working with the IT staff to have the applications available on line and payments made electronically in the near future.

The Task Force was recommending a change of wording to the Regulations. A decision will be made later this year to reflect changes to the wording or the language of the Regulations.

Under the Administrative Procedures Act, Code of Virginia Section 2.2-4003.Venue, the wording needs to be changed to reflect if a court case challenges the Board's rulings, the court case venue is where the Administrative Agency maintains its principle office or as the parties otherwise agree.

If House Bill 44 is passed, amendments need to be made to the Regulations later this year to reflect those changes and the recommendations will be implemented and incorporated with the Regulatory Change Process.

The Office of the Secretary of the Commonwealth will accept faxed copies of the Financial Disclosure Forms for the deadline of January 15, 2008 but the originals must be submitted.
