

FINAL MINUTES  
Milk Commission Meeting Held September 19, 2018

Minutes of the meeting of the Milk Commission, held at the Department of Forestry located at 900 Natural Resources Drive, Charlottesville, VA 22903.

THE COMMISSION:

PRESENT: Gerald Heatwole, Chairperson; James Kerr, Commissioner; Bruce Mayer, Commissioner; Carolyn Carlson, Commissioner

ABSENT:

Jay Swanson, Commissioner; Kate Farmer, Commissioner; Patrick Crawford, Commissioner.

STAFF PRESENT:

Diane Beck, Dairy Auditor; Monique Hutton, Dairy Auditor; Crafton Wilkes, Administrator.

Mr. Heatwole called the meeting to order at 1:35 p.m.

Mr. Heatwole asked for a motion to accept the minutes from the previous meeting. Mr. Kerr so moved and Mr. Mayer seconded the motion. The minutes were accepted as presented at the meeting. Mr. Heatwole noted that there were a few new faces in attendance and requested a round of introductions. Ms. Carolyn Carlson was recently appointed as a consumer member of the Milk Commission and in attendance for the first time. Ms. Diane Beck and Ms. Monique Hutton, recently hired as Dairy Auditors for the Milk Commission also introduced themselves.

Mr. Wilkes gave a review of Class I and Class II sales and pricing, as well as retail pricing. Producer prices, which were forecasted to climb throughout the year, have not increased as anticipated, and currently average approximately \$2.86 less than 2017. Despite an extended period of lower retail prices, fluid milk sales have not increased appreciably. The USDA AMS had reported on its *Estimated Fluid Milk Products Sales Report* that milk sales in the United States had declined 2.2% through July 2018; Virginia follows a similar trend at 2.5%. He noted that whole milk and flavored milk deviate from the decline, and that organic milk sales represented a growing segment. However, that growth could be an indicator of better accounting practices by the audit staff and not a reflection of market realities.

An overview of an ongoing market survey was presented to the board. Information collected by Mr. Wilkes and Commission staff shows that consumer retail prices in Virginia's regulated markets are, on average, lower than those in unregulated markets and many neighboring states. Mr. Wilkes noted that the data collected thus far was incomplete and he would like to expand the scope to include more locations and continue for longer period of time before drawing any conclusions.

Mr. Wilkes presented requests for distributor licenses for two companies. All applicants agreed to comply with the Rules and Regulations of the Commission during initial hearings with Commission staff, and report Virginia milk sales to the Commission through a monthly report. Through a motion so moved by Mr. Mayer and seconded by Mr. Kerr, the board approved the applications.

Commission members expressed concern for the dairy industry nationally and in Virginia. Mr. Heatwole and Mr. Kerr both indicated that there is a continued reduction in the number of dairy farms, and this trend did not appear to change any time soon. Mr. Heatwole also noted that pricing in the near-term had not been predictable, which was an added stressor for dairy farmers. He discussed methods several dairy cooperatives had implemented as a way to slow overproduction at the farm level, and the feedback on those programs appeared to be favorable. Mr. Heatwole stated that he was supportive of the FDA's initiative to enforce food labeling standards, which could require changes to labels of plant beverages.

The meeting opened for public comment. There was no public comment.

The next Commission meeting is tentatively scheduled for 1:30 p.m. on Thursday, December 13, 2018 at the Virginia Department of Agriculture and Consumer Services in Richmond, VA 23219.
