10. Cases to be Recommended to the Full Board for Closure:
 - a. Suggested Motion to Close Cases **With no Violations:**
 - i. **Motion:** The JRC investigated the following cases by reviewing institutional, medical, and mental health records and other relevant evidence of the circumstances surrounding each death. The JRC finds the investigation did not reveal any evidence indicating the facility was out of compliance with the regulations promulgated by the Board. NOW THEREFORE, I MOVE the following cases be recommended to the Full Board for closure:
 - b. Suggested Motion to Close Cases **Where Violations Were Properly Addressed:**
 - i. **Motion:** The JRC investigated the following cases by reviewing institutional, medical, and mental health records and other relevant evidence of the circumstances surrounding each death. The JRC finds the investigation did reveal evidence indicating the facility was out of compliance with the regulations promulgated by the Board. However, the JRC Committee finds the corrective actions taken by the jail appropriately addressed the substance of the violation and no further measures are necessary. NOW THEREFORE, I MOVE the following cases be recommended to the Full Board for closure:
