MEMORANDUM

TO: Marissa Levine, MD, MPH
Commissioner
Virginia Department of Health

FROM: Sean J. Murphy *SJM*
Assistant Attorney General

DATE: January 21, 2016

SUBJECT: Radiation Protection Regulations
12VAC5-481

I have reviewed the amendment to the Radiation Protection Regulations, 12VAC5-481, which was approved by the Commissioner of Health on January 20, 2016. The Commissioner has the statutory authority to amend these Regulations under Virginia Code § 32.1-20 and §32.1-229. The proposed Regulations are constitutional and do not conflict with existing federal or state laws or regulations. This action is exempt from the operation of the Administrative Process Act and review by the Executive Branch under §2.2-4006(A)(4)(c), as it is necessary to conform to changes in Federal Regulations.
