

MEMORANDUM

TO: Amy Wolstenholme
Virginia Department of Planning and Budget

FROM: Michelle Gowdy, Department Counsel
Department of Forensic Science

DATE: July 30, 2008

RE: Economic Impact Analysis
6 VAC 40-20 – Regulations for Breath Alcohol Testing
Department of Forensic Science June 3, 2008

The Department of Forensic Science agrees with the estimated economic impact stated in the Economic Impact Analysis 6 VAC 40-20 – Regulations for Breath Alcohol Department of Forensic Science from June 3, 2008 with one small clarification, that the preventive maintenance checklist is not needed for the new devices.
