Standards of Practice, Disciplinary Action, and Reinstatement

18VAC115-80-90. Standards of practice.

A. The protection of the public health, safety, and welfare and the best interest of the public shall be the primary guide in determining the appropriate professional conduct of all persons whose activities are regulated by the board.

B. Persons registered by the board shall:

1. Practice in a manner that is in the best interest of the public and does not endanger the public health, safety, or welfare.

2. Practice only within the competency area for which they are qualified by training or experience and shall not provide clinical mental health services for which a license is required pursuant to Chapters 35 (§ 54.1-3500 et seq.), 36 (§ 54.1-3600 et seq.), and 37 (§ 54.1-3700 et seq.) of the Code of Virginia.

3. Report to the board known or suspected violations of the laws and regulations governing the practice of qualified mental health professionals.

4. Neither accept nor give commissions, rebates, or other forms of remuneration for the referral of clients for professional services and make appropriate consultations and referrals based on the interest of patients or clients.

5. Stay abreast of new developments, concepts, and practices that are necessary to providing appropriate services.

C. In regard to confidentiality and client records, persons registered by the board shall:

A client's consent to, initiation of, or participation in sexual behavior or involvement with a practitioner does not change the nature of the conduct nor lift the regulatory prohibition.

3. Recognize conflicts of interest and inform all parties of obligations, responsibilities, and loyalties to third parties.

E. Upon learning of evidence that indicates a reasonable probability that another mental health service provider, as defined in § 54.1-2400.1 of the Code of Virginia, is or may be guilty of a violation of standards of conduct as defined in statute or regulation, persons registered by the board shall advise their clients of the client's right to report such misconduct to the Department of Health Professions in accordance with § 54.1-2400.4 of the Code of Virginia.
