I *MOVE* that this committee and its individual members certify that during the closed session, the Jail Review Committee limited its discussion to matters lawfully exempt from the public meeting requirements and identified in the closed session motion. If a Member cannot so certify, I ask that they state the reason specifically on the record and that the recorder take role.

Upon a *Motion* by Mr. Anderson and duly seconded, the attending members voted unanimously to *Approve* the above recommendations. All attending Board of Local & Regional Jails' members *Certified* that the closed session discussion was limited to medical, mental health records and legally exempt matters.

Actions

I make the following recommendations in the form of a Motion by Chairman Garland:

The Jail Review Committee investigated the following cases by reviewing institutional, medical, and mental health records and other relevant evidence of the circumstances surrounding each death. The Jail Review Committee further finds that investigation revealed evidence indicating that the facility was out of compliance with the regulations promulgated by the Board. NOW THEREFORE, I MOVE that the Board of Local and Regional Jails of the facility be notified of the Committee's findings:

Hampton Roads Regional Jail

18-0066 date of death 12/31/18
6VAC-15-40-1045 - Supervision of Inmates

The Jail Review Committee recommends to the Board of Local and Regional Jails ***Decertification*** and order that inmates held there be returned to the jurisdiction of origin.

19-0013 date of death 4/19/19
6VAC-15-40-360 - Twenty-Four Hour Emergency Medical and Mental Health Care

The Jail Review Committee recommends to the Board of Local and Regional Jails ***Decertification*** and order that inmates held there be returned to the jurisdiction of origin.

19-0006 date of death 2/23/19
6VAC-15-40-360 - Twenty-Four Hour Emergency Medical and Mental Health Care
6VAC-15-40-1045 - Supervision of Inmates

The Jail Review Committee recommends to the Board of Local and Regional Jails ***Decertification*** and order that inmates held there be returned to the jurisdiction of origin.

18-0043 date of death 5/15/18
6VAC-15-40-360 - Twenty-Four Hour Emergency Medical and Mental Health Care
6VAC15-40-400 - Management of Pharmaceuticals
6VAC-15-40-1045 - Supervision of Inmates
HRRJ Policy 10.4, Section II Inmate Supervision - Well Being Checks (security rounds)

The Jail Review Committee recommends to the Board of Local and Regional Jails ***Decertification*** and order that inmates held there be returned to the jurisdiction of origin.

In reviewing the cases, the Jail Review Committee finds a wanton disregard for the Board's Minimum Standards. The Jail Review Committee finds that the lack of sufficient trained staff make a significant threat to public safety, not only to the inmates but to the correctional officers themselves. The Committee further finds that all of the violations demonstrate an egregious lack of concern for the health and safety of all who enter the Hampton Roads Regional Jail.

Furthermore, the Committee finds that Hampton Roads Regional Jail knowingly withheld information from this Committee and gave this Committee manifestly inaccurate and misleading case summaries.

Given all of this, this Committee finds that there is no reasonable chance of bringing the facility into compliance with the Board's Minimum Standards, therefore, with respect to the cases that this committee has already addressed, this Committee recommends that the Board of Local and Regional Jails impose the penalties as discussed.
