MEMORANDUM

To: C. Ray Davenport
Commissioner
Virginia Department of Labor and Industry

From: Joshua E. Laws
Assistant Attorney General

Date: November 26, 2018

Subject: Letter of Assurance for Amendment to the Occupational Exposure to Beryllium in General Industry regulation — found at 16VAC90-1910.1024

I have reviewed the Department of Labor and Industry's proposed Amended Regulations to the Occupational Exposure to Beryllium in General Industry regulation found at 16VAC90-1910.1024 that was posted on the Virginia Regulatory Town Hall on November 20, 2018. In my view, as counsel to the Department of Labor and Industry, these regulations may be promulgated pursuant to Title 40.1 of the Code of Virginia. Further, I certify that the proposed changes are exempt from the Administrative Process Act under Code of Virginia §§ 2.2-4006(A)(4)(c) as they are necessary to meet the requirements of federal law or regulations and they do not materially differ from those required by federal law or regulation.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
