Re: Public Comments – Potential Changes to AIT Requirements

The Virginia Assisted Living Association (VALA) represents licensed assisted living communities from throughout Virginia. We thank the Board of Long-Term Care Administrators for considering areas of improvement and support regarding the recruitment, licensure, and retention of licensed assisted living facility administrators. Below are a couple of comments:

- **Collaboration with provider associations on the industry and available resources** – VALA supports the collaboration between Virginia agencies/departments and associations and is proud to report that links are now available on the association’s website for several of the areas referenced by the Regulatory Advisory Panel including the Virginia Healthcare Occupational Roadmap, the available NAB preceptor training, the voluntary Preceptor listing.

- **Board to consider adding an alternative pathway to registration for AIT training based upon experience in a long-term care setting** – VALA supports an additional pathway to registration as an Administrator-in-Training that would include consideration for employment history within an assisted living community. The current minimum requirement of at least 30 semester hours from a college/university or graduation from an LPN or RN program limits the workforce pool of desirable candidates passionate about caring for the elderly and possibly discriminates against individuals with a lower income that could not afford college/university education.

- **Board to consider restricting the pathway to registration for AIT training based upon the chosen coursework for the college/university hours received** – Due to the current shortage of licensed administrators and the impending retirement of a large portion of the administrator workforce, VALA opposes adding a restriction to registration as an AIT by limiting the subject areas allowed for entrance into the AIT program. One of the primary reasons for requesting the Commonwealth to review requirements of the AIT program was to ease the current burdens experienced by the industry in recruitment of candidates, and adding a coursework requirement would further impede entrance to the administrator-in-training program for potential licensure. VALA recognizes that the AIT program with the varied requirements of 320-640 training hours is designed to review areas of strengths and weaknesses for AITs to provide an in-depth training that covers the core domains of practice an individual would need to learn to become a safe and competent administrator.

Please let me know if you have any questions regarding these comments.

Board Member Introduction
With two newly appointed board members, Dr. Stewart asked each board member to introduce themselves.

Approval of Minutes
Dr. Stewart

Motion
A clarification was made by Ms. Hershkowitz to the Board of Nursing report that a second additional license for NP prescriptive authority has been eliminated. With this change, a motion to accept the edited meeting minutes from the December 2, 2019 Full Board meeting was made and properly seconded. All members were in favor, none opposed.

Director's Report
Dr. Brown shared that this years General Assembly has been exceedingly busy, with a lot of interest in health care. He provided an overview of CBD oils, hemp and medical marijuana, who is permitted to prescribe and the progress being made by the Board of Pharmacy in licensing dispensaries.

Legislative and Regulatory Report
Ms. Yeatts stated that there are 65 actions, in different stages, that relate to DHP. She reviewed the bills associated with DHP and provided additional information for specific professions. The Art Therapy study was approved requiring licensure for art therapists, placing this new profession under the Board of Counseling; and the Music Therapy study was also approved requiring licensure of music therapists, placing this new profession under the Board of Social Work. The Board of Health Professions has been tasked with studying Diagnostic Medical Sonography and Naturopathic Doctors. Board staff will be assisting as needed with the SJ 49 study request into the Need for additional micro-level, mezzo-level, and macro-level social workers and increased compensation.

Board Chair Report
Dr. Jones, Jr. introduced newly appointed Board of Health Professions board members Sheila Battle, Citizen Member and Steve Karras with the Board of Veterinary Medicine.

Executive Director's Report
Dr. Carter reviewed the Board's budget and provided insight into the agency's statistics and performance. The Boards mission statement needs to be revised and board members were tasked with providing input on changes for the May 27, 2020 meeting. The 2020 Board work plan was also reviewed.

Dr. O'Connor will be providing detailed information to the Director's Office regarding a study on Certified Anesthesiology Assistants. The last study on this profession was completed in October 2017 with the Boards unanimous conclusion that the criteria for regulation by Virginia had not been met.
Executive Director's Report-Continued

Extending the current one year term to a two year term for the positions of Board Chair and Vice Chair was discussed. It was determined that the Board would follow a similar structure to that of the Board of Nursing which has three seats: President, First Vice President and Second Vice President. The matter will need to be addressed following Guidance Document amendment procedures.

Healthcare Workforce Data Center

Dr. Carter and Dr. Shobo provided an update on the Center's workforce reports and data requests.

Individual Board Reports

Board of Counseling - Dr. Doyle (Attachment 1)

Board of Pharmacy - Mr. Logan stated that the board voted unanimously to adopt the Regulation Committee's recommendation to send a recommendation to the Health Commissioner that he also consider taking a more immediate action to prohibit CBD or THC-A formulations intended to be vaped or inhaled from containing Vitamin E acetate. Mr. Logan also discussed immunization administration recordkeeping to be used by hospital pharmacists.

Board of Funeral Directors & Embalmers - Mr. Jones (Attachment 2)

Board of Long-Term Care Administrators - Mr. Kendall (Attachment 3)

Board of Social Work - Mr. Salay (Attachment 4)

Board of Dentistry - Dr. Watkins (Attachment 5)

Board of Psychology - Dr. Stewart (Attachment 6)

Board of Physical Therapy - Dr. Jones, Jr. (Attachment 7)

Board of Optometry - Dr. Clayton-Jeter (Attachment 8)

Board of Veterinary Medicine - Dr. Karras (Attachment 9)

Board of Audiology & Speech-Language Pathology - Dr. King (Attachment 10)

Board of Medicine - Dr. O'Connor stated that the board met last week and at that meeting it was determined that an ad-hoc committee would be formed to discuss stem-cells. FSMBs 2020 meeting will be held in San Diego and five (5) Board of Medicine members will be attending. Half of the current board member terms will be expiring June 30, 3030.

Board of Nursing - Ms. Hershkowitz (Attachment 11)
New Business

There was discussion on the steps being taken by the Commonwealth in regards to the coronavirus. Dr. Allison-Bryan advised that she would be sharing a letter that she received from the Virginia Department of Health on this subject matter.

Next Full Board Meeting

Dr. Jones, Jr. advised the Board that the next meeting is scheduled for May 27, 2020 at 10:00 a.m.

Capacity determinations; physician assistant. Expands the class of health care practitioners who can make the determination that a patient is incapable of making informed decisions to include a licensed physician assistant. The bill provides that such determination shall be made in writing following an in-person examination of the person and certified by the physician assistant. This bill is identical to SB 544.

HB 471 Health professionals; unprofessional conduct, reporting.
Chief patron: Collins
Summary as passed House:
Health professionals; unprofessional conduct; reporting. Requires the chief executive officer and the chief of staff of every hospital or other health care institution in the Commonwealth, the director of every licensed home health or hospice organization, the director of every accredited home health organization exempt from licensure, the administrator of every licensed assisted living facility, and the administrator of every provider licensed by the Department of Behavioral Health and Developmental Services in the Commonwealth to report to the Department of Health Professions any information of which he may become aware in his professional capacity that indicates a reasonable belief that a health care provider is in need of treatment or has been admitted as a patient for treatment of substance abuse or psychiatric illness that may render the health professional a danger to himself, the public or his patients, or that he determines, following review and any necessary investigation or consultation with the appropriate internal boards or committees authorized to impose disciplinary action on a health professional, indicates that there is a reasonable probability that such health professional may have engaged in unethical, fraudulent, or unprofessional conduct. Current law requires information to be reported if the information indicates, after reasonable investigation and consultation with the appropriate internal boards or committees authorized to impose disciplinary action on a health professional, a reasonable probability that such health professional may have engaged in unethical, fraudulent, or unprofessional conduct. This bill is identical to SB 540.
HB 908 Naloxone; possession and administration, employee or person acting on behalf of a public place.
Chief patron: Hayes
Summary as passed House:
Naloxone; possession and administration; employee or person acting on behalf of a public place. Authorizes an employee or other person acting on behalf of a public place, as defined in the bill, who has completed a training program on the administration of naloxone or other opioid antagonist to possess and administer naloxone or other opioid antagonist, other than naloxone in an injectable formulation with a hypodermic needle or syringe, in accordance with protocols developed by the Board of Pharmacy in consultation with the Board of Medicine and the Department of Health. The bill also provides that a person who is not otherwise authorized to administer naloxone or other opioid antagonist used for overdose reversal may administer naloxone or other opioid antagonist used for overdose reversal to a person who is believed to be experiencing or about to experience a life-threatening opioid overdose. The bill provides immunity from civil liability for a person who, in good faith, administers naloxone or other opioid antagonist used for overdose reversal to a person who is believed to be experiencing or about to experience a life-threatening opioid overdose, unless such act or omission was the result of gross negligence or willful and wanton misconduct. This bill incorporates HB 650, HB 1465 and HB 1466.

HB 967 Military service members and veterans; expediting the issuance of credentials to spouses.
Chief patron: Willett
Summary as passed House:
Professions and occupations; expediting the issuance of credentials to spouses of military service members. Provides for the expedited issuance of credentials to the spouses of military service members who are (i) ordered to federal active duty under Title 10 of the United States Code or (ii) veterans who have left active duty service within one year of the submission of an application to a board if the spouse accompanies the service member to the Commonwealth or an adjoining state or the District of Columbia. Under current law, the expedited review is provided more generally for active duty members of the military who are the subject of a military transfer to the Commonwealth. The bill also authorizes a regulatory board within the Department of Professional and Occupational Regulation or the Department of Health Professions or any other board in Title 54.1 (Professions and Occupations) to waive any requirement relating to experience if the board determines that the documentation provided by the applicant supports such waiver. This bill incorporates HB 930.

HB 1147 Epinephrine; certain public places may make available for administration.
Chief patron: Keam
Summary as passed House:
Epinephrine permitted in certain public places. Allows public places to make epinephrine available for administration. The bill allows employees of such public places who are authorized by a prescriber and trained in the administration of epinephrine to possess and administer epinephrine to a person present in such public place believed in good faith to be having an anaphylactic reaction. The bill also provides that an employee of such public place who is authorized by a prescriber and trained in the administration of epinephrine and who administers
or assists in the administration of epinephrine to a person present in the public place believed in good faith to be having an anaphylactic reaction, or is the prescriber of the epinephrine, shall not be liable for any civil damages for ordinary negligence in acts or omissions resulting from the rendering of such treatment.

HB 1556 Pharmacists; initiating treatment with and dispensing and administering of controlled substances.
Chief patron: Sickles
Summary as passed House:
Pharmacists; prescribing, dispensing, and administration of controlled substances. Allows a pharmacist to initiate treatment with and dispense and administer certain drugs and devices to persons 18 years of age or older in accordance with a statewide protocol developed by the Board of Pharmacy in collaboration with the Board of Medicine and the Department of Health. The bill directs the Board of Pharmacy to establish such protocols by November 1, 2020, and to convene a workgroup to provide recommendations regarding the development of protocols for the initiating of treatment with and dispensing and administering of additional drugs and devices for persons 18 years of age and older. The bill also clarifies that an accident and sickness insurance policy that provides reimbursement for a service that may be legally performed by a licensed pharmacist shall provide reimbursement for the initiating of treatment with and dispensing and administration of controlled substances by a pharmacist when such initiating of treatment with or dispensing or administration is in accordance with regulations of the Board of Pharmacy.

HB 1531 Drug disposal; Bd. of Pharmacy to develop public awareness of proper methods.
Chief patron: Jenkins
Summary as passed House:
Prescription drug disposal program; hospitals and clinics. Directs the Board of Pharmacy to enhance public awareness of proper drug disposal methods by assembling a group of stakeholders to develop strategies to increase the number of permissible drug disposal sites and options for the legal disposal of drugs. The Board is directed to report its findings and recommendations to the Chairmen of the House Committee on Health, Welfare and Institutions and the Senate Committee on Education and Health no later than November 15, 2020.

SB 633 Music therapy; definition of music therapist, licensure.
Chief patron: Vogel
Summary as passed Senate:
Music therapy; licensure. Requires the Board of Social Work to adopt regulations establishing a regulatory structure to license music therapists in the Commonwealth and establishes an advisory board to assist the Board in this process. Under the bill, no person shall engage in the practice of music therapy or hold himself out or otherwise represent himself as a music therapist unless he is licensed by the Board. This bill is identical to HB 1562.

SB 713 Art therapists and art therapy associates; definitions, licensure.
Chief patron: McClellan
Summary as passed Senate:
Board of Counseling; licensure of art therapists and art therapist associates. Requires the Board of Counseling to adopt regulations establishing a regulatory structure to license art
therapists and art therapist associates, as those terms are defined in the bill, in the Commonwealth and establishes an advisory board to assist the Board in this process. Under the bill, no person shall engage in the practice of art therapy or hold himself out or otherwise represent himself as an art therapist or art therapist associate unless he is licensed by the Board.

SJ 49 Social workers; DHP to study need for additional, etc., workers.
Chief patron: McClellan
Summary as introduced:
Study; Department of Health Professions; need for additional micro-level, mezzo-level, and macro-level social workers and increased compensation; report. Requests that the Department of Health Professions convene a work group, which shall include certain stakeholders listed in the bill, to (i) identify the number of social workers needed in the Commonwealth to adequately serve the population; (ii) identify opportunities for the Commonwealth's social work workforce to successfully serve and respond to increasing biopsychosocial needs of individuals, groups, and communities in areas related to aging, child welfare, social services, military and veterans affairs, criminal justice, juvenile justice, corrections, mental health, substance abuse treatment, and other health and social determinants; (iii) gather information about current social workers in the Commonwealth related to level of education, school of social work attended, level of licensure, job title and classification, years of experience, gender, employer, and compensation; (iv) analyze the impact of compensation levels on social workers' job satisfaction and performance, as well as its impact on the likelihood of other persons entering the profession and any complications to such compensation levels caused by student debt; and (v) make recommendations for additional sources of funding to adequately compensate social workers and increase the number of social workers in the Commonwealth.
SENATE BILL NO. 397
AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the Senate Committee on Education and Health
on January 30, 2020)
(Patron Prior to Substitute—Senator Kiggans)
A BILL to direct the Department of Health to convene a work group related to increasing the
availability of the clinical workforce for nursing homes in the Commonwealth.
Be it enacted by the General Assembly of Virginia:
1. § 1. That the Department of Health shall convene a work group to review and make recommendations
on increasing the availability of the clinical workforce for nursing homes in the Commonwealth. The
work group shall include representatives from the Virginia Health Care Association, the Virginia Center
for Assisted Living, Dignity for the Aged, the Virginia Nurses Association, LeadingAge Virginia, and
other stakeholders as appropriate. The Department shall collaborate with the Department of Health
Professions, the Governor's Chief Workforce Development Advisor, and other state agencies as
appropriate. The Department shall report all recommendations to the Chairmen of the Senate Committee
on Education and Health and the House Committee on Health, Welfare and Institutions on or before
November 15, 2020.
SENATE BILL NO. 185

AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the Senate Committee on Education and Health
on February 6, 2020)
(Patron Prior to Substitute—Senator Dunnivant)

A BILL to amend and reenact § 32.1-127 of the Code of Virginia and to amend the Code of Virginia by
adding a section numbered 18.2-251.1:2, by adding in Article 7 of Chapter 5 of Title 32.1 a section
numbered 32.1-162.6:1, and by adding a section numbered 63.2-1803.01, relating to nursing homes,
hospice, hospice facilities, assisted living facilities; possession and administration of cannabidiol or
THC-A oil.

Be it enacted by the General Assembly of Virginia:
1. That § 32.1-127 of the Code of Virginia is amended and reenacted and that the Code of Virginia
is amended by adding a section numbered 18.2-251.1:2, by adding in Article 7 of Chapter 5 of
Title 32.1 a section numbered 32.1-162.6:1, and by adding a section numbered 63.2-1803.01 as
follows:
§ 18.2-251.1:2. Possession or distribution of cannabidiol or THC-A oil; nursing homes and
certified nursing facilities; hospice and hospice facilities; assisted living facilities.
No person employed by a nursing home, hospice, hospice facility, or assisted living facility and
authorized to possess, distribute, or administer medications to patients or residents shall be prosecuted
under § 18.2-248, 18.2-248.1, 18.2-250, or 18.2-250.1 for the possession or distribution of cannabidiol
oil or THC-A oil for the purposes of storing, dispensing, or administering cannabidiol oil or THC-A oil
to a patient or resident who has been issued a valid written certification for the use of cannabidiol oil
or THC-A oil in accordance with subsection B of § 54.1-3408.3 and has registered with the Board of
Pharmacy.

§ 32.1-127. Regulations.
A. The regulations promulgated by the Board to carry out the provisions of this article shall be in
substantial conformity to the standards of health, hygiene, sanitation, construction and safety as
established and recognized by medical and health care professionals and by specialists in matters of
public health and safety, including health and safety standards established under provisions of Title
XVIII and Title XIX of the Social Security Act, and to the provisions of Article 2 (§ 32.1-138 et seq.).
B. Such regulations:
1. Shall include minimum standards for (i) the construction and maintenance of hospitals, nursing
homes and certified nursing facilities to ensure the environmental protection and the life safety of its
patients, employees, and the public; (ii) the operation, staffing and equipping of hospitals, nursing homes
and certified nursing facilities; (iii) qualifications and training of staff of hospitals, nursing homes and
certified nursing facilities, except those professionals licensed or certified by the Department of Health
Professions; (iv) conditions under which a hospital or nursing home may provide medical and nursing
services to patients in their places of residence; and (v) policies related to infection prevention, disaster
preparedness, and facility security of hospitals, nursing homes, and certified nursing facilities. For
purposes of this paragraph, facilities in which five or more first trimester abortions per month are
performed shall be classified as a category of "hospital";
2. Shall provide that at least one physician who is licensed to practice medicine in this
Commonwealth shall be on call at all times, though not necessarily physically present on the premises,
at each hospital which operates or holds itself out as operating an emergency service;
3. May classify hospitals and nursing homes by type of specialty or service and may provide for
licensing hospital and nursing homes by bed capacity and by type of specialty or service;
4. Shall also require that each hospital establish a protocol for organ donation, in compliance with
federal law and the regulations of the Centers for Medicare and Medicaid Services (CMS), particularly
42 C.F.R. § 482.45. Each hospital shall have an agreement with an organ procurement organization
designated in CMS regulations for routine contact, whereby the provider's designated organ procurement
organization certified by CMS (i) is notified in a timely manner of all deaths or imminent deaths of
patients in the hospital and (ii) is authorized to determine the suitability of the decedent or patient for
organ donation and, in the absence of a similar arrangement with any eye bank or tissue bank in
Virginia certified by the Eye Bank Association of America or the American Association of Tissue
Banks, the suitability for tissue and eye donation. The hospital shall also have an agreement with at least
one tissue bank and at least one eye bank to cooperate in the retrieval, processing, preservation, storage,
and distribution of tissues and eyes to ensure that all usable tissues and eyes are obtained from potential
donors and to avoid interference with organ procurement. The protocol shall ensure that the hospital
collaborates with the designated organ procurement organization to inform the family of each potential
donor of the option to donate organs, tissues, or eyes or to decline to donate. The individual making
contact with the family shall have completed a course in the methodology for approaching potential
donor families and requesting organ or tissue donation that (a) is offered or approved by the organ
procurement organization and designed in conjunction with the tissue and eye bank community and (b)
encourages discretion and sensitivity according to the specific circumstances, views, and beliefs of the
relevant family. In addition, the hospital shall work cooperatively with the designated organ procurement
organization in educating the staff responsible for contacting the organ procurement organization's
personnel on donation issues, the proper review of death records to improve identification of potential
donors, and the proper procedures for maintaining potential donors while necessary testing and
placement of potential donated organs, tissues, and eyes takes place. This process shall be followed,
without exception, unless the family of the relevant decedent or patient has expressed opposition to
organ donation, the chief administrative officer of the hospital or his designee knows of such opposition,
and no donor card or other relevant document, such as an advance directive, can be found;

5. Shall require that each hospital that provides obstetrical services establish a protocol for admission
or transfer of any pregnant woman who presents herself while in labor;

6. Shall also require that each licensed hospital develop and implement a protocol requiring written
discharge plans for identified, substance-abusing, postpartum women and their infants. The protocol shall
require that the discharge plan be discussed with the patient and that appropriate referrals for the mother
and the infant be made and documented. Appropriate referrals may include, but need not be limited to,
treatment services, comprehensive early intervention services for infants and toddlers with disabilities
and their families pursuant to Part H of the Individuals with Disabilities Education Act, 20 U.S.C.
§ 1471 et seq., and family-oriented prevention services. The discharge planning process shall involve, to
the extent possible, the father of the infant and any members of the patient's extended family who may
participate in the follow-up care for the mother and the infant. Immediately upon identification, pursuant
to § 54.1-2403.1, of any substance-abusing, postpartum woman, the hospital shall notify, subject to
federal law restrictions, the community services board of the jurisdiction in which the woman resides to
appoint a discharge plan manager. The community services board shall implement and manage the
discharge plan;

7. Shall require that each nursing home and certified nursing facility fully disclose to the applicant
for admission the home's or facility's admissions policies, including any preferences given;

8. Shall require that each licensed hospital establish a protocol relating to the rights and
responsibilities of patients which shall include a process reasonably designed to inform patients of such
rights and responsibilities. Such rights and responsibilities of patients, a copy of which shall be given to
patients on admission, shall be consistent with applicable federal law and regulations of the Centers for
Medicare and Medicaid Services;

9. Shall establish standards and maintain a process for designation of levels or categories of care in
neonatal services according to an applicable national or state-developed evaluation system. Such
standards may be differentiated for various levels or categories of care and may include, but need not be
limited to, requirements for staffing credentials, staff/patient ratios, equipment, and medical protocols;

10. Shall require that each nursing home and certified nursing facility train all employees who are
mandated to report adult abuse, neglect, or exploitation pursuant to § 63.2-1606 on such reporting
procedures and the consequences for failing to make a required report;

11. Shall permit hospital personnel, as designated in medical staff bylaws, rules and regulations, or
hospital policies and procedures, to accept emergency telephone and other verbal orders for medication
or treatment for hospital patients from physicians, and other persons lawfully authorized by state statute
to give patient orders, subject to a requirement that such verbal order be signed, within a reasonable
period of time not to exceed 72 hours as specified in the hospital's medical staff bylaws, rules and
regulations or hospital policies and procedures, by the person giving the order, or, when such person is
not available within the period of time specified, co-signed by another physician or other person
authorized to give the order;

12. Shall require, unless the vaccination is medically contraindicated or the resident declines the offer
of the vaccination, that each certified nursing facility and nursing home provide or arrange for the
administration to its residents of (i) an annual vaccination against influenza and (ii) a pneumococcal
vaccination, in accordance with the most recent recommendations of the Advisory Committee on
Immunization Practices of the Centers for Disease Control and Prevention;

13. Shall require that each nursing home and certified nursing facility register with the Department of
State Police to receive notice of the registration of reregistration of any sex offender within the same or
a contiguous zip code area in which the home or facility is located, pursuant to § 9.1-914;

14. Shall require that each nursing home and certified nursing facility ascertain, prior to admission,
whether a potential patient is a registered sex offender, if the home or facility anticipates the potential
patient will have a length of stay greater than three days or in fact stays longer than three days;

15. Shall require that each licensed hospital include in its visitation policy a provision allowing each
adult patient to receive visits from any individual from whom the patient desires to receive visits, subject to other restrictions contained in the visitation policy including, but not limited to, those related to the patient's medical condition and the number of visitors permitted in the patient's room simultaneously;

16. Shall require that each nursing home and certified nursing facility shall, upon the request of the facility's family council, send notices and information about the family council mutually developed by the family council and the administration of the nursing home or certified nursing facility, and provided to the facility for such purpose, to the listed responsible party or a contact person of the resident's choice up to six times per year. Such notices may be included together with a monthly billing statement or other regular communication. Notices and information shall also be posted in a designated location within the nursing home or certified nursing facility. No family member of a resident or other resident representative shall be restricted from participating in meetings in the facility with the families or resident representatives of other residents in the facility;

17. Shall require that each nursing home and certified nursing facility maintain liability insurance coverage in a minimum amount of $1 million, and professional liability coverage in an amount at least equal to the recovery limit set forth in § 8.01-581.15, to compensate patients or individuals for injuries and losses resulting from the negligent or criminal acts of the facility. Failure to maintain such minimum insurance shall result in revocation of the facility's license;

18. Shall require each hospital that provides obstetrical services to establish policies to follow when a stillbirth, as defined in § 32.1-69.1, occurs that meet the guidelines pertaining to counseling patients and their families and other aspects of managing stillbirths as may be specified by the Board in its regulations;

19. Shall require each nursing home to provide a full refund of any unexpended patient funds on deposit with the facility following the discharge or death of a patient, other than entrance-related fees paid to a continuing care provider as defined in § 38.2-4900, within 30 days of a written request for such funds by the discharged patient or, in the case of the death of a patient, the person administering the person's estate in accordance with the Virginia Small Estates Act (§ 64.2-600 et seq.);

20. Shall require that each hospital that provides inpatient psychiatric services establish a protocol that requires, for any refusal to admit (i) a medically stable patient referred to its psychiatric unit, direct verbal communication between the on-call physician in the psychiatric unit and the referring physician, if requested by such referring physician, and prohibits on-call physicians or other hospital staff from refusing a request for such direct verbal communication by a referring physician and (ii) a patient for whom there is a question regarding the medical stability or medical appropriateness of admission for inpatient psychiatric services due to a situation involving results of a toxicology screening, the on-call physician in the psychiatric unit to which the patient is sought to be transferred to participate in direct verbal communication, either in person or via telephone, with a clinical toxicologist or other person who is a Certified Specialist in Poison Information employed by a poison control center that is accredited by the American Association of Poison Control Centers to review the results of the toxicology screen and determine whether a medical reason for refusing admission to the psychiatric unit related to the results of the toxicology screen exists, if requested by the referring physician;

21. Shall require that each hospital that is equipped to provide life-sustaining treatment shall develop a policy governing determination of the medical and ethical appropriateness of proposed medical care, which shall include (i) a process for obtaining a second opinion regarding the medical and ethical appropriateness of proposed medical care in cases in which a physician has determined proposed care to be medically or ethically inappropriate; (ii) provisions for review of the determination that proposed medical care is medically or ethically inappropriate by an interdisciplinary medical review committee and a determination by the interdisciplinary medical review committee regarding the medical and ethical appropriateness of the proposed health care; and (iii) requirements for a written explanation of the decision reached by the interdisciplinary medical review committee, which shall be included in the patient's medical record. Such policy shall ensure that the patient, his agent, or the person authorized to make medical decisions pursuant to § 54.1-2986 (a) are informed of the patient's right to obtain his medical record and to obtain an independent medical opinion and (b) afforded reasonable opportunity to participate in the medical review committee meeting. Nothing in such policy shall prevent the patient, his agent, or the person authorized to make medical decisions pursuant to § 54.1-2986 from obtaining legal counsel to represent the patient or from seeking other remedies available at law, including seeking court review, provided that the patient, his agent, or the person authorized to make medical decisions pursuant to § 54.1-2986, or legal counsel provides written notice to the chief executive officer of the hospital within 14 days of the date on which the physician's determination that proposed medical treatment is medically or ethically inappropriate is documented in the patient's medical record;

22. Shall require every hospital with an emergency department to establish protocols to ensure that security personnel of the emergency department, if any, receive training appropriate to the populations
served by the emergency department, which may include training based on a trauma-informed approach
in identifying and safely addressing situations involving patients or other persons who pose a risk of
harm to themselves or others due to mental illness or substance abuse or who are experiencing a mental
health crisis;
23. Shall require that each hospital establish a protocol requiring that, before a health care provider
arranges for air medical transportation services for a patient who does not have an emergency medical
condition as defined in 42 U.S.C. § 1395dd(e)(1), the hospital shall provide the patient or his authorized
representative with written or electronic notice that the patient (i) may have a choice of transportation by
an air medical transportation provider or medically appropriate ground transportation by an emergency
medical services provider and (ii) will be responsible for charges incurred for such transportation in the
event that the provider is not a contracted network provider of the patient's health insurance carrier or
such charges are not otherwise covered in full or in part by the patient's health insurance plan; and
24. Shall establish an exemption, for a period of no more than 30 days, from the requirement to
obtain a license to add temporary beds in an existing hospital or nursing home when the Commissioner
has determined that a natural or man-made disaster has caused the evacuation of a hospital or nursing
home and that a public health emergency exists due to a shortage of hospital or nursing home beds; and
25. Shall permit nursing home staff members who are authorized to possess, distribute, or administer
medications to residents to store, dispense, or administer cannabidiol oil or THC-A oil to a resident
who has been issued a valid written certification for the use of cannabidiol oil or THC-A oil in
accordance with subsection B of § 54.1-3408.3 and has registered with the Board of Pharmacy.
C. Upon obtaining the appropriate license, if applicable, licensed hospitals, nursing homes, and
certified nursing facilities may operate adult day care centers.
D. All facilities licensed by the Board pursuant to this article which provide treatment or care for
hemophiliacs and, in the course of such treatment, stock clotting factors, shall maintain records of all lot
numbers or other unique identifiers for such clotting factors in order that, in the event the lot is found to
be contaminated with an infectious agent, those hemophiliacs who have received units of this
contaminated clotting factor may be apprised of this contamination. Facilities which have identified a lot
which is known to be contaminated shall notify the recipient's attending physician and request that he
notify the recipient of the contamination. If the physician is unavailable, the facility shall notify by mail,
return receipt requested, each recipient who received treatment from a known contaminated lot at the
individual's last known address.
§ 32.1-162.6:1. Possession or administration of cannabidiol oil or THC-A oil.
Hospice and hospice facility employees who are authorized to possess, distribute, or administer
medications to patients shall be permitted to store, dispense, or administer cannabidiol oil or THC-A oil
to a patient who has been issued a valid written certification for the use of cannabidiol oil or THC-A
oil in accordance with subsection B of § 54.1-3408.3 and has registered with the Board of Pharmacy.
§ 63.2-1803.01. Possession or administration of cannabidiol oil or THC-A oil.
Assisted living facility staff members who are authorized to possess, distribute, or administer
medications to residents in accordance with the facility's written plan for medication management shall
be permitted to store, dispense, or administer cannabidiol oil or THC-A oil to a resident who has been
issued a valid written certification for the use of cannabidiol oil or THC-A oil in accordance with
subsection B of § 54.1-3408.3 and has registered with the Board of Pharmacy.
