Edward Titmus called the meeting to order at 10:00 a.m.

Edward Titmus asked if there were additions or corrections to the previously distributed December minutes. The minutes were accepted.

The Administrator presented and discussed the 2009 base allotments. Having considered all factors relative to the establishment of the 2009 base allotments, upon a motion by Susan Stanley and seconded by Yolanda Macklin Crewe the Commission approved all established bases for 2009 would be 75,785,285 pounds (in accordance with 2 VAC 15-20-40. A1-5), in that the 2009 bases do not exceed 1.08% of the average monthly pounds of Class I sales, with the exception of those producers who lost base or recovered base during the base-adjusting period of September, October and November 2008. The bases of existing producers will be adjusted on March 1, 2009, to include base loss and base recovered. The total base recovered from the 2007 base adjusting period was 161,299 and the total base loss due to failure to produce sufficient production during 2008 base-adjusting period was 226,245 pounds. The base recovered and base loss will bring the total established 2009 base to 103.994040% of the preceding year's average 9 month Class I sales, in the amount of 72,874,642 pounds. The amount of base for the months of June, July and August shall be equal to 92% of the established base for the remaining months of the year. The 2009 base allotments, in total by cooperatives, as listed below, are therefore established for the existing baseholding producers, effective March 1, 2009:

	<u>2009 Base</u>
	<u>9 Month</u>
Cooperative Milk Producers Association	16,296,807
Cumberland Valley M.P.A.	180,900
Dairy Farmers of America, Inc., Southeast	33,612,968
Dairy Farmers of America, Inc., Northeast	296,728

Maryland & Virginia Milk Producers Association	24,413,027
Mount Joy Farmers Cooperative	<u>118,169</u>
	75,785,285

The Administrator gave a review of Class I sales summary and adjacent market prices. Commission staff held technical hearings and/or tele-conference interviews with various firms applying for distributor licenses on all Virginia markets. The applicants all agreed to comply with the Rules and Regulations of the Commission and there being no other evidence to the contrary the Administrator recommended the granting, canceling &/or issuing of licenses as indicated below. Fred Calvert made a motion to accept all the following changes, seconded by Susan Stanley effective March 1, 2009. Motion carried.
