 - C. In order to renew an active license, a licensee shall be required to:
 - 1. Complete a minimum of 160 hours of active practice in the preceding two years; and
 - 2. Comply with continuing competency requirements set forth in 18VAC112-20-131.

D. In order to renew a compact privilege to practice in Virginia, the holder shall comply with the rules adopted by the Physical Therapy Compact Commission in effect at the time of the renewal.

18VAC112-20-140. Traineeship requirements.

A. The traineeship shall be approved by the board and under the direction and supervision of a licensed physical therapist.

B. Supervision and identification of trainees:

- 1. There shall be a limit of two physical therapists assigned to provide supervision for each trainee.
- 2. The supervising physical therapist shall countersign patient documentation (i.e., notes, records, charts) for services provided by a trainee.
- 3. The trainee shall wear identification designating them as a "physical therapist trainee" or a "physical therapist assistant trainee."

C. Completion of traineeship.

- 1. The physical therapist supervising the trainee shall submit a report to the board at the end of the required number of hours on forms supplied by the board.
- 2. If the traineeship is not successfully completed at the end of the required hours, as determined by the supervising physical therapist, the president of the board or his designee shall determine if a new traineeship shall commence. If the president of the board determines that a new traineeship shall not commence, then the application for licensure shall be denied.
- 3. The second traineeship may be served under a different supervising physical therapist and may be served in a different organization than the initial traineeship. If the second traineeship is not successfully completed, as determined by the supervising physical therapist, then the application for licensure shall be denied.
- D. A traineeship shall not be approved for an applicant who has not completed a criminal background check for initial licensure pursuant to § 54.1-3484 of the Code of Virginia.

18VAC112-20-200. Advertising ethics.

A. Any statement specifying a fee, whether standard, discounted, or free, for professional services that does not include the cost of all related procedures, services, and products which

that, to a substantial likelihood, will be necessary for the completion of the advertised service as it would be understood by an ordinarily prudent person shall be deemed to be deceptive or misleading, or both. Where reasonable disclosure of all relevant variables and considerations is made, a statement of a range of prices for specifically described services shall not be deemed to be deceptive or misleading.

- B. Advertising a discounted or free service, examination, or treatment and charging for any additional service, examination, or treatment that is performed as a result of and within 72 hours of the initial office visit in response to such advertisement is unprofessional conduct unless such professional services rendered are as a result of a bona fide emergency. This provision may not be waived by agreement of the patient and the practitioner.
- C. Advertisements of discounts shall disclose the full fee that has been discounted. The practitioner shall maintain documented evidence to substantiate the discounted fees and shall make such information available to a consumer upon request.
- D. A licensee <u>or holder of a compact privilege</u> shall not use the term "board certified" or any similar words or phrase calculated to convey the same meaning in any advertising for his practice unless he holds certification in a clinical specialty issued by the American Board of Physical Therapy Specialties.

E. A licensee <u>or holder of a compact privilege</u> of the board shall not advertise information that is false, misleading, or deceptive. For an advertisement for a single practitioner, it shall be presumed that the practitioner is responsible and accountable for the validity and truthfulness of its content. For an advertisement for a practice in which there is more than one practitioner, the name of the practitioner or practitioners responsible and accountable for the content of the advertisement shall be documented and maintained by the practice for at least two years.

F. Documentation, scientific and otherwise, supporting claims made in an advertisement shall
be maintained and available for the board's review for at least two years.
