**Section 45.1-161.158.F.**

**Inspection of hoisting equipment.**

**Daily Examinations of Hoisting Equipment.**

Section 45.161.158.F. states that all hoisting equipment shall be inspected daily by an authorized person designated by the operator. The person making such examination shall make a daily permanent record of such inspection, which shall be available for inspection by interested persons.

If more than one person conducts the inspection, the inspection record must show what areas each person examined, and each person must sign the record.

**EXAMPLE**

One person examines the interior of the shaft, and the other person examines the facilities located on the surface. Each person must record the areas examined and sign the record of inspection report.
