RESOLUTION

**VIRGINIA OUTDOORS FOUNDATION (VOF)
 BOARD OF TRUSTEES RESOLUTION
 TO ACCEPT ASSIGNMENT OF CO-HELD GREEN LEVEL FARM CONSERVATION
 EASEMENT FROM THE HISTORIC VIRGINIA LAND CONSERVANCY (HVLC) AND THE
 CHESAPEAKE BAY FOUNDATION (CBF)**

WHEREAS, VOF’s policy governing the assignment of easements from other organizations is detailed in Resolution R-10-05, adopted on April 1, 2010, which states: 1) VOF shall consider easement assignments on a case-by-case basis; 2) VOF may accept such assignments of easements as long as there is a compelling conservation-based rationale for acceptance; and 3) VOF shall charge the assignor such fee as sufficient to administer the assigned easements; and

WHEREAS, HVLC and CBF has requested that VOF accept assignment of a 2001, 1.631 acre conservation easement in King William County, currently owned by Katelyn Leary and Colin Owens; and

WHEREAS, in 2015, VOF recorded a separate open-space easement on 111.46 acres of property in King William County, which includes the 1.631-acre portion previously placed under conservation easement with HVLC and CBF; and

WHEREAS, VOF staff has reviewed the terms and conditions of the 2001 conservation easement and has determined that the acceptance of the proposed assignment will not substantially add to VOF’s stewardship burden and will allow for better efficiency and management of the easements; and

WHEREAS, no stewardship endowment was collected by HVLC or CBF at the time of the donation of the 1.631 acre conservation easement and they are requesting relief from the obligation of an assignment fee; now therefore be it

RESOLVED by the Virginia Outdoors Foundation Board of Trustees this 27th day of March, 2024, that the Trustees hereby authorize VOF to accept this assignment without the requirement for the assignment fee.
