This information is required for executive branch review and the Virginia Registrar of Regulations, pursuant to the Virginia Administrative Process Act (APA), Executive Order 19 (2022) (EO 19), any instructions or procedures issued by the Office of Regulatory Management (ORM) or the Department of Planning and Budget (DPB) pursuant to EO 19, the Regulations for Filing and Publishing Agency Regulations (1 VAC 7-10), and the *Form and Style Requirements for the Virginia Register of Regulations and Virginia Administrative Code*.

Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of the subject matter, intent, and goals of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation).

Chapter 47 is being amended to allow one teller at Collinsville, Dumfries, and Emporia, two tellers at all of the other SWFs with the exception of the Rose, which would have three. This will reduce the current number of required tellers from two to one at Collinsville, Dumfries, and Emporia, from three to two at Hampton and Richmond, and from eight to three at the Rose. The current regulations would require CDI to have eight live tellers at the Rose due to the number of Historical Horse Racing terminals at that facility.
