While a regulatory action may be exempt from executive branch review pursuant to § 2.2-4002 or § 2.2-4006 of the *Code of Virginia*, the agency is still encouraged to provide information to the public on the Regulatory Town Hall using this form. However, the agency may still be required to comply with the Virginia Register Act, Executive Order 14 (as amended, July 16, 2018), the Regulations for Filing and Publishing Agency Regulations (1 VAC7-10), and the *Virginia Register Form, Style, and Procedure Manual for Publication of Virginia Regulations*.

Brief Summary

Please provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

This regulation provides a variance from the visible emissions standard of 9VAC5-50-80 for rocket motor testing operations at the Atlantic Research Corporation's Orange County test facility. This amendment corrects the name of the company that owns and operates the facility to Aerojet Rocketdyne, Inc.

Statement of Final Agency Action

Please provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.

On September 28, 2018, the State Air Pollution Control Board took final action to amend the Variance for Rocket Motor Test Operations at Atlantic Research Corporation Orange County Facility (9VAC5-220-10 et seq.) by correcting the name of the owner and operator of the testing facility where it appeared in the regulation. The regulatory action is to be effective as provided in the Administrative Process Act.
