Board of Audiology and Speech-Language Pathology

Confidential Consent Agreements

The Board is authorized by Virginia Code § 54.1-2400(14) to resolve certain allegations of practitioner misconduct by means of a Confidential Consent Agreement ("CCA"). A CCA may be used by a board in lieu of public discipline, but only in cases involving minor misconduct and non-practice related infractions, where there is little or no injury to a patient or the public, and little likelihood of repetition by the practitioner. *See* Va. Code § 54.1-2400(14).

The Board adopts the following list of violations of regulations or statute that may qualify for resolution by a CCA.

- 1. Failure to notify the Board of a change of address or name change in accordance with current regulations.
- 2. Failure to maintain and submit patient records and documentation when requested.
- 3. Failure to meet required continuing competency requirements without an approved request for an exception or an exemption.
- 4. Misrepresentation in advertising of name or credentials by a licensee.
- 5. Inadvertent breach of confidentiality.
- 6. Failure to report a violation.
