Acronyms and Definitions

Define all acronyms used in this Report, and any technical terms that are not also defined in the "Definitions" section of the regulation.

"Board" means State Board of Local and Regional Jails.

Legal Basis

Identify (1) the promulgating agency, and (2) the state and/or federal legal authority for the regulatory change, including the most relevant citations to the Code of Virginia or Acts of Assembly chapter number(s), if applicable. Your citation must include a specific provision, if any, authorizing the promulgating agency to regulate this specific subject or program, as well as a reference to the agency's overall regulatory authority.

These regulations are promulgated under the State Board of Local and Regional Jails. Originally established under authority of §53.1-5 and §53.1-45.1 of the Code of Virginia, amendments by the 2003 Acts of the General Assembly (Chapter 94) divested the Board of Corrections (predecessor to the current Board) of authority to promulgate these regulations. Therefore, the Board no longer has the authority to promulgate regulations for public/private joint venture work programs operated in state correctional facilities and these regulations should be repealed.

Alternatives to Regulation

Describe any viable alternatives for achieving the purpose of the regulation that were considered as part of the periodic review. Include an explanation of why such alternatives were rejected and why this regulation is the least burdensome alternative available for achieving its purpose.

Due to changes in the Code of Virginia to §53.1-45.1 (Chapter 94, 2003 Acts of the General Assembly), the Board has no authority to issue these regulations. Therefore, they will be repealed.

Be sure to include all comments submitted: including those received on Town Hall, in a public hearing, or submitted directly to the agency. These regulations are not necessary. Due to changes in the Code of Virginia to §53.1-45.1 (Chapter 94, 2003 Acts of the General Assembly), the Board has no authority to issue these regulations. Therefore, they will be repealed.

Decision

Explain the basis for the promulgating agency’s decision (retain the regulation as is without making changes, amend the regulation, or repeal the regulation).

Repeal the regulation:

Small Business Impact

As required by § 2.2-4007.1 E and F of the Code of Virginia, discuss the agency's consideration of: (1) the continued need for the regulation; (2) the nature of complaints or comments received concerning the regulation; (3) the complexity of the regulation; (4) the extent to which the regulation overlaps, duplicates, or conflicts with federal or state law or regulation; and (5) the length of time since the regulation has been evaluated or the degree to which technology, economic conditions, or other factors have changed in the area affected by the regulation. Also, discuss why the agency's decision, consistent with applicable law, will minimize the economic impact of regulations on small businesses.

Regulations under 6 VAC15-28, Regulations for Public/Private Joint Venture Work Programs Operated in a State Correctional Facility are not necessary. Due to changes in the Code of Virginia to §53.1-45.1 (Chapter 94, 2003 Acts of the General Assembly), the Board has no authority to issue these regulations. Therefore, they will be repealed. Repealing these regulations will have no negative impact on small businesses.
