Virginia Museum of Fine Arts

The Virginia Museum of Fine Arts concurs with the Economic Impact Analysis of the Department of Planning and Budget for proposed amendments to 8 VAC 103-20 Parking Regulations, Appeals and Fines. The proposed amendments largely serve to condense the text and remove requirements that the Board has deemed obsolete, such as references to parking meters that no longer exist, but without changing the intent of the regulation. There will be no new regulations or costs created and there are no updates or changes to the proposed amendments.
