Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

[Chapter 748](#) clarifies when the Board must extend a three-year provisional license issued to a teacher working in a school division by specifying that the division superintendent must provide satisfactory performance evaluations for the teacher *during* the original three-year provisional license *that such teacher was actually employed and received a filed performance evaluation*. The Board must amend [8VAC20-23-50\(A\)](#) of the [Licensure Regulations for School Personnel](#) in order to account for the additional statutory language.

[Chapter 771](#) allows a teacher who has had a founded complaint of child abuse or neglect and whose license the Board has revoked to apply for reinstatement if a court reverses the finding of abuse or neglect. In such situation, the Board is required to consider and act upon the application for reinstatement

within 90 days of submission. The statutory provision is being added to [8VAC20-23-720](#)(B) of the [Licensure Regulations for School Personnel](#) for clarity.

Mandate and Impetus

Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, or board decision). For purposes of executive branch review, “mandate” has the same meaning as defined in the ORM procedures, “a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part.”

This action is the result of a legislative mandate. [Chapter 748](#) and [Chapter 771](#) of the 2023 Acts of the Assembly requires the Board to amend its regulations.
